THE FAMILY SELF-SUFFICIENCY PROGRAM AND THE FSS ACTION PLAN

INTRODUCTION

This chapter provides an overview of the family self-sufficiency (FSS) program and FSS action plan, including the purpose, organization, and required contents of the FSS action plan.

Part I: The Family Self-Sufficiency (FSS) Program and FSS Action Plan: This part provides an overview of the family self-sufficiency program and the purpose of the FSS action plan.

Part II: Requirements of the FSS Action Plan: This part covers action plan requirements, including development, revision, and contents of the action plan. It also contains information on family demographics, which is part of the required contents of the action plan.

PART I: THE FAMILY SELF-SUFFICIENCY (FSS) PROGRAM AND FSS ACTION PLAN

1-I.A. OVERVIEW OF THE FAMILY SELF-SUFFICIENCY PROGRAM

The origins of the FSS program are in two pilot projects implemented in 1986 and 1990, Project Self-Sufficiency and Operation Bootstrap, respectively. These projects were set up to test self-sufficiency programs for families with housing subsidies, and both demonstrated that families needed essential services to move toward economic self-sufficiency. These services include child care, transportation, medical care, and long-term education and training.

In the wake of the successful demonstration of these projects, family self-sufficiency became one of the initiatives under the Homeownership and Housing Opportunities for People Everywhere (HOPE) program enacted in 1990, and the FSS program was subsequently created under the National Affordable Housing Act the same year.

FSS built upon and refined both Project Self-Sufficiency and the Bootstrap program. It remained a voluntary program in 1991 and 1992 but became mandatory in 1993 for any new increments of funding issued to PHAs. The 1993 regulations were further modified by the Quality Housing and Work Responsibility Act of 1998 (QHWRA). In 2018, expansive changes were made to the FSS program by the Economic Growth, Regulatory Relief, and Consumer Protection Act known as “the Economic Growth Act” or “the Act.”

The purpose of the FSS program is to coordinate housing assistance with public and private resources to enable assisted families to achieve economic self-sufficiency. The purpose and basic requirements of the FSS program are further elaborated upon in Chapter 2.

This family self-sufficiency program is administered by the **Housing Authority of Clackamas County (HACC)** for the jurisdiction of **City of Oregon City / County of Clackamas**].

1-I.C. THE FAMILY SELF-SUFFICIENCY ACTION PLAN

The family self-sufficiency (FSS) action plan is required by HUD. The purpose of the FSS action plan is to establish policies for conducting the family self-sufficiency program in a manner consistent with HUD requirements and local goals and objectives contained in the PHA's Agency Plan. This FSS action plan is a supporting document to the PHA Agency Plan and is available for public review as required by 24 CFR Part 903.

This family self-sufficiency action plan is set forth to define the PHA's local policies for operation of the program in the context of federal laws and regulations. All issues related to FSS not addressed in this document are governed by such federal regulations, HUD handbooks and guidebooks, notices, and other applicable laws. The policies in this FSS action plan have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding.

The PHA is responsible for complying with all changes in HUD regulations pertaining to the FSS program. If such changes conflict with this plan, HUD regulations will take precedence.

Administration of the FSS program and the functions and responsibilities of PHA staff shall comply with the PHA's personnel policy and HUD's family self-sufficiency regulations, as well as all Section 8 and public housing regulations, in addition to federal, state, and local fair housing laws and regulations.

PART II: REQUIREMENTS OF THE FSS ACTION PLAN

1-II.A. OVERVIEW

A PHA must have a HUD-approved action plan before implementing an FSS program, regardless of whether the FSS program is a mandatory or voluntary program. Further, this action plan must comply with the requirements specified for the plan in the regulations [24 CFR 984.201(a)].

The regulatory requirements dealing specifically with the FSS action plan itself largely involve the development, revision, and required contents of the action plan. This part covers those requirements.

1-II.B. HUD APPROACH TO POLICY DEVELOPMENT

In developing policy for the FSS action plan, PHAs need to be aware of the distinction HUD makes between mandatory and discretionary policies.

- *Mandatory policies* are those driven by legislation, regulations, current handbooks, notices, and legal opinions.
- *Discretionary policies* consist of those developed for areas in which the PHA has regulatory discretion, or regarding optional, nonbinding guidance including guidebooks, notices that have expired, and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory regulations and to make clear the optional policies the PHA has adopted. The PHA's FSS action plan is the foundation of those policies and procedures for the FSS program. HUD's directions require PHAs to make policy choices that provide guidance to staff and consistency to program applicants and participants.

Following HUD guidance, even though it is not mandatory, provides a PHA with a "safe harbor." HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. If a PHA adopts an alternative strategy, it must make its own determination that the alternative approach is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than HUD's safe harbor, but PHAs should carefully consider those decisions.

1-II.C. FSS ACTION PLAN DEVELOPMENT AND REVISION

Development of Action Plan [24 CFR 984.201(b) and (c)]

When developing an FSS action plan, a PHA must do so in consultation with the chief executive officer of the applicable unit of general local government and the program coordinating committee (PCC).

