Voters' Pamphlet Submission Information

- *Not all candidates choose to purchase space in the Voters' Pamphlet.
- For a complete list of candidates and measures that have been filed, visit clackamas.us/elections or visit us at 1710 Red Soils Court, Suite 100, Oregon City, OR 97045.
- Measure filings appear in the order which they will appear on the ballot as instructed by the Secretary of State. Arguments in favor/opposition to a measure appear exactly as submitted, by the type of argument, in the order each was received by Clackamas County Elections.

Not all candidates or measures in this Voters' Pamphlet will be on your ballot.

- Your residence address determines those districts in which you may vote.

The printing of candidate statements, measure filings, and arguments does not constitute an endorsement by Clackamas County, nor does the county warrant the accuracy or truth of any statements.

Ready. Set. VOTE!

The **Clackamas County November 5, 2024 General Election Voters' Pamphlet** includes voting resources and information about candidates and measures from local jurisdictions within county boundaries. The State Pamphlet, mailed separately, includes federal and state candidates and state measures. **Where you live determines what is on your ballot.** Not all candidates submitted an optional statement. Candidate statements and measure arguments are printed as filed; no corrections to spelling or grammar are made, and the information is not verified for accuracy. Our county cover design is the last in the civic art series, **"Voting is a right, responsibility, and a celebration!"**

The Voter Registration Deadline is Oct. 15, 2024. Visit oregonvotes.gov to register to vote or update your information. Clackamas County Elections will be open until 7 p.m. on Oct. 15. **Ballots are mailed to all eligible Clackamas County voters beginning Oct. 16.** Please contact us if you do not have a ballot by Oct. 24.

Sign up for Track Your Ballot! Visit clackamas.us/elections/track-your-ballot. Know exactly when your ballot is in the mail heading your way. This is an opt-in service that will alert you via text, phone, or email. After you vote and return your ballot, you'll be alerted when it has been accepted for counting.

Two voter locations to serve you! Clackamas County Elections will open a pop-up vote center inside the Happy Valley Library starting Oct. 21. The **Happy Valley Vote Center** (13793 SE Sieben Park Way in Happy Valley) provides a closer choice for voters in Happy Valley, Sandy, Damascus and other north-east communities. Hours at the **Happy Valley Vote Center** and the **Clackamas County Elections Office** (1710 Red Soils Ct. , Suite 100 in Oregon City) will be Monday – Friday 8:30 a.m. – 5 p.m., Saturday, Nov. 2 10 a.m. – 2 p.m. and Election Day, Tuesday, Nov. 5. 7 a.m. – 8 p.m.

Each voter service location is staffed by sworn election officials. Citizens can replace a lost or damaged ballot, update voter registration information, get voting assistance if they have a disability, get voting assistance in a preferred language, return their voted ballot, or vote in person.

Official Ballot Drop Site Update: 24-Hour Official Ballot Drop Sites are located throughout the county. You may deposit your ballot at any official ballot drop site in the state until 8 p.m. on Election Day, Nov. 5, 2024. ***Milwaukie City Hall** drop site has moved to 10501 SE Main (new city hall). ***Happy Valley Library** drop site is once again available outside the library. An additional drop site is inside the library during vote center hours. ***NEW*** Official Ballot Drop Site at **Clackamas Community College Oregon City campus** at 19600 Molalla Ave. at the student drop-off, near Orange Lot and TriMet bus station by Rook Hall. Find your nearest official ballot drop site at clackamas.us/elections.

If you have questions, contact us at 503-655-8510 or elections@clackamas.us. Visit clackamas.us/elections for more information. **It is an honor to serve Clackamas County voters as your elected County Clerk.** Thank you for exercising your right and responsibility to vote!

Catherine McMullen, Clackamas County Clerk

Voters' Pamphlet Translation Access

In 2021, the Oregon Legislature passed the Voter Language Access Bill (HB 3021) requiring the Secretary of State to translate portions of state and county voters' pamphlets into Oregon's and the county's most spoken languages. The law seeks to remove barriers to voting for those who are not fully proficient in English.

To help in this effort, the Translation Advisory Council was created. The Council is made up of volunteer community members who represent the ethnic, linguistic, and cultural diversity of Oregon voters. Council members make sure state and county translations are accurate and retain the original tone and meaning in a culturally appropriate manner.

Selected portions of this county voters' pamphlet are available in Simplified Chinese, Korean, Russian, Spanish, Ukrainian, and Vietnamese. These translations can be found online at oregonvotes.gov/ClackamasVP

本县选民手册的部分内容提供简体中文版本。可以访问 oregonvotes.gov/ClackamasVP 获取译本。

주 유권자 팸플릿의 선택된 부분은 한국어 준비되어 있습니다. 번역은 온라인 oregonvotes.gov/ClackamasVP 에서 찾아볼 수 있습니다.

Отдельные части брошюр избирателей этого округа доступны на русском языке. С данными переводами можно ознакомиться в Интернете по адресу: oregonvotes.gov/ClackamasVP

Algunas secciones de este folleto para votantes del condado están disponibles en español. Estas traducciones están disponibles en línea en oregonvotes.gov/ClackamasVP

Окремі частини брошур для виборців Клакамас каунті доступні українською мовою. Ці переклади можна знайти онлайн на веб-сторінці oregonvotes.gov/ClackamasVP

Các phần được chọn trong tập thông tin cho cử tri quận này có bản ngôn ngữ bằng tiếng Việt. Các bản dịch có thể xem trực tuyến tại oregonvotes.gov/ClackamasVP

Clackamas County Commissioner, Position 1, Chair

Tootie Smith

Occupation: County Commission Chair, Hazelnut Farmer, Author

Occupational Background: Business Owner, Newspaper editor

Educational Background: Concordia University, Management & Communication, BS; College of Legal Arts, Court Reporting; FEMA Emergency Management Institute, Certificate

Prior Governmental Experience: Clackamas County Commissioner

2013–2017 & 2020-2024; Oregon Legislature House of Representatives 2001-2005; Community Advocate Childrens & disability groups

While neighboring communities struggle with rising crime, homelessness, & deteriorating quality of life, we chose a different path. It's making a difference. As your Clackamas County Commission Chair, I've taken bold steps to ensure our community remains safe, prosperous, and thriving:

- **Ensured fiscal responsibility**, with Clackamas County now holding \$153 million in reserves, contingencies, and beginning fund balance, enabling us to deliver services while preparing for emergencies.
- **Reduced homelessness by 65%** through a compassionate approach that addresses the root causes, mental health and addiction, while promoting accountability, not punishment.
- **Protected our community** from the failed policies of Portland, ensuring that Clackamas County remains a model of effective county government.
- **Enhanced public safety** by increasing Sheriff patrols, aligning police benefits & pay with neighboring counties, allowing us to hire more officers and improve security.
- **Demanded the repeal of Measure 110**, which legalized dangerous drugs. Clackamas County was the first in Oregon to take this stand, prompting state reforms that align with our community's values.
- **Secured funding for a new courthouse**, obtaining a 50% match from the state without raising taxes or requiring a bond measure.

There's still more work to be done, we can't move back to soft on crime policies. Our successes are just the beginning. I'm committed to continuing this fight for our community. I humbly ask for your support to keep Clackamas County moving forward. Visit www.TootieSmith.com.

Clackamas County Commissioner, Position 1, Chair

Craig Roberts

Occupation: Retired Clackamas County Sheriff

Occupational Background: : Clackamas County Sheriff's Office 1979-2020

Educational Background: Clackamas Community College, Associate of Science; National Sheriffs' Institute, Graduate; Oregon Sheriffs' Association Command College

Prior Governmental Experience: Sheriff 16 years; Chair, Oregon

Task Force on School Safety

Restore Integrity, Accountability and Financial Responsibility to Clackamas County

We deserve leadership that is as good as the people and communities it is supposed to serve. **Instead, we're getting divisiveness, a lack of transparency and terrible financial decisions costing taxpayers tens of millions in cuts over at least the next 30 years.**

As the elected Sheriff for 16 years, Craig's honest, effective, common-sense leadership kept us safe. Craig will put that same leadership to work on the County Commission. **Voters in the May primary overwhelmingly agreed: Craig is the change we need for County Chair.**

Trust Craig to:

Prioritize Public Safety as he has for decades, protecting families, children, and seniors from violence and property crime.

Restore Transparency and Accountability including a budgeting process that values input from residents.

Address Addiction and Homelessness with focused, strategic, and compassionate solutions.

Support Economic Growth through enhanced workforce training and policies that attract and retain high-growth industries.

Oppose Tolling and find better solutions to transportation issues.

We're with Craig!

Former Governor Barbara Roberts
State Senate President Rob Wagner
State Senator Mark Meek
Sheriff Angela Brandenburg, Clackamas County
Lake Oswego Mayor Joe Buck

Melissa Fireside

Occupation: Small Business Owner

Occupational Background: Project Management

Educational Background: Capella University, PhD. Organization and Management

Prior Governmental Experience: Former Council Member, Clackamas County Mental Health and Addiction Advisory Council; Former Chair, Compensation Board for Elected Officials Clackamas County; Elected Precinct Committee Person;

WE KNOW MELISSA FIRESIDE IS ON OUR SIDE

Melissa will be a tireless advocate, making tough choices while working for all of us.

"Melissa is exactly what we need now in County leadership."

- Will Anderson, Milwaukie City Councilor

Melissa knows we need a competitive and prosperous Clackamas County to thrive.

"Melissa has the pulse of the business community."

- Jules Walters, State Representative HD37

Melissa will deliver results so Clackamas County brings equal opportunity to our diverse populations.

"Melissa is a fighter and will work for all of us."

- Mark Gamba, State Representative HD41

THIS IS WHAT MELISSA IS FIGHTING FOR

- Bringing good paying jobs to Clackamas County
- Fully funding our County public health departments, first responders, and resource programs
- Enhancing livability and preservation of Clackamas County's rural areas and farmland
- Building workforce housing and creating multiple paths to homeownership
- Diversifying our tax base and removing barriers for small business creation
- No tolling in Clackamas County

Clackamas County Commissioner, Position 4

Mark Shull

Occupation: Clackamas County Commissioner Position 4

Occupational Background: Retired United States military officer; Former President, Shull Design and Development; Columbia Helicopters, Logging; Pacifico Manufacturing

Educational Background: Command and General Staff College, Tactics, Operations, Certificate; Amphibious warfare

school, Amphibious operations, Certificate; Oregon State University, General Studies-Architecture, Bachelor of Science; Sam Barlow High School, required Curricula, diploma

Prior Governmental Experience: US Military; Clackamas County Commissioner January 2021 to present; Precinct committee Person; House Captain

Thru his energetic devotion to the residents of the County Commissioner Shull is known as "The people's Commissioner"

What Mark has done for the People

Mark is a **devoted** servant of every resident of the County, regardless of their politics

He **insists** on equality of opportunity for every citizen of the County

He **listens** to the concerns of constituents and **takes action** to resolve their problems

He consistently **works to hold down** the rising cost of government.

Fought the Tolling scheme from day one. "NO TOLLING-NO COMPROMISE"

Cut unnecessary items from the County Budget

What Mark intends to do in the next four years

Defeat the threat of tolling

Demand an audit of ODOT. Find the money for the I-205 improvement without tolling.

Eliminate unnecessary government spending/waste

Advocate for a healthy environment thru good timber management/wildfire mitigation

Fight new taxes. Always!

Why it is Critical to Re-elect Mark

Mark is our **only choice** to reduce the threat of more expensive government. We must retain Mark's wisdom, good judgment, common sense and ability in problem solving to ensure the people have a man **holding back the threat** of greedy government.

Leadership Commitment Competence

Lt Colonel, Bronze Star, Operation Iraqi Freedom. Background of effective leadership skills, sound judgment and an intense drive for mission accomplishment. Mark raised his family in Clackamas County, and he will ensure it will become an even better County for your kids to grow up in and for the success of your business.

There is no replacement for Mark Shull in our County government.

City of Canby Mayor

David Tate

Occupation: Consultant – Medical Association

Occupational Background: Executive Director, CFO, and Director of Development for various not-for-profits

Educational Background: Whitman College, Mathematics, BA; Canby Union High School, General, Diploma

Prior Governmental Experience:

Director, Los Alamos Community Service District (Elected); Member, City of Canby and Canby Urban Renewal Agency Budget Committees (Appointed)

Born and raised in Canby, I'm a product of the Canby School District, where my Mom was a school secretary for decades. After his term as a Canby City Counselor and Police Commissioner, my father was my hunter safety instructor and Scoutmaster.

For almost 40 years, I have led not-for-profit organizations professionally and as a volunteer. I've been an Executive Director, Chief Financial Officer, and President. My extensive experience in leadership roles, both in the professional and volunteer sectors, has equipped me with the skills to recruit and motivate volunteers to get things done. Being Mayor is a leadership function and I'm the experienced leader Canby needs.

I volunteer in Canby, serving on the City of Canby and Canby Urban Renewal Agency budget committees. My wife and I are active with the Community Emergency Response Team (CERT) with the Canby Fire Department. Although retired, I remain active as an Osteopathic Health Policy Fellow alumnus.

You can learn more about me at <https://tate4canby.com>.

Like you, I'm concerned about how our tax dollars are spent. The government must be representative and respectful of all citizens. I'm not affiliated with either major political party and haven't been for decades. I don't have to reach across the aisle; I'm standing in the aisle. I pledge to ensure every voice is heard and make my leadership decisions in the best interest of Canby, not a political party agenda.

I'm counting on your vote! Your support is crucial in this election.

(This information furnished by Committee for David Tate)

City of Canby Mayor

Brian D Hodson

Occupation: Director of Operations

Occupational Background: Director Healthcare/ senior living, Area Manager retail and restaurant operations.

Educational Background: Linfield University, Psychology, BA

Prior Governmental Experience:

12 years, Mayor of Canby; 4 years, Clackamas Coordinating Committee Co-Chair; 5 years, Region1 Area Commission on Transportation; 2 years, city councilor; 4 years, Canby Area Chamber of Commerce

Statement:

As your mayor for the past 12 years, I've been honored to serve this incredible community that we all love. I'm deeply passionate about preserving Canby's small-town feel while making smart, forward-thinking decisions. My heart for service has guided my leadership every step of the way.

Experience and Leadership: Canby is more than just where I live; it's my community. I understand the inner workings of this town, its city council, and what makes it thrive. I've served on local, county, and regional committees, staying connected to the decisions that shape our future. My knowledge and leadership allow me to keep things running smoothly and get the job done.

As Mayor I have been at the table to **shape our city and county's homelessness initiatives and will continue to fight against state tolling initiatives.**

Over the next 2-3 years we will be casting a 20-year path for our city's growth. My experience and leadership have and will keep a steady hand on this process.

Safety: I'm proud to say Canby is the 2nd safest city in Oregon. It's the result of ongoing support for our police and fire departments. I will continue to champion safety and ensure these departments have the funding; resources needed to keep Canby safe.

Budget Responsibility: As mayor, I've worked closely with the city council and staff to ensure every dollar is spent wisely. Our budget is a tool to enhance the quality of life in Canby. I remain committed to making conscientious decisions that benefit our town.

Thank you and please vote for Brian Hodson.

City of Canby Councillor

Paul Waterman

Occupation: Systems and Network Administrator; Small Business Owner

Occupational Background: United States Air Force: Military Policeman

IT Manager of Circuit Board Manufacturing Company

General Manager of Circuit Board Design Software and Manufacturing Company

Board Member Canby Arts Association

Educational Background: Pioneer Pacific College, IT and Networking, Degree

Prior Governmental Experience: Canby Area Transit Advisory Committee

Action with Compassion

Canby deserves a city government that is fiscally responsible, transparent, and focused on enhancing our community's unique character. I will ensure taxpayer dollars are spent wisely on projects that benefit the entire community. By fostering a strong local economy, prioritizing essential services, and creating an inclusive environment, we can preserve Canby's small-town charm while building a thriving city for everyone.

- **Fiscal Responsibility and Financial Stability**
 - Ensure results of Consultative Studies and Plans are not only communicated to citizens and other stakeholders within the city.
 - Ensure projects are viable and necessary to prevent cancelation of projects and wasting money.
 - Ensure future projects provide value for the majority of citizens of Canby.
- **Honesty, Ethics, Accountability**
 - I will follow the City Council Policies and Operating Guidelines.
 - I will be respectful to city, community and business leaders that I work with and represent, even when we disagree.
- **Livability**
 - The value of Public Services lives up to the investment.
 - When our local economy thrives, our community thrives. I support our local businesses and organizations as they are the ones investing in our community.
 - Hotel/Tourism to share our uniqueness with others outside our community enhances the economic development and livability of Canby
 - Add/Improve Sports/Recreation Facilities
- **Inclusive Community**
 - Where all in the community are not only acknowledged but actively included and engaged in the process of planning and implementation of City Policy.
 - Encourage and enhance Civic involvement and education
- **Exceptional Service**
 - In order to be a City we can be proud of we have to invest in our community in a manner we can be proud of. This will be reflected in how we serve our community.
 - Communication is important for our citizens. I will work to improve the communication and citizen feedback solutions for our city.

City of Canby Councillor

Shawn Varwig

Occupation: Realtor & CEO

Occupational Background: Real Estate & Executive Management

Educational Background: None

Prior Governmental Experience: Canby City Council, Elected twice
Canby Planning Commission, Appointed

My name is Shawn Varwig, and I'm excited to run for Canby City Council. Having been elected twice before, I've had the honor of serving our community and working to make Canby an even better place to live, work, and raise a family. My experience on the City Council has given me a deep understanding of the challenges and opportunities we face as a community.

During my previous terms, I focused on ensuring that Canby's budget was managed responsibly, prioritizing essential services like public safety, infrastructure, and community programs. I believe in a common-sense approach to governance, where every tax dollar is spent wisely and transparently. Fiscal responsibility is crucial to maintaining the quality of life we all enjoy in Canby.

I'm committed to balancing growth with preserving the character that makes Canby special. I've been a strong advocate for thoughtful, balanced development that supports economic growth while respecting our town's unique charm. I understand the importance of protecting our agricultural roots, supporting local businesses, and ensuring that any new development is done in a way that benefits our entire community.

Public safety has always been a top priority for me. I've worked to ensure that our police, fire, and emergency services have the resources they need to keep Canby safe. I'm also passionate about preserving our parks and green spaces, advocating for policies that protect Canby's natural beauty for future generations.

As I seek your support, my commitment is to continue working hard for Canby. I believe in listening to the concerns of our residents and finding practical solutions that reflect our shared values. Together, we can keep Canby a place where families thrive, businesses succeed, and our community's unique way of life is preserved for years to come.

City of Canby Councillor

Jason Padden

Occupation: Sales Account Manager – US West (3 years); Volleyball Official (17 years)

Occupational Background: Sales and Sales Management for OR, WA, HI, AK Soil and Plants (12.5 years); Logistics Manager and USDA/ODA Compliance coordinator (4.5 years)

Educational Background: SUNY Cobleskill, Plant Science, Bachelor

of Science; SUNY Cobleskill, Plant Science, Associates of Applied Science.

