CLACKAMAS COUNTY
PERSONAL SERVICES CONTRACT
Contract #8153

This Personal Services Contract (this “Contract”) is entered into between **The Immigrant and Refugee Community Organization** (“Contractor”), and Clackamas County, a political subdivision of the State of Oregon (“County”).

ARTICLE I.

1. Effective Date and Duration. This Contract shall become effective upon signature of both parties. Unless earlier terminated or extended, this Contract shall expire on **June 30, 2028**

2. Scope of Work. Contractor shall provide the following personal services: To provide interpreter services on an on-call basis (“Work”), further described in County’s RFP 2023-39, attached hereto as **Exhibit A** and incorporated by this reference herein, and Contractor’s Response, attached hereto as **Exhibit B** and incorporated by this reference herein.

Contractor agrees to perform the Work on behalf of the County and the following entities: Water Environment Services, North Clackamas Parks and Recreation District, the Development Agency of Clackamas County, the Housing Authority of Clackamas County, and any special district or urban renewal agency that follows the County’s Local Contract Review Board rules and is approved by the County, in writing, to receive the Work under this Contract.

This Contract is on an “on-call” or “as-needed basis” for Work. When the County wishes Contractor to perform the Work, the County will submit an official County Task Order form (found at: <https://www.clackamas.us/finance/terms.html>) detailing the scope of Work, the entity on whose behalf the Work will be performed, and the total compensation, pursuant to the fee schedule set forth in this Contract. Contractor may not perform Work until the County Task Order form has been executed by the parties. In the event a project authorized under the County Task Order extends beyond the expiration of this Contract, the County Task Order shall remain in effect under the terms of this Contract until the completion or expiration of the authorized task.

No task order shall modify or amend the terms and conditions of this Contract.

The County Contract administrator for this Contract is the County Procurement and Contract Services Division. For each authorized Task Order, a project specific department representative shall be identified for coordination of the work.

3. Consideration. The maximum annual amount County may pay Contractor, from available and authorized funds, for performing the Work required by this Contract shall not exceed two hundred and fifty thousand dollars (\$250,000.00). The maximum amount County may pay Contractor, from available and authorized funds, for performing the Work during the entire five (5) year term of the Contract shall not exceed One Million Two Hundred Fifty Thousand dollars (\$1,250,000.00). Because this is an on-call or as-needed contract, and the exact amount of Work needed, if any, is unknown, nothing herein shall be construed as a promise to pay Contractor the full \$1,250,000.00 authorized herein. Consideration rates are on a time and materials basis in accordance with the rates and costs specified in **Exhibit B**. If any interim payments to Contractor are made, such payments shall be made only in accordance with the schedule and requirements in Exhibit B.

4. Invoices and Payments. Unless otherwise specified, Contractor shall submit monthly invoices for Work performed. Invoices shall describe all Work performed with particularity, by whom it was performed, and shall itemize and explain all expenses for which reimbursement is claimed. The invoices shall include the total amount billed to date by Contractor prior to the current invoice. If Contractor fails to present invoices in proper form within sixty (60) calendar days after the end of the month in which the services were rendered, Contractor waives any rights to present such invoice

thereafter and to receive payment therefor. Payments shall be made in accordance with ORS 293.462 to Contractor following the County’s review and approval of invoices submitted by Contractor. Contractor shall not submit invoices for, and the County will not be obligated to pay, any amount in excess of the maximum compensation amount set forth above. If this maximum compensation amount is increased by amendment of this Contract, the amendment must be fully effective before Contractor performs Work subject to the amendment.

Invoices shall reference the above Contract Number and be submitted to each department that requested services under this Contract.

5. Travel and Other Expense. Authorized: Yes No

If travel expense reimbursement is authorized in this Contract, such expense shall only be reimbursed at the rates in the County Contractor Travel Reimbursement Policy, hereby incorporated by reference and found at: <https://www.clackamas.us/finance/terms.html>. Travel expense reimbursement is not in excess of the not to exceed consideration.

6. Contract Documents. This Contract consists of the following documents, which are listed in descending order of precedence and are attached and incorporated by reference, this Contract, Exhibit A and Exhibit B.

7. Contractor and County Contacts.

ARTICLE II.

1. ACCESS TO RECORDS. Contractor shall maintain books, records, documents, and other evidence, in accordance with generally accepted accounting procedures and practices, sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred in the performance of this Contract. County and their duly authorized representatives shall have access to the books, documents, papers, and records of Contractor, which are directly pertinent to this Contract for the purpose of making audit, examination, excerpts, and transcripts. Contractor shall maintain such books and records for a minimum of six (6) years, or such longer period as may be required by applicable law, following final payment and termination of this Contract, or until the conclusion of any audit, controversy or litigation arising out of or related to this Contract, whichever date is later.

2. AVAILABILITY OF FUTURE FUNDS. Any continuation or extension of this Contract after the end of the fiscal period in which it is written is contingent on a new appropriation for each succeeding fiscal period sufficient to continue to make payments under this Contract, as determined by the County in its sole administrative discretion.

3. CAPTIONS. The captions or headings in this Contract are for convenience only and in no way define, limit, or describe the scope or intent of any provisions of this Contract.

4. COMPLIANCE WITH APPLICABLE LAW. Contractor shall comply with all applicable federal, state and local laws, regulations, executive orders, and ordinances, as such may be amended from time to time.

