 - 1. Treatment programs shall be evidence-based. Evidence-based programs are delivered consistent with the findings in research about what works best to reduce recidivism.

 8. Weekly random drug testing shall occur, however frequency may decrease as Participant progresses. There shall be a consequence for this or any other rule violation, but that consequence shall not automatically result in withdrawal from treatment. Sanctions shall be administered in a manner to assure longer stays in treatment which are associated with good outcomes.

- D. COUNTY will prepare and furnish such data, descriptive information and reports as may be requested by DEPARTMENT as needed to comply with ORS 423.520, which states in part, "The department shall require recipients of the grants to cooperate in the collection and sharing of data necessary to evaluate the effect of community corrections programs on future criminal conduct." IX NONCOMPLIANCE

- A. The Assistant Director of Community Corrections or the Assistant Director's designee of the Community Corrections Division shall review COUNTY's compliance with this Agreement. COUNTY must substantially comply with the provisions of the Plan received by DEPARTMENT and this Agreement.

If, upon review, DEPARTMENT determines that there are reasonable grounds to believe that COUNTY is not in substantial compliance with the Agreement or Plan, including but not limited to COUNTY has failed to meet standards of evidence-based treatment programs as required in Section V.B.1, DEPARTMENT and COUNTY shall proceed in accordance with OAR Chapter 291-031, to reach compliance or, if compliance is not obtained, to suspend funding.

COUNTY INTERVENTION PLAN and BUDGET SUMMARY
CLACKAMAS COUNTY

Clackamas County Community Corrections
M57 Supplemental Fund
Program Summary

- The Corrections Substance Abuse Program (CSAP) is a residential alcohol and drug treatment program providing 50 beds for males at the Corrections Center and 34 beds at the Women's Center. CSAP targets felony convicted high and medium-high risk to reoffend male and female clients on supervision. Participants may be on parole, post-prison supervision or probation with Clackamas County Community Corrections.

- The Men's and Women's CSAP programs are approximately one year in length with a minimum of six months in residence at the Corrections Center or Women's Center followed by six months of structured aftercare. Treatment is provided by licensed Mental Health Therapists and Community Correction's Counselors who specialize in both addictions and in working with the offender population. Focus is placed on treatment for substance abuse as well as criminal conduct. Clients spend approximately 38 hours per week in structured activities. Treatment curriculum is evidence based and addresses each participant's assessed risk and needs.

- Both MCSAP and WCSAP programs utilize in-house sanctions such as additional chores, loss of privileges and extra treatment assignments. Rewards/Reinforcers are used to reinforce the positive changes clients are making. Both CSAP programs utilize a token economy system where clients can purchase items such as coffee, snacks, and hygiene items and can earn extra privileges in the program.

- MCSAP and WCSAP collaborate with Clackamas County Courts, Jail, Behavioral Health, and Public Health. Through sentencing to these treatment programs, clients are allowed an alternative to jail. The Jail assists this transition to the programs by making clients available for evaluation prior to release to identify if the client is program appropriate. Behavioral Health is contracted to provide Mental Health Therapists who facilitate evaluations and supervise treatment.

INDEMNIFICATION
CLACKAMAS COUNTY**

Contribution

If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Either party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which the Department is jointly liable with the County (or would be if joined in the Third Party Claim), the Department shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the County in such proportion as is appropriate to reflect the relative fault of the Department on the one hand and of the County on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the Department on the one hand and of the County on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The Department's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if the Department had sole liability in the proceeding.

With respect to a Third Party Claim for which the County is jointly liable with the Department (or would be if joined in the Third Party Claim), the County shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by the Department in such proportion as is appropriate to reflect the relative fault of the County on the one hand and of the Department on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of the County on the one hand and of the Department on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. The County's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law if it had sole liability in the proceeding.

Alternative Dispute Resolution

The parties should attempt in good faith to resolve any dispute arising out of this Agreement. This may be done at any management level, including at a level higher than persons directly responsible for administration of the Agreement. In addition, the parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.

Indemnification by Subcontractors

County shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of County's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by the contractor from and against any and all Claims.

Subcontractor Insurance Requirements

GENERAL.

County shall require its first tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under contracts between County and the contractors (the "Subcontracts"), and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to Department. County shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, County shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. County shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall County permit a contractor to work under a Subcontract when the County is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which the county directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

TYPES AND AMOUNTS.

PROFESSIONAL LIABILITY

Professional Liability Insurance covering any damages caused by an error, omission or negligent act related to the services to be provided under the Subcontract, with limits not less than \$2,000,000, as determined by the Agency:

"TAIL" COVERAGE. If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous "claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of : (i) the contractor's completion and County's acceptance of all Services

required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and Agency may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If Agency approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE. The contractor or its insurer must provide 30 days' written notice to County before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE. County shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.