Prior Governmental Experience: Canby City Council (2009 to 2011, 2023 to Present; Planning Commission Member and Chair (2 years); Canby Budget Committee (7 years); Member or Liaison to over 7 boards and committees including current Canby Utility Board Liaison

Other Information

Willamette Falls Landing Heritage Area Coalition: Member, Projects and Programs Committee Chair and Executive Board Member at Large.

At a Glance: Strong leadership skills, passionate about involving others, history of volunteering in the Canby community, watchdog for streets funding for 17 years.

If Elected:

- Continue to advocate for increased livability of Canby through finalizing Comprehensive Plan update.
- Ensure adequate funding for streets and other infrastructure.
- Work to develop a long term plan to fund expansion of sidewalk system in the city.
- Prioritize making updates to development codes after completion of Comprehensive Plan Update.
- Develop a plan for adequate long-term funding for Library.
- See current Urban Renewal District sunset and advocate to develop a strategic plan for future economic development in the city.
- Work to keep partisan politics out of City Council decisions.
- Do my level best to represent all those that call Canby home.

Service in Canby: Since moving to Canby 19 years ago I have been working to make the city a better place. Most recently, maintaining welcome sign, leading updating council policies and procedures, and pushing to get ARPA funds allocated. I have no problem getting in the trench and getting things done. I would very much like to continue this work and would appreciate your vote to remain on City Council.

(This information furnished by Jason Padden)

City of Canby Councillor

Daniel Stearns

Occupation: Owner, General manager of North Willamette Taxes Services, LLC. Current City Counselor of Canby.

Occupational Background: Enrolled Agent, Licensed Tax Consultant, United States Tax Court Bar

Educational Background: University of Phoenix, Business Management, B.S Degree

Prior Governmental Experience: Canby City Council, Canby Budget Committee

- For over 13 years I have had the opportunity to live and work in Canby. My children have attended Trost, Eccles, Baker Prairie and Canby High school. My family worshipped and played in Canby. We have enjoyed Canby's parks and rivers. It is a town where my family has felt safe and welcomed.
- Canby has great people that love to serve together and love to help one another. The city government will benefit from hearing their voices, their ideas, their solutions and enjoy their participation in leading and serving. Unfortunately, City government may seem complicated or difficult to understand. At times the city employees seem unapproachable. Often people are unaware of the best person to resolve issues they may have. They may feel that their ideas are not listened to and that they have little say in the way the city works. The city can do better.
- Because I am fluent in Spanish, I can reach out to people who might otherwise have difficulty communicating with the City Council
- One of my goals as a city councillor is to find better ways for Canby's people to participate in City government. To have their voices be heard, to influence the city with their ideas. One of my proposals is for the city to create a Citizen's Academy, offering classes about how the city government works, the best people in the city who can address concerns, and the best ways to resolve problems that inevitably arise in government operations.
- City funds come from sacrifices made by the people and are a sacred trust. I will work to ensure that these funds are used in the best way for the benefit of the most people in Canby.

City of Canby Councillor

Traci Hensley

Occupation: retired

Occupational Background:
self-employed in direct sales 2002-2020

Educational Background:
Milwaukie High School, diploma

Prior Governmental Experience:
2011-present: Canby City Council
President, Chair of Canby Urban
Renewal Agency, Liaison to Traffic
Safety Commission and Canby

School District. 2013-present: Clackamas County Coordinating
Committee

Community Involvement: Co-founder, Canby Suicide
Prevention, 10+ year member American Legion Auxiliary Unit
122, Canby Area Chamber of Commerce Governmental Affairs
Committee

Experience. Commitment. Proven Leadership.

As your City Councillor, I have been and will continue to be committed to protecting our small town livability in a world that is rapidly growing. Keeping our unique charm is paramount in protecting the livability we're accustomed to. Canby is a diverse yet close knit community and that is part of what we call the Canby way.

I have been and will continue to be an advocate for policies and practices that maintain a fiscally responsible government; investing in infrastructure and public safety while maintaining a healthy reserve to cover unforeseen disasters or downturns. I remain committed to retiring the urban renewal district and returning those tax dollars to the general fund and local taxing districts like fire and schools.

With the urban renewal district closed, we can take a look at the "new and improved" general fund and have the much needed discussions about better funding for our parks and streets. These are areas that are demanding our attention and are supremely important to our livability.

I also renew my commitment to never vote for a tax increase without first getting a vote of the people.

I have lived in Canby for 28 years with my family and I love this town. I have been honored to be working for you and humbly ask for your vote to continue to do so.

League of OR Cities, CERT, Legal
Powers; Ethics 101, CERT.

Prior Governmental Experience:
City Councilor - Estacada 2009-to

2016, 2017 to present - Mayor.

Initially sworn into office in January 2009, Sean Drinkwine served this community as City Councilor for nearly 8 years. He took the next step to becoming Mayor from 2017 to the present. Sean's vision for Estacada includes protecting it from the encroachment of the "big city" transformation while keeping an open mind that changes and growth will naturally occur.

As Mayor, he will continue to promote progress and development that generate business opportunities, jobs, and bolster tourism, while maintaining that "Small Town Charm" that makes Estacada unique. He will always strive to further that core concept as he seeks ways to enhance the city of Estacada's local beauty and natural allure in ways that will continue for years to come. His devotion to friends and family are hallmarks of his personality and he extends to the seriousness in which he takes on the mantle of service as the Mayor of Estacada.

City of Estacada Councillor

Vincent Bellomo

Occupation: Senior Accountant;
Financial Analyst

Occupational Background:
Senior Accountant; Staff
Accountant; Tax Preparer; Internal
Auditor

Educational Background:
Cal Poly University Pomona,
Accounting, BS

Prior Governmental Experience:
Estacada Parks and Recreation
Commission; Estacada Budget Committee

Since 2019, I have been the Senior Accountant for two large Oregon corporations, and I have been promoted to leadership positions within those companies, where I oversaw projects and managed departments of people. I believe my professional background will be an asset to the City Council allowing me to make meaningful contributions to all issues, especially issues that deal with finance and oversight matters.

Since 2021, I have had the opportunity to get to know and work with my neighbors while serving as a member and as the chair of the Parks and Rec Commission. As a member of the budget committee, I advocated for the city to explain the reasons behind their spending, so that the city budget could be better understood by community members. The experience I have gained in these positions has not only been a driving force in my run for city council, but will help me deliver while on city council.

The role of a city councillor is to be as non-partisan as possible. I will make objective, fact based decisions on everyone's behalf. I will work hard for everyone in the city, I will advocate for everyone to have their voices heard, and to have their perspectives considered.

As a city councillor, I will work to:

Encourage transparency and communication between city government and the people of Estacada.

Exercise my ability to conduct open and constructive dialogue with everyone.

Advocate for responsible growth and modernized infrastructure that benefits citizens both old and new.

Build and strengthen relationships with local entities who work tirelessly to bring resources to rural communities like Estacada.

Educational Background: Mt. Hood CC, General

Prior Governmental Experience: None

A Dedicated Advocate for Estacada's Future

As a lifelong Oregonian and long-time Clackamas County resident, Michael Crossett embodies the values of hard work, integrity, and commitment to community. Growing up in a hardworking blue-collar family, Mike learned early on the importance of diligence and respect for every dollar earned.

Mike and his wife are active members of the local community, and their son is a freshman at Estacada High School. Their deep roots in Estacada reflect a genuine investment in the town's well-being and future.

An engaged community volunteer, Mike has dedicated countless hours to youth football and baseball programs, showing his commitment to nurturing and supporting the next generation.

Prioritizing Safety: Mike's top priority is the safety of Estacada's residents. He is unwavering in his commitment to addressing crime and ensuring that drug-related activities are not tolerated. His proactive approach aims to create a safer environment for everyone.

Focused on Growth and Finances: Mike advocates for sensible growth that enhances our town while maintaining fiscal responsibility. He emphasizes the need for infrastructure improvements and prudent financial management to ensure Estacada's sustainable development.

Commitment to Justice and Morality: With a strong conviction for justice and a deep moral compass, Mike is dedicated to maintaining the cultural integrity of our town. His personal and professional life reflects his unwavering commitment to the community's success.

With a proven track record and a heartfelt dedication to Estacada, Michael Crossett is well-prepared to serve as your City Council member.

Vote Michael Crossett for City Council – A Leader Who Truly Cares About Our Town.

City of Estacada Councilor

Scott Staudt

Occupation: Currently, I am a specialty electrician.

Occupational Background: Occupational background includes electrician, computer programmer, mechanic, and tutor

Educational Background: Lakewood High School, General, Diploma; Northwest College ; Science, Engineering, AS Degree

Prior Governmental Experience:

Although I don't have any prior governmental experience, I've spent over 30 years in the electrical trades, where I've honed skills in problem-solving, leadership, and working with a diverse range of people.

Hey, I'm Scott Staudt, and I'm running for Estacada City Council because I believe in a brighter, more inclusive future for our town. As someone who's worked as a blue-collar tradesman for years, I understand the challenges many of us face here in Estacada. I'm committed to preserving our small-town vibe while pushing for growth that benefits everyone—especially our local businesses and working families.

I'm focused on progressive issues that matter. Public safety is at the top of my list, from better preparation for wildfires to addressing the rising challenges around addiction. We need to provide compassionate, effective support to those struggling with drugs and alcohol, while making sure our young people have safe spaces and opportunities to thrive.

I'm not about divisive politics—I'm about bringing people together, listening to our community, and building on our shared values. I'm proud to be endorsed by local business owners who care about Estacada's future and by the Clackamas County Democrats, because they believe in the same forward-thinking solutions I do.

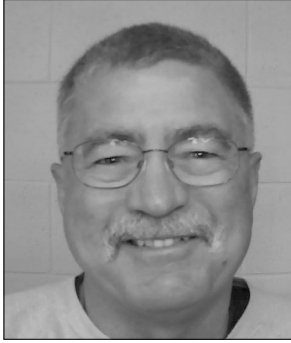

If you're looking for a candidate who's committed to real progress and making Estacada better for all of us, I'd love to connect and hear your thoughts. Let's work together to create a stronger, more unified community!

City of Estacada Councilor

Jon Dolezal

Occupation: Hospice Liaison.

Occupational Background:
Pharmaceuticals.
Telecommunications.

Educational Background: CSU
Chico, Business Admin/H.R.,
Bachelor Science

Prior Governmental Experience:
Estacada Traffic and Public
Safety Committee. Estacada
Transportation System Plan.

Estacada Budget Committee.

Estacada is an Island of Beauty, Serenity, and Collegial Community. Rapid and continued growth will require guidance and management to continue and maintain our lovely City. We moved back to Oregon 9 years ago and found where we lived before was not how we wanted to live now. We had family who had lived in Estacada so explored and have been here ever since.

The experience I have in volunteering for various committees in Estacada has been enjoyable, fulfilling, and enlightening. We live in a well-run City with multiple interests and concerns. The Committees and Council work amongst themselves and with each other to guide our future. Working together with differing points of view and interests can be difficult.

The times we live in seem more divisive and contentious than ever before. I believe it is key to be able to stand for your principles and ideas while maintaining interest and respect for other points of view.

I will bring the following to the Council if you choose to vote for me; I am **Capable** of knowing, understanding, researching, and educating on the issues brought to council. I am **Respectful** of differing opinions and behave appropriately. I am **Experienced** in working with large and small groups to gain consensus. I am **Dedicated** to taking the time and effort needed to see that issues presented to the Council are promptly and justly arbitrated.

Please Vote for Jon Dolezal. Capable, Respectful, Experienced, Dedicated.

City of Gladstone Councillor, Position 2

Bill Osburn

Occupation: Transportation/Self-Employed

Occupational Background:
Small Business

Educational Background:
Clackamas Community College,
Criminal Justice/Automotive, AA;
OCHS/Rex Putnam

Prior Governmental Experience:
TSP Board, Traffic and Safety,
Planning Commission Interview

Panel, CERT Team

I was born and raised in Oregon City, I raised my family in Oak Grove. As a 5th generation Oregonian my family has been in Oregon 180+ years, in Clackamas County for over 120 years. My Native American ancestors were here way before that. My family lived off and on in Gladstone since the 1920's. I understand what we need to move forward while retaining the livability of our great little community.

We are living in challenging times that make it difficult to support our families and ourselves. Driving the cost of living is all the fees and taxes the government keeps taking from us. As a small business owner and father of six, I understand that we need to be more financially conservative.

I support all first responders.

I support helping people out with a hand up, but not enabling handouts. Too much of our money is blindly thrown at homeless issues for housing, but not the mental health that's really needed.

I support everyone's right to peacefully assemble, but not destruction of property or use of violence.

I support our new library. After successfully recalling two city counselors so we could end the lawsuit against Clackamas County, I was tasked with helping to pass the ballot measure that led to where we are. This was done using the same taxes we already pay, instead of adding new tax to our financial burden. Problem solving like this is why I have previously been endorsed by both Conservative Republicans, and Liberal Democrats.

At the end of the day we all live here and need to work towards mutual success.

Government exists to preserve the rights of the people and to help serve the prosperity of the community. I pledge to be your voice and bring common sense back into the decision making process.

(This information furnished by Bill Osburn)

City of Gladstone Councillor, Position 2

Maria Mitchell

Occupation: Happy Valley, Canby, Milwaukie, Gladstone and Oak Lodge Libraries.

Occupational Background:
Mental Health Counselor;
Educator; Social Services;
Juvenile Justice Services.

Educational Background:
Western Oregon University;
Community Crime Prevention,
Bachelor of Science; Gladstone

High School: diploma.

Prior Governmental Experience: City of Gladstone: Community Center Advisory Board, 2023; Library Advisory Committee, 2014.

I have lived in Gladstone for 11 years. I attended school here. I was married here. I work here. **This city is my home.** I am running for City Council because I care about this town. I want to give back in service to this community.

I believe in listening to the residents of Gladstone, being active in the community and being available to hear resident concerns. Since 2016, I have been involved in the Gladstone community as a Co-Director on the Gladstone Public Library Foundation.

I would **welcome and support new businesses** so they can thrive. I would advocate for the **continued development of downtown**, of supporting growth with livability and affordability for all Gladstone residents.

I believe I can contribute a fresh perspective to the City Council. I have a background in serving many diverse populations. I believe we can come together as a council to cooperate based on mutual integrity and respect as we represent our citizens. We can compromise without compromising Gladstone.

Everyone is welcome in Gladstone. I believe all deserve a voice and to feel represented regardless of race, gender, religion, and socioeconomic status. **Diversity is essential** as a community. As a councillor I would advocate for all residents to come to city events and let their voices be heard.

I respectfully ask for your vote.

City of Gladstone Councilor, Position 3

Gabrielle Blaug

Occupation: Retired

Occupational Background: Small Business Owner, Hardware Specialist and Project Manager for Wind River/ Intel Lab Operations

Educational Background: Reed College, Biology, BA; University of Phoenix, Business, MBA

Prior Governmental Experience: Gladstone Audit, Budget, and Traffic Safety Committees 2023-4

COMMITTED TO SERVING GLADSTONE

For the past two years I have been participating in the Gladstone City government on the Budget, Audit, and Traffic Safety Committees and volunteering at numerous community events. I was recently appointed to Gladstone City Council Position #3. I have voted to support extending the Urban Renewal boundary to enable revitalization efforts in our community without increasing tax rates. I really love living in Gladstone and am excited for the opportunity to serve the city and its residents. I am committed to making sure that Gladstone welcomes all people equally and supports a vibrant, diverse and inclusive community.

PRIORITIES

- Make sure that Gladstone is a welcoming community for all residents regardless of age, gender, race, religion or abilities.
- Ensure that Gladstone is run with fiscal responsibility so that we can effectively plan for the future.
- Continue our support for the Gladstone Police, Fire, Library and Community spaces.
- Support our Parks and make our outdoor spaces accessible to everyone.
- Help revitalize our Downtown area and continue to make it a place where we can shop, eat, and enjoy year round.
- Support our infrastructure needs so that we can keep up with Gladstone's future growth.
- Work to make Gladstone an affordable community while supporting our roads, water, sewer, and energy needs.

I am eager to continue to support Gladstone and respectfully ask for your vote.

City of Gladstone Councilor, Postion 3

Greg Alexander

Occupation: Retired

Occupational Background: U.S. Army Veteran, Teamsters Local 305, Military Order of the Purple Heart Service Foundation.

Educational Background: Oregon City H.S., Clackamas Community College

Prior Governmental Experience: 4 Years Gladstone City Councilor, Audit/Budget Committee, CERT

and GEMS, Gladstone Historical Society - VP, Fire District Liaison

VOLUNTEER ACTIVITIES:

Assisting veterans receive their benefits, Gladstone Library Foundation, Gladstone Nature Park, SOLVE cleanups, Gladstone community events, Community activism

STATEMENT:

I am blessed to live in Gladstone and to be your neighbor. My promise to you is when elected, I will serve the people of this town, putting your needs before my own. I am humbled by this opportunity and the responsibility which I will never take lightly.

I have lived in the Gladstone area most of my life, am a single father having raised my daughter through our schools. Four generations of my family have called Gladstone home. I believe in Gladstone and the good people that live here; they are the reason I love our town. I know the issues important to our community because I live them every day. We want to keep our small-town feel, events that bring us together, safe streets, police and fire departments that are honored and supported, and beautiful parks. I want everyone who visits or lives here to feel welcome and included.

During my term I have had major accomplishments:

- One of the first councilors to meet in the new civic center
- Helped facilitate our Pickleball success
- New Public Works and Library, without raising taxes
- Successful transition of fire and emergency services to Clackamas Fire District
- Always available to meet and listen to our citizens, putting the city and citizens needs first
- Focus on our infrastructure needs and the best way to fund them
- Institutional knowledge

After serving 4 years as your city councilor, I have the background and qualifications to hit the ground running in January.

City of Gladstone Councilor, Position 4

Andrew Labonte

Occupation: Retail

Occupational Background:
Traffic Safety Education Instructor;
Small business owner.

Educational Background:
Western Oregon University, Traffic
Safety Instructor Training; Brown
University Learning Commi,
Fundamentals of Management;
Attleboro High School, Diploma

Prior Governmental Experience:

Gladstone Traffic Safety Advisory Board; Gladstone Park and Recreation Board; Gladstone Planning Commission; Clackamas County Traffic Safety Advisory Board

Eight years ago my family and I put roots down in Gladstone and we have never looked back. A little bit about me...I spent 22 years working in traffic safety education with many of those years as the owner of a small driving school. COVID changed my path and I now care for our kids while my wife pursues her nursing career.

I love Gladstone and for years I've participated on city boards and commissions to improve the city. It has been an honor to serve this community and because of my service I am a known entity with a voting record.

As a Planning Commissioner

- I supported the original Downtown Revitalization Plan.
- I voted to increase Gladstone's Open Space.
- I voted against increasing building height on Portland Ave and believe the city should revisit recent code changes. Portland Ave is not the place for high density housing.

