2. SCOPE

The purpose of this RFQ is to purchase consulting services for the Safe Routes to School Project.

INTRODUCTION

In order to execute the project agreement with the Oregon Department of Transportation (ODOT), Transportation Safety Division for the Clackamas County Safe Routes to School (SRTS) Project, Clackamas County is seeking the services of a qualified consultant to implement this Project.

The primary purpose of the Clackamas County Safe Routes to School (SRTS) Project is to establish and manage a SRTS program to educate, encourage and increase walking and/or biking to and from up to 12 schools over a 3-year period beginning March 2017 and ending September 30, 2019.

The SRTS program includes a number of elements.

The consultant will provide leadership with county staff, partner agencies, schools, and community organizations to coordinate and leverage resources to implement SRTS program elements. The consultant will provide outreach and implementation of SRTS programs including education and encouragement activities promoting walking and biking to schools. County staff will be responsible for grant reporting and development of the Action Plans.

1) Outreach and Education

Year 1 - This first year the contracted AmeriCorps Service Member will provide outreach, education, and encouragement activities and programs promoting walking and biking to at least four schools. The consultant will also be responsible for providing outreach, education, and encouragement activities and programs promoting walking and biking to these four schools and/or beginning outreach programs with the next set of four schools depending on how much work remains with the initial four schools.

Years 2 and 3 – The consultant will be responsible for providing outreach, education, and encouragement activities and programs promoting walking and biking to at least four schools each year.

- 2) The consultant will create and use curriculum to educate students on the importance of safety and skills used when biking and walking.
- 3) County will complete school action plans.
- 4) The consultant will provide leadership with county staff, partner agencies, schools, and community organizations to coordinate and leverage resources to implement SRTS program elements.
- 5) The consultant will provide the appropriate maps for the SRTS Action Plans (at least 11), specifically regarding the routes students take to and from school.

There is a need to develop better communication and collaboration between schools and agencies to identify and prioritize infrastructure gaps and operational improvements near schools for bicyclists, walkers, buses and motorists. County staff will work with the schools to create SRTS Action Plans for 12 schools identifying needed infrastructure improvements for each of the schools.

The intent of this program is to start with one of the largest school districts in the county, the NCSD (North Clackamas School District). Located in the north urban area of the county, the NCSD covers the majority of the urban area in unincorporated Clackamas County as well as Milwaukie and Happy Valley.

The project will also look to broaden the SRTS work to interested schools in some of the rural school districts such as Molalla and Estacada School Districts.

The Clackamas County Safe Routes to School Project is a 3-year program aiming to achieve the following objectives:

- 1) Implement SRTS outreach and engagement activities at 12 schools mostly within the North Clackamas School District (NCSD) but may include schools within rural districts such as Molalla and Estacada. The goal is to implement these activities at four schools per year over the 3-year grant period.

The consultant will engage school staff, school districts, parent teacher organizations (PTOs) and other partners. The consultant will develop and implement events at each of the schools to encourage students to walk and bike to school.

The contracted AmeriCorps service member will develop a draft handbook of activities related to the education, encouragement and engagement efforts that can be used by schools and PTOs to continue project activities and can be used as an implementation tool in future years. The county staff, the coordinator and consultant will review the handbook. The coordinator and consultant will finalize and complete the handbook with county staff.

- 2) Create and use curriculum to educate students on the importance of safety and skills used when biking and walking.
- 3) Increase coordination of SRTS programs through the various school districts in Clackamas County.

- 4) Use the information from the recently completed Regional SRTS Plan and information from the WALK ZONE analysis being done by the NCSD to identify important next steps to be implemented over the course of the 3-year program. One of the main goals of the Regional SRTS Plan is to tie together the various independent SRTS efforts and work around the region and identify the gaps and barriers to safe routes to schools.

This project is funded through the Oregon Department of Transportation, Transportation Safety Division Safe Routes to School Program.

Any provisions herein which would conflict with law are deemed inoperative to that extent.

County's consent to any subcontract shall not relieve Contractor of any of its duties or obligations under this Contract.

19. SUCCESSORS IN INTEREST. The provisions of this Contract shall be binding upon and shall inure to the benefit of the parties hereto, and their respective authorized successors and assigns.

