EXECUTIVE SUMMARY: The Housing & Community Development Division of the Health, Housing and Human Services Department (H3S) of Clackamas County requests approval of Amendment #2 to extend the Personal Services contract #9474 with Do Good Multnomah to provide case management, peer support, and housing navigation for veterans and their families living at Clayton Mohr Commons for an additional three months.

The three-month extension will allow services to continue while the County conducts a new procurement to continue these services. Clayton Mohr Commons is a Veteran housing project located at 314 Pleasant Ave in the heart of Oregon City, which strictly serves veterans with project-based vouchers. This ensures that the units stay affordable to households at or below 30% AMI. Over the past three (3) years, Do Good Multnomah has collaborated with on-site Property Management and HCDD staff to provide services such as: providing housing stability and eviction prevention, connecting vulnerable residents with outside support services, advocating for residents navigating systems and tracking interventions & outcomes.