As Chairperson to the Traffic Safety Advisory Board

- I focused on improving pedestrian safety - especially around schools and parks.
- I partnered with residents for additional stop signs at Max Patterson Park.
- With community support I worked to get approval for the new Webster Rd crosswalk.

As a member of the Parks and Recreation Board

- I focused on preserving and increasing green space.
- I believe the Nature Park may not be the best location for the new water tower and would like the city to have an option B and C.

As City Councilor I will represent Gladstone with integrity and impartiality. I am committed to ushering our city into the future while preserving what makes Gladstone special. I would be honored to have your vote.

(This information furnished by Andrew Labonte)

The above information has not been verified for accuracy by the county.

Voting Tips

Your Vote Counts!

Make sure your voice is heard by voting in the November 5, 2024 General Election.

Make a plan to vote.

- **Do you know where you will receive your ballot?** Is your registration up-to-date?
- **When will you vote?** Ballots will be mailed to voters Oct. 16 and are due Election Day, Nov. 5, 2024 by 8 p.m.

- **How will you return your ballot?**

By Mail - Must be postmarked by Election Day, Nov. 5. No stamp required.

By Official Ballot Drop Box - Must be deposited by 8 p.m. on Election Day, Nov. 5.

Don't forget to sign!

Your ballot cannot be counted if you do not sign the return envelope. Every signature is checked against the registration signature on file and the signature must match for the ballot to be verified and counted.

City of Gladstone Councilor, Position 6

Mindy Garlington

Occupation: Marketing & Digital Print Specialist

Occupational Background: None

Educational Background: SMA & Community College

Prior Governmental Experience: Current Gladstone City Councilor, Clackamas County Library Board liaison. Gladstone Parks Board, Budget & Audit Committee, Charter Review Committee.

Mindy is a member of the League of Oregon Cities, serving as Vice-Chair of the Women's Caucus supporting women leaders all over Oregon. She serves on the LOC Finance Committee, and the LOC Community and Economic Development Policy Committee. Gladstone is an important part of a much bigger alliance, and a vital part of Oregon.

Mindy is liaison to the Clackamas Fire/Gladstone Joint Oversight Committee, being front row to our successful transition of fire and emergency services to the Clackamas Fire District.

Mindy is a library supporter, who was instrumental in achieving the brand-new library that is a beautiful addition to our downtown and an important part of the city's revitalization plan.

In the next four years Mindy will:

- **Maintain** economic livability for Gladstone taxpayers by making thoughtful financial decisions for citizens and ensuring a responsible and transparent budget.
- **Champion** Gladstone parks and green spaces, our most valuable assets. The city now has Master-Plans for all the parks. The city has applied and received important new grants, and continues ongoing work for important new grant-funded projects and playgrounds.
- **Support** Gladstone's community-led events. Our community and volunteers bring people together to make Gladstone a great place to live.
- **Volunteer!** Mindy be found at FOGNAP work parties, American Cancer Society, Portland/Milwaukie Elks 142, Christ the King Parish activities, Tukwila monthly dinners, and the Gladstone/Rotary Community Festival.

Mindy is a native Oregonian, a 33-year Gladstone resident, Union supporter, military wife and military mom, and grandmother of five. She calls Gladstone HOME!

Mindy believes there are not always easy answers to today's challenges, but engaging in conversations and working toward consensus that represents the greater good makes Gladstone a better place to live.

(This information furnished by Mindy Garlington)

City of Gladstone Councilor, Position 6

Kaleb Eisele

Occupation: Writer/Media Producer

Occupational Background: Writer & Producer for mid-scale media projects such as the How the Church Works and Bridges Over Walls Podcasts; Docuseries Director, Humans of Adventism; Public Speaker; Social Media Manager; Pest Control Technician & Team Lead, Gregory Pest Solutions

Educational Background: B.A. in English (Cum Laude), College of Charleston; High School College Prep Diploma with Honors, Indiana Academy

Prior Governmental Experience: None

Leadership Experience: Nominating/Presidential Search Committee Member, Oregon Conference of Seventh-day Adventists; VP for Recruitment & Development, Society of Adventist Communicators; Team Lead/Strategic Planning Committee Member, Gregory Pest Solutions

Volunteer Activities: Downtown Portland Cleanup, SOLVE Oregon; Food Pantry Volunteer, Portland Adventist Community Services; Red Cross 2020 Wildfire Evacuation Site Volunteer, Gladstone Park Location

I fell in love with Gladstone after my partner and I moved here several years ago. My mission is to capture the safe, small town feeling Gladstone offers and to extend that to all people regardless of race, sexual orientation, gender, belief, ability, or age. I believe all people are asking two vital questions when they think about where they live - are the people I love safe and can we afford a quality life here? Drawing from a wide network of diverse mentors, partners, and trusted voices, I will work tirelessly to help all of our Gladstone neighbors to be able to answer those questions with a "Yes!"

City of Happy Valley Councillor, Position 2

David Golobay

Occupation: Owner Sun Glow Inc.

Occupational Background:
Business Owner

Educational Background:
Mt. Hood Community College,
Mechanical Engineering,
Associates; OIT

Prior Governmental Experience:
Happy Valley City Councillor
(Current); Happy Valley Traffic &
Public Safety Committee; Chair

Multnomah County Business Advisory Council

EXPERIENCE AND VISION

For over 15 years, I've been committed to making our city a better place, and together, we've achieved significant progress. Happy Valley deserves an experienced leader who prioritizes livability over special interests and partisan politics. My focus is to ensure our residents voices are heard and that Happy Valley remains a safe and vibrant community.

ACCOMPLISHMENTS

Since joining Council in 2016, I have been instrumental in forming our Parks District, expanding our Library, creating an Urban Renewal District, and acquiring land for a Community Center, Downtown District, and new Public Works building while playing a key role in passing our Police and Parks Levy's. Additionally, I worked on improvements in public safety, road maintenance, and I've represented Happy Valley on various committees.

As past President of the Happy Valley Business Alliance and Chair of the North Clackamas Chamber of Commerce, I helped local businesses and our community navigate the COVID-19 pandemic. My company proudly sponsors community events and I have worked in our schools and served as the Liaison for the Happy Valley Youth Council.

RE-ELECTION PRIORITIES

- Complete design and construction of our Community Center and Downtown District.
- Build our new Public Works facility.
- Enhance street and pedestrian safety.
- Advocate for permanent police funding without raising taxes.
- Create new parks and a recreational district on the Clackamas River.
- Support our local schools.
- Bring high-wage jobs to Happy Valley.
- Fiscal leadership.

City of Happy Valley Councillor, Position 2

Marchelle Paholsky

Occupation: Non-Profit Director,
Community Organizer

Occupational Background: US
Department of Energy - Director of
Strategy; grassroots organizing in
public and non-profit

Educational Background:
Portland State University, BA,
Political Science, Urban Studies
and Planning, Graduate Studies,
Public Policy

Prior Governmental Experience: United States Army Master
Sergeant, Happy Valley Planning Commissioner, Precinct
Committee Person, Oregon National Delegate

Leadership, Commitment, Experience

Happy Valley needs strong leadership to manage the inevitable changes in Oregon's fastest growing city. The role of our city council is to come together in a non-partisan manner and work collaboratively for the benefit of all citizens. It is essential that every voice is heard, and that we have broad representation. Community is my passion and that is how I lead.

Imagine a Happy Valley where community and connection thrive. My vision includes:

- **Move beyond strip-mall development** to create a vibrant downtown core, filled with locally owned businesses, drawing people from around our region to support our city, fostering a true sense of community.
- **Implement a growth management strategy** that balances business development with appropriate housing, and sustainable solutions.
- **Champion a new state-of-the-art community center** that will be a gathering place for all ages, offering aquatics and healthy activities for adults, kids, and seniors.
- **Secure funding to build and maintain high-quality K-12 schools**, ensuring our children receive the best education possible.
- **Improve our transportation corridors** to reduce congestion, enhance safety, and move commercial traffic to safer zones.
- **Preserve our natural resources** and expand scenic trails that connect our neighborhoods to promote outdoor activities.

"Together, we can build a connected, thriving, and future-ready Happy Valley!"

Proudly Endorsed By:

James Manning, State Senator
Martha Schrader, Clackamas County Commissioner

University MPA; American Intercontinental University MBA

Prior Governmental Experience: School Board Director, North Clackamas School District; Happy Valley Budget and Parks Advisory Committee Member.

YOUR VOICE IN THE CITY

As a father of four and grandfather of two, I'm running for City Council because I believe in building an inclusive community where everyone has the opportunity to thrive and succeed. Happy Valley, once a small rural town, is now Oregon's fastest-growing city. In this non-partisan role, I'm committed to being a balanced voice, working hard to ensure that we grow responsibly and preserve what makes our community special. Together, we can build a stronger, more connected community!

PRIORITIES

- Preserve Happy Valley's Charm.
- Ensure Safety and Security.
- Drive Economic Development.

"Throughout my time serving Clackamas County, I have seen Glenn truly care for the whole community, listening thoughtfully to stakeholders and leading with decisive action to solve systemic challenges. His dedication to public service and commitment to addressing the needs of all residents make him the leader Happy Valley needs on the City Council."

--Clackamas County District Attorney, John Wentworth

"Glenn has the vision and proven leadership skills that Happy Valley needs to continue thriving! His commitment to our community and extraordinary talent to bring people together make him the ideal candidate to represent our city on the council."

--Happy Valley City Council President, David Emami

Clackamas County Elections

Two locations to serve you!

Clackamas County Elections

County Elections Office

1710 Red Soils Ct., Suite 100

Oregon City, OR 97045

Happy Valley Vote Center

Open Oct. 21 – Election Day, Nov. 5

inside the Happy Valley Library

13793 SE Sieben Park Way

Happy Valley, OR 97015

Hours at both locations:

Monday – Friday, 8:30 a.m. – 5 p.m.

Saturday, Nov. 2, 10 a.m. – 2 p.m.

Election Day, Nov. 5, 7 a.m. – 8 p.m.

At each voter service location, citizens can:

- replace a lost or damaged ballot,
- update voter registration information,
- get voting assistance if you have a disability,
- get voting assistance in a preferred language,
- return your voted ballot,
- vote in person.

Clackamas County Elections

503-655-8510 | elections@clackamas.us

clackamas.us/elections

What if I did not receive a ballot?

If you do not receive a ballot by Oct. 24, 2024 call Clackamas County Elections at 503-655-8510.

What if I need assistance voting?

Voters with disabilities, or those needing assistance voting in a language other than English, may contact Clackamas County Elections for voter assistance or interpretation services.

What if I make a mistake on my ballot?

You may simply cross out your mistake, write "not this," and circle the intended choice.

What if I change my mind after I have returned my ballot?

As soon as you deposit your ballot in a mailbox or at an official ballot drop site, your ballot has been cast. A new ballot cannot be issued.

Does my ballot have to be returned by mail?

No. You may return your ballot by mail or drop it off at any official ballot drop site in the state.

Do I need a stamp on the envelope to return my ballot?

No, stamps are **NOT** required to mail your ballot back to Clackamas County Elections.

When must my ballot be returned?

If you send your ballot through the U.S. Mail, it must be postmarked by Election Day, Tuesday Nov. 5. or, you can drop off your ballot at any official ballot drop box in Oregon by **8 p.m. on Election Day, Tuesday Nov. 5.**

Where is my secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the United States Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

When is Clackamas County Elections open on Election Day, Nov. 5?

On Election Day, Clackamas County Elections will open at 7 a.m. and close at 8 p.m. at two voter service locations.

- Clackamas County Elections office at 1710 Red Soils Ct., Suite 100 in Oregon City
- Happy Valley Vote Center inside the Happy Valley Library at 13793 SE Sieben Park Way in Happy Valley.

503-655-8510 | elections@clackamas.us

City of Johnson City Councilor

Tara Schoffstall

Occupation: Educator

Occupational Background: Educator

Educational Background: George Washington University, Secondary Science, MEd

Prior Governmental Experience: Clackamas Health Centers Council

"Our American tradition of neighbor helping neighbor has always been one of our greatest strengths and most noble traditions."

- Author: Ronald Reagan.

My accomplishments for Johnson City and our residents include:

- Procured multiple Clackamas County "Slow Down" signs for use throughout the city.
- Installed the Free Little Library.
- Online access to Johnson City Ordinances.
- Enrolled in CERT training.
- Johnson City Tenant Collective (JCTC) founding member.
- Assisted multiple tenants with management issues, ranging from ADA requests to Lease Terminations - among other topics.
- Maintain the Johnson City Facebook group.
- Organizer, including the Clothing, Plant and Book Swaps; Fire Safety and Hands Free CPR; Gardening class; and the Halloween Amusement Park.
- Volunteer with City of Johnson City events.
- Resource assistant, including financial, health, personal, classes, and transportation information.
- Educator on rights as Manufactured Housing tenants.
- Chief Petitioner for Measure 3-585, to annex Johnson City into the Library District of Clackamas County.
- Clackamas County Court judgment against the Johnson Mobile Estates 2021-2022 yard decoration rule.

At City Hall, I have advocated (or helped advocate) for:

- Safer streets, including more stop signs, speed bumps, and sidewalk improvements.
- Clean-up days and the City Wide Yard Sale.
- Utilizing government grants to help with expenditures for transportation improvements and clean-up days.
- Delivery access for Johnson City Meals on Wheels recipients.
- Better access to council meetings for those with mobility, hearing, or other issues.
- Reviving Johnson City as a Gleaners for Clackamas County site.

I have canvassed throughout the city, listening to many people. Members of the Johnson City
<yv \ Council should know the concerns of our constituents in all areas of the city, not just our surrounding neighbors.

As a City Councilmember, I will continue to advocate and work for us. I am committed to creating a safe and healthy community where we all can feel a sense of peace and belonging.

Thank you,

Tara Schoffstall

City of Lake Oswego Mayor

Joe Buck

Occupation: Local business owner

Occupational Background: Local family business, restaurateur, community volunteer

Educational Background: University of Portland, Business Administration and Accounting, BA

Prior Governmental Experience: Mayor of Lake Oswego, LO City Councilor, U.S. Coast Guard

veteran

Community Service: Hunger Fighters Oregon, LO for LOve, LO Chamber of Commerce, LO Rotary

Community Success

Four years ago we came together to ensure Lake Oswego as a thriving, welcoming, safe place of belonging for all. Leading with the values of **equity, integrity and respect** I learned growing up in L.O., I listened to your voices and worked hand-in-hand with neighbors to accomplish goals that center our shared vision for a healthy future:

- Created pedestrian safety fund, building new neighborhood pathways
- Secured hundreds of units of the City's first family affordable housing
- Invested heavily in new park facilities and programs for all ages and abilities
- Enhanced public safety by sharing transparent data, funding additional officers and a behavioral health specialist
- Advanced the goals of our climate action plan, invested in natural area restoration and wildfire prevention
- Supported the first public celebrations of the many diverse cultures of our community and improved outreach to underrepresented communities
- Lead the first City partnership with our Chamber of Commerce to support our many local, small businesses

Forward We Go

I look forward to continuing to work collaboratively with our youth, seniors, parents, community groups and businesses on what matters most to us all as Oswegans. I know our community and believe in its future. Together, we'll continue creating a safe, welcoming, sustainable community where all neighbors feel at home and that future generations will be proud of.

Lake Oswego, thank you for your trust and support!

Rachel Verdick

Occupation: Owner, Verdick Residential Designs LLC.

Occupational Background: Building Designer, Verdick Residential Designs; Marketing Manager, Blue Cross Blue Shield of Oregon; Event Manager, American Cancer Society

Educational Background: University of Notre Dame, Marketing & Entrepreneurship, Master Business Administration; Boston Architectural College, Historic Preservation, Master of Design Studies; Saint Mary's College, Sociology, Bachelor of Arts; Portland Community College, Residential Architecture, AAS

Prior Governmental Experience: City Council, Lake Oswego (current); Lake Oswego Historical Resources Advisory Board 2016-2020

Personal

I love Lake Oswego. I was born and raised in the PNW and have lived in LO for the past 24 years with my husband, LO native, CAPT Jonathan Puskas (US Navy). It is a blessing to share this community with our parents, siblings, aunts, uncles, and friends.

Rachel's Priorities

As a current City Councillor, I have the honor of serving our extraordinary community and maintaining its sense of place while thoughtfully helping to write the next chapter of our city's future. I am committed to:

- Continuing to foster new partnerships that bring people together and to make Lake Oswego a safe, sustainable, and welcoming community for all.
- Focusing on our community's emergency preparedness
- Supporting local businesses and economic development
- Developing and maintaining our parks and recreation system
- Ensuring Lake Oswego is a community recognized for its environmental & sustainability practices
- Modeling fiscal responsibility
- Investing in and managing the city's infrastructure

Official Clackamas County November 5, 2024 General Election Voters' Pamphlet

City of Lake Oswego Councillor

Massene Mboup

Occupation: Head of School

Occupational Background: French Instructor (Chemeketa Community College, Clackamas Community College, Portland Community college) Teacher (Portland French School)

Educational Background: Portland State University, Educational Leadership-Curriculum and Instruction,

Doctoral Degree; University Cheikh Anta Diop Dakar, American Literature and Civilization, Master's certificate in English; Ecole Normale Supérieure de Dakar, Education-Secondary education, Secondary School Teacher

Prior Governmental Experience: City Council (Present), Legal budget Lake Oswego School District, DEI task Force Lake Oswego

I am running for the Lake Oswego City Council to bring forward a vision of a safer, more inclusive, and prosperous community.

Safety:Our city's safety is paramount. I will advocate for enhanced community policing strategies, ensuring our law enforcement has the resources and training necessary to protect us all while building trust within our community.

Housing for All:Everyone deserves a place to call home. I am committed to expanding affordable housing options, ensuring that our seniors, young families, and workforce have access to safe and affordable living spaces.

Climate Change:The urgency of acting on climate change cannot be overstated. I will champion initiatives to reduce our carbon footprint, enhance green spaces, and invest in sustainable infrastructure. Together, we can make Lake Oswego a model city for environmental stewardship.

Education:Quality education is the cornerstone of a thriving community. I will work closely with our schools to support educational programs that prepare our children for the future while advocating for policies that provide equitable resources for all students.

Economic Development:Our local economy must be vibrant and resilient. I will support small businesses, attract sustainable industries, and ensure our economic development plans create job opportunities and promote a diverse economic base. Join me in creating a future where Lake Oswego is a community for everyone—a city that is safe, inclusive, sustainable, educated, and thriving. Together, we can make our vision a reality.

City of Lake Oswego Councilor

Aaron Rapf

Occupation: Marketing Executive

Occupational Background: Budgeting, Marketing, Strategic Planning

Educational Background: BA, International Studies, Willamette University; MBA, Brand Marketing and Statistical Analysis, Willamette University

Prior Governmental Experience: City Councilor, Lake Oswego

2021-2024, Lake Oswego Budget Committee

Aaron Rapf for Lake Oswego City Council

As your city councilor since 2021, I've worked tirelessly to make Lake Oswego an even better place to live, work, and raise a family. With your support, I'll continue to build on our successes and address new challenges.

