I belong to the Society for Creative Anachronism — a medieval and Renaissance re-creation group, and a 501(3)(c) educational non-profit. We are always on the lookout for event sites, as competition for them is intense. This place would be wonderful! We'd need a functional kitchen, lots of classroom space (we teach a lot of classes), and space outside for armored combat (it's safe — see back) and perhaps behind the building for target archery and thrown weapons.

First and most importantly, we need a performance space in Oak Lodge. We have TWO theaters that are active here and no affordable spaces for rehearsals and performing.

Second, we need a stable place for the Oak Lodge library, with adequate parking and space for library activities.

Third, we need a community center with space for meetings, classes, and other community activities. I would like to see this area with a facility similar to the Multnomah Arts Center or Lakewood.

More and more people are leaving the Portland city limits for places like Milwaukie and Gladstone. Give us a space to gather and grow.

A bigger library with a much larger parking area is well over due in the Oak Grove Jennings Lodge area.

A community park would be great for this area.

A new community center would also be nice. We do have a community center in Oak Grove and I see that there are meetings or other functions there but I have no knowledge of them - and would like to have that information posted somewhere so people could know about those meetings or functions

Provide spaces which are appropriate for families with infants, toddlers and their parents together - There are no spaces available. Could also be a space shared with the library. Please plan for this underserved population. They have difficulty attending these types of events - difficult with little ones.

Please maintain the character of the Concord School building.
It is not necessary or sustainable to spend millions of taxpayer dollars on remodeling and rebuilding. Why not move the library on 99E here now? (The current space is terrible.)
Garden Home library and community center in T.V. Parks and Rez is a good example.

So happy to see plans progressing.

Please, better access to the center, particularly sidewalks on Oatfield, so that we can safely walk here instead of driving.

It is my hope that the sponsors of the OL/Gladstone Community Project take seriously the opinions + wishes of this community, that has been told for years that "we have no voice" without being incorporated. We have paid taxes toward our library + NCPRD in good faith for the least amount of services though being the most populous.

I love how there is an intentional effort to acknowledge the school and the community's history. Wondering how communities that are ~~newer~~ newer to the area will also feel seen in this project and feel part of it.

How do we incorporate those voices into the storymaking of the center?

Sorry not to be able to use multiple dots on boards. I would hope that any program would offer programs to all ages and interests. Certainly in a library + community center Concord School is a wonderful building / location so I hope if funding allows it can be preserved.

We love participating in the Summer Reading Program and weekly summer events, however as a working single parent it would be nice to have activities offered on weekends or evenings so I don't have to use vacation time for ^{us to} attend. Also with a 10 year old now we are finding less interest in the younger activities but not included in the Teen group, so maybe more Pre-Teen activities to bridge the age groups.

Gladstone + Oak Grove are separate + there 2
libraries have nothing to do with one another,
Any collaboration is morally offensive + corrupt fap-wise,
Community services of all kinds are needed
in this area - as are natural open areas to gather.
This area is so bereft of 3rd space - we
need gathering spots w/ flexibility - movies, exercise, etc.

The question stations were rather frustrating, since the choices seemed exclusionary → being able to choose just one thing made it seem like I intended to leave out all the others, and that is not the case!

As a member of the Original GLADSTONE-OAK LODGE TASK Force, our group discussed having space in the new library for GLADSTONE and Oak Lodge History. As a member of Oak Lodge History Detectives, ^{OLHD} ~~Manuel~~ recognizes the need of a history space to preserve historic photos/books/digital records and genealogy materials continues to grow. We need our own history hub at the new library.

I think that it is great to have a place where we can all gather & lift one another up by being together and accepting one another in a non-demonization & non-political setting. A place that will embrace residents at all stages ^{to learn & grow.}. This is such a special area and it is going to be a huge benefit to us. Thank you!

