Program Element Description

Program Element #44: School-Based Health Centers (SBHC)

OHA Program Responsible for Program Element:

Public Health Division/Center for Prevention & Health Promotion/Adolescent, Genetic & Reproductive Health Section

- Description.** Funds provided under this Agreement for this Program Element may only be used in accordance with, and subject to, the requirements and limitations set forth below, to deliver School-Based Health Centers (SBHC) Services. SBHC Services must only be used to support activities related to planning, oversight, maintenance, administration, operation, and delivery of services within one or more SBHC as required by OHA's SBHC funding formula.

According to the 2019 Oregon Healthy Teens Survey, approximately 66% of 11th graders and 63% of 8th graders reported having not seen a doctor or nurse for a check-up in the last 12 months. SBHCs provide physical, mental and preventive health services to all students regardless of their ability to pay at an easily accessible location for students and families.

This Program Element, and all changes to this Program Element are effective the first day of the month noted in the Issue Date section of Exhibit C of the Financial Assistance Award unless otherwise noted in Comments and Footnotes of Exhibit C of the Financial Assistance Award.