Fiscal Responsibility & Smart Growth

- Leveraged my Budget Committee experience to ensure prudent financial management
- Stayed on budget while investing in critical infrastructure and community assets
- Saved millions by advocating for a new wastewater treatment plant partner

Community Safety & Quality of Life

- Supported hiring four additional police officers to keep our neighborhoods safe
- Championed the new Lake Oswego Recreation & Aquatics Center
- Fought to preserve Oswego Lake's safety and ecological integrity

Economic Development & Infrastructure

- Helped revitalize the Lake Grove district through the Boones Ferry Road Project
- Developed creative financing solutions for the North Anchor development
- Opposed tolling on 1-205 to protect commuters and local businesses

Collaboration & Sustainability

- Implemented a comprehensive climate action plan with community input
- Worked across political lines to guide Lake Oswego through the COVID-19 pandemic
- Partnered with schools to expand parks and sports facilities

Proven Results

- 97% of residents rate Lake Oswego as an excellent or good place to live
- 93% feel it's an excellent or good place to raise children
- Community satisfaction has increased in 53 of 90 areas since 2021

I'm proud of what we've accomplished together, but there's more work to do. I'll continue to be a strong, independent voice for fiscal responsibility, smart growth, and preserving the character of Lake Oswego. I'd be honored to earn your vote once again.

City of Milwaukie Councilor, Position 1

Adam Khosroabadi

Occupation: Milwaukie City Councilor, Veterans Mental Health Care Liaison

Occupational Background: PSU Football Coach, Business Owner, Combat Veteran

Educational Background: Portland State University, Applied Health & Fitness, Bachelors Degree

Prior Governmental Experience:

Chair, Clackamas County Community Action Board; Chair, Veterans Advisory Council; Planning Commissioner; Public Safety Advisory Committee

SERVING MILWAUKIE

As Councilor, we've accomplished so much together with investments in transportation infrastructure, increased affordable housing, redevelopment of our parks, Neighborhood Hubs, and funding climate action and equity as part of our city's functions.

Yet there's still work to do. My commitment to progress is unwavering but must be paired with affordability and sustainable growth. I'll continue to drive economic development that benefits everyone, ensuring prosperity is a reality in every household. I'll work to implement smart policies that generate revenue without placing undue burdens on our residents. Responsible leadership means making decisions that prioritize long-term stability over short-term gains. Together, we can build a future where progress is inclusive, economic development is equitable, and every dollar is spent wisely.

"MOVING MILWAUKIE FORWARD, TOGETHER"

PRIORITIES

- Continue our investments in community development ensuring a safe, welcoming, sustainable city where families can thrive
- Create homeownership opportunities through down-payment assistance programs, Community Land Trusts, Land Banking, and innovative development
- Expand our parks system by focusing on funding and completing Milwaukie Bay Park
- Encourage economic growth by strongly supporting local businesses, Neighborhood Hubs, and job creation opportunities with grants and increased access to resources
- Reduce cost of living in Milwaukie by creating incentives to save on utility bills, such as rebate programs for tree plantings and water conservation
- Increase investments in transportation safety by means of Greenway projects and SAFE routes to school

ENDORSEMENTS

City of Milwaukie Councilor, Position 1

Camden McKone

Occupation: Software Engineer

Occupational Background: Healthcare Software Engineer

Educational Background: University of Portland, Computer Science BS

Prior Governmental Experience: Lewelling Neighborhood Chair, Public Safety Advisory Committee, Transportation System Plan Committee, Tree Board

Your Democratic Candidate for City Council

"Camden bridges visionary ideas with real community input, crafting solutions that truly reflect our neighborhood's needs and aspirations." - **Rebecca Stavenjord, Milwaukie City Councilor**

Build Affordable Housing: We must honor what we love about Milwaukie while also addressing soaring housing costs. As your City Councilor, I will incentivize affordable housing development to make Milwaukie affordable for all our families. With growth comes opportunity, I will continue working with all neighborhoods to support more vibrant, walkable local stores in all parts of the city.

Keep Milwaukie Safe: As a member of the Public Safety Advisory Committee I have advocated for improvements to make our streets safer. I have led successful efforts to make our streets safer for kids and will work to increase bicycle and pedestrian infrastructure in Milwaukie immediately, rather than over 20+ years.

Ensure Effective City Government: Our community deserves a city government that is transparent and responsive to our concerns. That means empowering all of our community to be involved in the city's work. I'm proud to have earned the support of our city's staff union and will continue to advocate for working people and fair wages.

Fight for Equity: As a queer, mixed-race Mexican-American, equity isn't just a policy lens, it's my lived experience. The city's equity work is in its infancy-more must be done to meaningfully engage with diverse residents.

City of Milwaukie Councilor, Position 3

Teresa A Bresaw

Occupation: Retired; Land Use Member of Lake Road Neighborhood District

Occupational Background: JC Penney Credit; GE Card Services; Portland Water Bureau 17 years

Educational Background: Portland Community College, Education/English, none; Southern Oregon State, Education/English, none

Prior Governmental Experience: 8 yrs on Planning Commission for Milwaukie; Lake Road NDA Chair, Co-Chair, Secretary, Land Use member

I have seen many changes in Milwaukie in my 32 years here: people living downtown, new stores, restaurants and coffee shops. It is a small city and one can make a difference here.

Just as some citizens of Milwaukie have a hard time with their budgets, the city is having the same difficulty. Competing interests including mandates by the state and other entities, along with increasing costs to do business, means that careful attention is needed.

The basic services and paying fair labor to the workers cannot be neglected in the quest to keep improving Milwaukie and adding amenities. The budget has to balance!

Housing needs are bringing greater density to our city and the implications for change need to be carefully considered to balance out the conflicting needs of both new and existing residents.

The city must work with the county, commissioners and park district to improve Milwaukie Bay Park and maintain the existing and new parks.

Required skills for a councilor include listening to the local residents, thinking independently, being open minded and asking questions when representing the voice of the community. The perspectives and desires of the community should be considered alongside expert employees of the city.

I did learn much while on the Planning Commission and working with the Lake Road Neighborhood Association District.

If elected I will work hard to keep city government responsive to the needs of Milwaukie residents.

(This information furnished by Teresa A Bresaw)

City of Milwaukie Councilor, Position 3

Will Anderson

Occupation: Policy Advocate

Occupational Background: Chief of Staff, Oregon Legislature

Educational Background: Stanford University, Political Science, BA

Prior Governmental Experience: Milwaukie City Councilor; Oregon Safe Routes to School Committee Member

Re-Elect Will Anderson: Your Champion for a Better Milwaukie

"Will is the type of bold leader Milwaukie needs. On Council, Will has been an advocate for our local parks, meaningful climate action, and equity for all."

-Mark Gamba, State Representative, Milwaukie

Affordable Housing. Historically, Milwaukie has been an affordable, working-class community. Yet many people can't afford to live in Milwaukie today. Our city must incentivize thoughtful development of affordable, mixed-use housing in neighborhood hubs otherwise rising costs will push out working families.

Safe Roads, Safe Communities. Residents of Milwaukie deserve to feel safe on our streets. I support investing in more sidewalks and bike transportation options throughout the city and advocate for safety standards that improve the quality of our roads.

Support Small Businesses. We should make it as easy as possible to do business in Milwaukie. As your councilor, I will continue to support small businesses, both existing and new, by advocating to bring shops to all neighborhoods, ensuring our permitting process is streamlined, and advancing grants to support storefront improvements.

Fiscal Responsibility. We must restructure our tax base to ensure working-class families can afford to live in our city. Without responsible budget action, our city won't be able to pay for basic services like road maintenance and local police.

City of Molalla Mayor

Scott Keyser

Occupation: Dump Truck Driver
DBEC Construction

Occupational Background:
Founder Molalla Cares
2020-Current

Educational Background:
Hillsboro High School, General,
Diploma

Prior Governmental Experience:
Mayor of Molalla 2021-2024

Since being elected in 2021, Molalla has made significant strides in infrastructure. I'm asking for your vote to continue this progress and ensure these projects reach completion. Over the past four years, I've redefined the role of mayor, securing a \$5 million grant for the sewer project, eliminating DEQ fines for the sewage treatment plant, and maintaining strong relationships with county and state officials. I've also ensured our police force remains fully funded and led our city through the end of COVID with minimal impact. Additionally, I served as a community leader during the 2020 wildfires. These achievements were made possible with the support of the city council.

Mayor**

Amy Williams

Occupation: Homemaker

Occupational Background: Service Admin, Adult Protective Services Worker, Case Manager, Medical Assistant and small business owner

Educational Background: Oregon State University, Human Development, Psych, BA; Chemeketa Community College, Certified Medical Assistant

Prior Governmental Experience: None

Molalla is on the verge of significant growth, and our town urgently needs the support of both city officials and community members. With our population set to rise, we must implement sustainable solutions that will enhance employment opportunities for our residents. Sustainable growth is not just an option; it is essential for attracting and improving business in our city.

As a small business owner for the past 10 years, I have successfully navigated growth while maintaining a manageable budget. My goal is to ensure that our city's budget remains reasonable and sustainable as we move forward.

Community involvement is crucial. By partnering with our residents, we can collectively build a better Molalla for today and the future.

You may wonder why you should vote for someone you've never met. I am committed to supporting local businesses, creating a town where families can thrive, and building a downtown that we can all be proud of. My family and I frequently visit Molalla's businesses, and I am passionate about making our town a better place for everyone.

I am not a politician; I am a fellow resident who wants to see Molalla flourish. Together, we can make that happen.

Special Project Officer with the rank of 2nd Lieutenant, California Military Department; Director of Public Safety, Regional Manager, Project Manager

Educational Background: Santa Barbara Business College, Business Administration, Associated Degree; California Military Dept., Leadership, Certificate

Prior Governmental Experience: California Military Department; Elected Clackamas County Precinct Committee Person; Elected Marion County Precinct Committee Person

My name is Martin Bartholomew. I have a long record of leadership with two trophies and a challenge coin for management. I consider Molalla my home. I look out my window and see a clean, functional city. People can safely ride their bikes and go about their daily business. But I fear what has happened in other communities across Oregon. Through mismanagement, I've witnessed communities made to be unsafe and riddled with filth. I want to preserve what we all enjoy about Molalla and implement plans to make our city even better.

I am an individual that places great importance on emergency preparedness. I was living in Sublimity Oregon when we experienced statewide wildfires. Destroying our forests and farmlands. I experienced evacuations and became aware of active looting. I chose to stay behind and safeguard my neighborhood. Much to the gratitude of my neighbors upon their return. I do not want Molalla to be vulnerable like this during an emergency. That is why, once elected to the city council. I want to implement our own emergency apparatuses and not just have Molalla rely on some cookie cutter emergency plan that was developed by state legislators. I want a plan tailored to the needs of our city. Wouldn't it be great, not only to have a clean and safe city, but to live in a city that is actually prepared for a disaster?

My fellow citizens of Molalla. I would be honored to serve you as your next City Councilman.

City of Molalla Councillor

Doug Gilmer

Occupation: Resource Manager, Pence Companies

Occupational Background: US Western Region International Sales Manager, Systyne Technologies (2018-2019); General Manager, Wilsonville Concrete Products (1987-2018); Molalla Reserve Police Officer

Educational Background: Technology Computer Career Institute, Certificate; Clackamas

Community College, Business; Molalla High School, Diploma

Prior Governmental Experience: Two-term elected Clackamas County Republican PCP

I'm not just a candidate, I'm a neighbor who cares about the future of our small town. I'm a lifelong resident of the Molalla area and have been a taxpaying homeowner within city limits for over 30 years. I grew up on a small farm in Yoder, attended Rural Dell, and Molalla High. My wife and all five children also were raised and attended schools in Molalla. My entire life has been spent in this community.

With a career spanning almost 40 years in the Concrete/Construction industry, starting at the lowest level and attaining the highest position of General Manager, I have developed strong skills in leadership, budgeting, planning, audits, and contracts. I have overseen five multi-million dollar companies, testified before the Oregon legislature and sat on the board of OCAPA (Oregon Concrete Aggregate Products Association). I've worked with the EPA, Army Corp of Engineers, Port of Portland, Reclamation Act, and state and federal agencies. I know how infrastructure is built.

My professional background, life experience, and years spent in Molalla enable me to bring depth and integrity to the table, from which the city can benefit I'm committed to ensuring that changes are achieved through quality planning, producing quality outcomes. I will be a fiscally responsible representative for your tax dollars.

It's important to me that you are heard and have a say in all that concerns you. I'm dedicated to preserving our city's future, and would be honored to receive your vote of confidence on November 5th

I grew up right here in small town America, and I want your children and your children's children to do the same.

(This information furnished by Doug Gilmer)

City of Molalla Councillor

Darci Lightner

Occupation: I have been a dedicated school bus driver and now dispatcher for 26 years.

Occupational Background: None

Educational Background: Gladstone High School, High School, General

Prior Governmental Experience: I have served on the Molalla Budget Committee and the Molalla Planning Commission

I have lived in Molalla since 2019, my husband and I have 7 children and 5 grandchildren together and most live in the city of Molalla.

I have been a school bus driver and now currently a dispatcher and a Behind the Wheel Trainer for Oregon Department of Education for the last 26 years, I feel this has made me a better team player and problem solver which benefits my role as City Councillor. I embody honesty and integrity in all aspects of my life. I truly believe staying on budget and being fiscally minded saving the taxpayers money is first and foremost what I uphold as a value in being on city council.

I hope you will vote for me as your next Molalla City Councillor for the next 4 years and my wish is that I inspire everyone to get involved and step out of your comfort zone by volunteering for events held by the different departments in the city, attending City Council meetings and possibly even applying to be on the Budget Committee or Planning Commission.

City of Oregon City Commissioner

Scott Wilson

Occupation: Behavioral Health Manager, Clinical Social Worker

Occupational Background: Nonprofit Program Management, Youth & Family Therapy

Educational Background: Indiana University, Social Work, MSW; Western Governors University, Business Administration, MBA

Prior Governmental Experience:
Board Member - Oregon Board of Licensed Social Workers

I live, work, and raise my children in Oregon City. As a social worker and mental healthcare provider, I have spent my career working with people who feel underrepresented and unheard, seeing firsthand the challenges we need to address as a community. We must find sustainable solutions to support all residents of Oregon City. As your city commissioner, I vow to:

Find working solutions for the houseless: We cannot simply criminalize homelessness away. Oregon City needs to work with our surrounding communities and with Clackamas County to find durable solutions. Oregon City's current response to this crisis is inadequate and we must do something different.

Support Infrastructure and Development: Housing costs in Oregon City are unsustainable. When people are spending upwards of 50 percent of their income on housing, we must find solutions to help families afford to live and work here. More housing = lower housing cost.

Push back against PGE: Oregon City residents are being held hostage to unacceptable utility costs. PGE raised rates by 17.2 percent in 2024 and are proposing another increase in 2025. This sharp spike in the cost of electricity has caused some of my neighbors to have their power shut off just for trying to heat their homes. Utilities are a basic need and must be affordable.

Support Small Businesses: It shouldn't be a luxury for people to live and work in the same community. As Oregon City grows, we must support the local businesses and jobs that help our community thrive.

Endorsements:

Democratic Party of Clackamas County

(This information furnished by Scott Wilson)

City of Oregon City Commissioner

Rae Gordon

Occupation: Small business owner, musician

Occupational Background: Marketing

Educational Background: L.A. City College, Media

Prior Governmental Experience: Clackamas County Tourism & Disaster Management Employee; City of West Linn Main Street Program contractor; Budget, OC2040, Urban Renewal, Citizen Involvement, Metro Grant, Police/Fire Chiefs Advisory Committees

Your VOICE for Oregon City

I am your neighbor, friend and advocate.

I have been an active community leader on city and county committees. I have served Oregon City for almost 20 years. I was chair of Hillendale and McLoughlin Neighborhoods and member of the Citizen Involvement Committee. It was my honor to also be president of the Oregon City Lions Club serving the most vulnerable friends and neighbors among us. I have also stepped up to coordinate benefits for our neighbors in need and show up when our community calls.

I step up ... I show up.

"I whole heartedly support Rae Gordon in her candidacy for Oregon City City Commission. Rae has the vision, compassion and skill set to work for the betterment of the City and its residents .." - **William Becker, M.P.A.**

I represent all voices and not just the loudest among us. It is important now more than ever that we have transparency and inclusion from our local leaders. Early community involvement needs to be a priority as we face these challenges and opportunities.

- Homelessness and new resource center
- Continued threat of tolling
- Affordable housing inventory
- Mental health
- Tourism
- Discontent with city services and relations

I will advocate for your voice to be heard when important decisions are being discussed, **NOT** after they have been decided.

I am a fresh face and voice for city commission. I am creative, experienced, resourceful, and am passionate about our community and bringing people together.

I would be honored to have your vote!

Endorsements:

City of Oregon City Commissioner

Mike Mitchell

Occupation: Oregon City Commissioner

Occupational Background: Business Management

Educational Background: Linfield University, Business and Economics, BA

Prior Governmental Experience: Oregon City Planning Commission; Urban Renewal Commission; Budget Committee; Citizen

Involvement Committee; Parks and Recreation Advisory Committee; Transportation Advisory Committee

Volunteer Experience: Board Member, Downtown Oregon City Association; Founding Board Member, Oregon City Parks Foundation

“Leadership we can trust. Results we can see.”

It has been an honor to serve as your City Commissioner for the past two years, and in that time, I have worked hard to earn your trust, listened to your concerns about our community, and collaborated with my fellow Commissioners to move our city forward. With 40 years of experience in business, I am running to continue bringing **practical, common-sense solutions** to the issues we care about most:

- **Properly fund the basics:** public safety, roads, sidewalks, water infrastructure, parks, and the library.
- Partner with regional governments and nonprofits to **reduce homelessness and its impacts on our community.**
- **Pursue innovative solutions for housing affordability** and availability while respecting our small-town feel.
- **Fight back against tolls** and insist on an independent audit of ODOT.
- **Begin public processes** to establish sustainable funding for our parks system and determine the future of the old county courthouse and our aging city pool.

Many of the biggest threats to our community's livability are region-wide issues that demand regional solutions. **I'll use my relationships with regional officials to ensure that Oregon City residents always have a voice in these critical discussions and see that our interests are protected.**

City of Oregon City Commissioner

Betty Mumm

Occupation: Retired

Occupational Background: Health Care: administration 25+ years; Small business owner for 9 years

Educational Background: Clackamas Community Colleg, General Studies, AA; Oregon City High School, Diploma

Prior Governmental Experience: Oregon City Commissioner, Urban

Renewal Commissioner, South Fork Water Board Member, Chamber of Commerce Board Chair. Citizen Involvement Committee, Transportation Advisory Committee, OC School District budget member, Clackamas County Coordinating Council, OC Lions (founding member), Court Appointed Special Advocate (CASA), OC School PTA President

Committed to Serving Our City

Community Involvement

As a 45+ year Oregon City resident, I believe in giving back to the community. I will work hard to maintain open paths of communication, listening to and really hearing the concerns of Oregon City citizens, property owners, and businesses. I can bring opposing ideas and opinions to the table with respect and diplomacy.

