EXECUTIVE SUMMARY:

This agreement is for a Direct Appropriation from US Department of Health and Human Services under Federal Title IV-D of the Social Security Act through the Oregon DOJ and State General Funds through the Oregon DOJ.

The District Attorney’s Office is reimbursed for 66% of actual Allowable Costs, through the Federal Grant portion of this agreement, necessarily incurred and paid by the District Attorney, to operate the Program during the term of this Agreement. In addition, an average of \$225,000 in incentive funds is collected annually, as determined by OAR 137-055-1500. Incentive funds may be used solely for reinvestment in the Program. Finally, a fixed amount each year, based on the State of Oregon’s annual budget, is received as the State Grant portion of the agreement, and varies on average between \$150,000 - \$200,000 each year.

The Clackamas County District Attorney’s Office Child Support Enforcement Program provides parents with minor children legal assistance in establishing, modifying, and collecting child support, and medical support and with legally establishing paternity.

The District Attorney’s Family Support staff work cooperatively and collaboratively with all Oregon county jurisdictions, state and federal agencies, with all 50 states and foreign governments in the establishment and collection of child support and medical coverage.

Other information necessary to understand this award, if any.

This award is for 4 fiscal years. The funding received from the State and Incentives is given to us as a fixed amount estimate in late January/early February of each year (later finalized in September after the State passes its full budget) to help the counties to build a preliminary budget. The Federal portion of the Grant is determined by the total budget of each county's Family Support Program and is an estimate of about 66% of the total allowable costs for that fiscal year. After the Federal, State, and Incentives are added as revenue to the projected expenses, the remainder has to be covered by County General Funds. For fiscal year 23-24, this amount is about 20% of the total budget for Family Support and should be close to that over the 4-year life of the grants.

The parties agree as follows:

AGREEMENT

1. Effective Date and Term. This Cooperative Agreement (“Agreement”) shall become effective on the date this Agreement is fully executed by all parties and approved as required by applicable law and applies to activities during the Funds Availability Period (as defined in Section 2.d). This Agreement expires on the earlier of the date of last payment or August 1, 2027 (“Expiration Date”).

2. Grant.

a. Base Grant. In accordance with the terms and conditions of this Agreement, Department shall subgrant to Subrecipient, from financial assistance the Department receives from the United States Department of Health and Human Services under Title IV-D of the Social Security Act (“Federal Financial Participation”) to administer the State Plan for Collection of Child Support and Establishment of Paternity and approved by United States Department of Health and Human Services in accordance with Title IV-D of the Social Security Act (“State Plan”), an amount (the “Base Grant”) no greater than the actual Allowable Costs (as defined below) necessarily incurred and paid by DA, or by Subrecipient from funds other than those appropriated to the DA, during the term of this Agreement to operate the Program (as defined below). The Base Grant moneys may be used solely to deliver child support services that fall within the responsibility of the DA under ORS 25.080, as further described in Exhibit A, attached hereto and incorporated herein by “Program”.

b. Incentive Funding. In addition, in accordance with the terms and conditions of this Agreement, Department shall subgrant to Subrecipient an additional amount (the “Incentive Funding”) equal to Subrecipient’s share of the incentive payments the Department receives from the United States Department of Health and Human Services based on implementation of the State Plan. The Incentive Funding shall equal Subrecipient’s share of the incentive payments received from the United States Department of Health and Human Services, as determined in accordance with OAR 137-055-1500 and with input from the Oregon District Attorney Representatives. The Incentive Funding moneys may be used solely for reinvestment in the Program, as reinvestment is defined in 45 CFR 305.35. Department will develop the overall estimated revenue from incentives to be included in the Program budget request. The Base Grant and the Incentive Funding, collectively, are referred to as “Grant.”

c. General Fund Appropriation. In accordance with the terms and conditions of this Agreement, Department shall subgrant to Subrecipient an additional amount (“General Fund Funding”) equal to Subrecipient’s share of the applicable General Fund Budget Appropriation the Department receives during the Legislatively Approved Budget Process. The General Fund Funding shall equal Subrecipient’s share of the relevant appropriation, as determined in accordance with the distribution formula outlined in OAR 137-055-1500.

d. Funds Availability. The Base Grant, Incentive Funding, and General Fund Appropriation are available for Program activities commencing July 1, 2023, and ending on June 30, 2027 (“Funds Availability Period”).

3. Disbursement and Recovery of Grant Moneys.

a. Disbursement Generally.

i. Base Grant. Subject to Sections 2 and 3(b), Department shall disburse the Base Grant moneys to Subrecipient quarterly after the end of each calendar quarter falling in whole or in part during the period commencing on July 1, 2023 and ending on the termination date of this Agreement. Quarterly disbursement will be made within 30 days after Department’s receipt of Subrecipient’s invoice for that quarter. If an invoice is submitted less frequently than quarterly, the disbursement payment may be delayed until the next quarter. Each disbursement shall be in an amount equal to the actual Allowable Costs (as defined below) necessarily incurred and paid by Subrecipient or DA during the quarter in operating the Program, less enforcement fees or other fees received by Subrecipient or DA with respect to the Program during the quarter, as evidenced by satisfactory documentation multiplied by the federally-authorized rate of federal financial participation set by the United States Department of Health and Human Services in accordance with 42 USC 655.

ii. Incentive Funding. In addition to disbursement of the Base Grant moneys to Subrecipient in accordance with Section 3(a)(i) above but subject to Sections 2 and 3(b), Department shall disburse the Incentive Funding moneys to Subrecipient in accordance with OAR 137-055-1500.

