Name of City or Cities

City of Estacada

Date of Election

November 8, 2022

**Final Ballot Title** The following is the final ballot title of the measure to be submitted to the city's voters. The ballot title notice has been published and the ballot title challenge process has been completed.

**Caption** 10 words which reasonably identifies the subject of the measure.

Temporary Prohibition on Psilocybin-related businesses within Estacada.

**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall Estacada prohibit Psilocybin-related businesses for two years so that local regulations can be adopted for the businesses?

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

State law allows for operation, manufacturing, and distribution of Psilocybin related businesses. The State will begin issuing permits for these businesses in 2023, unless a City has a permanent or temporary prohibition in place. There is disagreement about what type of time, place, and manner restrictions cities can place on the Psilocybin businesses. However, State law provides that a City Council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities. Approval of this measure would prohibit the establishment of Psilocybin manufacturers and other Psilocybin related businesses for a two-year period ending on December 31, 2024, unless Estacada voters extend the ban prior to its expiration. During the ban period the City could do public outreach to help determine what, if any, limitations can be placed on these businesses and if there is public support for locating or prohibiting these businesses in Estacada.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.

If the county is producing a voters' pamphlet an explanatory statement must be drafted and attached to this form for:

- any measure referred by the city governing body; or
- any initiative or referendum, if required by local ordinance.

**City of Estacada****Explanatory Statement:**

State law allows for operation, manufacturing, and distribution of Psilocybin related businesses. The State will begin issuing permits for these businesses in 2023, unless a City has a permanent or temporary prohibition in place.

The Oregon Health Authority, who was the agency that was responsible for drafting regulations released proposed rules in July.

There is disagreement about what type of time, place, and manner restrictions cities can place on the Psilocybin businesses. However, State law provides that a City Council may adopt an ordinance to be referred to the voters to pass a two-year moratorium prohibiting siting of facilities for a two-year period.

This would prohibit the establishment of any of those registered or licensed activities. During the ban period the City could do public outreach to help determine what, if any, limitations can be placed on these businesses and if there is public support for locating or prohibiting these businesses in Estacada.

Approval of this measure would prohibit the establishment of Psilocybin manufacturers and other Psilocybin related businesses for a two-year period ending on December 31, 2024, unless Estacada voters extended the ban prior to its expiration.
