

Have Leftover Medicine?

Drop It In A Box!

Safeguard family and friends

Prescriptions left in the home can find their way into the hands of others who should not take them, including children.

Protect the environment

Medications that are flushed, dumped down the drain, or placed in the trash contaminate our water.

Save lives

Prescription opioid abuse is the fastest growing drug problem in the U.S. and drug overdose is now the leading cause of injury deaths.

Drop It In A Box!

Drop off your unused and expired medications at a disposal box near you!