5. **COUNTERPARTS.** This Contract may be executed in several counterparts (electronic or otherwise), each of which shall be an original, all of which shall constitute the same instrument.
6. **GOVERNING LAW.** This Contract, and all rights, obligations, and disputes arising out of it, shall be governed and construed in accordance with the laws of the State of Oregon and the ordinances of Clackamas County without regard to principles of conflicts of law. Any claim, action, or suit between County and Contractor that arises out of or relates to the performance of this Contract shall be brought and conducted solely and exclusively within the Circuit Court for Clackamas County, for the State of Oregon. Provided, however, that if any such claim, action, or suit may be brought in a federal forum, it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this section be construed as a waiver by the County of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court. Contractor, by execution of this Contract, hereby consents to the personal jurisdiction of the courts referenced in this section.
7. **INDEMNITY, RESPONSIBILITY FOR DAMAGES.** Contractor shall be responsible for all damage to property, injury to persons, and loss, expense, inconvenience, and delay which may be caused by, or result from, any act, omission, or neglect of Contractor, its subcontractors, agents, or employees. The Contractor agrees to indemnify and defend the County, and its officers, elected officials, agents, and employees, from and against all claims, actions, losses, liabilities, including reasonable attorney and accounting fees, and all expenses incidental to the investigation and defense thereof, arising out of or based upon Contractor's acts or omissions in performing under this Contract.

However, neither Contractor nor any attorney engaged by Contractor shall defend the claim in the name of County, purport to act as legal representative of County, or settle any claim on behalf of County, without the approval of the Clackamas County Counsel's Office. County may assume its own defense and settlement at its election and expense.

8. **INDEPENDENT CONTRACTOR STATUS.** The service(s) to be rendered under this Contract are those of an independent contractor. Although the County reserves the right to determine (and modify) the delivery schedule for the Work to be performed and to evaluate the quality of the completed performance, County cannot and will not control the means or manner of Contractor's performance. Contractor is responsible for determining the appropriate means and manner of performing the Work. Contractor is not to be considered an agent or employee of County for any purpose, including, but not limited to: (A) The Contractor will be solely responsible for payment of any Federal or State taxes required as a result of this Contract; and (B) This Contract is not intended to entitle the Contractor to any benefits generally granted to County employees, including, but not limited to, vacation, holiday and sick leave, other leaves with pay, tenure, medical and dental coverage, life and disability insurance, overtime, Social Security, Workers' Compensation, unemployment compensation, or retirement benefits.
9. **INSURANCE.** Contractor shall secure at its own expense and keep in effect during the term of the performance under this Contract the insurance required and minimum coverage indicated below. The insurance requirement outlined below do not in any way limit the amount of scope of liability of Contractor under this Contract. Contractor shall provide proof of said insurance and name the County as an additional insured on all required liability policies. Proof of insurance and notice of any material change should be submitted to the following address: Clackamas County Procurement Division, 2051 Kaen Road, Oregon City, OR 97045 or emailed to the County Contract Analyst.

The policy(s) shall be primary insurance as respects to the County. Any insurance or self-insurance maintained by the County shall be excess and shall not contribute to it. Any obligation that County agree to a waiver of subrogation is hereby stricken.

- 10. LIMITATION OF LIABILITIES.** This Contract is expressly subject to the debt limitation of Oregon counties set forth in Article XI, Section 10, of the Oregon Constitution, and is contingent upon funds being appropriated therefore. Any provisions herein which would conflict with law are deemed inoperative to that extent. Except for liability arising under or related to Article II, Section 13 or Section 20 neither party shall be liable for (i) any indirect, incidental, consequential or special damages under this Contract or (ii) any damages of any sort arising solely from the termination of this Contract in accordance with its terms.
- 11. NOTICES.** Except as otherwise provided in this Contract, any required notices between the parties shall be given in writing by personal delivery, email, or mailing the same, to the Contract Administrators identified in Article 1, Section 6. If notice is sent to County, a copy shall also be sent to: Clackamas County Procurement, 2051 Kaen Road, Oregon City, OR 97045. Any communication or notice so addressed and mailed shall be deemed to be given five (5) days after mailing, and immediately upon personal delivery, or within 2 hours after the email is sent during County's normal business hours (Monday – Thursday, 7:00 a.m. to 6:00 p.m.) (as recorded on the device from which the sender sent the email), unless the sender receives an automated message or other indication that the email has not been delivered.
- 12. OWNERSHIP OF WORK PRODUCT.** All work product of Contractor that results from this Contract (the "Work Product") is the exclusive property of County. County and Contractor intend that such Work Product be deemed "work made for hire" of which County shall be deemed the author. If for any reason the Work Product is not deemed "work made for hire," Contractor hereby irrevocably assigns to County all of its right, title, and interest in and to any and all of the Work Product, whether arising from copyright, patent, trademark or trade secret, or any other state or federal intellectual property law or doctrine. Contractor shall execute such further documents and instruments as County may reasonably request in order to fully vest such rights in County. Contractor forever waives any and all rights relating to the Work Product, including without limitation, any and all rights arising under 17 USC § 106A or any other rights of identification of authorship or rights of approval, restriction or limitation on use or subsequent modifications. Notwithstanding the above, County shall have no rights in any pre-existing Contractor intellectual property provided to County by Contractor in the performance of this Contract except to copy, use and re-use any such Contractor intellectual property for County use only.
- 13. REPRESENTATIONS AND WARRANTIES.** Contractor represents and warrants to County that (A) Contractor has the power and authority to enter into and perform this Contract; (B) this Contract, when executed and delivered, shall be a valid and binding obligation of Contractor enforceable in accordance with its terms; (C) Contractor shall at all times during the term of this Contract, be qualified, professionally competent, and duly licensed to perform the Work; (D) Contractor is an independent contractor as defined in ORS 670.600; and (E) the Work under this Contract shall be performed in a good and workmanlike manner and in accordance with the highest professional standards. The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided.
- 14. SURVIVAL.** All rights and obligations shall cease upon termination or expiration of this Contract, except for the rights and obligations set forth in Article II, Sections 1, 6, 7, 10, 12, 13, 14, 15, 17, 20, 21, 25, 27, 28, and 34, and all other rights and obligations which by their context are intended to survive. However, such expiration shall not extinguish or prejudice the County's right to enforce this Contract with respect to: (a) any breach of a Contractor warranty; or (b) any default or defect in Contractor performance that has not been cured.