(a) Incentive disbursements must be used within five years from the Grant year or remaining balances will be used within the Program. Subrecipient is notified each quarter of its unclaimed incentive amounts.

(b) Subrecipient cannot request a disbursement of incentives in an amount that is greater than qualified expenses in that quarter.

(c) In the event that this agreement is terminated, Subrecipient's final Incentive Funding disbursement must be reviewed and approved by the Department to ensure Subrecipient has sufficient qualified expenses.

iii. General Fund. In addition to disbursement of the Base Grant and Incentive Funding moneys to Subrecipient, in accordance with Section 3(a)(i) and 3(a)(ii) above but subject to Sections 2 and 3(b), Department shall disburse the General Fund moneys to Subrecipient in accordance with the distribution formula outlined in OAR 137-055-1500.

b. Conditions Precedent to Disbursement. Department's obligation to disburse Grant moneys to Subrecipient under this Agreement is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

i. Department has received sufficient funding, appropriations, and other expenditure authorizations to allow Department, in the exercise of its reasonable administrative discretion, to make the disbursement.

ii. Department has received sufficient Federal Financial Participation, including Incentive Funding, and General Fund Appropriation to allow Department, in the exercise of its reasonable administrative discretion, to make the disbursement.

iii. No Subrecipient or DA default as described in Section 9 has occurred.

iv. With respect to the disbursement of Base Grant moneys only, Department has received a quarterly invoice for the disbursement accompanied by satisfactory documentation evidencing the Allowable Costs for which Subrecipient is seeking reimbursement (to the extent provided for in Section 3.a.i).

v. With respect to the disbursement of Incentive Funding and State General Fund moneys only, Subrecipient and DA are operating the Program, reimbursement documents for the last completed Federal Fiscal Year have been submitted and accepted by the Program and the operating Subrecipient budget for the current fiscal year has been submitted and accepted by the Program.

c. Recovery of Grant Moneys. In addition to any other remedies that may be available to Department in the event DA or Subrecipient fails to comply with the terms of this Agreement, Department may recover, in accordance with ORS 25.080(7)(b), the amount of any payments made to Subrecipient of federal funds, under Title IV-D of the Social Security Act, that are, as a result of DA's or Subrecipient's actions or omissions, later excepted, deferred, disallowed, or unsupported as part of a federal or state audit or review. Funds will be recovered from the next disbursement or as mutually agreed by parties. Notwithstanding the immediately preceding sentence, Department may not recover excepted, deferred, or disallowed payments that arise solely from (i) external problems beyond the control of Subrecipient or DA; (ii) DA or Subrecipient actions or omissions that are consistent with relevant administrative rules of the Department's Division of Child Support, relevant approved procedures of the Department's Division of Child Support, or relevant policy advice from the Child Support Program Policy Team; (iii) the failure of Department to perform its obligations under Section 7 hereof; or (iv) any combination of the foregoing.

4. Use of Grant Moneys.

a. Base Grant. The Base Grant moneys are available solely to cover actual Allowable Costs (as defined below) necessarily incurred and paid by DA, or Subrecipient from non-federal funds including those appropriated to the DA, to operate the Program during the term of this Agreement. Allowable Costs are those defined in 45 CFR Part 75, Subpart F (audit requirements), except to the extent otherwise limited or excluded by the terms of this Agreement. Allowable Costs include the following:

i. Personal Services: Salaries and fringe benefits of employees of DA and Subrecipient who operate the Program. If an employee spends only part of his or her time on Program operations, that employee's salary and fringe benefit costs must be equitably distributed among the Program and the employee's other activities, based on the relative amount of employee time and effort devoted to each activity. Subrecipient must maintain time distribution records in accordance with 45 CFR Part 75, Subpart F (audit requirements) for employees who only spend a portion of their time on Program operations. Upon request, Subrecipient and DA shall furnish Department with copies of the time distribution records and a description of the formula or method used by Subrecipient or DA to determine the distribution of salary and fringe benefit costs.

ii. Materials and Contracted Services: The costs of materials and contracted services used in locating noncustodial parents, establishing paternity, and establishing, modifying, and enforcing support obligations.

iii. Administrative Costs: Administrative costs incurred by Subrecipient and DA in operating the Program, but only to the following extent:

(a) If Subrecipient has prepared a direct cost plan, to the extent and in accordance with the direct cost plan;

(b) If Subrecipient has prepared an indirect cost plan, to the extent and in accordance with the indirect cost plan; or

(c) If Subrecipient has not prepared either a direct cost plan or an indirect cost plan approved by the State Program or the Federal Government, the federal de minimis indirect cost rate as defined in 45 CFR 75.414 (f) is used. The de minimis for this purpose is defined as 10% of modified total direct costs ("MTDC"). MTDC includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and subcontracts up to the first \$25,000 of each subaward or subcontract (regardless of the period of performance of the subawards and subcontracts under the award). MTDC excludes equipment, capital expenditures, and the portion of each subaward and subcontract in excess of \$25,000.