Accomplishments:

- Upgraded the library splash pad
- Moved the Amtrak Station to the current location
- Worked with other government organizations to create the roundabout at the 1-205/Hwy 213 interchange
- Co-chaired the 2014 Water Rate Rollback campaign saving the city money
- Approved the design for the addition to our library
- Worked with South Fork Water and CRW to avoid a lawsuit

Financials:

My approach to budgeting is the economical spending of our tax dollars to ensure public safety and our well-maintained physical assets such as our parks, streets, sewers, and library. I will fight against any tax rate increase.

Focus:

I will focus on what is best for our community. For example, the Center Street Public Works property needs to be sold and put back on the tax roll. Also, we need more hotels.

I will continue the work for NO tolling.

Growth:

Growth is inevitable. With our current legislation focusing on houselessness and pushing mandates on the city I will use my proven ability to collaborate with other government agencies and will look for opportunities that benefit our city.

It would be an honor to serve you again

Please vote for

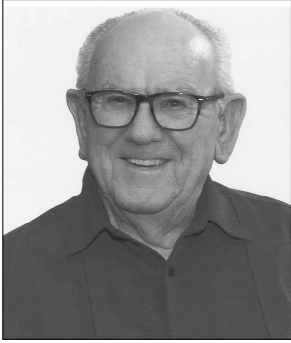

BETTY MUMM

City of Oregon City Commissioner

Bob La Salle

Occupation: Retired

Occupational Background: 49 years HVAC business, 24 years Army National Guard.

Educational Background: Wilson High School, many professional studies.

Prior Governmental Experience: US Army Commissioned Officer, Chair Park Place Neighborhood Association, Chair Transportation

Advisory Committee, Chair Citizens Involvement Committee, Transportation System Plan Update Committee, Sign Code Update Committee, South End Concept Plan Committee, Comprehensive Plan Committee, **Currently** on Oregon City Planning Commission.

I'm approachable and have the courage to address the issues the citizens want addressed. I'll make sure all the citizens are truly listened to. I'm committed to the citizens and they can confidently put their trust in me.

I've devoted hours scrutinizing the City budget. I'll see that the budget committee is given time to analyze the budget before approval. Prudent spending benefits both individuals and businesses.

I'll address problems we've inherited from the past and solve future issues as they arise. A good example is the sad state of affairs of our parks. They are currently many millions of dollars behind on deferred maintenance. Parks reflect the value a City has for itself.

I'll see that Urban Renewal spending is used as intended, to reduce blight and increase the taxable value of the property for which it is used. It's not meant to pay for normal maintenance items. It's not meant to pay for projects on non-taxable properties. Waste of urban renewal dollars must stop.

I want more economic development for Oregon City. We need more quality, family wage jobs with benefits. Property is available to welcome new businesses. The City needs common sense ordinances to make Oregon City business friendly.

Bob says: "You are a citizen of Oregon City.
You are a citizen of Clackamas County.
You are a citizen of the State of Oregon.
You are a citizen of the United States.
Thus you are the most important person in the world!"

Please vote for Bob La Salle for Oregon City Commission.
Common sense. Uncommon integrity.

(This information furnished by Bob La Salle)

Facts to Know about Voting and Elections

Who can register to vote in Oregon?

- You must be a United States citizen,
- A resident of Oregon,
- And at least 16 years old. You will get your first ballot in the mail once you are at least 18 years old.

You must register to vote at least 21 days before Election Day.

How can I register to vote?

- Online at OregonVotes.gov/register or
- On a paper Oregon Voter Registration Card that can be picked up at an elections office, DMV, public library, or post office.

How does vote by mail work?

All elections in Oregon are conducted by the county elections office. The elections office mails ballots directly to voters. Voters complete their ballots, and then return them to the county elections office in the mail or by putting them into an Official Ballot Drop Box.

Vote by mail in a few simple steps:

1. Register to Vote
2. Receive a Voter Notification Card
3. Receive a Voters' Pamphlet
4. Receive Your Ballot
5. Vote Your Ballot
6. Return Your Ballot

How do I vote my ballot?

Vote for One

Candidate 1

Candidate 2

OR Write-in on line above

Find the candidate or measure response (YES or NO) of your choice. Completely darken the oval to the left of your choice with blue or black ink. Do not use felt tip markers.

Write-in Votes

Vote for One

Candidate 1

Candidate 2

Candidate 3
OR Write-in on line above

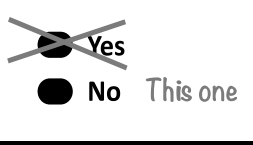

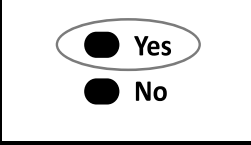

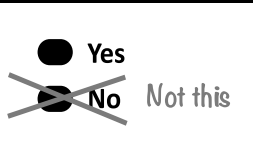

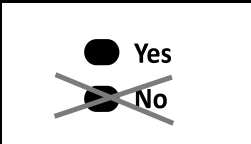

To vote for a write-in candidate who does not appear on the ballot, completely darken the oval to the left of the line provided for the office and write the full name of the candidate on that line.

- Make sure you have correctly marked your choice for each contest.
- Your official ballot may have contests printed on both sides.
- Place the ballot in the return identification envelope.
- Read the Voter's Statement on the return envelope and sign in the signature box.
- **Your ballot cannot be counted if you do not sign the return envelope.**
- Every signature is checked against the registration signature on file. The signatures must match for the ballot to be counted.

If you vote for more candidates than allowed for an office or if you vote **both Yes and No** on a measure, it is called an overvote and your vote **will not count** for that contest.

If you make a mistake or change your mind while marking your ballot, you may correct it yourself. See example below.

- **Make your choice obvious** so that your intent is understood and your vote is counted correctly.

 <p>Yes ● No This one</p>	 <p>● Yes ● No</p>
 <p>● Yes No Not this</p>	 <p>Yes No</p>

- If you are unable to correct your ballot, you may request a replacement ballot from the elections office.

Facts to Know about Ranked Choice Voting (RCV)

How do I vote my ranked choice ballot?

Fill in no more than **one oval per column** and no more than **one oval per row**.

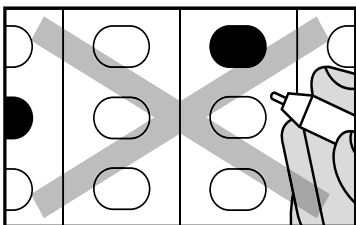

- Fill in one oval in the Rank 1 column for the candidate you like the most.
- If you have a candidate that you like second best, fill in one oval in the Rank 2 column for that candidate, and so on.
- To write in a candidate, write the candidate's name on the line provided and fill in the oval for the rank of your choice.
- You are allowed to rank up to six candidates, but you can rank only one candidate if you prefer. Ranking other candidates does not harm your Rank 1 choice.

Whether you are voting in a contest for a single winner (such as Mayor of Portland) or multiple winners (such as for Portland City Councilors), the ballot layout and steps to vote will be the same.

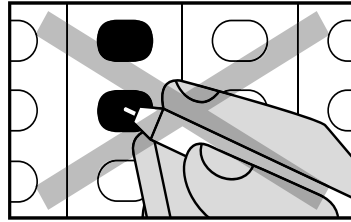

Common Mistakes

Skipped Rankings

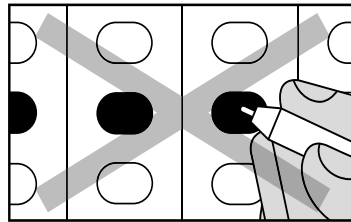

When filling out your ballot, if you skip over a rank column, your next highest ranking will be elevated to take its place in the counting process.

Overvotes

If you choose multiple candidates in the same rank—for example, if you rank two candidates as your first choice—that is called an overvote. Your overvoted ranking will not be counted and your next highest ranking will be automatically elevated to take the place of the overvote.

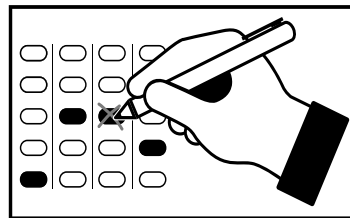

Repeat Rankings

If you rank a single candidate multiple times, only the highest ranking is accepted and each lower ranking for the same candidate is ignored as if you had skipped that ranking.

If you make a mistake or change your mind while marking your ballot, you may correct it yourself.

- Make your choice obvious so that your intent is understood and your vote is counted correctly.
- See the example below for how to correct your ballot if you fill in more than one oval in a column or a row.

- If you are unable to correct your ballot, you can request a replacement ballot from the elections office.

City of Portland Mayor

Keith Wilson

Occupation: CEO/President, TITAN Freight Systems and Founder, Shelter Portland

Occupational Background: Business, Nonprofit, Advocacy

Educational Background: University of Portland (MBA), Oregon State University (BS), Portland Community College, Roosevelt High School

Prior Governmental Experience:

Oregon DEQ Climate Protection Rulemaking Committee, Clean Truck Rules Committee, Founder, Multnomah County Homeless Court Program

Fellow Portlanders,

Our city is crying out for real change. We see the pain of our unsheltered neighbors, empty storefronts and lost jobs, crumbling roads, and the wasteful mismanagement of critical services.

Enough is enough. The failed city leaders who got us into this mess can't be trusted to get us out.

Within one year, I'll end unsheltered homelessness and set city hall on a path to:

- Restore public safety
- Bring back good jobs and small businesses
- Revitalize our neighborhoods

You've heard promises before. I have the experience and a plan to make revitalizing our city a reality.

In addition to running a successful freight business, I am the founder of Shelter Portland (www.ShelterPortland.org), an innovative nonprofit dedicated to ending unsheltered homelessness. I have assembled a team of proven leaders with a winning blueprint to compassionately end unsheltered homelessness in Portland without further burdening taxpayers. We've seen real results but have so much more work to do.

Reforming our approach to unsheltered homelessness and our local economy is a big challenge, but it isn't my first. My transformational leadership took a local trucking business, eliminated all fossil fuel usage in Portland, and built an unmatched safety culture while growing the company six times over.

I was born and raised in North Portland and I'm not afraid of hard work. I'm rolling up my sleeves, and I humbly ask for your vote. Let's forge Portland's future together by once more becoming The City That Works.

City of Portland Mayor

Liv "Viva" Østhus

Occupation: : Artist

Occupational Background: Author; Musician; Founder, Factory Girl Press; Stripper; Actress; Bartender

Educational Background: Williams College, Anthropology, BA

Prior Governmental Experience: None

I am an artist, mom, and longtime Portlander. My vision for Portland is to uplift and strengthen our environment, families, small businesses, and the arts, as I believe these are the bedrock of our city.

The role of Portland's mayor is very different starting in 2025. No longer a legislator or a head of any bureaus, the new mayor must be a champion for the city who reflects the very best of Portland to Portlanders and to the world.

As your mayor, I will fight to:

- Ensure our rivers, watershed, trees, and fertile valley are protected - for generations. Without Mother Nature, we are all homeless.
- Ensure all Portlanders have safe, affordable housing. Housing is a human right!
- Coordinate our resources and our funding so that each human being is treated like a human being, and not like a pinball in some demonic machine.
- Center the arts and small businesses in civic dialogue. These incredible economic engines are neglected by our leaders.
- Implement BETTER public safety solutions, expanding Portland Street Response, and incentivizing the hiring and retention of public safety officers who are Portlanders themselves.

I will be a mayor who listens, connects, and inspires, and who works tirelessly for EVERY Portlander.

It's time for a mayor who is an artist. Who fights, not just for law and order, but for beauty and truth. Who uses all of her powers to talk to people across great divides to do the most important work of our time: healing our communities.

"Østhus has the compassion and grit we need to deal with tough issues... She'll use her experience as an artist... to bring the Portlanders often forgotten into the process of rebuilding the city." - *Jim Dixon, The Oregonian, 04/12/24*

City of Portland Mayor

Rene Gonzalez

Occupation: Portland City Commissioner

Occupational Background: Fonner Attorney and Small Business Owner; Founded United POX, a youth soccer club in Portland

Educational Background: Willamette University, BA; Willamette University College of Law, JD

Prior Governmental Experience: Portland City Commissioner (2022-Present)

A NEW DIRECTION FOR PORTLAND

Rene Gonzalez is a Democratic City Commissioner and caring parent who will work to make our city safer, more livable, inclusive, and economically vibrant. Rene loves Portland, but knows we are facing a crisis of failed leadership, and what's happening on our streets is unacceptable. As Mayor, Rene will confront our toughest challenges with integrity and compassion.

A Champion for Public Safety.

Rene has been a champion for public safety, leading the fight for additional ambulances and reducing 911 response times. He is working to create an environment where law enforcement is visible, effective, and accountable.

Reduce Homelessness.

Rene prioritized keeping our public spaces clear and accessible for everyone. He fought to end the distribution of tents and drug kits, supporting temporary alternative shelter sites when it wasn't popular. As Mayor, Rene will continue fighting to help people transition from streets to shelters and services.

Stop Public Drug Use.

Rene led the effort to ban outdoor hard drug use in Portland and successfully pushed the state legislature to reform Measure 110, gaining unanimous support from his City Council colleagues. As Mayor, Rene will steer away from failed policies that enable destructive behavior and perpetuate the humanitarian crisis on our streets.

We humbly ask for your support to move Portland in a new direction. For more details, please visit www.reneforportland.com

City of Portland Mayor

Sharon Nasset

Occupation: Service Worker; Third Bridge Now.org

Occupational Background: Restaurant Manager; Specialty Events Director; Real Estate Broker; Foster Care, Elder Care; Citizen Lobbying

Educational Background: All Saints; Holy Cross; St. Mary's Academy; PCC; Oregon School Real Estate

Prior Governmental Experience: I-5 Partnership Community Forum Leader representing North Portland Business Association; Chair Clark County No-Toll West Bridge Advisory Vote

Elect Sharon Nasset

Portland's Mayor

Portland Needs A Leader With Vision

Safety

Reduce tensions with police by having regular events for people to interact with the police at open house style events with classes, conversations, games, questions, and answers

Reduce crime by prosecuting repeat offenders.

Hire Police Officers who live in Portland.

Reduce trash by returning trash cans on busy street, bus stops, and in parks. Increase public restrooms.

Housing

Create a register to match up people with housing opportunities.

City should promote rooming and boarding houses with information and events to educate people on how to set-up rooming and boarding houses.

Use housing funds to upgrade properties by adding living space without changing neighborhood character.

Upgrading current houses keeps rent money local, and strengthens our economy.

No Tolls in Portland on I-5, I-205, or I-84

IT'S BIG DEAL I oppose road tolls because they will cost hundreds of \$\$ just to get to work or around town. They will flood YOUR neighborhood with toll avoiders. Portlanders shouldn't have to pay \$100's on Tolls to use our freeways.

Economy

Focus on employment that has upward mobility creating an economy that thrives.

Transportation

Build a third bridge between Portland and Vancouver to decrease congestion while strengthening the economy and protecting our environment. There are twelve bridges over the Willamette River and we need more than two over the Columbia.

Have citywide surveys on recent street design changes and citizens opinions on future changes

I absolutely oppose the repeal of that part of the city charter (Sect. 1-108) that forbids the city from IMPOSING requirements without citizen approval

Electric Vehicles

Hold twice monthly raffles of electric vehicles.

(This information furnished by Committee to Elect Sharon Nasset)

City of Portland Mayor

Mingus Mapps

Occupation: Portland City Council Member

Occupational Background: Public Servant; Political Science Professor

Educational Background: Ph.D., Government, Cornell University; B.A., Reed College

Prior Governmental Experience: City Commissioner, Portland, Oregon; Supervisor, Crime

Prevention Program, City of Portland; Program Coordinator, Neighborhood Association System, City of Portland

Why I Am Running for Mayor

I'm running for mayor because I believe in a Portland where every family feels **safe, secure, and supported**. As a **father** raising two teenage boys, I understand the challenges Portland families face. And as an **African American** and **Democrat**, I'm committed to **bridging divides** and building a **better future** for all Portlanders.

Since 2021, I've served on Portland's City Council where I've led 911 services, the Bureau of Environmental Services, the Water Bureau, and the Bureau of Transportation. My time in office has shown me what's possible when we focus on **common-sense solutions**. As your next mayor, I will work to ensure our neighborhoods are **safer**, our **small businesses** thrive, and our streets are **clean** and **welcoming** for everyone.

Accomplishments on City Council:

- Led efforts to **reduce violent crime** and car thefts
- Reduced 911 call wait times
- Managed 95% of City assets, 50% of budget, and a third of City employees
- Championed safer bike lanes, improved public transportation, and solutions to ease traffic congestion
- Created new opportunities for women and minority-owned businesses to bid on city contracts
- Transformed City Hall's culture from conflict to critical, evidence-based discussion

Goals as Mayor:

- Reduce crime
- End street camping
- Clean up litter and graffiti
- Support small businesses and drive economic recovery
- Reduce pollution and help Portlanders adapt to climate change

Endorsements:

- Avel Gordly, Former State Senator
- Margaret Carter, Former State Senator
- Gary Hollands, Former Chair, Portland Public School Board
- Kevin Modica, Assistant Chief, Portland Police, retired
- PROTEC17, a union representing professional and technical employees of the City of Portland
- Robert McCullough, Economist and Community Leader

City of Portland Mayor

Josh Leake

Occupation: Finance Executive; Portland Film Festival Executive Director & Founder; Youth Program Director; Film Producer; Business Owner

Occupational Background: Housing Development Specialist; Community Organizer; Media Producer; Public Advocacy Coordinator.

Educational Background: PSU; Fannie Mae; AKA Thailand;

Portland Public Schools.

Prior Governmental Experience: City of Portland Intern (Mayors Vera Katz & Sam Adams); 600+ hours volunteering with first responders; Neighborhood Association Board Member.

JoshforPortland.com

vote@joshforportland.com - (971) 435-VOTE (8683)

- **Government Transition:** Create communication platforms for city council. Support new members. Accountability and equitable representation.
- **Public Safety:** Liveable community, emergency services, and community policing, informed by my volunteer work with first responders.
- **Rebrand Portland:** Improve our story, increase the city's capacity for future growth, and advocate for the Olympics.
- **Focus on Healthcare:** Pathways for healthcare. Bring back CHIERS and Detox Center—eliminate emergency room strains, and never let a baby die on our streets again.
- **Customer service, communication, and accessibility:** Improve city and inter-agency problem-solving. Reduce wait times.
- **Improve Employee Satisfaction:** Increase salaries and wages. Encourage innovation from within.
- **Reduce institutional waste:** Utilize economy-of-scale, eliminate redundancies, fraud, workforce discrimination, increase transparency. Weed out and pull out any hidden cash machines.
- **Housing Affordability:** Strategy for affordable housing and homeownership opportunities.
- **Economic Innovation:** Creative leadership experienced to attract businesses and modernize city services.
- **Financial Literacy:** Education, empowering Portlanders with tools for success.
- **Arts, Film, Music & Community:** More investments. Advocate lower Heritage requirements.

