BACKGROUND:

The Health, Housing and Human Services Department (H3S) of Clackamas County, requests approval to assign the personal services contract #10788 with Impact NW to provide Supportive Housing Case Management and Shelter + Care services from the Housing Authority of Clackamas County (HACC) to Clackamas County effective at the creation of the new housing division of H3S.

The Impact NW contract was procured by HACC with the intention of being managed by HACC staff. Following the procurement, Clackamas County elected to create a new housing division, within its Department of Health, Housing, and Human Services, to consolidate the provision of housing-related services, including those funded by the Supportive Housing Services Measure that were previously managed by HACC. With the creation of the new division, HACC intends to assign the approved contract to Clackamas County for management by the new housing

Total contract value is for \$602,336.38.