As described in §75.403, costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time with the Federal Government. Rates with the State Program are negotiated annually with the submission of the Subrecipient's budget.

iv. Capital Outlay: The cost of equipment or furniture with a unit cost in excess of \$5,000, if approved in advance by Department. The full cost of automatic data processing equipment with a unit cost of less than \$25,000 that is used exclusively in Program operations is an Allowable Cost during the quarter in which the equipment is purchased and paid for. All other capital acquisitions must be depreciated and the costs of those capital acquisitions are Allowable Costs in a quarter only to the extent of the depreciation during that quarter. Subrecipient must maintain records of all capital acquisitions whose costs are covered in whole or in part by Grant moneys. Subrecipient may use any generally accepted method of computing depreciation but the method of computing depreciation must be consistently applied for any specific asset or class of assets and must result in equitable charges considering the extent of use of the assets. Subrecipient shall furnish property records and depreciation schedules to Department upon request.

b. Incentive Funding. The Incentive Funding moneys may be used solely for reinvestment in the Program, as reinvestment is defined in 45 CFR 305.35, in accordance with 45 CFR Part 75, Subpart F (audit requirements).

5. Records Maintenance, Audit, Access, and Confidentiality.

a. Maintenance of Records. Subrecipient shall document the use of all Grant moneys disbursed by Department under this Agreement and shall maintain such additional fiscal and other records related to this Agreement as may be required by applicable law. Specifically, but without limiting the generality of the preceding sentence, Subrecipient must maintain records of revenue and fees collected, expenditures made and costs incurred in operating the Program, and other such records as may be required by Department or the United States Department of Health and Human Services.

b. Audits Generally. The Grant moneys disbursed to Subrecipient under this Agreement are federal funds received by Department from the United States Department of Health and Human Services under the Department's Child Support Enforcement Title IV-D Grant, whose CFDA Number is 93.563, and are subject to 45 CFR Part 75, Subpart F. Subrecipient shall comply with 45 CFR Part 75, Subpart F as applicable. If Subrecipient must have an audit performed in accordance with 45 CFR Part 75, Subpart F, Subrecipient shall notify Department in writing promptly after Subrecipient determines that it must have such an audit and Subrecipient shall report the Grant moneys received hereunder as pass-through funds on Subrecipient's Schedule of Expenditures of Federal Awards, and promptly after completion of the audit shall furnish Department with a written copy of all audit findings applicable to Subrecipient's Program or the Oregon Child Support Program (as defined in Section 6.a.) or notify Department in writing that the audit resulted in no findings applicable to Subrecipient's Program or the Oregon Child Support Program.

c. Compliance Audits. Subrecipient shall assist in all compliance audits of Subrecipient's Program or the Oregon Child Support Program conducted by Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, or their authorized representatives.

d. Accounting. Unless applicable federal law requires Subrecipient to utilize a different accounting system, Subrecipient shall create and maintain all fiscal records in accordance with generally accepted accounting principles and in sufficient detail to permit Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, and their authorized representatives, to verify how the Grant moneys were used.

e. Retention of Records. Subrecipient shall retain and keep accessible all books, documents, papers, and records (whether in electronic or hard copy form) that are directly related to this Agreement or the Grant moneys for a minimum of six (6) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following termination of this Agreement. If there are unresolved audit questions at the end of the six-year period, Subrecipient shall retain the records until the questions are resolved.

f. Access to Records and Facilities. The Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, and their duly authorized representatives shall have access to the books, documents, papers and records (whether in electronic or hard copy form) of Subrecipient that are directly related to this Agreement or the Grant moneys provided hereunder, including but not limited to the books, documents, papers and records described in 45 CFR 305.65, for the purpose of making audits and examinations, including but not limited to audits required by 45 CFR Part 75, Subpart F. In addition, the Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Subrecipient shall permit authorized representatives of Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, and the federal Office of Child Support Enforcement to perform site reviews of all services delivered as part of the Program. Subrecipient or DA shall facilitate and participate in physical site reviews of DA's or Subrecipient's facilities, records storage facilities, or any Oregon Child Support Program facilities,

conducted by Department, the Secretary of State's Office of the State of Oregon, the United States Department of Health and Human Services, the federal Office of Child Support Enforcement, the Internal Revenue Service, or their authorized representatives. Site reviews are scheduled on an 18-month rotation. On the basis of site reviews, specific corrective measures may be required of DA and Subrecipient where Subrecipient or DA is found noncompliant with applicable requirements of state or federal regulatory entities and may require a more frequent site review schedule.

g. Non-Disclosure and Confidentiality Obligations. Subrecipient and DA must comply with all non-disclosure and confidentiality obligations. Subrecipient and DA must comply with all applicable laws, including without limitation ORS 646A.600 through 646A.628, the Oregon Consumer Identity Theft Protection Act. The use and disclosure of case information and other confidential information is strictly limited to performance of the Services required under this Agreement.