I have concerns about the cost of seismic and other upgrades to this building, and the BOA treating communities equitably. We will be watching the expenditures here and expecting similar at Urichter. The cost of the 2-library solution, in particular, seems to favor unincorporated areas over the way cities have been treated. More transparency! and equity needed!

a beautiful, open library in a non-traditional space would be lovely. Current one feels like a community after thought. we often drive to Westlinn to use their library as it is more comfortable and more kid friendly. would like to use our community library more.

I prefer the library has many study rooms.
The library should provide free/low\$ classes

that normal families can't afford, example: art

I love the boards and how we could show our preferences in various aspects of the project. My only suggestion is when asked what the "Most relevant age group" question one sticker really wasn't helpful. Unless you made the categories more broad Ex: 0-8th grade, teen, adult etc. Trying to choose 1 for the categories between

The Concord school property would be far more accessible if there were sidewalks all the way up Concord to Oatfield.

I hope that you will also take into consideration the communities who may be less likely/able to attend this event (communities of color, low income, disabled, families)

Having questions broken into such small subsets doesn't make sense to me. For example - kids are kids, parks - especially property here at Concord, has enough space to have it all. Our little teeny tiny library in Gladstone offers all kinds of activities - libraries should feel all of the above ... ad museum

FYI - My dots are placed "Did we capture everything" where I thought the breakup didn't make sense.

- Park Community Center Gladstone Library Oak Lodge Library

I would like to see Concord used as both a library (for Oak Lodge Library) and a community center with a gym, fitness classes, community meeting rooms and spaces to rent for celebrations, etc. I forgot to add the community center piece to an earlier comment I left!

Park

Community Center

Gladstone Library

Oak Lodge Library

I want to strongly encourage the creation of a performance space for music, theatre, comedy, etc.

If this comes to pass I would like to be involved in outfitting the room with sound and lighting equipment. I have a good deal of experience in this area.

| 1 | First and most importantly, we need a performance space in Oak Lodge. We have TWO theaters that are active here and no affordable spaces for rehearsals and performing. Second, we need a stable place for the Oak Lodge Library, with adequate parking and space for library activities. Third, we need a community center with space for meetings, classes, and other community activities. I would like to see this area with a facility similar to the Multnomah Arts Center or Lakewood. More and more people are leaving the Portland city limits for places like Milwaukie and Gladstone. Give us a space to gather and grow. | 12/3/2019 2:00 PM |
| 2 | Please build a new library building on Concord property. As a former school librarian and member of a (20 years ago) task force to advise N Clackamas School District when we were building several new libraries, I know if you retrofit an old building there are too many compromises for space, configuration, sizes of various areas of the library. Start from scratch, hire architects who have built (designed) libraries and during all stages have librarians give input very important. | 12/3/2019 1:57 PM |
| 3 | We live on an acre of land right across the street from Concord School. Both our household and our neighbor are restoring natural habitat for wildlife, including around a small stream right across the street from Concord School. We encourage you to save space for wildlife and DECREASE THE SPEED LIMIT on Concord Rd. Urban wildlife, pollinators and birds have increasingly less space in our world and this would be a great opportunity to include them and their needs. | 12/3/2019 1:54 PM |
| 4 | I belong to the Society for Creative Anachronism-- a medieval and Renaissance re-creation group, and a 501(C)(3) educational non-profit. We are always on the lookout for event sites, as competition for them is intense. This place would be wonderful! We'd need a functional kitchen, lots of classroom space (we teach a lot of classes), and space outside for armored combat (it's safe) and perhaps behind the building for target archery and thrown weapons. As weird as we may sound, we're really quite harmless. Please look us up: www.antir.sca.org is the Kingdom website (OR, WA, northern ID and BC). The local branch (Clackamas and Multnomah counties) is on Facebook as the Barony of Three Mountains. | 12/3/2019 1:51 PM |
| 5 | I want to strongly encourage the creation of a performance space for music, theatre, comedy, etc. If this comes to pass I would like to be involved in auditions the room with sound and lighting equipment. I have a good deal of experience in this area. | 11/26/2019 8:07 PM |
| 6 | I would like to see Concord used as both a library (for Oak Lodge Library) and a community center with a gym, fitness classes, community meeting rooms and spaces to rent for celebrations, etc. I forgot to add the community center piece to an earlier comment I left! | 11/26/2019 8:05 PM |
| 7 | Really love the sticker charts--great visual poll!! | 11/26/2019 8:02 PM |
| 8 | The Park and Community Center: This would be a huge benefit to our community. 2 libraries are needed. | 11/26/2019 8:01 PM |
| 9 | I would like the Concord site to have no affiliation to Gladstone Library. As a tax payer, I want my unincorporated tax dollars to go to my community. Each community should have their own site. | 11/26/2019 7:59 PM |
| 10 | Comments From the Building Tours Natural plants garden, neighbors have natural habitat yards with stream would like to have it connected to the Park. -Concord School reunion. -Interest in using the building now for community events. -Interest in keeping the kitchen. -Shirley's kitchen 79-99. -Covered playground to play when it rains. | 11/26/2019 7:57 PM |
| 11 | 1) Senior adult education 2) Hands on learning -- crafts and DIY | 11/26/2019 7:50 PM |
| 12 | I want to see a senior center and library services in this Concord School location. | 11/26/2019 7:48 PM |
| 13 | Having questions broken into such small subsets doesn't make sense to me. For example, kids are kids, parks--especially property here at Concord, has enough space to have it all. Our little teeny tiny library in Gladstone offers all kinds of activities --libraries should feel all of the above....ad nauseum. FYI: My dots are placed "Did we capture everything" where I thought the breakup didn't make sense. | 11/26/2019 7:46 PM |
| 14 | Park: Native, non-invasive plants that encourage local animals life. Library: I'm always disappointed when libraries lack comfortable seating for adults. ADA accessible. | 11/26/2019 7:41 PM |
| 15 | Could we please get a weight room / fitness center at Concord? This sort of facility is very | 11/26/2019 7:06 PM |

