- The iPad enclosure features silicone lining on the upper lid and rubber pads on the lower base to help protect your iPad from scratches and to keep it securely in place.
- A Home button extension allows users to use the home button without needing to poke their fingers into the opening.
- The enclosure has several cutouts for the camera, volume controls, speaker, and to accommodate the charge/sync cable connection.
- The enclosure has a lock to prevent it from being opened to remove the iPad and the entire assembly can be securely mounted to any horizontal or vertical surface.