Subrecipient and DA agree to comply with all reasonable requests to ensure the confidentiality and non-disclosure of the confidential information, including without restriction:

i. Obtaining confidentiality and non-disclosure agreements for every current and new employee, in a form approved by Department from each employee and agent who performs Services under this Agreement.

ii. Performing criminal background investigation inclusive of fingerprinting, on each employee and agent who perform services under this agreement.

h. Confidentiality. In operating the Program, Subrecipient and DA shall comply with 42 USC § 654(26), 26 USC § 6103, 45 CFR 303.21, ORS 25.260 and 412.094, OAR 137-055-1140, and all other applicable laws relating to confidentiality.

6. Coordination of State Plan Implementation and Administration.

a. Federal Coordination. The parties agree and acknowledge that the Program is part of the overall child support program administered by Department throughout the State of Oregon in accordance with the State Plan, ORS 25.080 and Title IV-D of the Social Security Act (the "Oregon Child Support Program"). The parties further agree and acknowledge that the director of the Department's Division of Child Support is the Oregon IV-D Director (the "Oregon Child Support Program Director") and that the Oregon Child Support Program Director is responsible for direct coordination of Oregon Child Support Program activities with other states and the federal government, and for necessary coordination with the United States Department of Health and Human Services. The parties further agree and acknowledge that the Department is responsible for communications, on behalf of the Oregon Child Support Program, with the federal government related to law, proposed or pending legislation, regulations, policies, and procedures concerning Title IV-D of the Social Security Act. If Subrecipient or DA wishes to communicate, on behalf of the Oregon Child Support Program, with the federal government regarding such matters, Subrecipient or DA, as the case may be, must consult with the Oregon Child Support Program Director prior to making such communication. Department will provide to Subrecipient and DA, in a timely manner, all relevant information concerning any new federal policies, requirements, and procedures relating to any aspect of child support or the Oregon Child Support Program. This Section 6.a. is not intended, and shall not be construed as giving, the Department the authority to prevent Subrecipient and DA from communicating with the federal government. Rather, the purpose of this Section 6.a. is to support the Oregon Child Support Program Director's responsibility to administer a coordinated Oregon Child Support Program, by making the Oregon Child Support Program Director aware of such communications on behalf of the Oregon Child Support Program.

b. Program Policy, Procedure, and Form Use. Department, Subrecipient, and DA shall cooperate in the creation, revision, maintenance, and use of procedures and forms relating to the Oregon Child Support Program that affects the parties to this Agreement. Subrecipient and DA shall follow all applicable policies and procedures and use forms that have been approved for legal sufficiency by program counsel.

c. Program Policy, Rule, and Legislative Coordination. Department, Subrecipient, and DA shall provide to each other party to this Agreement advance copies of policy and legislative proposals, including proposed administrative rules and draft legislation. If DA pursues legislation independent of the Oregon Child Support Program, DA will consult with the Oregon Child Support Program Director and coordinate such legislation with the Oregon Child Support Program Director to the fullest extent possible. Nothing herein seeks to preclude DA, either directly or through the Oregon District Attorneys Association, or any other party to this Agreement, from seeking or opposing legislation deemed to have an effect on that party. c. Counterparts. This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement binding on all parties, notwithstanding that all parties are not signatories to the same counterpart. Each copy of this Agreement so executed shall constitute an original.

d. Governing Law, Consent to Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. i. Amendment. No waiver, consent, modification, or change of terms of this Agreement shall bind either party unless in writing and signed by all parties and, when required, approved for legal sufficiency. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. In accordance with 41 U.S.C. § 1902(f), changes to the thresholds are not effective until implemented in the Federal Acquisition Regulations (FAR). However, pursuant to [2 CFR §200.102](#), OMB has issued an exception to allow grantees [recipients] to use these higher thresholds in advance of revisions to the FAR at 48 CFR Subpart 2.1 and the Uniform Guidance. Further, the National Defense Authorization Act for Fiscal Year 2017, which became law on December 23, 2016, establishes a uniform process by which institutions of higher education, or related or affiliated nonprofit entities, nonprofit research organizations or independent research institutes can request a micro-purchase threshold above \$10,000. Prior to requesting a higher threshold, please contact the Grants Management Specialist (GMS) identified on your Notice of Award (NoA) or award letter for instructions to submit the request.”

d. *Non-Discrimination Legal Requirements for Recipients of Federal Financial Assistance.* You must administer your project in compliance with federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, disability, age and, in some circumstances, religion, conscience, and sex (including gender identity, sexual orientation, and pregnancy). This includes taking reasonable steps to provide meaningful access to persons with limited English proficiency and providing programs that are accessible to and usable by persons with disabilities. The HHS Office for Civil Rights provides guidance on complying with civil rights laws enforced by HHS. e. *Posting Federally Funded Disclaimer Language on Documents*. In accordance with Section 505 of Public Law 115-31, the Consolidated Appropriations Act of 2017 is applicable to the mandatory grant programs. “When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all recipients receiving Federal funds included in this Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state (1) the percentage of the total costs of the program or project which will be financed with Federal money, (2) the dollar amount of Federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.”

f. *Prohibition on Expending HHS Award Funds for Covered Telecommunications Equipment or Services as Per 2 CFR §200.216*. Effective August 13, 2020, 2 CFR §200.216 applies to all grant programs. "Prohibition on certain telecommunications and video surveillance services or equipment."

