REQUEST FOR PROPOSALS #2018-117  
Oak Grove-Lake Oswego Pedestrian/Bicycle Bridge Feasibility Study  
RESPONSE TO CLARIFYING QUESTIONS  
December 3, 2018

Note that these are questions submitted by interested firms to the above referenced solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFP as published.

- 1. Concerning Section 5.6, Supportive Information, bullet point 2, it states "Time allocation (in hours) for each member of the consultant team based on the proposed project schedule". Does the County really want time allocation in hours? If you do intend to request hours, for which phase of project? We have seen other proposals state "Percent Available to work on this Project over the Duration of the Contract" as an alternative.*

**Answer:** The Time Allocation requested in section 5.6 is for the first phase of the project. The County is seeking an hourly breakdown for the consultant team based on the Proposer's Gantt chart project schedule.