Vote Josh for Mayor - proven leadership for Portland's future.

City of Portland Mayor

Carmen Rubio

Occupation: Portland City Commissioner

Occupational Background: Executive Director, Latino Network

Educational Background: University of Oregon, BA

Prior Governmental Experience: Senior Policy Advisor, Commissioner Nick Fish; Director of Community Affairs, Portland Mayor and Police Chief Tom Potter

Carmen Rubio is Experienced, Effective & Accountable

“We need a Mayor with executive leadership experience and a proven record of accomplishment who has delivered positive change for Portlanders. That’s Carmen.”

- former Mayor and Police Chief Tom Potter

Portland needs a Mayor who can seize our opportunities while handling our challenges and taking responsibility for getting the outcomes we need.

You can trust what your next Mayor will do by what they have done.

FACT: Carmen’s record is unmatched:

- Secured millions to reduce gun violence, which has gone down 30%.
- Passed the city’s first-ever housing production strategy.
- Cleared the way for more temporary shelters.
- Established six new investment districts to help us reimagine downtown and East Portland, bringing more housing, better infrastructure, and opportunity for small businesses.
- Consolidated the city’s permitting bureaus into one team - something others tried to do for decades and failed.

That’s why you can be sure Carmen will:

- Improve safety by implementing a citywide Community Policing model.
- Implement a “fast pass” permitting system so we can build housing and grow local businesses faster.
- Expand temporary alternative shelter sites with services and Good Neighbor Agreements.
- Establish a Clean Industry HUB to create good-paying green jobs and accelerate local carbon reduction.

“Carmen has a track record of getting results.

We can count on her to deliver the change Portland urgently needs.”

-Governor Tina Kotek

City of Portland Auditor

Simone Rede

Occupation: Portland City Auditor

Occupational Background: Government Performance Auditor

Educational Background: Grant High School; Vassar College, BA; Carnegie Mellon, MS Public Policy & Management; Certified Internal Auditor

Prior Governmental Experience: State & Metro performance auditor; Oregon Department

of Corrections Audit Committee Member; U.S. Government Accountability Office Advisory Council Member

Community Service: Multnomah Education Service District counselor; SUN Community Schools program coordinator; AmeriCorps volunteer; Oregon Center for Public Policy board member

Portland deserves an auditor who sees the promise of our people and our city and will use the office to get best the possible outcomes for all of us.

As your accountability champion I have worked to:

- Strengthen oversight of the Joint Office of Homeless Services by conducting the first city audit of the shelter system.
- Reduce waste and harm to Portlanders; including reducing demands on firefighters so they are there when we need them most.
- Bring transparency and accountability to city spending and programs.

There is much more work to be done. You can count on me to uphold highest professional standards, remain independent, and apply my auditing authority and expertise to ensure fair opportunities and effective use of tax dollars.

EXPERIENCED PROFESSIONAL

“Now more than ever, Portland’s city government needs an experienced and professional auditor. Simone has exactly the right auditing experience for this position.” – **Gary Blackmer**, former State, County & City Auditor

WORKING FOR PORTLANDERS

“Simone’s leadership has improved the quality of services to Portlanders and made city government more just.”

City of Portland Councillor, District 1

Timur Ender

Occupation: Infrastructure Project Manager

Occupational Background: Policy development, Government finance, Local government administration

Educational Background: Criminology, North Carolina State University; Juris Doctor, Lewis & Clark Law School

Prior Governmental Experience:

Emergency Management policy advisor; Infrastructure Project Manager; Multnomah County Public Health Advisory Board; Multnomah County Charter Review Committee; David Douglas Dad's Club

Timur Ender: Over a decade of fighting for East Portland

As a parent of 3 kids, I am committed to a strong future for everyone who calls East Portland home. Over the past 6 years, I've managed millions of dollars of voter-approved infrastructure projects in East Portland and worked to expand East Portland's tree canopy, sidewalk network, and park access.

As the son of Turkish immigrants, I'm committed to supporting East Portland's diversity and ensuring all of our families can thrive.

I've personally knocked on thousands of doors, having direct conversations with community members and talking about your priorities, to enable me to represent and elevate our district on city council.

Housing & Homelessness

- Support programs that move people out of the street and into housing & shelter
- Pair housing with supportive services
- Invest in homeless outreach workers
- Build more affordable housing
- Prevent homelessness in the first place.

Community Safety

- Bolster comprehensive gun violence prevention initiatives
- Support programs aimed at breaking cycles of violence and promoting long-term safety solutions
- crime prevention through environmental design

Public Health

- Support safe routes to school
- Expand tree canopy and community gardens;
- Ensure access to healthy food, stable housing, clean air, and clean water.

City of Portland Councillor, District 1

Noah Ernst

Occupation: Superintendent at Radio Cab

Occupational Background: Attorney, Business Owner, Taxi Driver

Educational Background: University of Oregon: JD - Law; Central Washington University: BA - Art, Philosophy

Prior Governmental Experience: None

It is time for rational, outcome-focused leadership for Portland!

noahernst4portland.com

"Noah has demonstrated an ability to navigate hard conversations and bring a results-based focus and urgency to City Hall, prioritizing community safety needs with a commitment to ensuring everybody's voice is being heard." — 12 for PDX

I will listen to and advocate for you!

Public Safety

I will work to increase the number of police officers and address the crime, substance abuse, mental health issues, and violence that impacts so many. We must increase traffic enforcement, address gun violence, and reduce emergency response times.

Portland must be safe for everyone!

Homelessness

I will fight to end unsanctioned camping and create more sobering centers, temporary shelters, and approved camping sites. I will hold the city accountable for ensuring that the programs it funds actually end the homeless crisis in Portland. Hundreds of millions have been spent and there are more unhoused people than ever. **I will require that programs get results!**

Housing

I will work to reduce permitting time and complexity and remove barriers to new housing construction, especially the affordable housing Portland needs.

Transportation

Portland is one of the worst places to drive in the nation. We need elected officials who think this is a problem, not a goal. We must stop removing lanes of traffic and restore lanes that have been removed. Doing transportation planning, **I will listen** to the neighborhoods around major streets, the people who use them, and the businesses located on them, not special interests.

Small Business

We must restore Portland's reputation and attract new businesses and investment. To create economic vitality, **I will ensure Portland is a place where small businesses can thrive.**

Prior Governmental Experience: Chair, Citizen Review Committee; Governor's Central City Task Force; City of Portland Charter

Review Commission.

A New Generation of Leadership

As the daughter of Guatemalan immigrants and African Americans, I represent a generation that feels left behind and left out of the conversation. I lead a community-based organization that has delivered for East Portland. **I've built my career on principled, collaborative leadership, and I'm ready to be your voice in City Hall.**

Creating Safer Communities

When you have an emergency, you deserve to know that help is coming, quickly. **East Portlanders need the right responder, at the right time.** I'll prioritize hiring Portland Street Response workers to rapidly assist people who are homeless or having mental health crises.

Addressing Homelessness

Portland's housing and homelessness crisis is not limited to downtown, and we need solutions built by and for East Portland. **I'll keep people in their homes, increase shelter options, and get people housed quickly with supports to keep them stable.**

Supporting Small Businesses

I commit to supporting East Portland's small businesses, creating more apprenticeships for people to **learn trades, and generating living wages** with City investments. **Portlanders deserve economic mobility and good paying jobs.**

Accountable to East Portland

With our new form of government, East Portland has a chance to elect champions to make the City accountable. **As your champion in City Hall, I'll make sure East Portland gets the long overdue investment and services we deserve.**

"Avalos, the daughter of Black and Latino parents, has emerged as a prominent voice"

City of Portland Councilor, District 1

Joe Allen

Occupation: Woodworker

Occupational Background: Contractual tradework, manufacturing

Educational Background: Community college

Prior Governmental Experience: None

I am fully committed to the upcoming changes in our local government and would be honored to represent my fellow Portlanders in District 1. With district-based representation, we have a responsibility to ensure our community's needs are met. My background in manufacturing, planning, and implementation, including building shelters for Safe Rest villages, has given me firsthand insight into the homelessness crisis. I'm focused on creating real, lasting solutions to house people and get them off the streets—now.

Public safety is my top priority, including ending gun violence, theft, and open drug use. These issues are tearing at the fabric of our community, and we must tackle them head-on to restore safety and trust in our streets.

I'm also committed to **improving infrastructure**—paving dirt roads and enhancing traffic safety to meet the needs of District 1. Additionally, we must streamline the process for skilled trades to access work, especially in housing and public projects.

I believe District 1's growth should benefit **small businesses, not big conglomerates**. That's why I will champion policies supporting local entrepreneurs and explore taxing corporate-owned single-family homes to curb speculative investment that drives up housing costs.

Transparency is key. District 1 deserves to know exactly where our tax dollars are going. I will push for clear communication on city projects and the creation of a **district office** to bring city hall closer to our side of the city.

I love Portland and am passionate about making District 1 a safer, more affordable, and more connected community. It would be my honor to serve District 1 and ensure the changes we all need are realized.

Local Government

Prior Governmental Experience: Centennial School Board & Budget Committee; Oregon Health Authority Cultural Competence Committee; Oregon School Board Association Legislative Policy Committee; Multnomah Educational Service District Budget Committee.

Community Experience: Centennial Community Association President; Montavilla Neighborhood Association Chair; SEIU503 Union Steward; Centennial Neighborhood Emergency Team; East Portland Action Plan;

East Portland needs someone who will fight for our families at city hall, and no one shows up to do the hard work like David Linn. He was born and raised in East Portland and has shared in our struggles.

With 20 years volunteering for community groups, the livability of our neighborhoods and the health of our residents will always be his top priority.

We can do more to make housing affordable to everyone and finally see progress in getting people off the streets and connecting them with the services to stay off the streets.

He will fight for equal resources in East Portland by investing in our communities to make sure families can be safe walking to the park or public transit. We should be able to fill our potholes while also fixing our streets for more modes of transportation.

David's experience on several budget committees will help fight to hold our city government accountable to the taxpayers. We will stop wasteful spending and backroom deals that favor campaign donors over the people.

City of Portland Councilor, District 1

Michael (Mike) Sands

Occupation: Retired trial attorney, law professor and Superior Court Judge pro tem

Occupational Background: Law

Educational Background: U. of Arizona, Accounting, B.S.B.A.; Stanford Law School, Law, LL.B.

Prior Governmental Experience: Sacramento City Council; Sacramento County Democratic Central Committee; Committee Counsel, California Legislature; Assistant Public Defender

I moved to Portland from Sacramento, California, in 2012. In Sacramento I served eight years on the City Council. For four of those years I was elected by my fellow council members as Vice Mayor. I was instrumental in converting the Council from city-wide elections to districts, and in opening up the application process for boards and commissions to women and people of color. My City Council experience working in a city manager form of government will be a great asset as Portland converts to city manager government for the first time.

In Portland I have served as President of the CherryWood Village Residents Association. I am an active supporter of numerous civic organizations, including the Oregon Food Bank, Basic Rights Oregon, Oregon Symphony, Oregon Public Broadcasting, the Oregon Shakespeare Festival, Planned Parenthood, and many local theaters.

We all know that Portland has serious issues with homelessness, hunger, drug addiction and gun violence, but not enough attention is given to the root cause of all these issues: POVERTY. Being poor is not a crime. Many of our laws, regulations and procedures favor the wealthy to the disadvantage of the poor. My priority is to reduce the wealth gap between the richest and poorest Portlanders.

My other priority is to place a fairer, less confusing voting system on the ballot.

I am not accepting any campaign contributions. Every vote I cast will be based on what is best for Portland and District 1, not on the wishes of wealthy donors.

We are now using a previously untested voting system. I welcome your vote, but if you prefer another candidate, please consider giving me your second place vote. Thank you.

City of Portland Councilor, District 1

Thomas Shervey

Occupation: Office Assistant 2; Department of Community Justice; Multnomah County; 2023-Present

Occupational Background: Section Head; Gateway Fred Meyer; Kroger; 2014-2023; Loss Prevention; Gateway Ross Dress for Less; 2009-2014; Assistant Coach; Madison High School Speech & Debate; 2007-2009

Educational Background:

Portland State University; Social Sciences; Bachelor of Arts

Prior Governmental Experience: Notary Public

Hi, my name is Thomas Shervey. I'm running to represent the eastside of Portland on the city council. A bit about me; I'm a lifelong Portlander and I've lived east of 82nd Avenue my whole life. I attended Portland Public Schools and graduated from Madison High School, then went on to study social science at PSU. I've worked in the Gateway Neighborhood for about the last 15 years, ten of which at the Gateway Fred Meyer where I belonged to UFCW local 555. I was and am a proud union member; I currently work for the Department of Community Justice as a part of AFSCME local 88. I live in the Hazelwood neighborhood with my partner and two kids.

Because of where I've lived, worked, studied, and because I am a dad raising his kids on the eastside, I have a unique perspective. I know that the eastside has been ignored and underrepresented in our local government. While there are a lot of people running with a lot of ideas on how the city should work, I know the voices of average citizens can be silenced by those ideas.

I won't let that happen. If elected, I will be a relentless advocate for the people of District One. I will make sure your concerns are brought to the table, that the city works for you, and that your voices are heard.

(This information furnished by Thomas Shervey)

Prior Governmental Experience:

Chair, Portland Police Bureau Focused Intervention Team Community Oversight Group; Governor's Restorative Justice Council; Governor's Task Force on Public Safety

CLEAN

Portland used to be one of the cleanest cities in America. We need to be a city that works for all of us. People camping in tents isn't safe or humane. Getting people into shelter is a top priority because we deserve clean public spaces.

SAFE

Like far too many families, mine has been devastated by gun violence in Portland. I am running for City Council because having my experience will help end the scourge of gun violence in our community.

AFFORDABLE

As a small business owner, I have seen Portland become a harder place for small businesses to thrive. Shared economic prosperity is crucial for public safety and community health. I will fight to make Portland a great city for people to start and grow a business.

"Terrence has become one of my most steadfast allies on public safety. As someone who has overcome tremendous adversity, his journey is about the power of second chances – a story we can all be proud of." – **Endorsed by Portland City Commissioner Rene Gonzalez**

"The city is spending millions of taxpayer dollars on housing and public services. We need someone like Terrence on City Council to ensure those dollars are well spent." – **Endorsed by State Representative Travis Nelson**

Steph Routh

Occupation: Small Business Owner and Educator

Occupational Background: Executive Director, Oregon Walks; Instructor, Portland State University

Educational Background: Parkrose High School; Linfield University, BA

Prior Governmental Experience:

Portland Planning & Sustainability Commission; TriMet Safety & Service Excellence Task Force; ODOT Region 1 Area Commission on Transportation; PBOT Budget Advisory Committee

Finally, a Voice for East Portland

I've lived the majority of my life east of 82nd Ave. I'm running for City Council to ensure the government is finally accountable to the people of East Portland and that all of us can build a life of belonging and purpose here.

A Proven Track Record

From leading Oregon Walks as its first executive director to volunteering on Portland's Planning Commission, Steph has worked for over 20 years for safer, walkable neighborhoods, more affordable housing choices, and better economic opportunities for everyone.

- When the council tried to take away \$8 million for vital sidewalk funding for East Portland, Steph pushed back and ensured the city followed through and built sidewalks along roads like SE 136th Ave.
- Steph served as a committee co-chair for the Jade District, investing in neighborhood businesses.
- When East Portlanders were facing potential displacement, Steph mobilized homeowners and renters to pass policy protections to keep people in their homes.

Steph has been leading in our communities and is ready to lead as your next City Councilor.

City of Portland Councilor, District 1

Jamie Dunphy

Occupation: American Cancer Society Cancer Action Network, Oregon Government Relations Director; Music Portland, Board member

Occupational Background: Portland Commissioner Nick Fish, Senior Policy Director; US Senator Jeff Merkley, Constituent Services Representative; David Douglas School District, Behavioral Assistant

Educational Background: Portland State University, Political Science, BS

Prior Governmental Experience: None

Hi, I'm Jamie Dunphy. I've been serving the community of East Portland for over 20 years. Like it I wear many hats-father, husband, musician, outdoor enthusiast, and community advocate. I love our community's diversity and resilience. It's home to families from all walks of life, a place where we find ways to support each other despite decades of disinvestment.

I've worked in public policy for 14 years, first with Senator Jeff Merkley and then Commissioner Nick Fish. I've learned government can make people's lives a little better. But too often our community in East Portland has been left behind. We can't afford for the next City Council to learn on the job. I have experience creating policy solutions and building coalitions to get things done. I'll tackle the issues that matter most-safer streets, clean parks and housing that's truly affordable. I'll make sure neighborhoods get the sidewalks, bus lines, and green spaces we deserve. I'll listen to every voice in our diverse community, and work to make East Portland's future even brighter.

Voting Instructions

1. Vote your Official Ballot

Locate the measure response (Yes or No) of your choice for each contest. To vote, completely darken the rectangle to the left of your choice with black or blue ink. [Figure 1]

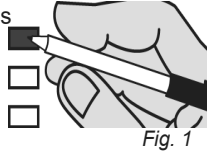

Fig. 1

Remember: If you vote for more than the number of candidates allowed for an office, or you vote both Yes and No on a measure, it is called an overvote and your vote for the candidate or measure will not count. [Figure 2]

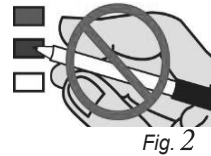

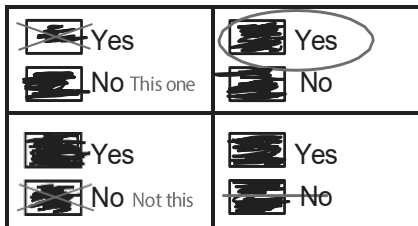

Fig. 2

You are not required to vote on everything. Your ballot will still be counted as cast and your votes for other contests will be counted.

If you make a mistake

Don't tear up your ballot yet. You can fix it! Make your choice obvious so that election officials can count it correctly. Please review the examples of acceptable corrections.

2. Review your Official Ballot

Ensure you have correctly marked your choice for each contest. Your official ballot may contain contests printed on both front and back. Remember to review both sides!

If you lose your ballot, or it is spoiled in any way, contact Clackamas County Elections at **503-655-8510** to request a replacement ballot.

3. Return your Official Ballot

Place your voted official ballot in the envelope and sign the Voter's Statement.

Remember: Read and sign the Voter's Statement on the Return Ballot Envelope. Your ballot cannot be counted if the Return Ballot Envelope is not signed.

By Mail: **Stamps are not required** to mail your Return Ballot Envelope. Please mail it as soon as possible; it **must be postmarked by Tuesday November 5, 2024**. Ballots postmarked by the deadline must also be received by Clackamas County Elections within 7 days after the election.

In Person: Deliver the signed and sealed Return Ballot Envelope to any official ballot drop site no later than **8 p.m. on Tuesday November 5, 2024**.