| | lacking in NCPRD. | |
| 16 | The Concord school property would be far more accessible if there were sidewalks all the way up Concord to Oatfield. I hope that you will also take into consideration the communities who may be less likely/able to attend this event (communities of color, low income, disabled, families) | 11/26/2019 7:02 PM |
| 17 | I love the boards and how we could show our preferences in various aspects of the project. My only suggestion is when asked what the "most relevant age group" question, one sticker really wasn't helpful. Unless you made the categories more broad, ex: 0-8th grade, teen, adult, etc. Trying to choose 1 for the categories between 0-2, young elem, teen was hard. And I think the info received was skewed because of it. | 11/26/2019 9:29 AM |
| 18 | As a disabled Vietnam Vet, I am concerned about what will be offered in terms of activities that others like me could participate in. As a grandfather, I would like to see activities aimed at family participation. | 11/26/2019 8:49 AM |
| 19 | I prefer the library has many study rooms. The library or community center should provide free/low cost classes that normal families can't afford, example: art and drawing/painting classes. | 11/26/2019 8:48 AM |
| 20 | I would love to see a Park with paths thru trees and nature to walk with kids or grandkids to point out types of plants, etc. In the community center I would love to see activities for older adults, adults with children and maybe places for groups such as a knitting/sewing or quilting and activities for adults and children together. | 11/26/2019 8:45 AM |
| 21 | Very excited about this new addition to our community. | 11/26/2019 8:42 AM |
| 22 | Park, community center and library should all be seamlessly integrated so one can easily walk through all of them for a full experience. Also, rent out space for a small coffee shop/sandwich bar (or something) for convenience and help pay costs. | 11/26/2019 8:40 AM |
| 23 | A beautiful, open library in a non-traditional space would be lovely. Current one feels like a community afterthought. We often drive to West Linn to use their library as it is more comfortable and more kid friendly. Would like to use our community library more. | 11/26/2019 8:39 AM |
| 24 | I have concerns about the cost of seismic and other upgrades to this building, and the BCC treating communities equitably. We will be watching the expenditures here and expecting similar at Wichita. The cost of the 2-library solution, in particular, seems to favor unincorporated areas over the way cities have been treated. More transparency and equity needed! | 11/26/2019 8:34 AM |
| 25 | A history center and a gallery space would both be valuable resources for the future growth and development of the Oak Lodge Community Center. | 11/26/2019 8:31 AM |
| 26 | I would like to see Oak Lodge Library locate to Concord School. Oak Lodge Library needs more space and have a more permanent location than a strip mall site with little parking. Gladstone also deserves a better location in their community. | 11/26/2019 8:27 AM |
| 27 | I think that it is great to have a place where we can all gather and lift one another up by being together and accepting one another in a non-denomination and non-political setting. A place that will embrace residents at all stages to learn and grow. This is such a special area and it is going to be a huge benefit to us. Thank you! | 11/26/2019 8:25 AM |
| 28 | I would like a place or venue where I can have a birthday party or Quincenera event. Classes for mid-age (cooking, technology, language learning.) | 11/25/2019 9:08 PM |
| 29 | It's important to break ground on our new library soon. Our community has waited long enough to see this happen. Thank you | 11/25/2019 9:06 PM |
| 30 | As a member of the original Gladstone-Oak Lodge Task Force, our group discussed having space in the new library for Gladstone and Oak Lodge History. As a member of Oak Lodge History Detectives, OLHD recognizes the need of a history space to preserve historic photos/books/digital records/and genealogy materials continues to grow. We need our own history hub at the new library. | 11/25/2019 9:04 PM |
| 31 | -Art classes, music classes! -exercise classes -music classes -cooking classes -small business training -cultural events -create community garden, orchard, green house | 11/25/2019 9:03 PM |
| 32 | Needs: -Wayfinding in different languages. -Event space for large gatherings and community rental and cultural events. -Accessible to all mobility types. -Childcare area needed. - | 11/25/2019 8:58 PM |

