**VI. Members Community Reports/Input**

-*Position #1* motion for recommendation to remove due to more than 3 consecutive unexcused absences. Discussion followed by motion to move forward with written letter mailed via UPS with a 2 week response period/deadline.

-*Whitley*: Alternative Planning Analysis for Local Governance Discussion: Concerns re: this potential plan negatively impacting ELED services/response. Whitley to forward information to Brooks Building for additional review.

**VII. Reports**

-*Regional crime stat data discussion*: Calls for service Q3 stat discussion. Overall self-initiated activity down due to pandemic. Response times still ideally low for priority calls. Increase in mental health calls and death investigations (due to less people utilizing hospice care). Question on whether DV spike noticed. Thought some initial spikes, not an overall notable increase per Strangfield.

-Discussion of Robbery at ACE Hardware in ELED and resulting pursuit into VA, WA. CCSO still doing proactive police work. Chasing what we should and not chasing what we shouldn't.

-*Critical Incident Review*:

-CCSO COVID-19 Update: CCSO had 6 (off duty contact) positive cases which developed into 9 cases and an additional 11 for 19 deputies total cases. Nearing end of 2 week period and most employees back at work. Upon learning of exposures, CCSO initiated predetermined COVID protocols to include employee quarantine, scaling back in person roll calls and trainings, closing lobby and training center, reminding employees to utilize masks and all available PPE, assigning a COVID officer to the incident(s) and reiterating all OHA workplace guidelines.

- 
- Fallen Officer – Line of Duty Death Remembrance
- CPO (Community Planning Organizations) Meetings:

**VIII. Brainstorm**

- Wilson proposal of information pamphlet/trifold to be a tool for ELED members to provide to the public to include mission, what ELED is, contact info etc.
