

The Central Point - New Era - Leland Road Community Planning Organization will meet at 7:00 PM on Thursday, Feb. 13. The location is Oregon City United Methodist Church at 18955 South End Road, Oregon City.

Our agenda for the evening is as follows:

- Approval (and discussion as needed) of our last meeting's minutes. As we are no longer an officially recognized active CPO, copies of the minutes are not available on the county website, but will be available at this meeting.
- Discussion of proposed changes to the intersection of Central Point and New Era Roads. Several neighbors wish the County to reconsider their current realignment plan in favor of a round-about.
- Recent land use applications in our area - none pending, all approved.
- Election of officers, future of the CPO?
- Letter requesting restrictions on hemp farming in RRFF-5 zoning.
- Other business?