- 15. SEVERABILITY.** If any term or provision of this Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.
- 16. SUBCONTRACTS AND ASSIGNMENTS.** Contractor shall not enter into any subcontracts for any of the Work required by this Contract, or assign or transfer any of its interest in this Contract by operation of law or otherwise, without obtaining prior written approval from the County, which shall be granted or denied in the County's sole discretion. In addition to any provisions the County may require, Contractor shall include in any permitted subcontract under this Contract a requirement that the subcontractor be bound by this Article II, Sections 1, 7, 8, 13, 16 and 27 as if the subcontractor were the Contractor. County's consent to any subcontract shall not relieve Contractor of any of its duties or obligations under this Contract.
- 17. SUCCESSORS IN INTEREST.** The provisions of this Contract shall be binding upon and shall inure to the benefit of the parties hereto, and their respective authorized successors and assigns.
- 18. TAX COMPLIANCE CERTIFICATION.** The Contractor shall comply with all federal, state and local laws, regulation, executive orders and ordinances applicable to this Contract. Contractor represents and warrants that it has complied, and will continue to comply throughout the duration of this Contract and any extensions, with all tax laws of this state or any political subdivision of this state, including but not limited to ORS 305.620 and ORS chapters 316, 317, and 318. Any violation of this section shall constitute a material breach of this Contract and shall entitle County to terminate this Contract, to pursue and recover any and all damages that arise from the breach and the termination of this Contract, and to pursue any or all of the remedies available under this Contract or applicable law.
- 19. TERMINATIONS.** This Contract may be terminated for the following reasons: (A) by mutual agreement of the parties or by the County (i) for convenience upon thirty (30) days written notice to Contractor, or (ii) at any time the County fails to receive funding, appropriations, or other expenditure authority as solely determined by the County; or (B) if contractor breaches any Contract provision or is declared insolvent, County may terminate after thirty (30) days written notice with an opportunity to cure.
- Upon receipt of written notice of termination from the County, Contractor shall immediately stop performance of the Work. Upon termination of this Contract, Contractor shall deliver to County all documents, Work Product, information, works-in-progress and other property that are or would be deliverables had the Contract Work been completed. Upon County's request, Contractor shall surrender to anyone County designates, all documents, research, objects or other tangible things needed to complete the Work.
- 20. REMEDIES.** If terminated by the County due to a breach by the Contractor, then the County shall have any remedy available to it in law or equity. If this Contract is terminated for any other reason, Contractor's sole remedy is payment for the goods and services delivered and accepted by the County as of the date of the notice of termination, less any setoff to which the County is entitled.
- 21. NO THIRD PARTY BENEFICIARIES.** County and Contractor are the only parties to this Contract and are the only parties entitled to enforce its terms. Nothing in this Contract gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Contract.
- 22. TIME IS OF THE ESSENCE.** Contractor agrees that time is of the essence in the performance of this Contract.

- 23. FOREIGN CONTRACTOR.** If the Contractor is not domiciled in or registered to do business in the State of Oregon, Contractor shall promptly provide to the Oregon Department of Revenue and the Secretary of State, Corporate Division, all information required by those agencies relative to this Contract. The Contractor shall demonstrate its legal capacity to perform these services in the State of Oregon prior to entering into this Contract.
- 24. FORCE MAJEURE.** Neither County nor Contractor shall be held responsible for delay or default caused by events outside the County or Contractor's reasonable control including, but not limited to, fire, terrorism, riot, acts of God, or war. However, Contractor shall make all reasonable efforts to remove or eliminate such a cause of delay or default and shall upon the cessation of the cause, diligently pursue performance of its obligations under this Contract.
- 25. WAIVER.** The failure of County to enforce any provision of this Contract shall not constitute a waiver by County of that or any other provision.
- 26. PUBLIC CONTRACTING REQUIREMENTS.** Pursuant to the public contracting requirements contained in Oregon Revised Statutes ("ORS") Chapter 279B.220 through 279B.235, Contractor shall:
- a. Make payments promptly, as due, to all persons supplying to Contractor labor or materials for the prosecution of the work provided for in the Contract.
 - b. Pay all contributions or amounts due the Industrial Accident Fund from such Contractor or subcontractor incurred in the performance of the Contract.
 - c. Not permit any lien or claim to be filed or prosecuted against County on account of any labor or material furnished.
 - d. Pay the Department of Revenue all sums withheld from employees pursuant to ORS 316.167.
 - e. As applicable, the Contractor shall pay employees for work in accordance with ORS 279B.235, which is incorporated herein by this reference. The Contractor shall comply with the prohibitions set forth in ORS 652.220, compliance of which is a material element of this Contract, and failure to comply is a breach entitling County to terminate this Contract for cause.
 - f. If the Work involves lawn and landscape maintenance, Contractor shall salvage, recycle, compost, or mulch yard waste material at an approved site, if feasible and cost effective.
- 27. NO ATTORNEY FEES.** In the event any arbitration, action or proceeding, including any bankruptcy proceeding, is instituted to enforce any term of this Contract, each party shall be responsible for its own attorneys' fees and expenses.
- 28. CONFIDENTIALITY.** Contractor acknowledges that it and its employees and agents may, in the course of performing their obligations under this Contract, be exposed to or acquire information that the County desires or is required to maintain as confidential, including information that is protected under applicable law, including Personal Information (as "**Personal Information**" is defined in ORS 646A.602(11)).

Contractor agrees to hold any and all information that it is required by law or that the County marks as "Confidential" to be held in confidence ("**Confidential Information**"), using at least the same degree of care that Contractor uses in maintaining the confidentiality of its own confidential information, and will use the Confidential Information for no purpose other than in the performance of this Contract, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential.

