## NOTICE TO RESIDENTS

**Re: Construction Hours of Work - Clackamas County Circuit Courthouse Project**

Dear Fellow Neighbors:

We hope this letter finds you well. As you may be aware, construction for the Clackamas County Circuit Courthouse is underway, and we wanted to inform you of upcoming construction work hour adjustments during the summer months.

On July 5, 2023, the Oregon City Commission has granted the Project an exception to the City's Work Hour Policy to allow for earlier work start times through September 2023. The City Commission has determined the work hours can begin at 5:00AM for work associated with the construction of the Clackamas County Circuit Courthouse.

Starting on July 6, 2023, construction work hours will begin at 5:00 AM every Thursday and Friday through September 30, 2023. The main reasoning for this exception is to facilitate safer working conditions for our workers during concrete pours in extreme heat weather conditions.

We understand the importance of maintaining peace and tranquility within our community, and we will make every effort to minimize any disturbances caused by the construction work. Please be assured that our project will adhere to the highest standards of noise control and strive to keep noise levels as low as reasonably possible during the early morning hours.

We are truly humbled to have the opportunity to be part of this remarkable neighborhood, and we are honored to have been entrusted with the construction of its new courthouse.

For any question or concerns related to this project please contact:

- Jacob Brovelli / Project Manager – 425.213.2942

Kind regards,
