STATEMENT OF PROOF

History of Events and Exhibits:

January 17, 2024	Clackamas County received a complaint regarding a remodel to a single-family residence and covered decks built without permits.
January 24, 2024 Exhibit A	Correspondence was sent to the Respondent regarding the alleged violation.
January 24, 2024 Exhibit B	I reviewed online posting of the house on Airbnb. The listing showed a 6 bedroom 3 bathroom home. I also found photos of the new covered decks. The County permitting system reflects that the home was originally approved as a 4 bedroom 2 bathroom residence in 1985.
January 30, 2024 Exhibit C	The Notice of Violation was mailed to the Respondent with a deadline date of March 1, 2024 to abate the violation.
June 6, 2024	Building permit B0401424 was initially submitted to the County on March 27, 2024 but the application was deemed incomplete. On this date the application materials were accepted for plan review.
October 7, 2024 Exhibit D	I reviewed the County permitting system and found the applicant had not responded to the requests for additional plan review information in order proceed with the review of the application. Citation 2400010 was issued for the Priority 1 and Priority 4 Building Code violations. The citation was sent first class mail to the Respondent and was not returned to the County.
November 6, 2024 Exhibit E	The applicant and Respondent were notified that although the building permit was issued it was in a locked status until the required electrical and plumbing permits were submitted.
November 21, 2024	I reviewed the County records and found no electrical or plumbing permits have been submitted to the County for the remodel.
November 26, 2024 Exhibit F	I reviewed Citation 2400010 and found that the code section for the building code was missing from the citation. Amended citation 2400010-1 was sent first class mail to the Respondent and was not returned to the County.

December 12, 2024 This matter was referred to the Hearings Officer.

If the Compliance Hearings Officer affirms the County's position that a violation of the Building Code, Title 9.02.040 exists, the County is requesting a Final Order in this matter recommending the following:

- The imposition of civil penalties for the Building Code violation of up to \$2,000.00 for date cited November 26, 2024.
- The Administrative Compliance fee calculated at \$75.00 per month from February, 2024 until the violation is abated. As of this report the total is \$750.00.
- The County requests the Hearings Officer to permanently prohibit the Respondent from violating this law in the future.
- The County is requesting the Hearings Officer authorize the County further enforcement action including to proceed to Circuit Court.

NOTICE OF VIOLATION

January 30, 2024

Philip Ragaway Trustee
9333 SE McBrod Ave
Milwaukie, OR 97222

**SUBJECT: Violation of the Clackamas County Building Code, Title 9.02.040
(B)(C)(D)(E)**

VIOLATION: V0001024

SITE ADDRESS: 30960 E Multorpor Dr., Government Camp, OR 97028

LEGAL DESCRIPTION: T3S, R8Q, Section 23AB, Tax Lot 07700

This letter serves as notice of a violation of the Clackamas County Code. The violations include:

- Patio cover and outside stairs built without permits
- Additional bedrooms added to single family residence without permits
- Additional bathroom added to single family residence without permits

VIOLATIONS & HOW TO RESOLVE

On January 17 2024, Clackamas County received a complaint regarding a patio cover, deck and outside stairs that had been built without permits.

I reviewed photos from the real estate listing in 2018, photos listed on the Airbnb site and reviewed the County online permitting history for this property.

The single family residence was built in 1985 and was approved as a 4 bedroom 2 bathroom dwelling. The listing description and Airbnb listing show this property as a 6 bedroom 3 bathroom dwelling. In addition, the basement of the house has several sets of bunkbeds. Between 2018 and 2024 the addition of the deck, patio cover(s) and stairs leading to the 2nd story was added to the structure. I reviewed the County permitting system and found no permits had been approved for any of the above mentioned work.

The addition of the bedrooms, bathroom, basement converted to sleep space and patio cover/deck built without approved permits constitutes a violation of Clackamas County Code, Title 9.02.040 (B)(C)(D)(E). In order to abate the violation(s), you must complete the following **no later than March 1, 2024:**

Remodel of Single Family Residence and Patio Covers

- Please submit, or have your professional submit, the building permit application(s), technically complete plans and appropriate fee(s) and all construction documents of sufficient clarity to indicate the location, nature and extent of the work proposed and show in detail that it will conform to the provisions of the Building code and relevant laws. Permits are accepted online only, for more information on this process please refer to the County's website at <https://www.clackamas.us/building>

*****Please be advised – an architect or engineer licensed with the State of Oregon may be required to stamp the plans and provide calculations for the patio covers.*****

- All requests for additional information in order to complete plan review must be responded to within 10 days of being notified.
- The permit(s) must have the fee(s) paid in full within 10 days of your being notified by Building Codes.
- Please schedule all inspections so that final inspections may be obtained not later than 45 days of the date of receipt of your approved permit(s).

Subject: Plumbing and Electrical Permits

Hello Stewart,

I wanted to make sure you are aware that your building permit will be locked until you obtain the associated Plumbing and Electrical Permits for this violation. Please be aware that you will need to have a licensed electrician assigned to this project since this is a rental. You are able to pull the plumbing permit as a homeowner. I have attached the applications and property owner statement for the plumbing permit. Thank you.
