ARFPD BOARD Recommends a YES vote on MEASURE 24-354

As the voter-elected Board of Directors for the Aurora Rural Fire Protection District (ARFPD), we are responsible for referring Measure 24-354 to the voters. We recommend you vote YES on this measure to continue excellent fire and life safety service for the residents of the Aurora Rural Fire District.

We are unanimous in our support for Measure 24-354 for several reasons:

1. This measure renews the local operating option tax at the same rate.
2. As with the previous levies, it will help ensure a fast response and quick action by ARFPD volunteer and professional firefighters and paramedics at fires, accidents, and medical emergencies within our 64 square mile district.
3. As a five-year levy, it will be collected for the first time in November 2015, after the current levy has expired.
4. The tax rate is \$.49/\$1,000 of assessed value, the same as the expiring levy.

As the Board of Directors, we appreciate and thank you for your past support. We have worked hard to efficiently manage District resources to assure high quality service and with stable costs to the District 63 taxpayer. Your support of our firefighters is greatly appreciated!

Please join us in voting "YES" on Measure 24-354.

- Marc Anderson, President
- Greg Leo, Vice President
- Deb Garner, Secretary
