EXECUTIVE SUMMARY:

The Gladstone Library project will provide a new 6,000-square foot building at the site of the former Gladstone City Hall. The project includes meeting space, dedicated areas for children and teens, book drop with exterior access, self-checkouts, public computer access, staff workrooms and public restrooms.

The project began in fall 2019 with extensive community engagement to

develop the master plan. The master plan was approved the Board of County Commissioners in early 2021, and in November 2021, the Board approved moving forward with construction of the library. The Board decided in the Spring of 2023 to proceed with construction of the Gladstone Library.

The funding package for the library includes \$500,000 in State of Oregon American Rescue Plan Act Coronavirus State Fiscal Recovery Fund (CSFRF) dollars, which was awarded through State Representative Mark Meek's office in July 2021. This funding is a critical component of the overall funding package, combining State and County ARPA and County General Funds, to provide financial support towards this essential community facility.

The attached amendment removes sub-recipient language from the original funding agreement to provide clarity and align with updated guidance from the U.S. Treasury. The effective date for these changes is retroactive to July 1, 2022.

RECOMMENDATION:

Staff recommends approval of this amendment.
