

Adult Provider Vacancy Reporting

WHAT?

The Oregon Department of Disabilities Services has developed a searchable provider vacancy list that will give providers the opportunity to share information about their programs and their vacancies.

WHO?

- ODDS-Licensed Adult 24-hour programs
- DD Licensed Adult Foster homes
- Multnomah County DD-Licensed Adult Care homes
- ODDS-certified Supported Living Programs

Why?

To ensure transparency of available providers who have capacity to accept individuals who are seeking alternative placement options.

How?

To share information about their programs and share vacancy information providers can visit <https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/PROVIDERS-PARTNERS/Pages/RSP-Profiles-Vacancy-Listing.aspx> and complete the Provider Profile using the instructions provided. Providers can utilize the instructions to submit their profiles and subscribe to the webpage for updates!

When??

NOW! This is a current process that is taking place! Visit the webpage in the blue box to learn more!

This is a **tool** that is being made available to individuals and support planning teams to help make finding potential alternative placement options.

This is ***not*** a requirement for providers to complete, however this profile can help ensure that providers can share important program information in a timely manner.
