The purpose of this RFQ is to purchase transportation engineering services to coordinate, facilitate, perform and complete a written report for a Road Safety Audit (“RSA”) regarding Stafford Road in Clackamas County.

Stafford Road is classified as a County major arterial; it is a two-lane road with posted speeds of 40 mph and 45 mph and ADT between about 9000 and 15000 vehicles per day. The County maintained roadway segment, and the limits of the RSA, are bound by Lake Oswego to the north and Wilsonville to the south. The corridor includes two signalized interchange ramp terminals (I- 205), one traffic signal (Ek Rd), two roundabouts (Borland Rd & Rosemont Rd), and a number of conventional intersections with local, collector, and arterial roadways. Clackamas County may postpone the award or execution of the contract after the announcement of the apparent successful Quoter in order to complete its investigation. Clackamas County reserves the right to reject any quote or to reject all quotes at any time prior to Clackamas County's execution of a contract if it is determined to be in the best interest of Clackamas County to do so.

this Contract. Further, any violation of Contractor's warranty in this Contract that Contractor has complied with the tax laws of this state and the applicable tax laws of any political subdivision of this state also shall constitute a material breach of this Contract. Any violation shall entitle County to terminate this Contract, to pursue and recover any and all damages that arise from the breach and the termination of this Contract, and to pursue any or all of the remedies available under this Contract, at law, or in equity, including but not limited to: (A) Termination of this Contract, in whole or in part; (B) Exercise of the right of setoff, and withholding of amounts otherwise due and owing to Contractor, in an amount equal to County's setoff right, without penalty; and (C) Initiation of an action or proceeding for damages, specific performance, declaratory or injunctive relief. **20. **21. REMEDIES.** (A) In the event of termination pursuant to Article II Section 20(A), (B)(i), or (D), Contractor's sole remedy shall be a claim for the sum designated for accomplishing the Work multiplied by the percentage of Work completed and accepted by the County, less previous amounts paid and any claim(s) which the County has against Contractor. If previous amounts paid to Contractor exceed the amount due to Contractor under Section 21(A), Contractor shall pay any excess to County on demand. (B) In the event of termination pursuant to Sections

20(B)(ii) or 20(C), the County shall have any remedy available to it in law or equity. (C) Upon receiving a notice of termination of this Contract, Contractor shall immediately cease all activities under this Contract, unless County expressly directs otherwise in such notice of termination. Upon termination of this Contract, Contractor shall deliver to County all documents, information, works-in-progress and other property that are or would be deliverables had the Contract Work been completed.
