Clackamas County needs a commissioner to improve its state of affairs, not a commissioner who will bankrupt it. Our County Leadership's current plan is to spend and waste our money on superfluous projects. We all know what happens next...money goes down the drain. Then the county reaches into our pockets to **take more money**. Clackamas County does not need wasteful spending but a balanced economic solution that preserves our resources while creating sustainable economic growth. In order to do so, citizen input is vital. Therefore, I will have an open door policy for community members to converse face-to-face with their representative.

**My pledge to you:**

- ✓ Not to take a pay raise of any sort.
- ✓ Vote to limit the growth of Government.
- ✓ Protect owner's property rights.
- ✓ Reduce Government expenses while protecting vital services.
- ✓ Attract new business by reducing fees and regulations.
- ✓ Not to discriminate against small business over large corporations.

**Ask yourself:**

- ✓ Can you find work to stay in Clackamas County?
- ✓ What has been accomplished to attract new business to Clackamas County?
- ✓ Has the situation improved with the current commissioners?
- ✓ Do the current commissioners receive and listen to citizen input?

This election vote for me who will represent Clackamas County.

Thank you,

Rick