For all voluntary or mandatory FSS programs, the PHA must submit its action plan and obtain HUD approval of the plan before it can implement the FSS program. This includes a voluntary program established because the PHA chose to implement an FSS program that exceeds the minimum size for a mandatory program (see Section 2-II.A. for a discussion of mandatory versus voluntary FSS programs).

Single Action Plan [24 CFR 984.201(f)]

PHAs implementing both a Section 8 FSS program and a public or Indian housing FSS program may submit one action plan. In cases where the PHA decides to submit one plan for more than one program, the policies contained in the action plan would apply to both programs.

PHA Policy

~~The PHA is implementing both an HCV FSS program and a public housing FSS program and will submit one action plan, the policies in which apply to both programs.~~

The PHA is implementing both a public housing and Section 8 FSS program, which may include tenant-based and project-based Section 8, and Foster Youth to Independence Initiative (FYI). The PHA will submit one action plan, the policies in which apply to both programs.

Revision to the FSS Action Plan [24 CFR 984.201(c)(2)]

Following HUD's initial approval of the action plan, no further approval of the action plan is required unless the PHA proposes to make policy changes to the action plan, increase the size of a voluntary program, or revise the FSS action plan as needed to comply with changes in HUD regulations. The PHA must submit any changes to the action plan to HUD for approval.

PHA Policy

The PHA will review and update the action plan at least once a year, and more often if needed, to reflect changes in regulations, PHA operations, or when needed to ensure staff consistency in operation.

1-II.D. CONTENTS OF THE PLAN [24CFR 984.201(d)]

HUD regulations state that there are several components that must be included in the FSS action plan. At a minimum, the action plan must cover the policies and procedures of the PHA for operation of a local FSS program as follows:

- Family demographics, including a description of the number, size, characteristics, and other demographics such as racial and ethnic data, in addition to the supportive service needs of the families expected to participate in the program. (Chapter 1)
- Estimate of participating families, which means the number of families which can reasonably be expected to receive supportive services under the FSS program. (Chapter 2)
- Eligible families from any other local self-sufficiency program who are expected to agree to executing an FSS contract of participation. (Chapter 2)
- A statement of the PHA's FSS family selection procedures, including a description of how the procedures ensure that families are selected without regard to race, color, religion, disability, sex, familial status, or national origin. (Chapter 4)
- A description of the incentives that the PHA intends to offer to families to encourage participation in the FSS program (an incentives plan), including the establishment of the escrow account. (Chapter 4)
- Outreach efforts, which include a description of the PHA's efforts to recruit eligible families, the actions the PHA will take to ensure that both minority and nonminority groups are informed about the FSS program, and how the PHA will make this information known. (Chapter 4)
- A description of the FSS activities and supportive services to be provided by both public and private resources to FSS families, and identification of these public and private resources. (Chapter 4)
- A description of the PHA's method for identifying family support needs, including how the PHA will identify the needs and deliver the services. (Chapter 4)
- A description of the PHA's policies regarding program termination or withholding of services based on a family's failure to comply with the FSS contract, and available grievance procedures. (Chapter 5)
- Assurances of noninterference with rights of non-participating families which state that a family's election to not participate in the FSS program will not affect the family's admission to the Section 8 or public housing program, nor will it affect their right to occupancy in accordance with its lease. (Chapter 4)
- A timetable for implementation of the FSS program, including the schedule for filling FSS slots with eligible FSS families. (Chapter 2)

- A certification that development of the services and activities under the FSS program has been coordinated with programs under Title I of the Workforce Innovation and Opportunity Act, other relevant employment, childcare, transportation, training, education, and financial empowerment programs in the area, and will continue to be coordinated to avoid duplication of services and activities.

Optional Additional Information [24 CFR 984.201(d)(13)].

- HUD encourages additional information in the action plan that would help to determine the soundness of the PHAs proposed FSS program.

PHA Policy

The PHA will submit additional optional information in this action plan that will help HUD determine the soundness of the proposed FSS program.

This information includes:

Policies related to the modification of goals in the ITSP. (Chapter 5)

Policies on the circumstances in which an extension of the contract of participation may be granted. (Chapter 5)

Policies on the interim disbursement of escrow, including any limitations on the use of the funds. (Chapter 6)

Policies regarding eligible uses of forfeited escrow funds by families in good standing. (Chapter 6)

Policies regarding the re-enrollment of previous FSS participants, including graduates and those who exited the program without graduating. (Chapter 4)

Policies on requirements for documentation for goal completion. (Chapter 4)

Policies on documentation of the household's designation of the "head of FSS family." (Chapter 4)

Policies for providing an FSS selection preference for porting families if the PHA elects to offer such a preference. (Chapter 7)

1-II.E. FAMILY DEMOGRAPHICS [24 CFR 984.201(d)(1)]

As part of the required contents of the FSS action plan, family demographics of the Section 8 and public housing program participants serve to provide a description of the number, size, characteristics, and other descriptive data (including racial and ethnic data of those participants). These data may later be used to help the housing authority and the program coordinating committee (PCC) to identify supportive service needs of the families expected to participate in the FSS program.
