

NOTICE OF SOLE SOURCE

May 2, 2018

In accordance with LCRB C-047-0275, Clackamas County intends to identify a specific item in an upcoming Bid for the Dickey Prairie Road Pavement Distress Mitigation project. The request is for the provision of a SierraScape Retaining Wall System from Tensar Corporation due to special needs or qualifications.

Products from Tensar Corporation are necessary due to the individual components being smaller than traditional Gabion Basket Style Mechanically Stabilized Earth ("MSE") systems, the ability to allow water to pass through it should the drainage system fail again, and the walls backfill reinforcing which will allow for flexible pavement that is needed for this project. The estimated bid line item is anticipated to be \$170,000.00.

An entity may protest this determination in accordance with LCRB C-047-0710 no later than May 9, 2018 at 5:00 PM, Pacific Time. Protests must be submitted to the Procurement Director by hand delivery or mail to Procurement Division, 2051 Kaen Road, Oregon City, OR 97045.