Contractor agrees that, except as directed by the County, Contractor will not at any time during or after the term of this Contract, disclose, directly or indirectly, any Confidential Information to any person, and that upon termination or expiration of this Contract or the County's request, Contractor will turn over to the County all documents, papers, records and other materials in Contractor's possession which embody Confidential Information.

Contractor acknowledges that breach of this Contract, including disclosure of any Confidential Information, or disclosure of other information that, at law or in good conscience or equity, ought to remain confidential, will give rise to irreparable injury to the County that cannot adequately be compensated in damages. Accordingly, the County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of the County and are reasonable in scope and content.

Contractor agrees to comply with all reasonable requests by the County to ensure the confidentiality and nondisclosure of the Confidential Information, including if requested and without limitation: (a) obtaining nondisclosure agreements, in a form approved by the County, from each of Contractor's employees and agents who are performing services, and providing copies of such agreements to the County; and (b) performing criminal background checks on each of Contractor's employees and agents who are performing services, and providing a copy of the results to the County.

Contractor shall report, either orally or in writing, to the County any use or disclosure of Confidential Information not authorized by this Contract or in writing by the County, including any reasonable belief that an unauthorized individual has accessed Confidential Information. Contractor shall make the report to the County immediately upon discovery of the unauthorized disclosure, but in no event more than two (2) business days after Contractor reasonably believes there has been such unauthorized use or disclosure. Contractor's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the Confidential Information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or shall take to prevent future similar unauthorized use or disclosure. Contractor shall provide such other information, including a written report, as reasonably requested by the County.

Notwithstanding any other provision in this Contract, Contractor will be responsible for all damages, fines and corrective action (including credit monitoring services) arising from disclosure of such Confidential Information caused by a breach of its data security or the confidentiality provisions hereunder.

The provisions in this Section shall operate in addition to, and not as limitation of, the confidentiality and similar requirements set forth in the rest of the Contract, as it may otherwise be amended. Contractor's obligations under this Contract shall survive the expiration or termination of the Contract, as amended, and shall be perpetual.

29. CRIMINAL BACKGROUND CHECK REQUIREMENTS. Contractor shall be required to have criminal background checks (and in certain instances fingerprint background checks) performed on all employees, agents, or subcontractors that perform services under this Contract. Only those employees, agents, or subcontractors that have met the acceptability standards of the County may perform services under this Contract or be given access to Personal Information, Confidential Information or access to County facilities.

It shall be Proposers responsibility to regularly check OregonBuys for any notices, published addenda, or response to clarifying questions.

2.5 Submission of Proposals: Proposals must be submitted in accordance with Section 5. All Proposals shall be legibly written in ink or typed and comply in all regards with the requirements of this RFP. Proposals that include orders or qualifications may be rejected as irregular. All Proposals must include a signature that affirms the Proposer’s intent to be bound by the Proposal (may be on cover letter, on the Proposal, or the Proposal Certification Form) shall be signed. If a Proposal is submitted by a firm or partnership, the name and address of the firm or partnership shall be shown, together with the names and addresses of the members. If the Proposal is submitted by a corporation, it shall be signed in the name of such corporation by an official who is authorized to bind the contractor. The Proposals will be considered by the County to be submitted in confidence and are not subject to public disclosure until the notice of intent to award has been issued.

No late Proposals will be accepted. Proposals submitted after the Closing will be considered late and will be returned unopened. Proposals may not be submitted by telephone or fax.

2.6 Post-Selection Review and Protest of Award: County will name the apparent successful Proposer in a Notice of Intent to Award published on OregonBuys. Identification of the apparent successful Proposer is procedural only and creates no right of the named Proposer to award of the contract. Competing Proposers shall be given seven (7) calendar days from the date on the Notice of Intent to Award to review the file at the Procurement Division office and file a written protest of award, pursuant to LCRB C-047-0740. Any award protest must be in writing and must be delivered by email, hand-delivery or mail to the address for the Procurement Division as listed in Section 1 of this RFP.

Only actual Proposers may protest if they believe they have been adversely affected because the Proposer would be eligible to be awarded the contract in the event the protest is successful. The basis of the written protest must be in accordance with ORS 279B.410 and shall specify the grounds upon which the protest is based. In order to be an adversely affected Proposer with a right to submit a written protest, a Proposer must be next in line for

award, i.e. the protester must claim that all higher rated Proposers are ineligible for award because they are non-responsive or non-responsible.

County will consider any protests received and:

- a. reject all protests and proceed with final evaluation of, and any allowed contract language negotiation with, the apparent successful Proposer and, pending the satisfactory outcome of this final evaluation and negotiation, enter into a contract with the named Proposer; OR
- b. sustain a meritorious protest(s) and reject the apparent successful Proposer as nonresponsive, if such Proposer is unable to demonstrate that its Proposal complied with all material requirements of the solicitation and Oregon public procurement law; thereafter, County may name a new apparent successful Proposer; OR
- c. reject all Proposals and cancel the procurement.

2.7 Acceptance of Contractual Requirements: Failure of the selected Proposer to execute a contract and deliver required insurance certificates within ten (10) calendar days after notification of an award may result in cancellation of the award. This time period may be extended at the option of County.

2.8 Public Records: Proposals are deemed confidential until the “Notice of Intent to Award” letter is issued. This RFP and one copy of each original Proposal received in response to it, together with copies of all documents pertaining to the award of a contract, will be kept and made a part of a file or record which will be open to public inspection. If a Proposal contains any information that is considered a **TRADE SECRET** under ORS 192.345(2), **SUCH INFORMATION MUST BE LISTED ON A SEPARATE SHEET CAPABLE OF SEPARATION FROM THE REMAINING PROPOSAL AND MUST BE CLEARLY MARKED WITH THE FOLLOWING LEGEND:**

“This information constitutes a trade secret under ORS 192.345(2), and shall not be disclosed except in accordance with the Oregon Public Records Law, ORS Chapter 192.”

