EXECUTIVE SUMMARY: The Social Services Division of the Department of Health, Housing and Human Services requests approval of an agreement with Oregon Department of Transportation Rail and Public Transit Division to fund operation expenses for the Mt Hood Express. The Mt Hood Express provides public transit bus service between the City of Sandy, Government Camp, and Timberline, along with other locations in the Mt. Hood area, increasing access to employment, recreation, shopping, and medical services for residents and visitors.

STIF provides funding for projects of Statewide Significance to support transit agency operations at current service levels. These funds would allow for continued service on the Mt Hood Express and will offset the increase in contract costs due to driver shortages and delays in receiving FLAP funds.

No match is required for these funds. No County General Funds are involved.

The Mt Hood Express Service will deliver approximately 71,000 rides with this funding.

RECOMMENDATION: The staff respectfully requests that the Board of County Commissioners approve this Agreement and authorize Chair Smith to sign on behalf of Clackamas County.

Respectfully submitted,

Rodney A. Cook

Rodney A. Cook
 Director of Health, Housing and Human Services

Recipient acknowledges and agrees that State may change the amount of funds available under this Agreement, based on availability of funds and other factors as determined by State, upon notification to Recipient in accordance with Section 11.g of this agreement. Recipient will be responsible for all Project costs not covered by the Grant Funds.
4. **Project.** The Grant Funds shall be used solely for the project described in Exhibit A (the "Project") and shall not be used for any other purpose. No Grant Funds will be disbursed for any changes to the Project unless such changes are approved by State by amendment pursuant to Section 11.d hereof.
5. **Progress Reports.** Recipient shall submit quarterly progress reports to State no later than 45 days after the close of each quarterly reporting period. Reporting periods are July through September, October through December, January through March, and April through June. Requests for reimbursement must be entered into OPTIS or sent to ODOTPTDReporting@odot.state.or.us. Eligible costs are the reasonable and necessary costs incurred by Recipient, or under a subagreement

Recipient must submit its final request for reimbursement following completion of the Project and no later than 60 days after the Expiration Date.  - v. Any audit findings relating to Recipient's use of funds under this Agreement or any other agreement with State have been resolved.

c. **Recovery of Funds.**

- i. Recovery of Misexpended Funds or Nonexpended Funds. Any funds disbursed to Recipient under this Agreement that are either (i) disbursed but unexpended as of the Expiration Date ("Unexpended Funds") or (ii) expended in violation or contravention of one or more of the provisions of this Agreement ("Misexpended Funds") must be returned to State. Recipient shall return all Misexpended Funds to State no later than 15 days after State's written demand. Recipient shall return all Unexpended Funds to State within 15 days after the earlier of expiration or termination of this Agreement.

- a. **Records, Access to Records and Facilities.** Recipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Recipient shall require that each of its subrecipients and subcontractors complies with these requirements. State, the Secretary of State of the State of Oregon (Secretary), the United States Department of Transportation (USDOT), the Federal Transit Administration (FTA) and their duly authorized representatives shall have access to the books, documents, papers and records of Recipient that are directly related to this Agreement, the funds provided hereunder, or the Project for the purpose of making audits and examinations. In addition, State, the Secretary, USDOT, FTA and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Recipient shall permit authorized representatives of State, the Secretary, USDOT and FTA to perform site reviews of the Project, and to inspect all vehicles, real property, facilities and equipment purchased by Recipient as part of the Project, and any transportation services rendered by Recipient.
- b. **Retention of Records.** Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, including, without limitation, records relating to capital assets funded by this Agreement, the funds or the Project for a minimum of six (6) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the Expiration Date. If there are unresolved audit questions at the end of the six-year period, Recipient shall retain the records until the questions are resolved.
- c. **Expenditure Records.** Recipient shall document the expenditure of all Grant Funds disbursed by State under this Agreement. Recipient shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit State to verify how the funds were expended.
- d. **Audit Requirements.**
 - i. Recipient shall, at Recipient's own expense, submit to State, Public Transportation Division, 555 13th Street NE, Suite 3, Salem, Oregon, 97301-4179 or to ODOTPTDreporting@odot.state.or.us, a copy of, or electronic link to, any annual audit covering the funds expended under this Agreement by Recipient or a party to any subagreement with Recipient, as well as the annual audit of any subrecipient(s), contractor(s), or subcontractor(s) of Recipient responsible for the financial management of funds received under this Agreement.
 - ii. Recipient shall save, protect and hold harmless State from the cost of any audits or special investigations performed by the Secretary with respect to the funds expended under this Agreement. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and State.