20. TAX COMPLIANCE CERTIFICATION. Contractor must, throughout the duration of this Contract and any extensions, comply with all tax laws of this state and all applicable tax laws of any political subdivision of this state. Any violation of this section shall constitute a material breach of this Contract. Further, any violation of Contractor's warranty in this Contract that Contractor has complied with the tax laws of this state and the applicable tax laws of any political subdivision of this state also shall constitute a material breach of this Contract. Any violation shall entitle County to terminate this Contract, to pursue and recover any and all damages that arise from the breach and the termination of this Contract, and to pursue any or all of the remedies available under this Contract, at law, or in equity, including but not limited to: (A) Termination of this Contract, in whole or in part; (B) Exercise of the right of setoff, and withholding of amounts otherwise due and owing to Contractor, in an amount equal to County's setoff right, without penalty; and (C) Initiation of an action or proceeding for damages, specific performance, declaratory or injunctive relief. County shall be entitled to recover any and all damages suffered as the result of Contractor's breach of this Contract, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing replacement performance. These remedies are cumulative to the extent the remedies are not inconsistent, and County may pursue any remedy or remedies singly, collectively, successively, or in any order whatsoever.

21. TERMINATIONS. This Contract may be terminated for the following reasons: (A) This Contract may be terminated at any time by mutual consent of the parties, or by the County for convenience upon thirty (30) days' written notice to the Contractor; (B) County may terminate this Contract effective upon delivery of notice to Contractor, or at such later date as may be established by the County, if (i) federal or state laws, rules, regulations, or guidelines are modified, changed, or interpreted in such a way that either the Work under this Contract is prohibited or the County is prohibited from paying for such Work from the planned funding source; or (ii) any license or certificate required by law or regulation to be held by the Contractor to provide the services required by this Contract is for any reason denied, revoked, or not renewed; (C) This Contract may also be immediately terminated by the County for default (including breach of Contract) if (i) Contractor fails to provide services or materials called for by this Contract within the time specified herein or any extension thereof; or (ii) Contractor fails to perform any of the other provisions of this Contract or so fails to pursue the Work as to endanger

performance of this Contract in accordance with its terms, and after receipt of notice from the County, fails to correct such failure within ten (10) business days; or (D) If sufficient funds are not provided in future approved budgets of the County (or from applicable federal, state, or other sources) to permit the County in the exercise of its reasonable administrative discretion to continue this Contract, or if the program for which this Contract was executed is abolished, County may terminate this Contract without further liability by giving Contractor not less than thirty (30) days' notice.

- 22. REMEDIES.** (A) In the event of termination pursuant to Article II Section 20(A), (B)(i), or (D), Contractor's sole remedy shall be a claim for the sum designated for accomplishing the Work multiplied by the percentage of Work completed and accepted by the County, less previous amounts paid and any claim(s) which the County has against Contractor. If previous amounts paid to Contractor exceed the amount due to Contractor under Section 21(A), Contractor shall pay any excess to County on demand. (B) In the event of termination pursuant to Sections 20(B)(ii) or 20(C), the County shall have any remedy available to it in law or equity. If it is determined for any reason that Contractor was not in default under Sections 20(B)(ii) or 20(C), the rights and obligations of the parties shall be the same as if the Contract was terminated pursuant to Section 20(A). (C) Upon receiving a notice of termination of this Contract, Contractor shall immediately cease all activities under this Contract, unless County expressly directs otherwise in such notice of termination. Upon termination of this Contract, Contractor shall deliver to County all documents, information, works-in-progress and other property that are or would be deliverables had the Contract Work been completed. Upon County's request, Contractor shall surrender to anyone County designates, all documents, research, objects or other tangible things needed to complete the Work.
- 23. NO THIRD PARTY BENEFICIARIES.** County and Contractor are the only parties to this Contract and are the only parties entitled to enforce its terms. The Contractor shall demonstrate its legal capacity to perform these services in the State of Oregon prior to entering into this Contract.
- 26. FORCE MAJEURE.** Neither County nor Contractor shall be held responsible for delay or default caused by fire, terrorism, riot, acts of God, or war where such cause was beyond, respectively, County's or Contractor's reasonable control. Contractor shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default and shall upon the cessation of the cause, diligently pursue performance of its obligations under this Contract.
- 27. WAIVER.** The failure of County to enforce any provision of this Contract shall not constitute a waiver by County of that or any other provision.
- 28. COMPLIANCE.** Pursuant to the requirements of ORS 279B.020 and 279B.220 through 279B.235 and Article XI, Section 10, of the Oregon Constitution, the following terms and conditions are made a part of this Contract:

(B) If the Contractor fails, neglects or refuses to make prompt payment of any claim for labor or services furnished to the Contractor or a subcontractor by any person in connection with this Contract as such claim becomes due, the proper officer representing the County may pay such claim to the person furnishing the labor or services and charge the amount of the payment against funds due or to become due to the Contractor by reason of this Contract.