The Oregon Public Records Law exempts from disclosure only bona fide trade secrets, and the exemption from disclosure applies only “unless the public interest requires disclosure in the particular instance” (ORS 192.345). Therefore, non-disclosure of documents, or any portion of a document submitted as part of a Proposal, may depend upon official or judicial determinations made pursuant to the Public Records Law.

2.9 Investigation of References: County reserves the right to investigate all references in addition to those supplied references and investigate past performance of any Proposer with respect to its successful performance of similar services, its compliance with specifications and contractual obligations, its completion or delivery of a project on schedule, its lawful payment of subcontractors and workers, and any other factor relevant to this RFP. County may postpone the award or the execution of the contract after the announcement of the apparent successful Proposer in order to complete its investigation.

2.10 RFP Proposal Preparation Costs and Other Costs: Proposer costs of developing the Proposal, cost of attendance at an interview (if requested by County), or any other costs are entirely the responsibility of the Proposer, and will not be reimbursed in any manner by County.

2.11 Clarification and Clarity: County reserves the right to seek clarification of each Proposal, or to make an award without further discussion of Proposals received. Therefore, it is important that each Proposal be submitted initially in the most complete, clear, and favorable manner possible.

2.12 Right to Reject Proposals: County reserves the right to reject any or all Proposals or to withdraw any item from the award, if such rejection or withdrawal would be in the public interest, as determined by County.

2.13 Cancellation: County reserves the right to cancel or postpone this RFP at any time or to award no contract.

2.14 Proposal Terms: All Proposals, including any price quotations, will be valid and firm through a period of one hundred and eighty (180) calendar days following the Closing date. County may require an

extension of this firm offer period. Proposers will be required to agree to the longer time frame in order to be further considered in the procurement process.

2.15 Oral Presentations: At County's sole option, Proposers may be required to give an oral presentation of their Proposals to County, a process which would provide an opportunity for the Proposer to clarify or elaborate on the Proposal but will in no material way change Proposer's original Proposal. If the evaluating committee requests presentations, the Procurement Division will schedule the time and location for said presentation. Any costs of participating in such presentations will be borne solely by Proposer and will not be reimbursed by County. **Note:** Oral presentations are at the discretion of the evaluating committee and may not be conducted; therefore, **written Proposals should be complete.**

2.16 Usage: It is the intention of County to utilize the services of the successful Proposer(s) to provide services as outlined in the below Scope of Work.

2.17 Review for Responsiveness: Upon receipt of all Proposals, the Procurement Division or designee will determine the responsiveness of all Proposals before submitting them to the evaluation committee. If a Proposal is incomplete or non-responsive in significant part or in whole, it will be rejected and will not be submitted to the evaluation committee. County reserves the right to determine if an inadvertent error is solely clerical or is a minor informality which may be waived, and then to determine if an error is grounds for disqualifying a Proposal. The Proposer's contact person identified on the Proposal will be notified, identifying the reason(s) the Proposal is non-responsive. One copy of the Proposal will be archived and all others discarded.

2.18 RFP Incorporated into Contract: This RFP will become part of the Contract between County and the selected contractor(s). The contractor(s) will be bound to perform according to the terms of this RFP, their Proposal(s), and the terms of the Sample Contract.

2.19 Communication Blackout Period: Except as called for in this RFP, Proposers may not communicate with members of the Evaluation Committee or other County employees or representatives about the RFP during the procurement process until the apparent successful Proposer is selected, and all protests, if any, have been resolved. Communication in violation of this restriction may result in rejection of a Proposer.

2.20 Prohibition on Commissions and Subcontractors: County will contract directly with persons/entities capable of performing the requirements of this RFP. Contractors must be represented directly. Participation by brokers or commissioned agents will not be allowed during the Proposal process. Contractor shall not use subcontractors to perform the Work unless specifically pre-authorized in writing to do so by the County. Contractor represents that any employees assigned to perform the Work, and any authorized subcontractors performing the Work, are fully qualified to perform the tasks assigned to them, and shall perform the Work in a competent and professional manner. Contractor shall not be permitted to add on any fee or charge for subcontractor Work. Contractor shall provide, if requested, any documents relating to subcontractor's qualifications to perform required Work.

2.21 Ownership of Proposals: All Proposals in response to this RFP are the sole property of County, and subject to the provisions of ORS 192.410-192.505 (Public Records Act).

2.22 Clerical Errors in Awards: County reserves the right to correct inaccurate awards resulting from its clerical errors.

2.23 Rejection of Qualified Proposals: Proposals may be rejected in whole or in part if they attempt to limit or modify any of the terms, conditions, or specifications of the RFP or the Sample Contract.

2.24 Collusion: By responding, the Proposer states that the Proposal is not made in connection with any competing Proposer submitting a separate response to the RFP, and is in all aspects fair and without collusion or fraud. Proposer also certifies that no officer, agent, elected official, or employee of County has a pecuniary interest in this Proposal.

2.25 Evaluation Committee: Proposals will be evaluated by a committee consisting of representatives from County and potentially external representatives. County reserves the right to modify the Evaluation Committee make-up in its sole discretion.

2.26 Commencement of Work: The contractor shall commence no work until all insurance requirements have been met, the Protest of Awards deadline has been passed, any protest have been decided, a contract has been fully executed, and a Notice to Proceed has been issued by County.

2.27 Best and Final Offer: County may request best and final offers from those Proposers determined by County to be reasonably viable for contract award. However, County reserves the right to award a contract on the basis of initial Proposal received. Therefore, each Proposal should contain the Proposer's best terms from a price and technical standpoint. Following evaluation of the best and final offers, County may select for final contract negotiations/execution the offers that are most advantageous to County, considering cost and the evaluation criteria in this RFP.

