BACKGROUND:

The Children, Family & Community Connections Division (CFCC) of the Health, Housing and Human Services Department requests the approval of a Federal Subrecipient Grant Amendment #2 with Central City Concern (CCC). Since 2019, Clackamas County's Law Enforcement Assisted Diversion Program (LEAD) has improved community health and safety by diverting hundreds of individuals struggling with Substance Use Disorder from the criminal justice system to case management services. CFCC was awarded a three year U.S. Department of Justice grant to retain and enhance the LEAD program implemented by CCC. LEAD strives to connect systems and initiatives to advance a comprehensive, coordinated response to the crisis of substance abuse across the

County. Central City Concern has forty years of expertise in delivering services to individuals who suffer from addiction, homelessness, and involvement with the criminal justice system.

This Grant Amendment #2 is a no cost extension for continuation of services through 8/31/2022. This agreement has a maximum value of \$615,305.52. This amendment allows for a continuation of services and will allow time to evaluate whether other potential sources of funding will be secured, which will then be factored into a longer-term agreement.

RECOMMENDATION:

Staff recommends the Board approve this Amendment and authorizes Tootie Smith to sign on behalf of Clackamas County.

Respectfully submitted,