Commercial kitchen for small service business (commissary kitchen). -Get connected with service organizations to bring their services here.

| 33 | This Open House is wonderful. The historical displays are fascinating. I'm so glad to see this building/site being used to bring communities together. | 11/25/2019 8:56 PM |
| 34 | It was difficult to make any one choice for the different boards asking to choose. I wanted to put my numbered sticker on more than one box. | 11/25/2019 8:54 PM |
| 35 | The question stations were rather frustrating, since the choices seemed exclusionary--being able to choose just one thing made it seem like 1 intended to leave out all the others, and that is not the case! | 11/25/2019 8:51 PM |
| 36 | Gladstone and Oak Grove are separate and these 2 libraries have nothing to do with one another. Any conflation is morally offensive and corrupt tax wise. Community services of all kinds are needed in this area--as are natural open areas to gather. This area is so bereft of 3rd space -- we need gathering spots with flexibility-- mooves, exercise, etc. | 11/25/2019 8:51 PM |
| 37 | I think the Concord property is perfect! 1. Enough acreage 2. close to bus line 3. off McLoughlin 4. Lots of parking 5. Room for park, community center and library. | 11/25/2019 8:44 PM |
| 38 | Both Libraries Need/MUST HAVE FRIENDS OF The Library BOOKSTORE!!! | 11/25/2019 8:44 PM |
| 39 | Adequate parking. All of the landscaping and nature options on the "dot" board. Dot #7: should feel welcoming, high tech connected to outdoors, open. | 11/25/2019 8:41 PM |
| 40 | The library needs spots that are cozy for teens to read in. | 11/25/2019 7:36 PM |
| 41 | For the park--natural areas--tree and water wildlife as possible for the library--all of the dot board options. Cozy and high tech, meeting areas and small study rooms, welcoming and inclusive for all! | 11/25/2019 7:34 PM |
| 42 | We love participating in the Summer Reading Program and weekly summer events, however as working single parent it would be nice to have activities offered on weekends or evenings so I don't have to use vacation time for us to attend. Also with a 10 year old now we are finding less interest in the younger activities but not included in the teen group, so maybe more preteen activities to bridge the age groups. | 11/25/2019 7:31 PM |
| 43 | Would be great if they could get a 3D printer. I want a safe place for my kids to play and hang out. It's important to have a safe place my children can play. | 11/25/2019 7:26 PM |
| 44 | The Community Center, Park and combined library projects are a once in a generation opportunity to create/unite/organize this unincorporated area into one community. It's so important to get this right. High quality building, programming, features. People here still think they live in Milwaukie. Let's help unincorporated Clackamas County get together. | 11/25/2019 7:23 PM |
| 45 | This will be a good location for the park and Oak Lodge Library. I live across the street from here. | 11/25/2019 7:21 PM |
| 46 | Add a Will Vinton Animation room. I'll donate the materials and work on a grant for equipment. | 11/25/2019 7:19 PM |
| 47 | Sorry to not be able to use multiple dots on boards. I would hope that any program would offer programs to all ages and interests. Certainly in a library and community center Concord School is a wonderful building and location so I hope if funding allows it can be preserved. | 11/25/2019 7:18 PM |
| 48 | Make dedicated space for wildlife. Plant lots of native trees, shrubs and plants. Permeable parking areas for stormwater runoff and rain gardens. | 11/25/2019 7:15 PM |
| 49 | I love how there is an intentional effort to acknowledge the school and community's history. Wondering how communities that are newer to the area will also feel seen in this project and feel part of it. How do we incorporate those voices into the storymaking of the center? | 11/25/2019 7:13 PM |