(a) As described in 2 CFR 200.216, recipients and subrecipients are prohibited to obligate or spend grant funds (to include direct and indirect expenditures as well as cost share and program) to:

(1) Procure or obtain,

(2) Extend or renew a contract to procure or obtain; or

(3) Enter into contract (or extend or renew contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Pub. L. 115232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

i. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

iii. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise, connected to the government of a covered foreign country.”

g. *Salary Limitation – Federal Executive Level II*. Federal funds for these grant programs consistently include a provision as part of the Consolidated Appropriations Act (e.g., Public Law 115-31, May 5, 2017) from Congress that the amount that “shall be used to

pay the salary of an individual, through a grant or other extramural mechanism” including non-federal share, must not exceed the amount of the Federal Executive Level II salary for that calendar year. This amount is published annually by the U.S. Office of Personnel Management and can be found on their website at <https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2017/executive-senior-level> under the “Rates of Pay for the Executive Schedule” link. This amount reflects an individual's base salary exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties of the non-Federal entities organization. This salary limitation also applies to subawards, contracts, and subcontracts under an ACF grant or cooperative agreement.

i. Federal Funds Accountability and Transparency Act (FFATA) Requirements. Awards under these programs are included under the provisions of P.L. 109-282, the “Federal Funds Accountability and Transparency Act of 2006” (FFATA). Under this statute, the grant recipient is required to report information regarding executive compensation and all subawards, contracts, and subcontracts in excess of \$25,000 through the Federal Subaward Reporting System (<https://www.fsr.gov/>) and in accordance with the terms found in Federal regulations at 2 CFR Part 170, including Appendix A.

- h. Smoking Prohibitions. In accordance with Title XII of Public Law 103-227, the “PRO-KIDS Act of 1994,” smoking may not be permitted in any portion of any indoor facility owned or regularly used for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs whether directly or through State, Territories, local and Tribal governments. Federal programs include grants, cooperative agreements, loans and loan guarantees, subawards, and contracts. The law does not apply to children’s services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.

The above language must be included in any subawards that contain provisions for children’s services and that all subawards shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day.

COST SHARING OR MATCHING (NON-FEDERAL SHARE) OF PROGRAM FUNDING

4. Some mandatory grant programs require the grant recipient to provide a portion of program funding, as specified in Federal law. Please see the program specific Supplemental Terms and Conditions for the requirements.

5. Insular Areas. For any program that (a) requires a non-Federal share of program funding and (b) is available to several identified grant recipients, under the provisions of 48 U.S.C. 1469a.(d), as amended, the Insular Areas, defined as American Samoa, Guam, the Northern Mariana Islands and the U.S. Virgin Islands, are not required to provide up to \$200,000 of the non-Federal share of program funding. If, in any fiscal year, the non-Federal share exceeds \$200,000, the statutory Federal /non-Federal funding rates for that program will apply to all expenditures that exceed that threshold.

FINANCIAL REPORTING

6. Federal funds awarded under this grant must be expended for the purposes which they were awarded and within the time period allotted. Grant recipients are required to file periodic financial or program specific expenditure reports either quarterly or annually for each program. Please see the program specific Supplemental Terms and Conditions for the requirements.

7. Electronic Submissions. Reports must be submitted electronically. Paper copies will not be accepted. ACF mandatory grant recipients must submit periodic financial reports through two separate online reporting systems. Each system is secure requires individuals to use a PIN, username, and password.
- a. GrantSolutions On-Line Data Collection (OLDC) system is the online reporting mechanism and is located at <https://grantsolutions.gov>. The GrantSolutions Help Desk is open on Monday through Friday from 7:00 am to 8:00 pm ET (except for Federal Holidays). You may reach the Help Desk at 1-866-577-0771, 202-4015282, or help@grantsolutions.gov.
 - b. HHS Payment Management System (PMS) is the online payment management mechanism and is located at <https://pms.psc.gov>. The PMS Help Desk is open Monday through Friday from 7:00 am to 9:00 pm ET (except Federal Holidays). You may reach the Help Desk at 1-877-614-5533 or PMSSupport@psc.gov.
8. Obligation Period/Funding Period. Unless superseded by program specific statute or regulations or by other ACF program specific policies, the obligation period will start on the first day of the Federal fiscal year for which the award is being issued (regardless the issue date of that award) and the deadline for obligating Federal funds for mandatory grant programs is the last day of the following fiscal year for which the award is issued.
9. Liquidation Period. Unless superseded by program specific statute or regulations or by ACF policy, the deadline for liquidating Federal funds is 90 days after the end of the obligation period/funding period (or as specified in a program regulation).

PROGRAM REPORTING

10. Please see the program specific Supplemental T&C for the program reporting requirements.

PROPERTY REPORTING

11. Real property (see limitation under item 12 within this T&C), tangible personal property, and intangible property, that are acquired or improved with a Federal award must be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. ACF requires the recipient to record liens or other appropriate notice of record to indicate the personal or real property has been acquired or improved with a Federal award and that use and disposition conditions apply to the property. Unless program regulations, program-specific supplemental T&Cs, or other program guidance say otherwise, recipients are required to follow the property standards outlined under 45 CFR §§75.316 – 75.323. States must follow their own state property standards. The following are the real property and tangible personal property guidance and reporting requirements. For additional information, please see the ACF [Property Guidance](#) pages.