2.28 Nondiscrimination: The successful Proposer agrees that, in performing the work called for by this RFP and in securing and supplying materials, contractor will not discriminate against any person on the basis of race, color, religious creed, political ideas, sex, age, marital status, sexual orientation, gender identity, veteran status, physical or mental handicap, national origin or ancestry, or any other class protected by applicable law.

2.29 Intergovernmental Cooperative Procurement Statement: Pursuant to ORS 279A and LCRB, other public agencies shall have the ability to purchase the awarded goods and services from the awarded contractor(s) under terms and conditions of the resultant contract. Any such purchases shall be between the contractor and the participating public agency and shall not impact the contractor's obligation to the County. Any estimated purchase volumes listed herein do not include other public agencies and County makes no guarantee as to their participation. Any Proposer, by written notification included with their Proposal, may decline to extend the prices and terms of this solicitation to any and/or all other public agencies. CONTRACTOR'S QUOTE

IMMIGRANT AND REFUGEE COMMUNITY ORGANIZATION

The Immigrant and Refugee Community Organization (IRCO) is submitting a bid to provide quality interpreter services including via in person, telephonic, transcription and video platforms. Specifics on how we meet or exceed the Request for Proposal (RFP) qualifications, our experience, and our capacity to do this work well in Clackamas County are outlined below. For questions about this proposal please contact Jenny Bremner, Director of Development & Communications at 971.336.3199 or jennyb@irco.org.

IRCO Background and Qualifications

Description.

The Immigrant and Refugee Community Organization (IRCO) is a nonprofit organization that serves a diverse community of immigrants and refugees in Oregon and SW Washington. We manage over 200 contracts/projects to provide a wide array of culturally and linguistically specific social services, including employment services and career coaching, vocational training, English language learning, community development, early childhood and parenting education services, youth academic supports, and more. Our multi-ethnic, multilingual approach ensures that our services are tailored to meet the unique needs of the communities we serve.

IRCO's International Language Bank (ILB) is a vital IRCO program that provides professional interpretation and translation services to individuals, businesses, and organizations. We specialize in providing culturally appropriate and multilingual services for legal, medical, and social service organizations in languages spoken by refugees and immigrants, including languages with few qualified translators and interpreters. With over 100 languages and dialects covered, our certified and experienced staff of 17 full-time employees and over 300 local subcontractors ensure that we have the capacity to meet the interpretation and translation needs of our clients. Our team of interpreters and translators is made up of professionals from over 56 ethnic backgrounds, with 85% of them being local residents. This diversity and size enable us to offer quality and quantity in our interpretation and translation services. We take pride in maintaining a solid customer base that values our straightforward communication, affordability, and personalized attention to each request.

Credentials.

(Medical and/or Legal Certifications by the State of Oregon and experience of key individuals that would be assigned to this project.)

Our ILB team members will work with County Requestors for each engagement and handle all service delivery processes, including scheduling, billing, and delivery. We prioritize establishing strong relationships with clients and fostering open communication throughout engagements.

Triet Nguyen, ILB Manager, will serve as the primary point of contact for contract negotiations under this RFP. In addition, Mr. Nguyen will be responsible for evaluating whether Clackamas County's business objectives are being met within the specified time frames.

Mr. Nguyen holds a BS in Psychology and brings over 15 years of experience in interpretation and translation service programs. He also serves as a Health Care Instructor, helping interpreters become qualified and certified interpreters with the Oregon Health Authority. As the ILB Manager, Mr. Nguyen is responsible for overseeing day-to-day operations, managing interpreter and translator teams, handling finances, and engaging in strategic planning to ensure our long-term growth and success.

Martha Ortega, our Lead Scheduler, is primarily responsible for scheduling onsite appointments and providing in-person and telephonic interpretation support for County Requesters. She has completed the State Approved Medical training and passed the National written Medical Exam Certification in Spanish, ensuring her proficiency in medical interpretation.

Jacob Anderson is an experienced Translation Operation Supervisor with over a decade of experience coordinating written translation projects from start to finish. He has strong language skills, analytical thinking ability, leadership skills, and attention to detail. He has formatted translations in multiple software programs, including MS Word, Adobe InDesign, MS PowerPoint, Adobe Audition, and Subtitle Edit. He is skilled in performing thorough quality assurance checks in multiple languages on both raw text and formatted translations, ensuring that translations match the original documents in both content and formatting. Jacob is experienced in coordinating client reviews, glossaries, and style guides as needed. He has created, updated, and maintained translation memory databases and glossaries using Wordfast Pro and SDLX. He holds an M.A. in linguistics from the University of California, Irvine and a B.A. in linguistics from Swarthmore College.

Gemma Comito, Accounting Specialist, holds a Master's degree in Cognitive Science and Linguistics. Ms. Comito brings a deep understanding of language and communication. Fluent in multiple languages and dialects such as Arabic, Spanish, Azerbaijani, and Catalan. Ms. Comito's proficiency in languages and analytical skills make her an invaluable asset in managing our billing operations and ensuring the quality of our services.

Awaz Muhamad, Health Care Instructor and Certified Medical Interpreter, has over 20 years of interpretation experience and eight years of teaching experience. Ms. Muhamad has worked international humanitarian aid organizations providing interpretation services in medical, legal, and educational settings. She is fluent in English, Kurdish, and Arabic. She has a Bachelor's degree in English from Iraq and a Master's degree in TESOL from Portland State University.