| 50 | Old brick buildings are too dangerous to reuse. | 11/25/2019 7:11 PM |
| 51 | It is my hope that the sponsors of the OL/Gladstone community project take seriously the opinions and wishes of this community that has been told for years that "we have no voice" without being incorporated. We have paid taxes towards our library and NCPRD in good faith for the least amount of services though being the most populous. | 11/25/2019 7:10 PM |
| 52 | We'd like to see classroom facilities for teaching ART & CRAFT classes included in the community center for all abilities. Please reuse and retrofit as needed instead of tearing down | 11/25/2019 6:51 PM |

| | and/or building new facilities for both the library and the community center. | |
| 53 | So happy to see plans progressing. Please, better access to the center, particularly sidewalks to Oatfield so that we can safely walk here instead of driving. | 11/25/2019 6:46 PM |
| 54 | Would love both uses of the Concord site. | 11/25/2019 6:44 PM |
| 55 | Is it possible for the school building to be used for a winter warming shelter for the homeless? Park-- Could an off-leash dog park be included? | 11/25/2019 6:43 PM |
| 56 | Information gathering should be limited to two years. Consider building a new library on the baseball field!! It could then be handicapped accessible. | 11/25/2019 6:41 PM |
| 57 | Traffic control on Concord--what's the plan? | 11/25/2019 6:39 PM |
| 58 | Please keep Concord School structure intact. It is in better condition than I ever imagined! Thanks for opening this up to the community and gathering opinions. I welcome the chance to be involved and voice my concerns. Wonderful receptions in gymnasium and great tour. Thank you. | 11/25/2019 6:37 PM |
| 59 | Providing services for all ages and with a very open schedule, especially weekends (afternoon - evening). We need services for infants and toddlers. Families' complaints about not having spaces where to take their children during winter. | 11/25/2019 6:16 PM |
| 60 | Please maintain the character of the Concord School building. It is not necessary or sustainable to spend millions of tax payer dollars on remodeling and rebuilding. Why not move the library on 99E here now? The current space is terrible. Garden Home Library and Community Center in T.V. Parks and Rec is a good example. | 11/25/2019 6:13 PM |
| 61 | Provide spaces which are appropriate for families with infants, toddlers and their parents together--There are no spaces available. Could also be a space shared with the library. Please plan for this underserved population. They have difficulty attending these types of events--difficult with little ones. | 11/25/2019 6:11 PM |
| 62 | A bigger library with a much larger parking area is well overdue in the Oak Grove/Jennings Lodge area. A community park would be great for this area. A new community center would also be nice. We do have a community center in Oak Grove and I see that there are meeting or other functions there but I have no knowledge of them--and would like to have that information posted somewhere so people could know about those meetings or functions. | 11/25/2019 6:06 PM |
| 63 | Library needed in neighborhood but worry about too much being planned for Concord School. Parking for building and possible park conflicts with building uses. Community Center would also bring many people/cars. | 11/25/2019 10:15 AM |
| 64 | We have had our North Clackamas Arts Guild in this area since 1993--I am the historian of the guild and have been a member for over 20 years and we would be interested in being a part of the project. | 11/25/2019 10:13 AM |
| 65 | Sidewalks on Concord Road and Oatfield Road to make it safer to walk here would be great! | 11/24/2019 10:17 AM |
| 66 | We need: - a "free" table -more parking -yoga classes -foot care for those with DM -emergency care if "the big one" comes (like the water event by CERT) | 11/22/2019 9:40 AM |