(C) The Contractor shall pay employees for Work in accordance with ORS 279B.020 and ORS 279B.235, which is incorporated herein by this reference. All subject employers working under the contract are either employers that will comply with ORS 656.017 or employers that are exempt under ORS 656.126.

(D) The Contractor shall promptly, as due, make payment to any person or co-partnership, association or corporation furnishing medical, surgical and hospital care, or other needed care and attention incident to sickness and injury to the employees of the Contractor, of all sums which the Contractor agrees to pay for such services and all moneys and sums which the Contractor collected or deducted from the wages of the Contractor's employees pursuant to any law, contract or agreement for the purpose of providing or paying for such services.

29. CONFIDENTIALITY. Contractor acknowledges that it and its employees and agents may, in the course of performing their obligations under this Contract, be exposed to or acquire information that the County desires or is required to maintain as confidential. Any and all information of any form obtained by Contractor or its employees or agents in the performance of this Contract, including but not limited to Personal Information (as "Personal Information" is defined in ORS 646A.602(11), shall be deemed to be confidential information of the County ("Confidential Information"). Any reports or other documents or items (including software) which result from the use of the Confidential Information by Contractor shall be treated with respect to confidentiality in the same manner as the Confidential Information.

Contractor agrees to hold Confidential Information in strict confidence, using at least the same degree of care that Contractor uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever (other than in the performance of this Contract), and to advise each of its employees and agents of their obligations to keep Confidential Information confidential.

Contractor agrees that, except as directed by the County, Contractor will not at any time during or after the term of this Contract, disclose, directly or indirectly, any Confidential Information to any person, and that upon termination or expiration of this Contract or the County's request, Contractor will turn over to the County all documents, papers, records and other materials in Contractor's possession which embody Confidential Information. Contractor acknowledges that breach of this Contract, including disclosure of any Confidential Information, or disclosure of other information that, at law or in good conscience or equity, ought to remain confidential, will give rise to irreparable injury to the County that cannot adequately be compensated in damages. Accordingly, the County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of the County and are reasonable in scope and content.

Contractor agrees to comply with all reasonable requests by the County to ensure the confidentiality and nondisclosure of the Confidential Information, including if requested and without limitation: (a) obtaining nondisclosure agreements, in a form approved by the County, from each of Contractor's employees and agents who are performing services, and providing copies of such agreements to the County; and (b) performing criminal background checks on each of Contractor's employees and agents who are performing services, and providing a copy of the results to the County.

Contractor shall report, either orally or in writing, to the County any use or disclosure of Confidential Information not authorized by this Contract or in writing by the County, including any reasonable belief that an unauthorized individual has accessed Confidential Information. Contractor shall make the report to the County immediately upon discovery of the unauthorized disclosure, but in no event more than two (2) business days after Contractor reasonably believes there has been such unauthorized use or disclosure. Contractor's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the Confidential Information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or shall take to prevent future similar unauthorized use or disclosure. Contractor shall provide such other information, including a written report, as reasonably requested by the County.

Notwithstanding any other provision in this Contract, Contractor will be responsible for all damages, fines and corrective action (including credit monitoring services) arising from disclosure of such Confidential Information caused by its breach of its data security or confidentiality provisions hereunder.

The provisions in this Section shall operate in addition to, and not as limitation of, the confidentiality and similar requirements set forth in the rest of the Contract, as it may otherwise be amended. Contractor's obligations under this Contract shall survive the expiration or termination of the Contract, as amended, and shall be perpetual.

30. [OPTIONAL] CRIMINAL BACKGROUND CHECK REQUIREMENTS. Contractor shall be required to have criminal background checks (and in certain instances fingerprint background checks) performed on all employees, agents, or subcontractors that perform services under this Contract. Only those employees, agents, or subcontractors that have met the acceptability standards of the County may perform services under this Contract or be given access to Personal Information, Confidential Information or access to County facilities.

31. [OPTIONAL] KEY PERSONS. Contractor acknowledges and agrees that a significant reason the County is entering into this Contract is because of the special qualifications of certain Key Persons set forth in the contract. Under this Contract, the County is engaging the expertise, experience, judgment, and personal attention of such Key Persons. Neither Contractor nor any of the Key Persons shall delegate performance of the management powers and responsibilities each such Key Person is required to provide under this Contract to any other employee or agent of the Contractor unless the County provides prior written consent to such delegation. Contractor shall not reassign or transfer a Key Person to other duties or positions such that the Key Person is no longer available to provide the County with such Key Person's services unless the County provides prior written consent to such reassignment or transfer.