IRCO's ILB team of interpreters, translators, and proofreaders are all bilingual and bicultural with fluency in the languages in which they provide services. Many of our team members hold different certifications and qualifications such as Oregon Court Certified, Court Qualified, Medical Certified, Medical Qualified, Federal Court Certified, or certification from the National Board of Healthcare Interpreter Program and Commission of Certification in Healthcare Interpreter (CCHI). For our American Sign Language (ASL) interpreters, we only contract with

those licensed/registered through the National Association of the Deaf.

Relevant Services.

(Description of providing similar services to public entities of similar size within the past five years)

ILB brings more than 25 years of experience in providing language interpretation and translation services to local County agencies, including Clackamas County Behavioral Health Division and Clackamas County Children’s Commission. We carefully match interpreters, translators, and proofreaders for specific projects based on their relevant experience and subject matter expertise. This has enabled us to build a team of professionals who are familiar with our clients’ terminology and business style, a crucial factor in delivering high-quality services to our clients. About 85% of our business comes through government contracts to provide interpretation and translation services for various activities such as clinics, education classes, juries, classes for teen parents, and general County business, including meetings, events, and translation of documents for public communication materials. We offer ongoing contracts in translation, ASL, in-person, telephonic, and video interpretation to meet the diverse needs of our clients.

ILB has a strong track record of providing high-quality interpretation and translation services and has ongoing contracts with numerous public entities of similar size and services to those outlined in the RFP, such as Oregon Department of Human Services, Multnomah County, and Oregon City School Districts. These long-term contracts attest to the quality of the services provided by ILB and demonstrate ILB's capacity to accommodate increased volume of requests. Since 2015, ILB has expanded its service capacity to more than 4,000 in-person appointments and 35,000 minutes per month for telephonic interpretation services with minimal connection time. This pattern of growth positions ILB as a reliable provider for Clackamas County clients.

Ability to Meet Requirements.

(Description of the firm’s ability to meet the requirements in Section 3)

ILB can provide all the necessary interpreter services outlined in the RFP for a five-year contract term ending on June 30, 2028, with a total contract value that is not-to-exceed \$1,250,000, and has extensive experience in providing high-quality telephonic and in-person interpretation and translation services for all spoken and sign languages specified under this RFP. ILB has a diverse group of contracted interpreters/translators to ensure the quality, availability, and quantity of interpreters and language translation, signing, and that document transcription/translation services are delivered in a timely, accurate, complete, correctly formatted, and culturally appropriate manner.

ILB's interpretation and translation services exceed the requirements outlined in Section 3. ILB provides qualified and certified interpreters who specialize in medical, legal, education, social services, and ASL services. ILB's staff has combined experience working in the local justice

systems, healthcare systems, human services, library systems, elections, and various other County services.

ILB can accommodate additional terms and conditions mandated by State, Federal or County Requirements per each engagement, as well as additional guidelines specified by funding sources and departmental needs. ILB has more than 25 years of experience contracting with local County-level agencies and all contractors who provide on-site interpretation services have passed the criminal background checks before the first day of work.

ILB ensures smooth **coordination and communication with the County Requestor following all stipulations outlined in the scope of work, sec. 3.3.1, para 3.** ILB's staff is up-to-date on all best practices regarding correspondence, organization, service rules, service delivery practices, and billing requirements, including billing third-party entities directly. ILB Scheduler and Project Coordinators will manage interpretation and translation projects with open and regular communication to establish trust and build a relationship with the customer.

ILB has a customized database system that customers can use to request interpreters, which decreases wait time for services confirmation and ensures timely invoicing and accurate records for Clackamas County Departments and Districts. **ILB can invoice Departments directly on a monthly basis with detailed information per transaction.** Our billing and reporting are generated via a customized database system that tracks all in-person and phone interpretation and translation projects, generates invoices, reports, and distributes them at the request of customers. ILB's staff has experience tracking and maintaining accurate monthly records of multiple County Divisions/Districts, including date, time, location, language services used, type of services (in-person, telephonic, video, translation), and any important billing notes.

ILB uses high-quality video remote interpreting technology, which goes above and beyond industry best practices for paperless interpretation forms. **Telephonic interpretation utilizes a landline to maintain the integrity of the connection, and ILB's system uses a high-quality Video Remote Interpretation (VRI) technology that enables the interpreter to see and hear the speaker in high-definition quality.**

What Distinguishes IRCO from Other Firms.

(Description of what distinguishes the firm from other firms performing a similar service.)

Our ILB's success is attributed to our unique position in the community, operating under the umbrella of a community-driven non-profit organization. Being a first stop for most refugees who call Oregon their new home, **IRCO's ILB has a direct link to the state's immigrant and refugee communities.** With a multinational and multicultural staff, IRCO's ILB handles oral interpretations and written translations for numerous Limited English Proficiency clients.

ILB and its clients benefit from mentorship by IRCO's diverse staff who are well-versed in the strengths and challenges of immigrant and refugee communities, and can offer strategies to address cultural and linguistic barriers. To keep ILB staff up-to-date on refugee arrival trends,

intercultural communication strategies, conflict resolution, social norms, and the best practices for addressing cultural and linguistic barriers on cultural specifics, onboarding information/training on Diversity, Equity and Inclusion (DEI) topics **and cultural competency training are required for all IRCO staff.**

This allows ILB to **maintain community ties and cultural sensitivity in providing legal, healthcare, and social interpretation and translation services** to meet the specific needs of immigrant and refugee populations. Thus, ILB can maintain best practices for behaviors, attitudes, and policies to work effectively in cross-cultural settings and produce better outcomes for the services we provide.

One unique feature of IRCO's ILB is that all proceeds go directly toward supporting IRCO's mission. As a community-based non-profit organization, IRCO's mission is to “welcome, serve and empower refugees, immigrants, and people across cultures and generations to reach their full potential.” Proceeds are reinvested in the community through IRCO's 200+ culturally specific and responsive projects that engaged nearly 30,000 diverse community members last year alone.