Kathryn Krygier, Project Manager, Clackamas County

Ray Johnston, Library Architect, Johnston Architects
Jim Kalvelage, Design Partner, Opsis Architecture
Jennifer Hoffman, Project Manager, Opsis Architecture

Distribution: Clackamas County / Opsis Design Team

Objective: To solicit programming input from a teen perspective pertaining to planning and design of the new Gladstone Library. Intention to involve the teen group at established milestones for input throughout the process.

Teen Advisory Group (TAG):

- Most students from Gladstone HS (attendance ~ 700 students); some from private schools

TAG is involved with activities such as:

- Movie nights
- Video Game Nights
- Help with Summer Reading Program
- Teen Art Contest with Summer Reading Program
- Arts and Crafts – decorations (in library) – desire to make art important (carpet can be a cleaning issue)

“What do you like about the Gladstone library?”

- Having a place to hang-out with friends, do homework or projects
- Private area
- Divided into different library areas
- Like bright colors – doesn’t feel like a cave
- Lights that work
- Windows on sidewalk are weird – feels like they are on display – do like daylight though
- Like the warmth of the wood structure
- Like seasonal decorations
- Like to have separation from the main reading room – noise level tends to get louder with teens
- Heavy book use

“What do you dislike about the current Gladstone library?”

- Computers are not moveable – have to reserve when movie screen is used.
- Ceiling feels too low
- Mobility issues with stairs (adult crafting programs have to be at Senior Center)
- Need more space for books at Gladstone – currently packed tight
- New books don’t get restocked as often as desired
- Would like video games near this area.
- Could there be the ability to listen to records?
- Acoustics are tough in this space – would be nice to have ability to play speaker
- Children’s area should be as far away as possible (teens), middle school materials (tweens) could be closer to teen area (Heather)

“How do you use your library?”

- Come with friends
- Visit during non-school hours – after school.
- Computers get very heavy use – would love to have more if they have the budget.
- Movie night
- Rate of visits?
 - Come once a week during the school year
 - Once or twice a month
 - Heavy use during summer
 - Springtime
 - Most use in non-school hours (Heather)

Other areas of interest or feedback:

- Would be nice to have the computers movable when the space is being used.
- Great to have adult large table use in space other than teen area during the day
- “Teen hours” specified during certain hours.
- Coding classes
- College / career information or resources – visits from colleges or professionals
- Furniture
 - More casual, comfortable would be better
 - Bean bags (that are cleanable)
 - Hammock
 - Recliner
- Like comfy/cozy areas to read – nooks and crannies
- Window seats
- Loft spaces as reading nooks
- Pillows

