

Agenda and Notice for Central Point – New Era – Leland Road CPO

Mark your calendars for a CPO meeting on Thursday, February 13th, 2020 at 7:00 PM at the Methodist Church on South End Rd. The main topic of conversation is the proposed realignment of the New Era Road and Central Point Road intersection. Several neighbors want to present an alternative to the current County plan. We haven't had a community planning organization meeting for our area in a couple of years. Consider attending to meet with neighbors about neighborhood issues.
