EXECUTIVE SUMMARY: CrowdStrike endpoint detection and response software will assist Clackamas County in fulfilling the minimum-security requirements for cybersecurity insurance and assist the county with meeting current compliance standards. Additionally, these tools enhance our security team's ability to swiftly address cybersecurity threats. Technology Services seeks approval to purchase CrowdStrike cybersecurity software through a two-year cooperative purchasing agreement (MHEC-04152002) with Dell for \$330,961, with at least \$19,114 paid using SLCGP and SHSP grants and budgeted departmental cost allocations would fund the remaining \$311,847.

RECOMMENDATION: Staff respectfully request that the Board of Commissioners approve the Board Order authorizing a purchase order to Dell for CrowdStrike Cyber Security Software.

Respectfully submitted,

Linu Parappilly
Director of Technology Services