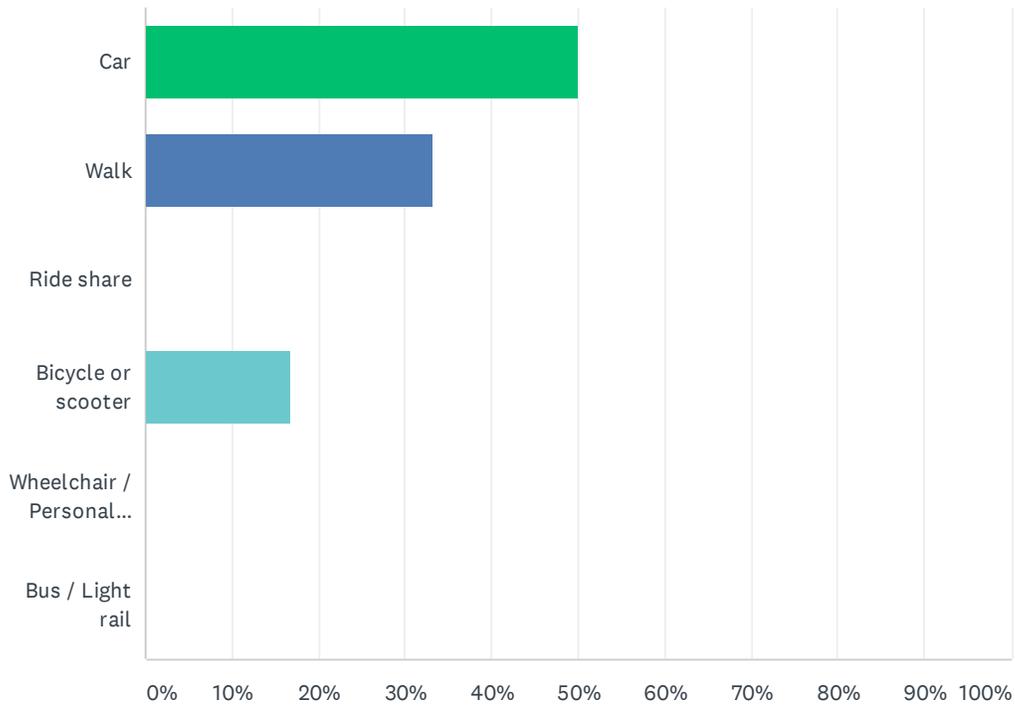

- Washing machine / dryer would be appreciated to wash children's materials (stuffed animals, etc.) (Heather) – would be heavily utilized for kid's area items.
- Lighting to create different ambience
 - Soft light
 - Lighting that throws patterns
 - Dislike fluorescent – too much like school lighting
 - Less light near computers
 - Task lights
 - Dimmable lighting
 - Daylight desirable
- Art
 - Art projects by high school art club – could do at school, or at library
 - Gallery for rotating exhibit
 - Graffiti art
 - 3-dimensional art
 - Community-based interests
- Need more outlets – nice to have within tables
- Storage for bags? If lockable...but backpacks are typically utilized and with teens most of the time.
- Teen area location?
 - Near the window not desirable – daylight good, but visual connection not so desirable – awkward when you get eye contact with strangers.
 - Like lower-level spaces.
- Environment
 - Warmth of wood
 - Vibrant colors
- Quiet study spaces utilized at times
- Areas for talking in groups important
- Group study areas / group project areas are desirable, especially if they can be separated from other areas
- Presentation “practice” areas
- Library study space creates better motivation – homey space that makes you feel relaxed but allows better focus
- Study carrels for focused work would be utilized
- Nice to have technology areas close by teen area.
- Collections which would be better to have closer to teen area:
 - Video games
 - Movies
 - Pre-teen collection
- Would like to have supplies available – pens/pencils/etc.

Heather announced that Teen Movie night is planned - *Rise of the Guardians*, Dec 20th.
