EXECUTIVE SUMMARY: Clackamas County Health, Housing & Human Services, through its Housing & Community Development Division, seeks to improve the health, safety, and comfort of low-income residents through increased home energy efficiency and lower energy costs. To achieve this, H3S is establishing a ranked list of contractors qualified to install weatherization major measures and/or applicable specialty contractor services for eligible low-income families and individuals residing in single-family homes in Clackamas County. Contractors may be awarded work as jobs come up, and decisions to award depend upon best value (based on a comparison of prices of all contractors for items listed on the work order), bonding limits, and availability to start work.

The Weatherization program preserves the habitability of homes, improves the health and safety of the home environment, lowers energy burdens and costs, and keeps the residents stably housed. Approximately 100 low-income households are served each year.

RECOMMENDATION: Staff recommends that the Board of County Commissioners of Clackamas County approve and execute this Contract with Wirenut Enterprises, LLC for Weatherization Major Measures.

Respectfully submitted,

Rodney A. Cook

In the event insufficient funds are appropriated and available, as determined by County in its sole discretion, to make adjustments to account for the events described in this Section 18, the parties agree to negotiate, in good faith, to either reduce the Work to accommodate the change. If the parties are unable to agree upon a reduced scope of Work, the parties may terminate this Contract pursuant to Section 29, below.

Section 19. Claims Review Process: A "Claim" means a demand by Contractor pursuant to this Section for review of the denial of Contractor's initial request for an adjustment of Contract terms, payment of money, extension of Key Dates or other relief, submitted in accordance with the requirements and within the time limits established for review of Claims in this Section.

- A. All Contractor Claims shall be referred to the County for review. Contractor's Claims, including Claims for adjustments to compensation or Contract Time, shall be submitted in writing by Contractor to the County within five (5) days after a denial of Contractor's initial request for an adjustment of Contract terms, payment of money, extension of Key Dates or other relief, provided that such initial request has been submitted in accordance with the requirements and within the time limits established in this Section. Within thirty (30) days after the initial Claim, Contractor shall submit to the County a complete and detailed description of the Claim (the "Detailed Notice") that includes all information required by Section 19.B. Unless the Claim is made in accordance with these time requirements, it shall be waived by Contractor.

- B. The Detailed Notice of the Claim shall be submitted in writing by Contractor and shall include a detailed, factual statement of the basis of the Claim, pertinent dates, Contract provisions which support or allow the Claim, reference to or copies of any documents which support the Claim, the dollar value of the Claim, and the Key Dates adjustment requested for the Claim. If the Claim involves Work to be completed by Subcontractors, the Contractor will analyze and evaluate the merits of the Subcontractor claim prior to forwarding it and that analysis and evaluation to the County. The County will not consider direct claims from subcontractors, suppliers, manufacturers, or others not a party to this Contract. Contractor agrees that it will make no agreement, covenant, or assignment, nor will it commit any other act that will permit or assist any subcontractor, supplier, manufacturer, or other to directly or indirectly make a claim against County.
- C. The County will review all Claims and take one or more of the following preliminary actions within ten (10) Days of receipt of the Detailed Notice of a Claim: (1) request additional supporting information from the Contractor; (2) inform the Contractor and County in writing of the time required for adequate review and response; (3) reject the Claim in whole or in part and identify the reasons for rejection; (4) based on principles of equitable adjustment, recommend approval of all or part of the Claim; or (5) propose an alternate resolution.
- D. The County's decision shall be final and binding on the Contractor unless appealed by written notice to the County within fifteen (15) days of receipt of the decision. The Contractor must present written documentation supporting the Claim within fifteen (15) days of the notice of appeal. After receiving the appeal documentation, the County shall review the materials and render a decision within thirty (30) days after receiving the appeal documents.
- E. The decision of the County shall be final and binding unless the Contractor delivers to the County its request for mediation, which shall be a non-binding process, within fifteen (15) days of the date of the County's decision. The mediation process will be considered to have commenced as of the date the Contractor delivers the request. Both parties acknowledge and agree that participation in mediation is a prerequisite to commencement of litigation of any disputes relating to the Contract. Both parties further agree to exercise their best efforts in good faith to resolve all disputes within sixty (60) days of the commencement of the mediation through the mediation process set forth herein.

In the event that a lawsuit must be filed within this sixty (60) day period in order to preserve a cause of action, the parties agree that, notwithstanding the filing, they shall proceed diligently with the mediation to its conclusion prior to actively prosecuting the lawsuit, and shall seek from the court in which the lawsuit is pending such stays or extensions, including the filing of an answer, as may be necessary to facilitate the mediation process.

- F. Should the parties arrive at an impasse regarding any Claims or disputed Claims, it is agreed that the parties shall participate in mediation as specified in Section 19.E. The mediation process will be considered to have been commenced as of the date one party delivers to the other its request in writing to mediate. The mediator shall be an individual mutually acceptable to both parties, but in the absence of agreement each party shall select a temporary mediator and the temporary mediators shall jointly select the permanent mediator. Each party shall pay its own costs for the time and effort involved in mediation. The cost of the mediator shall be split equally between the two parties. Both parties agree to exercise their best effort in good faith to resolve all disputes in mediation. Participation in mediation is a mandatory requirement of both the County and the Contractor. The schedule, time and place for mediation will be mutually acceptable, or, failing mutual agreement, shall be as established by the mediator. The parties agree to comply with County's administrative rules governing the confidentiality of mediation, if any, and shall execute all necessary documents to give effect to such confidentiality rules. In any event, the parties shall not subpoena the mediator or otherwise require the mediator to

produce records, notes or work product, or to testify in any future proceedings as to information disclosed or representations made in the course of mediation, except to the extent disclosure is required by law.

- G. Unless otherwise directed by the County, the Contractor shall proceed with the Work while any Claim, or mediation or litigation arising from a Claim, is pending. Regardless of the review period or the final decision of the County, the Contractor shall continue to diligently pursue the Work as identified in the Contract Documents. In no case is the Contractor justified or allowed to cease or Delay Work, in whole or in part, without a written stop work order from the County.

Section 20. Violations, Suspension and Cancellation: If the Contractor violates any of the provisions of this Contract, the County, may, after giving written notice, suspend any further operations of the Contractor under this Contract, except such operations as may be necessary to remedy any violations. By signature below, the parties to this contract agree to the terms, conditions, and content expressed herein effective upon the date of the last signature below.

Section 38. Liquidated Damages: It is imperative that the Work in this Contract reach Substantial Completion by the Key Date indicated in the Work Order, to ensure that the Worksite Owner shall be able to fully occupy the premises free and clear without disturbance. It is understood that the Work on the premises creates a substantial disruption of the use of the premises. The Contractor represents and agrees to the Substantial Completion date, and it has taken into account in its acceptance of the Work Order the requirements of the Contract Documents, the location, the time allowed for the Work, local conditions, availability of materials, equipment, and labor, and any other factor which may affect performance of the Work.

If the Contractor fails to achieve Substantial Completion as specified above, then the Contractor and County agree that it would be extremely difficult to ascertain the damages incurred by the County and Worksite Owner for the Contractor's failure. Therefore, the County and the Contractor agree that County may impose liquidated damages in amounts set forth in each Work Order.

Section 39. Federal Assurances

The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Contractor will take such action with respect to any subcontract or work order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided*, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the County, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.