This section 8 shall survive any expiration or termination of this Agreement.

9. Recipient Subagreements and Procurements

- a. **Subagreements.** Recipient may enter into agreements with sub-recipients, contractors or subcontractors (collectively, "subagreements") for performance of the Project.
 - i. All subagreements must be in writing executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.
 - ii. Recipient shall require all of its contractors performing work under this Agreement to name State as a third-party beneficiary of Recipient's subagreement with the contractor and to name State as an additional or "dual" obligee on contractors' payment and performance bonds.
 - iii. Recipient shall provide State with a copy of any signed subagreement, as well as any other purchasing or contracting documentation, upon request by State. This Paragraph 9.a.iii. shall survive expiration or termination of this Agreement.
 - iv. Recipient must report to State any material breach of a term or condition of a subagreement within ten (10) days of Recipient discovering the breach.
- b. **Subagreement indemnity; insurance.**
 - i. **Recipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.**
 - ii. Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.
 - iii. Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement. Recipient may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.
- c. **Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable, including all applicable provisions of the Oregon Public Contracting Code (Oregon Revised Statutes (ORS) Chapters 279 A, B and C) and rules, ensuring that:
 - i. Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable,

including all applicable provisions of the Oregon Public Contracting Code and rules. Procurements of rolling stock, facilities and personal services for any amount, and all procurements for an amount greater than \$100,000 must be approved by State prior to solicitation.

- ii. Recipient shall complete all purchases, including installation, and all construction of capital assets funded under this Agreement prior to the Expiration Date of this Agreement. If local circumstances prevent purchase, installation, or construction by the specified date, Recipient will notify State in writing of the circumstances regarding the delay. Such notification must be received at least forty-five (45) days prior to the expiration of the Agreement. Agreement amendment for time will be considered in extenuating circumstances.
- d. **Conflicts of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 et seq., as those laws may be subsequently amended.

10. Termination

- a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:
 - i. Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal; or
 - ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
 - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice, if:
 - i. Recipient fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow Recipient, in the exercise of its reasonable administrative discretion, to continue to perform under this Agreement;
 - ii. Upon notification to State of its desire to withdraw from eligibility to receive the funds and providing to State a reason acceptable to State for the withdrawal; or
 - iii. If federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days' notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to

the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.

- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- c. **Insurance.** Recipient shall meet the insurance requirements within Exhibit C.
- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from this

Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section 11.g. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. EACH PARTY HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.
- i. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, as applicable to Recipient. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.
- j. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- k. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- l. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- m. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision.

Recipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

- n. **Survival.** The following provisions survive termination of this Agreement: Sections 6.c., 8 and 11.

The Parties, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

The Oregon Transportation Commission on October 20, 2010, approved Delegation Order Number OTC-01, which authorizes the Director of the Oregon Department of Transportation to administer programs related to public transit.

On March 1, 2012, the Director approved Delegation Order Number DIR-04, which delegates the authority to approve this Agreement to the Rail and Public Transit Division Administrator.

1. BACKGROUND

ORS 184.758(1)(b) authorizes the Oregon Transportation Commission to distribute moneys in the Statewide Transportation Improvement Fund (STIF) established under ORS 184.751 to the Department of Transportation (State) to pay for projects of statewide significance that support the transit network and manage the operation of public transportation services.

By a resolution dated May 11, 2023, the Oregon Transportation Commission authorized State to distribute \$500,000 to Recipient for the project of statewide significance described below (the "Project"). This Agreement describes the duties and responsibilities of State and Recipient in the management and proper use of STIF funds for the Project and the associated reporting requirements.

2. PROJECT DESCRIPTION

This Agreement funds Operations tasks to provide commuter and deviated fixed route services. Commuter service (Mt. Hood Express) runs between City of Sandy and Timberline Lodge, 7 days a week. Deviated fixed route service (Village Shuttle) runs between City of Sandy and Rhododendron, 7 days a week. Hours of operation and number of runs per day vary by service type and seasonal demand.

