After the hearing is closed the Hearings Officer will enter written findings of fact, conclusions of law, and any Order deemed proper. If a violation is proven, then the Order may include civil penalties, fines, administrative fees, or may require the respondent to take certain actions, or refrain from certain actions. An Order issued by the Hearings Officer may be a Final Order or Continuing Order. The Hearings Officers Order is the final decision of the County, and may be appealed pursuant to Oregon law. The Hearings Officer for Clackamas County is:

**Attorney at Law**  
**14725 NE 20<sup>th</sup> Street, #D-5**

The Respondent may also request that the proceeding be continued after the end of the hearing if the Respondent determines that additional evidence should be brought to the attention of the Hearings Officer.

**SUBJECT: Violation of Clackamas County Solid Waste and Waste Management Code, Title 10, Chapters 10.03.060 (A) and (B)**

**VIOLATION:** V0020422

**SITE ADDRESS:** 68284 E Twinberry Loop, Welches, OR 97067

This letter serves as notice of a violation of the Clackamas County Code. The violations include:

- Accumulation of solid waste
- Inoperable and/or non-currently licensed vehicles

**VIOLATIONS & HOW TO RESOLVE**

A site inspection was conducted at the above property on June 7, 2022. During that inspection, I confirmed the violation of putrescible waste on site and inoperable or non-currently licensed vehicles.

**Solid Waste**

The accumulation of solid waste causes a condition of unsightliness and is a safety and health hazard and constitutes a violation of Clackamas County Code Title 10.03.060 (A) and (B). In order to abate the violations, you must complete the following **no later than July 6, 2022**:

1. Remove all solid waste, including but not limited to appliances, equipment and furniture; vehicle parts; tires; scrap metal, or any other useless, unwanted or discarded material, or other similar non-putrescible solid waste or wastes that is visible from the road or surrounding properties to an authorized disposal facility and store out of sight all articles and solid waste that you wish to keep.

Additionally all putrescible (household) waste must be stored in a rodent proof container with a tight-fitting lid and removed to an authorized disposal facility a minimum of **once**

**every seven (7) days.** Covering solid waste with a tarp or tarp like structure does not remove the items from violation.

### **Inoperable and/or Non-Currently Licensed Vehicles**

- Remove the inoperable and/or not currently licensed vehicles from the subject property, **and/or**;
- Render the inoperable and/or currently licensed vehicles, operable and licensed to persons currently residing on the subject property, **and/or**;
- Place the inoperable and/or not currently licensed vehicles that are owned by person currently residing on the subject property inside a permitted structure, **and/or**;
- Screen no more than two (2) vehicles from view of the road and surrounding properties, in accordance with the minimum screening requirements of the code (see Title 10.03.060 (C)). Please note: placing vehicles under tarps or tarp structures does not remedy the violation.
