

Transportation Safety Action Plan Update

WHAT

Clackamas County's Drive to Zero campaign focuses on reducing injuries and fatalities on our roadways. Our goal is **zero** fatal and serious injury crashes on all roads in Clackamas County by 2035.

Our Drive to Zero Safety Action Plan will identify strategies to reach this goal. But we cannot do it without **YOUR help**. Transportation safety depends on everyone who drives, walks, bikes, or rides in a car or bus. Please join us in ensuring safe travels for everyone in Clackamas County!