12. Real Property Reports (SF-429s), OMB Control No. 4040-0016. ACF Real Property guidance is located at <https://www.acf.hhs.gov/real-property>. There are only a few ACF grant programs that have explicit statutory authority to allow, with written approval, to use federal funds to purchase, construct, and/or renovate real property. Please see program-specific supplemental T&Cs and the [Applicable ACF Grant Programs with Real Property Authority](#) list for this authority. When real property is used for these purposes, a Federal interest is established. This interest does not expire. So long as a Federal interest remains, the title holding recipient (and on behalf of subrecipients) must submit a report on the property annually in GrantSolutions OLDC. **Only reports submitted in GrantSolutions OLDC are considered official submissions.** ACF requires the recipient to submit real property reports and requests about real property that is proposed or was purchased/acquired,

constructed, and/or made major renovations with federal funds. Recipients are responsible for submitting these reports on behalf of their subrecipients.

In accordance with program specific requirements, recipients (and on behalf of subrecipients) are required to submit the OMB approved Real Property Status Report SF-429 and Attachments, in which there is a Federal interest. The collection of SF-429 forms must be used for awards that establish a Federal interest on real property. Overview of forms are as follows:

- a. **SF-429.** The Cover Page must be submitted along with the other SF-429 Attachments (A, B, and C). GrantSolutions OLDC automatically adds the cover page to the Attachment.
- b. **SF-429 Attachment A.** The Annual General Report is due annually and follows the same reporting cycle as the annual Federal Financial Report or program specific Expenditure Report.
- c. **SF-429 Attachment B.** The Acquire or Improve Request may be submitted at any time to request prior approval to use federal funds to acquire or improve property. The submission of this form, with supporting documentation, in GrantSolutions OLDC is the official starting point for any prior approval request to purchase, construct, and/or major renovation project for real property.
- d. **SF-429 Attachment C.** The Disposition or Encumbrance Request may be submitted at any time to request disposition instructions. The submission of this form, with supporting documentation, in GrantSolutions OLDC is the official starting point for any prior approval disposition or encumbrance requests. When the property is no longer needed, the recipient (and on behalf of subrecipients) must submit in GrantSolutions OLDC a request for disposition instructions. OGM must be consulted and confirm the percentage of participation (federal interest) before any payment is remitted on a property. ACF will review and make a decision on one of the three standard OMB disposition options described under 45 CFR §75.318(c) to eliminate the Federal interest. The recipient (and on behalf of subrecipient) are required to compensate ACF for its share by remitting payment when real property is sold or retained. Payment must be received and confirmed before ACF can release the federal interest on the property. For more information, see [Remit Payment](#) guidance.

Please note that for the SF-429 Attachment B and C, the appraised value is the current fair market value based on the appraisal (no more than three years old) conducted by an independent certified appraiser.

13. *Tangible Property Report (SF-428s)*, OMB Control No. 4040-0018. ACF Real Property guidance is located at <https://www.acf.hhs.gov/tangible-personal-property>. Recipients and subrecipients that purchase any tangible personal property (e.g., equipment with a unit cost of \$5,000 or more and residual supplies with an aggregate fair market value exceeding \$5,000) under the grant award are required to submit the OMB approved Tangible Personal Property form SF-428. The SF-428 is a standard form used to collect information related to tangible personal property. Unless otherwise directed in the program-specific supplemental T&Cs, grant programs are required to submit the SF- 428s. Recipients are required to submit the forms on behalf of subrecipients. A state, as defined by 45 CFR §75.2, must use, manage and dispose of equipment acquired under a Federal award by the state in accordance with state laws and procedures. Overview of the forms are as follows:

- a. **SF-428.** The Cover Page must be submitted along with the other SF-428 Attachments (B, C, and S).
- b. **SF-428 Attachment A.** The Federally Owned Property Annual Report is **not applicable to ACF grant programs**.
- c. **SF-428 Attachment B.** The Final/Award Closeout form on Acquired Equipment purchased with Federal Funds is due at the end of a Federal Assistance Award. This form may not

apply to some mandatory grant programs. Please see program-specific supplemental T&Cs for applicability and exceptions.

- d. SF-428 Attachment C.** The Disposition Request form on Acquired Equipment is due at any time other than award closeout. The submission of this form, with the SF-429 cover page and supporting documentation, to OGM is the official starting point for any prior approval disposition request. OGM must be consulted and confirm the percentage of participation (federal interest) before any payment is remitted on the property. Recipients (and on behalf of subrecipients) are required to compensate ACF for its share by remitting payment when equipment is sold or retained. Payment must be received and confirmed before ACF can release the federal interest on the property. For more information, see [Remit Payment](#) guidance.
- i. SF-428 Attachment C Guidance: For item “1. Request Disposition Instructions for:” when the disposition request is for equipment with a current fair market value (FMV) of:
- \$5,000 or more:
 - Select one of the two options listed.
 - Add a comment in line 4 (if necessary), and
 - Provide the SF-428 S or other supporting documentation regarding the request.
 - \$5,000 or less:
 - Add a comment in line 4 that:
 - The current FMV is less than \$5,000, and
 - The disposition option requested: 45 CFR §75.320(e)(1) Items of equipment with a current per unit fair market value of \$5,000 or less may be retained, sold or otherwise disposed of with no further obligation to the HHS awarding agency.
 - Provide the SF-428 S or other supporting documentation regarding the request.
- e. SF-428 Attachment S.** The Supplemental Sheet may be submitted with the SF-428 Attachment B or C to provide additional information.

