 - (B) You can request that the Hearings Officer postpone the hearing for good cause by writing the Hearings Officer at least 7 calendar days prior to the scheduled hearing date.
 - (C) You can request that the Hearings Officer decide the matter based exclusively on written materials from the parties or conduct the hearing by phone.

You are not required to present any evidence, the burden is on the County to establish by a preponderance of the evidence that a violation exists, or existed. Either party may, at their own expense, obtain an attorney to represent them at the hearing. If you wish to be represented by an attorney they need only notify the County and the Hearings Officer in writing of their intent to appear on your behalf. The County will present evidence first, and then you may question that evidence. You may then present your own evidence, if you wish, and the County may question your evidence. Testimony by witnesses is evidence. The Hearings Officer may inquire into any facts that are relevant to the hearing and may question the parties or witnesses about the case. Evidence of a type commonly relied upon by reasonably prudent persons in the conduct of their serious affairs shall be admissible.

His/her function is to preside over the hearing, make a record of proceedings, consider admissible evidence, and interpret and apply the law. After the hearing is closed the Hearings Officer will enter written findings of fact, conclusions of law, and any Order deemed proper. If a violation is proven, then the Order may include civil penalties, fines, administrative fees, or may require the respondent to take certain actions, or refrain from certain actions. An Order issued by the Hearings Officer may be a Final Order or Continuing Order. The Hearings Officer's Order is the final decision of the County, and may be appealed pursuant to Oregon law. The Hearings Officer for Clackamas County is:

Carl Cox
Attorney at Law
14725 NE 20th Street, #D-5
Bellevue, WA 98007
5. **Right to Recess.** If, during the course of the hearing, Respondent or the County requests a recess or postponement, or additional time to present crucial evidence, the Hearings Officer may allow a continuance of the hearing for good cause. The Respondent may also request that the proceeding be continued after the end of the hearing if the Respondent determines that additional evidence should be brought to the attention of the Hearings Officer.
6. **Right to Appeal.** The Final Order of the Hearings Officer shall set forth the right of the respondent to appeal any adverse Order. Appeal may be taken pursuant to Section 2.07.130 of the Clackamas County Hearings Officer Code, and Oregon Revised Statute 34.010-34.100. STATEMENT OF PROOF

History of Events and Exhibits:

| | |
|--------------------------------|--|
| December 26, 2023 | Clackamas County received a complaint regarding a sheet metal company operating without land use approval. |
| December 28, 2023 Exhibit A | Correspondence was sent to the Respondent regarding the alleged violation. |
| December 28, 2023 Exhibit B | I conducted online research and found both Dez Development and Proflashco operating from this location. In addition, I found that several accessory structures onsite had been built without permits with one being converted to an accessory dwelling unit. |
| January 10, 2024 Exhibit C | Correspondence was sent to the Respondent with a deadline of February 10, 2024 to abate the violations. |
| February 21, 2024 Exhibit D | An updated Notice of Violation was mailed to the Respondent to include another accessory structure built without permits that was not included on the original correspondence dated January 10, 2024. |
| February 21, 2024 | The Respondent submitted a Type II Major Home Occupation application Z0062-24. The application was deemed incomplete on March 5, 2024. This application was voided by the planning department on August 20, 2024 as the missing information was not received by the planning department in order to process the application. |
| May 20, 2024 Exhibit E | Citation 2300415 was issued for the Priority 2 Zoning violation and Priority 1 Building Code violation. The citation was sent first class mail and was not returned to the County. The citation remains unpaid. |
| August 27, 2024 | This matter was referred to the Hearings Officer. |

If the Compliance Hearings Officer affirms the County's position that a violation of the Building Code, Title 9.02.040 and Zoning and Development Ordinance Title 12, Section 316.03(A) exists, the County is requesting a Final Order in this matter recommending the following:

- The imposition of civil penalties for the Building Code violation of up to \$3,000.00 for date cited May 20, 2024.
- The imposition of civil penalties for the Zoning and Development Ordinance violation of up to \$2,500.00 for date cited May 20, 2024.
- Payment for Citation No. 2300415 issued on May 20, 2024 for \$400.00.
- The Administrative Compliance fee calculated at \$75.00 per month from January, 2024 totals \$525.00. The County is reducing the Administrative Compliance fee in the amount of \$150.00 for a total amount due of \$375.00. This is a reasonable estimate of the cost of this enforcement matter.
- The County requests the Hearings Officer to permanently prohibit the Respondent from violating this law in the future.
- The County is requesting the Hearings Officer to authorize the County further enforcement action including to proceed to Circuit Court.

SUBJECT: Violation of the Clackamas County Zoning and Development Ordinance, Title 12, Section 316.03 and Building Code, Title 9.02.040(B),(C),(D),(E)

VIOLATION: V0041523

SITE ADDRESS: 19127 SE Hwy 212, Damascus, OR 97089

LEGAL DESCRIPTION: T2S, R3E, Section 08B, Tax Lot 00100

This letter serves as notice of a violation of the Clackamas County Code. The violations include:

- Operating UKA Construction without land use approval
- Addition to a pole barn without approved permit or approved final inspections
- Conversion of a pump house into a 2 bedroom ADU without approved permits or approved final inspections

VIOLATIONS & HOW TO RESOLVE

On January 3, 2024 I spoke with Ilya on the phone regarding the correspondence he received in the mail. Ilya stated that his construction company operates from this location as he uses the property to store his commercial vehicles and construction materials. In addition, I discussed with Ilya that the pole barn that was permitted for a residential use only has had two additions done to the structure without permits. The water pump house onsite was also converted to a two bedroom ADU without permits which Ilya confirmed his brother is currently living in. Operating a commercial business without land use approval and the addition to the pole building and conversion of the water pump house to an ADU without permits constitutes a violation of Clackamas County Clackamas County Zoning and Development Ordinance, Title 12, Section

313.03 and Building Code, Title 9.02.040(B)(C)(D)(E). In order to abate the violation(s), you must complete the following **no later than February 10, 2024**:

Home Occupation

- Please submit, or have your professional submit, a complete home occupation permit application and pay the appropriate fee(s) with the planning department.
 - If the Planning and Zoning Division deems the application incomplete, you will have 30 days from the date of the incomplete letter to provide a complete application.
 - Should the land use be approved, all conditions of approval must be completed.

Or:

- You may abate the violation discontinuing the business on the subject property. Remove all business vehicles, trailers and associated business debris to an authorized location. Contact Code Enforcement to schedule a site inspection to confirm the violation has been abated.

******Please note: There may be other options available that are not listed in this letter. We encourage you to contact the Planning and Zoning Division to discuss any such options******

Pole Building

- You may abate the violation by demolishing the accessory structure. Please submit an application for a demolition permit. Please be advised that if you choose to remove the structure you may also be required to obtain permits on any utilities that may have been installed in or on the structure in order to decommission them.
