

**Kindergarten Partnership Innovation (KPI) Grants
Notice of Funding Opportunity (21-22)
FREQUENTLY ASKED QUESTIONS (FAQ)**

Question 1: We have a business and community center that is close to opening in Clackamas. We can partner or hire teachers and staff to offer tutoring and teaching classes for parents and children. Would this be a possible need?

- The KPI grant funding is intended to help support children in their transition to early elementary school. Offering tutoring opportunities for children, and coaching for parents is allowable under this grant. Partnerships with local school districts are encouraged.

Question 2: Our kindergarten class is 99% immigrant children (some years 100% ESL). All of our classes are meeting full time, in person. Our greatest need is the playground replacement. Does this grant allow for such an expense?

- Capital Improvements are not allowable under this grant.