GRANT PAYMENTS

14. *Payment.* All grant program payments will be made available through the HHS PMS. Questions pertaining to payments should be directed to: HHS Division of Payment Management, P.O. Box 6021, Rockville, MD, 20852, or PMS Help Desk at 877-6145533, or PMSSupport@psc.gov. Other questions should be directed to the ACF contact listed on the NOA or program-specific supplemental T&Cs.

15. *Returning Funds/Interest.* Unless otherwise directed in the financial or program specific expenditure report, the HHS Program Support Center (PSC) serves as a centralized point for returning grant interest and funds according to established federal law, policies, procedures, and regulations. PMS prefers that repayment be completed as an electronic transfer or by check. Please refer to the PSC Returning Funds/Interest instructions at: <https://pms.psc.gov/grant-recipient/returningfunds.html>.

SUB-RECIPIENTS AND SUBCONTRACTING MONITORING AND MANAGEMENT

16. According to the Applicability table in 45 CFR §75.101(b)(1), and the exceptions described in §§75.101(d) and (e), all grant programs must comply with the Subrecipient Monitoring and Management requirements described in subpart D, §§75.351 - .353.

17. The prime recipient is the entity that receives a Federal award directly from ACF. Prime recipients are responsible for flowing down the General T&Cs in this document as applicable, see *Subrecipient Monitoring* as follows for more information.

18. *Debarred or Suspended.* No entity may participate in these programs in any capacity or be a recipient of Federal funds designated for these programs if the organization has been debarred or suspended or otherwise found to be ineligible for participation in Federal assistance programs or activities. Please see Executive Orders 12549 and 12689, as well as 2 CFR Parts 180 and 376 for debarment and suspension provisions. Grant recipients must include a similar T&C for all subawards or contracts awarded under these programs. Prior to issuing subawards or contracts under this grant, the grant recipient (pass-through) must review information available through the System for Award Management, <https://www.sam.gov>, to determine whether an entity is ineligible.

19. *Subrecipient and Contractor Determinations.* Grant recipients are required to make case-by-case determinations whether the substance of an agreement creates a Federal assistance relationship (subaward) or a procurement relationship (contract) in accordance with 45 CFR §75.351. The presence of one or more characteristics may not be present in all cases; as such, the grant recipient must use judgment as the substance of the relationship is more important than the form of the agreement. ACF may also supply and require recipients to comply with additional guidance to support these determinations.

a. **Subrecipients.** “A subaward is for the purpose of carrying out a portion of a Federal program and creates a Federal assistance relationship with the subrecipient.” According to 45 CFR §75.101(b)(1), the T&Cs of Federal awards flow down to subawards of subrecipients unless a particular section of 45 CFR Part 75 or the program-specific supplemental T&Cs of the Federal award specifically indicates otherwise.

“Characteristics which support the classification of the non-Federal entity as a subrecipient include when the non-Federal entity:

- i. Determines who is eligible to receive Federal assistance;
- ii. Has its performance measured in relation to whether objectives of a Federal program were met;
- iii. Has responsibility for programmatic decision making;
- iv. Is responsible for adherence to applicable Federal program requirements specified in the Federal award; and
- v. In accordance with its agreement, **uses the Federal funds to carry out a program for a public purpose specified in authorizing statute**, as opposed to providing goods and services for the benefit of the grant recipient.”

Please note that as a long standing ACF OGM policy any State, local, Tribal, or Territorial governments providing a service to a pass-through entity must be considered a subrecipient.

b. **Contractors.** “A contract is for the purpose of obtaining goods and services for the grant recipients own use and creates a procurement relationship with a contractor.” The phrase “goods and services” are considered routine items and activities that are intended for the direct benefit or use by the grant recipient. Examples of routine "goods" are tangible items such as supplies (e.g., pens, paper, and folders) and equipment (e.g., computers and copiers) for the

sole use by the grant recipient. Examples of routine "services" are activities provided, such as janitorial and building maintenance services for the grant recipient. "Good and services" are not intended to carry out (in whole or part) a public purpose, unless specifically authorized by law.

“Characteristics indicative of a procurement relationship between the non-Federal entity and a contractor are when the contractor:

- i. Provides the goods and services within normal business operations;
- ii. Provides similar goods or services to many different purchasers;
- iii. Operates in a competitive environment;
- iv. Provides goods or services that are ancillary to the operation of the Federal program; and
- v. Is not subject to compliance requirements of the Federal program as a result of the agreement, though similar requirements may apply for other reasons.”

For more information, see item 20. *Contract Monitoring* in this General T&C.