*Project budget:
 Operations = \$500,000*

Estimated completion date: Ongoing through June 30, 2025

Operations:

Commuter service (Mt. Hood Express) runs between City of Sandy and Timberline Lodge, 7 days a week. Deviated fixed route service (Village Shuttle) runs between City of Sandy and Rhododendron, 7 days a week. Hours of operation and number of runs per day vary by service type and seasonal demand.

The service has planned stops at City of Sandy, Welches, Rhododendron, Government Camp, and Timberline Lodge.

Services may vary according to seasonality, demand, and weather. Recipient shall coordinate with community and regional stakeholders in the development and delivery of operations and policy decisions.

3. PROJECT DELIVERABLES, TASKS and SCHEDULE

Operations:

Recipient will maintain intercommunity public transportation services in the Project corridor as stipulated in the foregoing.

Additional locations may vary depending on scope, schedule, and budget capacity. Additions shall be consistent with Oregon Administrative Rules and Project purposes. Recipient shall consider service recommendations in adopted public transportation plans or other inclusive processes resulting in documented public goals intended to guide regional transit operations.

To the extent possible, recipient shall coordinate service with other transit providers to ensure connectivity to state transit network and key destinations in the mobility corridor.

Recipient, in the performance of this Project, shall document steps taken to improve accessibility of public transportation for vulnerable populations and/or historically marginalized communities. Vulnerable populations include low-income individuals or households, veterans, Tribal communities or groups, individuals of age 65 and older, individuals with disabilities, and individuals with limited English proficiency. Information on this topic shall be provided to State through reporting.

Recipient, if operating fixed route or deviated fixed route transit service, shall create and maintain current GTFS data describing the service. (This can be supported by State's GTFS contractor.) GTFS data should be updated in advance of system changes to allow trip planners to stay current.

Recipient, if operating demand response service, is encouraged to create and maintain GTFS-flex data for their service. (This can be supported by State's GTFS-flex contractor.)

Competitive purchases of systems that can count passengers (e.g., Automated Passenger Counters (APC), Automated Fare Collection (AFC) systems) should include an explicit preference for systems that support the GTFS-ride data standard. Purchases of real-time (RT) information systems for fixed route service must include support for GTFS-RT data and provide GTFS-RT data access to interested third parties].

Modifications to Project Objectives or Service:

Recipients receiving operating or mobility management funding for fixed route service shall provide adequate public notice of impending service changes. Recipient shall complete the required Title VI analysis and public outreach for service changes, when applicable.

State shall be included in the first entities notified of any impending service changes. Cause for such notification shall include, but not be limited to, changes to route stops, route frequency, or the primary vehicle used for the service as well as Recipient's inability to maintain interline agreements made with other public transportation service providers.

Service changes determined to significantly impede Recipient's ability to achieve objectives and deliverables identified in this Agreement may result in loss or reduction of Project funding.

Modifications to projects funded with STIF Intercommunity Discretionary funds must continue to provide significant benefit to the statewide transit network or risk loss or reduction of Project funding.

4. PROJECT ACCOUNTING and MATCHING FUNDING

Recipient retains authority over costs and allocations of STIF funds within the guidelines established by Oregon Revised Statutes (ORS) 184.751 through 184.758 and Oregon Administrative Rules (OAR) Chapter 732.

The service provider may use capital items funded under USDOT- or State-source agreements when performing services rendered through a contract or sub-agreement funded by this Agreement. Depreciation of capital items funded under USDOT- or State-source grants is not an eligible expense.

Eligible matching fund sources for this Agreement include Statewide Transportation Improvement Formula Fund, local funds, service contract revenue, advertisement income, other

earned income, cash donations, and other verifiable in-kind contributions that are integral to the Project budget. Recipient may not use passenger fares as match. Administration and facility contributions are documented by percentage of contribution directly attributed to the Project.

Recipient will subtract income from fares, tickets, and passes whether pre-paid or post-paid, from the gross operating expenses of the service. The required local match share will be subtracted from the Project expenses to determine the Agreement share of the Project expense. Generally accepted accounting principles and Recipient's accounting system determine those costs that are to be accounted for as gross operating expenses. Associated costs incurred from the procurement process, delivery charges, and post-delivery inspections are included in the reimbursable expenses associated with this Agreement.

