Tuesday, Feb. 11

Clackamas ESD
3–7 p.m.

13455 SE 97th Ave.
Clackamas, OR

Trimet Stop ID #10235

Immunizations are required to attend school or childcare in the State of Oregon. Clackamas County is offering two mobile clinics in February to help eligible families get up to date on required vaccines.

Vaccines are available for:

- children enrolled in the Oregon Health Plan (OHP)
- children without health insurance
- children with insurance that does not cover the cost of immunizations

Clackamas County is unable to vaccinate children with private health insurance at these events.

There is no cost to receive a vaccine. Walk-in only, no appointments necessary. Please bring any immunization records you have to the clinic. A parent or guardian must be present to sign a consent form for children under 15 years of age.

Note: If inclement weather causes North Clackamas School District to close on Feb. 11, or Clackamas Community College to close on Feb. 8, that day's event will be canceled.