Be an Election Worker!

Temporary election workers are trusted members of the community that play an essential role in conducting elections.

Community Service

Qualifications:

- Eligible to work in the United States.
- 16 years old or older.
- Interview and pass a criminal background check.
- Able to work in a nonpartisan environment and follow direction.

Clackamas County Elections employs election workers for every election. Assignments are based on business need and election workers may not work every election.

City of Portland Councillor, District 3

Tiffany Koyama Lane

Occupation: Public School Teacher, Sunnyside Environmental School

Occupational Background: Portland Public Schools, 2012-24; NYC Public Schools

Educational Background: University of Oregon, BA and MA in Education

Prior Governmental Experience: None

I'm Teacher Tiffany, and I'm a proud Japanese American public school teacher, union organizer, and mom raising two kids in Southeast Portland. After 16 years in the classroom, I have a unique understanding of the challenges facing families in our city.

As your City Councillor, I'll fight for:

- **A safe Portland**, with common-sense, proven solutions to public safety like Portland Street Response, people-first policies that address root causes of violence, and a coordinated approach to behavioral health that connects people to support when they need it.
- **A housed Portland**, with renter protections to keep families in their homes, innovative land use to improve housing supply and affordability, better working conditions for housing navigators, and fewer bottlenecks for folks seeking help.
- **A connected Portland**, where our streets and sidewalks are designed for safety and free from traffic violence, transit is plentiful, and public spaces are vibrant.
- **A resilient Portland**, where neighborhoods are protected from extreme weather and environmental hazards, and public dollars are spent on infrastructure that moves us away from fossil fuels.

City of Portland Councillor, District 3

Harrison Kass

Occupation: Policy Advisor to Commissioner Rene Gonzalez, Contributing Writer at The National Interest

Occupational Background: Attorney, Journalist, Hatfield Fellow, US Air Force Pilot Trainee and Officer Candidate (medically discharged before commissioning), Semi-pro hockey player.

Educational Background: University of Oregon School of Law, JD; New York University, MA in International Relations and Global Journalism; Lake Forest College, BA in History.

Prior Governmental Experience: First time candidate.

We need a leader with the values, experience, and vision to handle the two most important issues facing Portland: homelessness and public safety.

Address Homelessness with Compassion

Harrison and his family didn't always have a stable home, which makes him especially concerned for the wellbeing of Portland's homeless population. Harrison recognizes that the status quo, the persistent unsheltered camping, cannot continue. Unsheltered camping is not safe, sanitary, or sustainable for the city at large or our most vulnerable. Portland must urgently end unsheltered camping and move people from tents and sidewalks to shelters, drug and mental health treatment centers, and ultimately, permanent housing.

Restore our Public Safety Standards

As a former mentor to delinquent youth and a law clerk for criminal defendants, Harrison has served society's most vulnerable. And as Rene Gonzalez's policy advisor, and as a former Hatfield Fellow for Public Safety, Harrison has worked from City Hall on Portland's most pressing issues. Current rates of gun violence, homicide, vandalism and open drug use are unacceptable. Harrison will support our first responders; support a healthy and accountable police department; lower emergency response times; end open drug use; reestablish the crime prevention officer program; and clean up graffiti.

Harrison is proud to have endorsements from Portland Police Association, International Brotherhood of Teamsters, and Commissioner Rene Gonzalez.

"Harrison has played an important role in our work at City Hall. He cares deeply about those struggling on our streets and will be a thoughtful and creative policymaker. We need him on City Council." - Portland City Commissioner and Mayoral Candidate Rene Gonzalez

City of Portland Councilor, District 3

Kezia Wanner

Occupation: Business & Compliance Director

Occupational Background: City of Portland Fire & Rescue, Transportation, Police, and Budget Office; Multnomah County Sheriff's Office

Educational Background: CSU Fullerton, History, Master's Degree

Prior Governmental Experience: Cities of Portland, Newberg,

Woodburn; Multnomah County; State of Oregon

A REASONED AND PRAGMATIC VOICE FOR CITY COUNCIL

I have more than two decades as a leader at the City and County, which will make me a uniquely qualified and effective Portland City Councilor.

- I know what is working, what is broken, and pathways to solutions.
- I have a record of problem-solving, strong relationships, trust, and credibility.
- I will ensure fiscal stewardship, accountability, and transparency in decision-making.

MY PRIORITIES TARGET THE MOST URGENT ISSUES:

- **Impacts of Homelessness:** Focus on addressing the livability, safety, and economic impact of homelessness. I support swift and decisive action for the issues facing our community.
- **Public Safety Services:** Prioritize increasing fire and police resources to meet community needs. Safety and security are essential foundations for our city to grow and thrive.
- **Core Service Delivery:** Vocal advocacy for funding essential City services and invest in critical infrastructure. I have experience making hard decisions about limited resources.
- **Partnership:** Dedicated to repairing relationships with the County and other partners to make progress on our region's critical issues. We cannot address homelessness, housing, illegal drugs, and human health needs by going it alone.
- **Public Trust in Government:** Champion standards for civility, integrity, and transparency in decision-making within the new City elected body.

Sandeep Bali

Occupation: Clinical Pharmacist Specializing in HIV Treatment & Prevention, Mental Health & Addiction Treatment

Occupational Background: Specialty Pharmacist & Geriatric Long Term Care; Founder of NextLevel.org Nonprofit for Frontline Worker Scholarships; FDA Toxicology Reporter

Educational Background:

Doctorate of Pharmacy, Pacific University

Prior Governmental Experience: State Subject Matter Expert in Oregon for HIV Prevention

PORTLAND DESERVES BETTER

I'm running for Portland City Council because I believe in this city's potential and am determined to restore its vibrancy, making Portland the jewel of the West Coast.

End Urban Camping: Quality healthcare, especially in addiction and mental health treatment, can be transformative. Portland must leverage our hospitals and clinics to address these crises with compassion. We need to allocate resources to organizations staffed with specialists who can provide mental health assessments, addiction treatment, and long-term care.

Stop Endless Taxes: Portlanders are burdened by taxes like the Arts Tax and the Parks & Arts Levy, which worsen gentrification and homelessness by pricing residents out of their homes. Let's allow Portlanders to save and invest in their families and properties. I will work to bring back tourism in a big way, relieving Portlanders from tax increases.

Increase Public Safety & Accountability: Safety in our homes, schools, businesses, and neighborhoods is paramount. I support more police visibility, especially in vulnerable areas, to ensure a secure environment for everyone.

Protect Affordable Living: To alleviate our housing crisis, Portland must incentivize building, not penalize it. Streamlining the permitting process, removing construction obstacles, and rolling back counterproductive policies will allow for more medium-income housing. It's time to let builders build and create a vibrant, accessible community for everyone.

Revitalize Portland: Let's restore our public spaces, fix roads, and remove graffiti. By lowering corporate taxes and offering smart initiatives, we can bring back thriving businesses and make Portland beautiful again.

Education: Oregon's educational standards are among the lowest, driving declining enrollment. We must prioritize core subjects and ensure students pass proficiency exams to be globally competitive.

City of Portland Councillor, District 3

Rex Burkholder

Occupation: Consultant to Non Profit Organizations

Occupational Background: Science Teacher; Co-Founder, Policy and Advocacy Director, Bicycle Transportation Alliance; Author, The Activist's Toolkit; Campaign lead, Outdoor School for All

Educational Background: Portland State University, Biology, Education, BS; Tufts University, Urban and Environmental Policy, MA; Harvard University, Kennedy School of Government

Prior Governmental Experience: Metro Councillor, 2001-2013; Chair, Oregon Sustainability Commission; Governor's Global Warming Commission; Chair, Joint Policy Advisory Committee on Transportation; Chair, OR Bicycle and Pedestrian Advisory Committee

Elect Rex Burkholder

"We are so excited that Rex is running for City Council. We very much need someone with his experience and commitment to the City on the new Council." - Mayor Tom Potter and Karin Hansen

EXPERIENCED - EFFECTIVE THE LEADER WE NEED

EXPERIENCED - 40 years making our community a better place for all. Twelve years on the Metro Council, founder of three innovative and groundbreaking nonprofits.

EFFECTIVE - Led efforts to make Portland (and Oregon) safe for walkers and cyclists; conceived and led successful effort to fund Outdoor School for all Oregon children; led regional collaboration to make sustainability and combating climate change core goals of regional planning.

THE LEADER WE NEED - Inspiring, collaborative, driven, innovative. Rex listens!

MY PRIORITIES:

SAFE STREETS - Community policing, help those in need, invest in safe walking and cycling

A HOME FOR EVERYBODY - Speed up permitting, rezone along transit, re-inhabit Central City

A STRONG ECONOMY - Smart investments, targeted support for small business

GREEN AND CLEAN - Protect our parks and natural areas, invest in clean energy, plant trees!

I'm proud to be endorsed by:

City of Portland Councillor, District 3

Christopher Brummer

Occupation: Member of the working class.

Occupational Background: Member of the working class.

Educational Background: Portland Public Schools, K-12
Portland State University, BA

Prior Governmental Experience: Subject to it.

Congratulations, Portland! We voted for change in our government and election systems and that change is taking effect. We can do more!

The mayor retains too much power: they draft the budget; appoint all members of future commissions on city districting and salary; appoint the city manager and police chief; they can propose policy directly to Council and break its tie votes. No one person should have that much influence over our city. While budgets, appointments, and policy require Council approval, these decisions should start and end with our full representation in City Council. Public commissions should represent Portland and be filled by sortition, not personal choice.

City Council is to elect a council president. This office should be equally shared or rotated among all members of City Council to ensure no one person, seat or district gains unfair power, resources or advantage.

All elected city offices will be voted on this November, but future elections will be staggered. Councillors in districts 3 and 4, and the city auditor, will serve an initial two-year term. Afterward they will run for regular four-year terms in non-US presidential election years. Voter turnout is consistently highest in US presidential election years. We don't need staggered elections. It's fairest for all our representatives, regardless of office or district, to be elected at the same time with the highest potential for voter turnout.

To end homelessness we must build systems of permanent supportive housing. Permanent supportive housing provides a stable home with services like mental health counseling for those who need them. Permanent supportive housing requires steady revenue streams for long-term investment and planning. Permanent supportive housing saves lives, saves money and time, and improves the health of our community.

Together we can choose better and move forward, Portland. Let's make this happen!

City of Portland Councilor, District 3

Steve Novick

Occupation: Special Assistant Attorney General, Oregon Department of Justice.

Occupational Background: As U.S. Justice Department lawyer, sued polluters, including recovering \$129 million for taxpayers in the Love Canal case. As non-profit director, successfully fought Bill Sizemore's attacks on workers and public services.

Educational Background: University of Oregon, BA; Harvard Law School, JD

Prior Governmental Experience: Portland City Commissioner; environmental enforcement lawyer, U.S. Justice Department.

I've had a chance to watch Steve work, and I'll tell you this: the man gets things done. – former Portland City Commissioner Dan Saltzman

Steve has the experience we need for the progress we want.

As a City Commissioner, he:

- Spearheaded the Fix Our Streets program (approved by Portland voters) which began the important work of repaving streets, building sidewalks, filling potholes, and establishing Safe Routes to School.
- Championed expanding more affordable housing by allowing "middle housing," such as duplexes and triplexes, in more Portland neighborhoods.
- Delivered a safety barrier on the Vista Bridge that put an end to 80 years of suicide claiming the lives of our neighbors.

The City and County need to work together to reduce homelessness, improve public safety, and increase drug treatment. I know I can count on Steve as a thoughtful, practical partner who has proven he can get results for us."

- Multnomah County Commissioner Julia Brim-Edwards.

Steve will focus on practical, realistic solutions to our biggest challenges like:

- Helping people get off the streets and into shelters including tiny house villages, while working to address the housing shortage that is one of the root causes of homelessness.
- Working to restore police investigations that support prosecution of property crimes.
- Fighting climate chaos by having the Clean Energy Fund invest in climate-friendly transportation, like Bus Rapid Transit on 82nd Ave. and pedestrian, bike infrastructure.

Kelly Janes (KJ)

Occupation: Small Business Owner, Web Design & Development; Chair/President, Foster-Powell Neighborhood Association; President, Benson TechBoosters

Occupational Background: Small Business (Founder); Tech/Creative (Freelance); Legal IT (Business Analysis/Budget Supervisor); Education (Computer Teacher, Network Administrator,

Department Chair); Tech Support

Educational Background: UC Berkeley, Anthropology/ Native American Studies, BA; NYU, Energy and Environment, Continuing Education

Prior Governmental Experience: Communications Chair, Foster-Powell Neighborhood Association; Secretary, Benson TechBoosters

Portland: Thriving Together

KJ is a small business owner, mom, Foster-Powell Neighborhood Association (FPNA) chair, and Benson TechBoosters president, determined to create a thriving future for Portland. Her experience leading diverse teams through challenges equips her to help transform City Council into an effective, efficient, and collaborative team dedicated to Portlanders' best interests.

KJ is inspired by her community leadership experience guiding FPNA's Shelter Meal program through multiple iterations, community building, political advocacy, and environmental action.

Let's build a thriving Portland together!

What others have to say about KJ:

KJ is an incredible human and organizer. I stood alongside her multiple times as we brought ceasefire resolutions to the current City Council. She's a **great neighborhood association president and leads meetings with empathetic efficiency.** *Andra Vltavin's website, City Council Candidate, D4 (<https://www.andraforportland.com/endorsements>) Jul 10, 2024*

KJ's insight and perspective are **an asset in every meeting.** She's an excellent problem-solver with a commitment to building consensus. **Invaluable.** *Elysia Everett Burns, Founder, Friendly Like Me and Former C-Suite, DLA Piper. LinkedIn (<https://www.linkedin.com/in/kellyjanes/>) Sep 9, 2024*

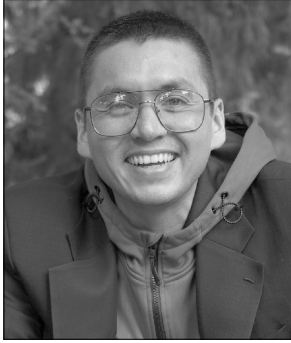

...I have never worked with someone so equally graced with exceptional technical skill, analytic expertise, and superior interpersonal aptitude. KJ is a warm, engaging person who's always passionate about her work, and performs under demanding personal standards. **One of her many clearly demonstrated strengths is budget analysis.** *Loli Wescott, IT Logistics Administrator, DLA Piper – LinkedIn (<https://www.linkedin.com/in/kellyjanes/>) Jan 19, 2007*

City of Portland Councilor, District 3

Heart Free Pham

Occupation: Railroad Conductor

Occupational Background:
Bernie Sanders 2016 Presidential Campaign - community organizer

Educational Background:
University of Puget Sound,
Biochemistry, Bachelors of
Science

Prior Governmental Experience:
None

Enough is enough.

If you are like me, then you are deeply frustrated with the ill-conceived public policy afflicting our communities, and demoralized by the decline of our city. If you are like me, you want accountable leadership, fueled with compassion, but bound by logic, and reason. If you're like me, you're ready for something different.

I was born and raised in Portland, OR. I grew up on NE 30th and Burnside from birth. I went to MLC (Metropolitan Learning Center) from kindergarten to 8th grade, then attended Benson Polytechnic for High School — there is no other candidate whose roots in the Rose City go deeper than mine.

I studied Biochemistry in college in hope of escaping poverty, and came out the other end saddled with debt. I worked any job I could to keep the lights on, just to give half my paycheck to a landlord. I am a son and brother, but can't afford to have a family — I am like you.

Whether it be the housing crisis, mental illness, rise in crime, drug deaths, or runaway homelessness, we need practical leadership with vision in order for our city to start healing. With your support, I will introduce the use of Hempblocks to address the housing shortage, create wellness farms with job training programs to aid our houseless neighbors, and modernize the civil commitment process so that the unsheltered-mentally-ill have an achievable path towards recovery. Please visit my website, heartforpdx.com to learn more about each of these agendas.

As your elected leader, I vow to lead with data-driven logic and a loving spirit. My vision — our collective hope for what Portland can be — only deals in specifics, and will never employ empty platitudes offered by other candidates. With me, you get what you expect — accountable, logical, compassion-driven leadership.

City of Portland Councilor, District 3

Angelita Morillo

Occupation: Policy Advocate and Legislative Strategist, Partners for a Hunger-Free Oregon

Occupational Background:
Constituent Services and Tribal Relations Manager, Commissioner Jo Ann Hardesty

Educational Background:
Lincoln High School, Portland State University

Prior Governmental Experience:
Portland Rental Services Commission

The next generation of progressive leadership in Portland

Angelita is the working-class champion Portland needs. She knows the problems our communities face and will be the FIRST formerly unhoused person and queer woman of color on City Council, making her an invaluable voice for the unheard in City Hall.

Angelita will make a Portland that works for all of us

Housing

As an immigrant who has experienced houselessness, Angelita knows the difficulty of finding affordable housing. Angelita supports the Renters' Bill of Rights and will work to reutilize empty buildings, reimagine zoning, and create shelters by and for unhoused people.

Sanitation

Our sanitation system is divided between the city, Multnomah County, and Metro, complicating responsibility for garbage pickup and cleanup. Angelita will champion a centralized sanitation department shared across jurisdictions.

Transportation and Climate

Our public transit system should be accessible, affordable, and frequent. Angelita will prioritize sustainability, safety, and community by investing in protected bike lanes and sidewalks while also working to shut down oil trains and the CEI Hub.

Public Safety

Angelita has pledged to fund addiction services, Portland Street Response, and better street design to make Portland safer by investing in our communities.

City of Portland Councilor, District 3

Kenneth (Kent) R. Landgraver III

Occupation: Scientific Instrument Technician; State of Oregon

Occupational Background: : Electronics Mechanic (civilian), Oregon Army National Guard; Operations Manager, Electronics manufacturer & service.

Educational Background: Oregon State University, Chemical engineering Major.

Prior Governmental Experience: Member, Agency Diversity Equity and Inclusion Council; Unit Victim's Advocate (Deployed); Equal Opportunity Representative (Deployed)

Special Message: Feel the love; Practice Kindness.

I cannot beat the professional politicians so let's out Portlander them. Let's stress test the new voting system. **Go get your ballot; find my name; Rank me 2.**

3rd District experience:

- 41 years living and working in what is now District 3
- No longer own a mortgage, I own a home.
- I raised 2 children.
- I was family in a family-owned Computer Manufacturer (1980s).
- Two of the jobs I had, I walked to and from work.
- First 30 years I spent living paycheck to paycheck.
- During the Pandemic I lived with my mother in the NE corner of District 3
- First 30 years I spent living paycheck to paycheck.
- Oregon Army National Guard Veteran

What do i bring to the Council:

- Lived experience, see above.
- 40 years of public service, I deeply understand the public facing end of public policy.
- I am your unicorn, a fiscal conservative, and a social liberal. My goal is to ensure every tax dollar is spent doing the peoples work or returned to the taxpayers.
- We are creating a new city council, and I want to make sure we are not repackaging the old Bureau system.
- **Consensus or compromise.** Council votes affecting the city should be unanimous. In an 11-1 vote 55K Portlanders are disenfranchised. The council should be makers of public policy not leveled up politicians in the game of Portlandia.