20. *Contract Monitoring.* Grant recipients are responsible for ensuring that contracts contain the applicable provisions described in Appendix II of 45 CFR Part 75. The grant recipient is responsible for oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of the contract or purchase order. Records must be maintained by the grant recipient and be sufficiently detailed for compliance.

21. *Fixed amount subawards.* A fixed amount award cannot be used in programs which require mandatory cost sharing or matching in accordance with 45 CFR §75.201(b)(2). Most grant programs require the grant recipient to provide a portion of program funding, as specified in Federal law. Please see the program-specific supplemental T&Cs for the cost sharing or matching (non-Federal share) requirement.

22. *Indirect Cost.* In accordance with 45 CFR §75.352(a)(4), pass-throughs must recognize the approved federally recognized indirect cost rate negotiated between the subrecipient and the Federal Government, or if no such rate exists, either a rate negotiated between the prime recipients and subrecipient, or provide a 10 percent de minimis indirect cost rate as defined in 45 § 75.414(f).

23. *Subrecipient Monitoring.* Pass-through entities are required to advise subrecipients of requirements imposed on them by Federal laws, regulations, and the provisions of grant agreements as well as any supplemental requirements imposed by the pass-through entity. These include grant administrative and audit requirements (where applicable) under 45 CFR Part 75. The prime recipient must conduct a risk assessment of subrecipient(s) in accordance with [45 CFR §75.352\(b\)](#). Additionally, all subrecipient(s) must obtain a DUNS number, or after government-wide implementation, a Unique Entity Identifier assigned by the SAM, if they do not already have one. Prime recipients are required to check the SAM to verify that the subrecipient(s) is/are not debarred, suspended, or ineligible. The pass-through entities are responsible for monitoring the activities of the subrecipient to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the T&Cs of the subaward, and that subaward performance goals are achieved. “Monitoring by the non-Federal entity must cover each program, function and activity.” See 45 CFR [§§75.342](#) and [75.352](#). Records must be maintained by the pass-through entity and be sufficiently detailed for compliance. For more information, see item 3.g.i. *Salary Limitation – Federal Executive Level II: Federal Funds Accountability and Transparency Act (FFATA) Requirements* in this General T&C.

Should a subrecipient perform unsatisfactorily, the prime recipient is responsible for remedying subrecipient issues. Prime recipients of an award will be legally accountable to ACF for performance of the project or program. Prime recipients will be held solely responsible in the event of non-

compliance by a subrecipient. The prime recipient will be held accountable for cost disallowances regarding subawarded funds. If requirements of the program cannot be met due to subrecipient issues, ACF may need to take one or more of the actions listed under 45 CFR § 75.371-.375.

AUDITS

24. The recipient must arrange for the conduct of audits as required by 45 CFR 75 Part F. Prime recipient must verify that any subrecipients that, per [45 CFR §75.501](#), expend Federal funds totaling \$750,000 or more during the course of its fiscal year must arrange for a financial audit in compliance with the requirements of 45 CFR Part 75 Subpart F. See [45 CFR §75.352\(f\)](#).

a. **For-profit subrecipients.** Unless stated otherwise in regulation, guidance, or program-specific supplemental T&Cs, the Subpart F does not apply to for-profit subrecipients. At a minimum, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient must describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance requirements for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. Please see 45 CFR §§75.352 and 75.501(h).

EFFECTIVE PERIOD

The General T&C and each of the program-specific supplemental T&Cs are effective on the date shown in the footer at the bottom of the respective pages. Each T&C supersedes all previous similar T&Cs and will remain in effect until updated. All T&Cs will be updated and reissued as needed, or when a new statute, regulation or other requirement is enacted, or any of the applicable existing Federal statutes, regulations, policies, procedures or restrictions is amended, revised, altered, or repealed.

POINTS OF CONTACT

Points of contact for additional information or questions concerning either the operation of the program or related financial or grant matters may be found on the NOA. The Program Office contact handles the programmatic specific needs such as program intent, goals and objectives. Whereas, the OGM contact typically handles any business, financial, and administrative activities such as budget revisions, prior approval requests, and closeouts.

Fiscal Federal Funding Accountability and Transparency Act (FFATA) Certification

Section D:

FFATA is designed to increase transparency and improve the public’s access to federal government information. To this end, FFATA requires that executive compensation data be reported for all new federal grants funded at \$30,000 or more with an award date on or after October 1, 2015. As such, grants awarded by the Oregon Department of Justice Division of Child Support (DCS) are required to report executive compensation data as addressed in this grant award term.

The certifications enumerated below represent material facts upon which DCS relies when reporting information to the federal government required under federal law. If DCS later determines that the subrecipient knowingly rendered an erroneous certification, DCS may pursue all available remedies in accordance with Oregon and U.S. law.

Signer further agrees that it will provide immediate written notice to DCS if at any time Signer learns that any of the certifications provided for below were erroneous when submitted or have since become erroneous by reason of changed circumstances.

If the Signer cannot certify all of the statements contained in this section, Signer must provide written notice to DCS detailing which of the below statements it cannot certify and why.

More detailed information regarding FFATA can be located at <http://www.hrsa.gov/grants/ffata.html>.