IRCO's work is carried out through the leadership, knowledge, and cultural and linguistic capacity of people hired from within the diverse communities we serve. Our multilingual, multicultural management and workforce comprise over 500 staff who collectively speak 90+ languages and represent 70+ ethnicities. Approximately 70% of our staff came to the U.S. as immigrants or refugees and/or identify as from a community of color.

ILB provides **hands-on oversight and in-service training, with superior supervisor to contractor ratios.** Unlike many translation and interpretation firms that try to increase profit by accessing wider pools of contractors abroad, who often are not familiar with the vocabulary and usage of U.S./Oregonian speakers, our contractors are bilingual/bicultural and connected to the communities that Clackamas County would reach under this contract. Our primary goal is to provide knowledgeable and well-trained contractors for language services.

ILB benefits from **strong cost control and organizational management structures through its affiliation with IRCO.** The Administrative Team at IRCO provides ILB with support, including Fiscal Management for fiscal oversight, Human Resources Management for staff recruitment and training, Communications and Development for program development and funding, and IT for technical support. These cost control benefits allow ILB to comply with federal, state, county, city, and school district regulations, ensuring strong performance and accountability.

ILB stands out for our commitment to **providing our employees and sub-contractors with ample training and professional development opportunities,** which enables us to consistently deliver a level of service that goes above and beyond the requirements outlined in this RFP. An example of this is IRCO's successful pilot project, which was funded by the U.S. Office of Public Health's Office of Minority Health and aimed to create in-house training programs for healthcare interpreters using a core curriculum developed in collaboration with Portland

Community College. The training ensured that interpreters adhere to the principles and values outlined in the National Council on Interpreting in Health Care's Code of Ethics and Standards of Practice.

Scope of Work

See attachment 6 (following) for spreadsheet of languages spoken and written and in which mode of delivery that IRCO can provide whether that is in person, telephonically or written translation services.

Detailed Project Approach to Execute Services.

ILB provides Interpretation and Translation services both in-person and remotely, 24/7/365, with business hours from 7:30 a.m. to 6:00 p.m., Monday through Friday, excluding federal holidays.

In-Person Interpretation requests can be placed via telephone, fax, or preferably by email.

Email: interpretation@ircoilb.org

Telephone: (503) 234-0068

Fax: (503) 233-4724

ILB requires 24 hours' notice for interpreter requests, but we can also accommodate short-notice and emergency requests. Our staff assists with appointment set-up and keeps the County Requestor informed. We confirm all service details with the County Requestor, including service time, location, and any other necessary information.

On-demand telephonic/video interpretation requests can be made by dialing our dedicated number or logging in to your account (for video remote interpreting). A live agent will promptly identify the customer's code, language need, and connect them to a qualified interpreter within seconds. We have the capacity to respond immediately to inquiries from various County units, including the County Sheriff's Department, District Attorney's Office, Clackamas County Service District 1, North Clackamas Parks and Recreation District, Transportation and Development, Resolution Services, Library District, Water Environment Services, Health, Housing and Human Services, among others. Our commitment is to answer over 95% of all calls within 30 seconds. Connection time may vary depending on the language requested, with the most frequently requested languages usually experiencing shorter connection times. We have exceeded expectations thus far, with an average connection time of 16 seconds for all languages and 9 seconds for Spanish.

For any issues related to in-person and/or remote interpretation services, we will respond on the day of the request and keep the requester updated on the resolution. Regarding monthly billing issues for translation and interpretation services, our ILB billing coordinators will respond and resolve the issue within 24 hours of contact from the County.

Written Translation. IRCO's ILB offers translation services that ensure effective communication between individuals and organizations. Our written translation services are available during regular business hours and encompass a streamlined process that is easy to navigate. Here are the five specific steps that we follow to ensure quality translations.

1. *Submit the Request.* To initiate the written translation process, email the source files or documents to translation@ircoilb.org. Include the target language, formatting requirements, delivery preferences, target audience, and any special requests. We suggest providing both a source file and a PDF. If staff or community members require time to review the translation, please inform us in advance.
2. *Receive the Quote.* After receiving the request, we will provide a quote within one business day. Our team will analyze the source document and use translation memory software to check for any repetitive or previously translated text. Our quote will cover translation, proofreading, quality assurance, and desktop publishing if necessary or requested.
3. *Commence the Project.* After the County requester accepts the quote, IRCO assigns a locally-based translator and proofreader chosen by IRCO Project Managers. All our translators are native speakers of the target language. We select translators based on their writing style that suits the target audience. Whenever possible, we select translators based in the Pacific Northwest.
4. *Project Review, Client Review, and Layout.* Once the translator and proofreader complete the project, IRCO ILB staff reviews the files for accuracy and completeness. They reach out to the translator for clarification if necessary. Quality control measures, such as proofreading and desktop publishing, are implemented.
5. *Delivery of Translated Document(s) and Invoice.* Upon completion, IRCO ILB delivers the final translated document(s) to the County requester in the requested source format (e.g. MS Word, InDesign) and print-ready PDF format, along with our invoice.

Timeline for Services.

ILB has existing accounts with Clackamas County, allowing us to continue services with the new contract. We can create new accounts for clinics and departments that have not established service with us within one business day.

A detailed timeline for each type of service can be found in the service execution response above (see 5.3, question 2). Our services are available 24/7/365, and we strive to respond to any issues on the same day they arise. Request timelines are briefly outlined below.

- In-person interpretation: 24-hour notice is preferred.

- On-demand telephonic/video interpretation: 95% of calls answered within 30 seconds; average connection time is 16 seconds for all languages and 9 seconds for Spanish.
- Written translation: Completion time varies by request; confirmation of request receipt provided as soon as possible and quote given within one business day.

The quoted fees outlined on attachment 6 are a time and material hourly rate for each type of service provided.