Purchases or charges that are otherwise paid for in other agreements or contracts are excluded. Annual renewals of extended warranties are not eligible as a capital expense after equipment is delivered and accepted by the Recipient.

5. REPORTING AND INVOICING REQUIREMENTS

Recipient shall confirm the eligibility of any Sub-Recipient prior to distributing STIF moneys and entering into an agreement with the Sub-Recipient. Recipient shall ensure that Sub-Recipients maintain eligibility throughout the Project period. Recipient shall provide State with copies of agreement(s) made with Sub-Recipients within 30 days of execution of those agreements.

Project Progress Reporting

Recipient shall report Project progress quarterly through the Oregon Public Transit Information System (OPTIS) Agency Periodic Report (APR) and shall include a brief status update for each deliverable. Project reporting should align with Project deliverables identified in this Agreement. State will use reporting information to assess Recipient's progress by comparing task-based expenditures to progress on deliverables.

Outcomes Achieved Reporting

Recipient shall report outcomes achieved through Project performance. Continued funding under this Agreement is contingent upon reporting of outcomes achieved.

On a quarterly basis, in addition to continuing required elements in the APR, Recipient shall complete a short narrative describing outcomes achieved in performance of the Project. For the final quarter of the biennium, Recipient shall report on quarterly outcomes achieved as well as summarize outcomes achieved over the duration of the Agreement. Recipient shall provide additional information on outcomes achieved when and where directed to do so by State in reporting guidance.

Outcomes achieved are defined in State's program guidance and that guidance provides State's expectations surrounding all reporting requirements. For detailed instructions on quarterly, annual, and biennial reporting, refer to State's STIF Discretionary/STN Reporting Guidance document.

Expenditures

Expenditures of State funds will be tracked in OPTIS. Recipient must submit reimbursement requests in OPTIS to receive reimbursement for Project expenditures.

Recipient shall ensure Satisfactory Continuing Control of capital assets, including real property, purchased in whole or part under this Agreement while the capital assets are being used for public transportation purposes. Satisfactory Continuing Control means the legal assurance that a capital asset will remain available to be used for its originally-authorized purpose throughout its useful life or until disposition.

An inventory of capital assets purchased in whole or in part with STIF funds will be created by State in the OPTIS asset register. The inventory will include a description of the capital asset,

the date of purchase, the date put into public transportation service, the purchase price, the amount of STIF funds contributed to the purchase, the source of other funds, the authorized use per this agreement, the Recipient or Sub-Recipient using the capital asset (Owner/Operator), and the condition of the asset. Recipient shall report quarterly on all capital assets through the OPTIS APR, providing information relevant to purchased capital assets, including but not limited to, asset condition, and vehicle mileage.

Recipient shall request authorization from State for the sale, transfer, or other disposition of any Capital Asset purchased under this Agreement and shall report the amount of proceeds, if any, from the sale to State. Capital asset useful life standards shall be the same as those outlined by the Federal Transit Administration.

Recipient will provide reporting information as prescribed by State on the capital asset purchases under this Agreement as long as the capital asset remain in public transportation service.

Reimbursement requests for capital assets must include the following: a cover letter and copies of all invoices associated with expenses identified for reimbursement. Where a vehicle asset will be partially funded with federal funds, Recipient shall submit pre-award and post-delivery certification forms documenting compliance to Altoona bus testing, Federal Motor Vehicle Safety Standards, Buy America, and Disadvantaged Business enterprise requirements.

Reporting on Mitigation of Tax Impacts to Low-income Populations

Per OAR 732-040-0025(1), Qualified Entities receiving STIF funds shall submit a report on any actions taken by any PTSP located within the area of the Qualified Entity to mitigate the impact of the STIF tax on passengers who reside in low-income communities. This report must be submitted no later than 60 days after the end of each fiscal year in which the Qualified Entity receives STIF funds.

Recipient shall submit this report as instructed separately from this Agreement and shall attach all responses submitted to Recipient by PTSPs receiving STIF discretionary funds that detail actions taken by those PTSPs.