If you read this far, you might as well rank me 1.

I have the lived experience, the public service Doer experience to best qualify me to be a Maker of Public Policy. **Portland City Councilor District 3**

(This information furnished by Kenneth (Kent) R. Landgraver III)

City of Portland Councilor, District 3

Jesse Cornett

Occupation: Policy Director, Oregon Recovers

Occupational Background: Public policy, small business owner

Educational Background: MPA, Portland State University

Prior Governmental Experience: Oregon legislature, Congressman Earl Blumenauer, National Guard

I am running for Portland City Council because **Portland Is Worth Fighting For!**

I am uniquely positioned to serve on Portland's new City Council. Having taught Legislative Process at PSU, I understand the intricacies of what will be needed to succeed. Through my experience of running small businesses, I know how challenging bureaucratic barriers are. I have proven to be a collaborative leader, having led the charge to get healthcare access for 55,000 Oregonians. As a top aide to Senator Bernie Sanders during the 2020 Presidential race, I witnessed first hand the impact policy can have on underrepresented communities.

If elected, I will have no higher priority than **resolving our homelessness crisis**. Tents are not the solution. We should prioritize alternatives and rapidly expand our housing stock.

We must also address **public safety and the addiction crisis**. I will help build a public safety system that invests in community policing, non-police first responders and access to treatment.

We must **assert ourselves as an environmental leader**. Our failure to address climate change will forestall lasting solutions to other pressing issues.

Optional Information:

As a lifelong advocate for affordable housing and equitable access to resources, I'm running for Portland City Council to bring fresh, community-focused leadership to our city. I'm committed to addressing our most pressing issues—affordable housing, public safety, and equity—through meaningful collaboration between the city, community organizations, and neighbors.

I met my husband while we were both working in the Portland restaurant scene, I understand firsthand the challenges faced by underserved communities. My experience has taught me the importance of listening, engaging, and taking action on behalf of those whose voices are often overlooked. I've seen how systemic barriers can prevent people from accessing the resources they need to succeed, and I'm determined to break down those barriers.

I'm passionate about creating policies that uplift all Portlanders, particularly those who have been historically marginalized. As a City Council member, I will work tirelessly to ensure that our city invests in affordable housing, strengthens public safety measures that serve everyone, and builds a more inclusive community. I'm ready to bring that same dedication and passion to the Portland City Council.

By prioritizing affordable housing, we can ensure that every Portlander has the opportunity to thrive. Together, we can build a city where everyone has access to the resources they need, our neighborhoods are safe and inclusive, and we take bold steps to address the housing crisis. I ask for your support to make this vision a reality.

Voting Tips

Your Vote Counts!

Make sure your voice is heard by voting in the November 5, 2024 General Election.

Make a plan to vote.

- **Do you know where you will receive your ballot?** Is your registration up-to-date?
- **When will you vote?** Ballots will be mailed to voters Oct. 16 and are due Election Day, Nov. 5, 2024 by 8 p.m.
- **How will you return your ballot?**

By Mail - Must be postmarked by Election Day, Nov. 5. No stamp required.

By Official Ballot Drop Box - Must be deposited by 8 p.m. on Election Day, Nov. 5.

Don't forget to sign!

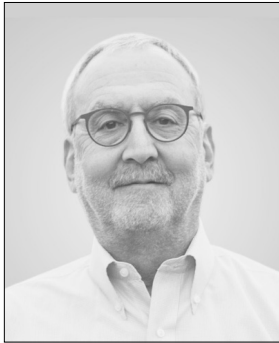

Your ballot cannot be counted if you do not sign the return envelope. Every signature is checked against the registration signature on file and the signature must match for the ballot to be verified and counted.

City of Portland Councilor, District 4

Bob Weinstein

Occupation: Community Advocate

Occupational Background: Special Education Teacher; School Superintendent

Educational Background: M.A. Special Education, University of Oregon; BA Psychology, University of Massachusetts

Prior Governmental Experience: Mayor & City Councilor, Ketchikan,

Alaska. U.S. Senate Staffer

TESTED. TRUSTED. READY TO LEAD.

Portland's a special place, but city government has become rudderless, failing in its core responsibilities. We're getting abysmal results for paying some of the highest taxes in the nation. We need a course correction.

Bob Weinstein is the top choice for District 4. A public servant with decades of experience, Bob steps up to lead. When the future of Ketchikan was threatened by its largest employer closing, Bob helped expand port infrastructure and renewable power generation to revitalize the economy. He effectively tackled homelessness and public safety issues.

PRIORITIZE OUR MOST CRITICAL NEEDS TO GET US BACK ON TRACK

We must preserve the engaged civic, arts/music/cultural, and business spirit that make Portland a remarkable place. Let's fix what isn't working:

- **Prioritize spending on critical concerns**
- **Accelerate creation of housing**
- **Shift to proven strategies to reduce homelessness**
- **Expand police, fire, and street response capacity**
- **Make every neighborhood livable**
- **Support small businesses and downtown revitalization**
- **Maintain parks for accessibility and safety**
- **P.S. Fix the d*mn potholes!**

WE TRUST BOB!

City of Portland Councilor, District 4

Andra Vltavin

Occupation: Director of Ethical Yarn Community; Volunteer for 350PDX, Extinction Rebellion, and Portland Mutual Aid Network; Neighborhood Emergency Team Member

Occupational Background: Co-op management, nonprofit formation, class action lawsuit documentation, reduced waste strategies

Educational Background:

University of Utah, B.A. in English with minors in psychology and religious studies; Design School for Regenerating Earth

Prior Governmental Experience: N/A

"**Bright, engaged, generous, compassionate, and principled,** Andra is 'not afraid to get down and do the dirty work' on behalf of others and our city." –Nancy Hiser, Linnton organizer, living near the CEI Hub

I am a queer, nonbinary individual who has **volunteered directly with unhoused individuals and incarcerated populations.** My experience co-founding both a local co-op and a nonprofit make me no stranger to bureaucracy.

Climate Justice

In my 10 years in Portland, I have watched elected officials disregard environmental studies, neighborhood associations, activists, and indigenous tribes to everyone's detriment.

As a city, we must

- implement risk-bonding and **phase out fossil fuels** at the Critical Energy Infrastructure (CEI) Hub,
- **build shade equity** to bolster climate resilience across neighborhoods,
- increase Portland Bureau of Emergency Management's (PBEM) budget to **prepare for climate disasters**, and
- de-prioritize cars to **fund bike and pedestrian infrastructure.**

Zoning Reform

Zoning laws emerged out of exclusionary policies aimed at stabilizing housing prices, which fuels our housing crisis. We need **affordable housing** such as single-room occupancy units and apartments. We can do this by **lifting zoning restrictions** on new apartment construction and implementing mixed-use zoning to create a more walkable city.

Diverse, Thriving Communities

We must create customizable solutions for our city's complex dilemmas. To address our housing, addiction, and mental health crises, we need

- an expanded **Portland Street Response** operating 24/7,
- services for unhoused neighbors with locations determined by each neighborhood association,
- a **Renters' Bill of Rights** to protect existing tenants
- conversions of vacant office buildings into full-service community living centers, and
- streamlined communication among government entities.

City of Portland Councilor, District 4

Kevin Goldsmith

(SW Portland)

Occupation: Professional Engineering Consultant (PE)

Occupational Background: Owner/Principal, KGConsultants LLC 2009-Present

Engineer, DTNA (Freightliner) 1995-2017

Design Engineer, KPFF Consultants (Portland) 1993-1995

Boeing Commercial Aircraft 1986-

1993

Educational Background: Oregon State, MS (Mechanical Engineering); Portland State, BS (Civil/Structural Engineering)

Prior Governmental Experience: Neighborhood Association

Personal Background

I have had the privilege of raising my family in this vibrant community. My wife and I have lived in SW Portland for 18 years, my mother lives on the east side, and my (adult) kids have recently moved to our old house in Kenton. I'm passionate about our city and committed to bringing positive change to our entire district. My wife of over 25 years is from Ecuador, and both English and Spanish are spoken in our home.

Candidate Statement

As a longtime resident of Portland, I believe I have developed an understanding of our community's needs and values. My occupational background is in Engineering. As an Engineer I have developed an aptitude for problem solving. I value Democracy and the fact that all voices need to be heard. These are the principles I would bring to a position on the city council.

I believe in transparent governance, active community engagement, and making decisions that reflect the best interests of our entire community. I am committed to listening to your concerns and working tirelessly to address them.

Some of the Key Issues and Platforms that I identify with:

- 1. Addressing Mental Health and Addiction:** I will advocate for increased funding for mental health services, and support the creation of rehabilitation programs, and work to destigmatize mental health issues.
- 2. Enhancing Public Safety:** The safety of our community is my top priority.
- 3. Promoting Sustainable Development:** I will ensure that our development projects are environmentally responsible.
- 4. Supporting Local Businesses:** Small businesses are the lifeblood of our economy!
- 5. Tackling Housing Issues:** I will work to expand affordable housing options.

I humbly ask for your vote and support and thank you for your consideration.

(This information furnished by Kevin Goldsmith)

City of Portland Councilor, District 4

Mitch Green

Occupation: Economist

Occupational Background: Civil Servant

Educational Background: UMCK, Economics, PhD

Prior Governmental Experience: Bonneville Power Administration; U.S. Army Reserve

Fighting for a Livable Portland

To make Portland a city that works for everyone, we need to invest in effective, compassionate solutions to our most pressing problems.

As an **economist**, I know how to invest in our community. As a **veteran** and **civil servant**, I've committed my life to public service and solving complex problems. And as a **third-generation union member**, I will keep our city affordable for the workers who make it run.

Mitch's Vision for Portland

Plentiful, Affordable Housing

- Build new affordable housing, including converting existing vacant properties
- Support seniors and low-income tenants

Safe, Compassionate Communities

- Expand critical services like Portland Street Response to keep streets safer for residents and businesses
- Add new sidewalks and cycling infrastructure to create secure routes throughout the city

World-Class Environmental Leadership

- Tackle urgent climate resiliency investments
- Address risks of Zenith & the Critical Energy Infrastructure Hub

Standing for Working Families

- Protect workers' rights
- Prioritize policies that make Portland affordable while raising wages

A Collaborative Leader with Community Support

I'm proud to be endorsed by labor unions, community organizations, and elected leaders, including:

Washington County Democrats
Working Families Party
Oregon AFSCME Council 75
AFSCME Local 189
PROTEC17
AFT-Oregon
Portland Association of Teachers
UA Local 290
Ironworkers Local 29
UFCW555
Jane Fonda Climate PAC
Sierra Club
The Street Trust Action Fund
APANO Action Fund
Friends of Portland Street Response
Representative Mark Gamba
Metro Councilor Duncan Hwang

"Mitch knows our best shot at making the investments necessary to address our housing, climate and infrastructure crises requires advocating for organized labor at every step. He has the expertise to show why it's good economics to invest in working families while pushing for investments that make our communities more affordable, sustainable and resilient."
-Oregon Commissioner of Labor and Industry Christina Stephenson

See more endorsements: [Mitch4Portland.com](https://mitch4portland.com)

I will work to create a Portland we can all be proud of.

City of Portland Councilor, District 4

Eli Arnold

Occupation: Community Police Officer, Portland Police Bureau Central Bike Squad

Occupational Background: Public Safety and US Army

Educational Background: Portland State University, Bachelor of Science (2017); US Army Military Intelligence Center, MOS 35M *Oregon Dept. of Public Safety Standards and Training*, Intermediate Law Enforcement Certification

Intermediate Law Enforcement Certification

Prior Governmental Experience: UH60 Blackhawk Pilot and Intelligence Analyst, US Army; Portland Police Review Board

As a community bicycle cop, combat veteran, and father of four, Eli Arnold works every day to help restore the Portland we know and love.

From flying evacuations in Afghanistan to arresting fentanyl dealers and responding to mental health crises downtown, Eli has dedicated his life to serving others and leading with calm in tough situations.

Eli has cycled Portland's streets on patrol and knows Portland will shine when we're a city where:

People Feel SAFE

- Our kids can walk to school and our neighbors can walk downtown
- Fund dispatchers and community police so people get the help they need in an emergency
- End open-air drug use and relentlessly pursue fentanyl dealers

We respond to HOMELESSNESS WITH INTEGRITY

- End unregulated camps and reclaim our public spaces
- Build emergency shelter space and connect people to addiction resources because allowing street camping is cruel and inhumane
- Demand accountability for tax dollars intended to get people the help they need

Our City Budget and Local Economy are STRONG

- Impose a moratorium on taxes and fees and reform permitting to spur housing production
- Create good jobs by supporting unions and businesses
- Increase staffing at Portland Fire to put an end to costly, mandatory overtime

"Eli Arnold has demonstrated the sense of urgency and commitment to public safety Portland needs from City Council."

City of Portland Councilor, District 4

Tony Morse

Occupation: Recovery Advocate

Occupational Background: Democratic Party of Oregon organizer, Small business owner, Attorney

Educational Background: Western Oregon University, Economics; New England School of Law, JD

Prior Governmental Experience: Judicial Law Clerk

"Having worked with Tony on addressing the fentanyl crisis, I've seen firsthand his commitment and integrity. **I am confident he has the ability to effectively lead in our new form of government.**"

—Dr. Maxine Dexter, Democratic Nominee for Congress
"Tony has worked tirelessly in addiction policy, and he knows that **supporting recovery is good for public safety.**"

—Nathan Vasquez, Multnomah County District Attorney-Elect
Experienced Leader.

Long-time District 4 resident.

A sixth-generation Oregonian, Tony works relentlessly to help Portland be the best version of itself. Tony's been in recovery for nearly 8 years, and knows Portland needs accountable leadership and more pathways to recovery and housing.

It's time for:

- A Coordinated Office of Addiction Response
- Safe streets and sobering centers with first responder drop-off
- A partnership with Multnomah County that helps people get off the streets and into treatment and safe housing

Tony delivers:

- Protecting kids from fentanyl, SB 238 (2023)
- Pushing Multnomah County to deliver more recovery housing to fight homelessness and addiction (2023)
- Helping elect pro-choice champions to statewide office (2022)

See Tony's priorities, www.tonyforpdx.com/issues:

protecting our kids from drugs and addiction; strong public safety; vibrant neighborhoods; abundant housing; thriving working families; prospering local businesses.

"Tony's the recovery champion we need to help make Portland safe, healthy, and housed."

City of Portland Councilor, District 4

Chad Lykins

Occupation: Small Business Owner, Rose City Chess
Occupational Background: Assistant Professor, University of Hong Kong; Policy Researcher
Educational Background: PhD Leadership & Policy, Vanderbilt University; BA College of Charleston
Prior Governmental Experience: Democratic Precinct Committeeperson

"Chad will be a respected leader on Portland's new City Council."

Former Governor Ted Kulongoski

Chad has dedicated his life to service, creating after-school programs and camps for Portland's children, advising policymakers, and training policy researchers globally. As a candidate, he's knocked 10,000 doors across all 33 neighborhoods. **Chad is an energetic leader who listens and will be your voice in City Hall.**

Homelessness: Chad will help end unsheltered homelessness by establishing more Safe Rest Villages and motel shelters with wraparound services. He opposes mass encampments.

Housing: Chad is a former board member of a housing nonprofit. He will open paths to lasting affordability, reform zoning and permitting, and champion fairness in the rental market.

Addiction: Chad was born to a teenage mom who lost her battle with addiction. That's why he supports evidence-based solutions for overdose prevention, sobering, detox, treatment, and recovery.

Safety: Chad will expand the capabilities of unarmed emergency responders so police can focus on violence and theft. He'll help restore trust through civilian oversight.

Neighborhoods: Chad will help families and small businesses thrive by supporting climate-friendly, complete neighborhoods with arts, culture, recreation, and good jobs. He'll work to make neighborhoods safer for pedestrians, cyclists, and transit users.

City of Portland Councilor, District 4

John Toran

Occupation: Property Manager
Occupational Background: Small Business Owner
Educational Background: Portland State University, Social Sciences, BS
Prior Governmental Experience: None

Portland is in crisis.

We've reached a critical juncture. For too long our city's leadership has prioritized ideologies over outcomes, espousing rhetoric that caters to a vocal political fringe while leaving Portland in a catastrophic state of disrepair and disorganization.

I'm John Toran, and I'm here to change all that.

I operate from pragmatism, not idealism. We have an opportunity this election to affect change in city hall, prioritizing outcomes over ideologies, and I intend to bridge the gap between the Portland we've been given and the Portland we deserve.

Let's make a future for Portland we can be proud of, together.

[John's Priorities \(friendsofjohnoran.com/the-issues\)](http://friendsofjohnoran.com/the-issues)

Homelessness - End unsanctioned public camping and drug use

Public Safety - Adequately fund public safety measures that keep Portland livable

Transportation - Rebuild trust in Portland's transportation infrastructure

Housing - Reimagine the restrictive permitting processes stifling housing development

Government Accountability - Bring transparency and accountability to city hall

We proudly support John Toran for City Council:

"John will bring knowledge and experience in public policy from his private work with the State Government. He was well respected and fastidious in his duties. Join me in voting for John Toran!" - **Margaret Carter - State Senator (Retired)**

"John has been a trusted friend who I believe in to power the city council forward and create a brighter future for Portland."

- **Loretta Smith - Former County Commissioner**

"John advocates outcomes rather than ideologies and lends a critical perspective not found in other candidates." - **12 for PDX**

Mingus Mapps - Portland City Commissioner

Dan Ryan - Portland City Commissioner

Radio Cab Co.

Democratic Municipal Officials

Dan Lenzen - Owner, Dixie Tavern

Jason "Jonesey" Jones - General Manager of Dante's, Rialto and Star Lounge

Kay Toran - Mom

Thomas Lauderdale - Pianist

Jim Kapsopoulos - Owners, John's Cafe

Wajdi Said - Interfaith & Arab American Leader

Sarah Mittelman PMHNP, Small Business Owner

Christian Zupancic, Real Estate Attorney, Oregon Coast

Patrick Sideris - Owner, PS Styles

**City Portland
Councillor, District 4**

Michael Trimble

Occupation: Low Income Apartment Manager

Occupational Background: CareOregon

Educational Background: Duquesne University, Political Science/Psychology, Bachelors

Prior Governmental Experience: N/A

Living in downtown Portland, I'm advocating for citizens and small businesses to live peacefully, safely, and prosperously, as my top priority. The unregulated crime, drug use, and homelessness we've witnessed explode exponentially due to loose policies will be halted if I'm elected. Those refusing available shelters and/or drug rehab/detox should be committed until appropriately detoxed and/or relocated to correctional facilities.

Despite millions spent to deal with the homeless, renters living paycheck to paycheck paying exorbitant rents have been excluded. I'll fight to implement income-based rent at residential multi-unit apartments (excluding private/home residences) along with a renters' bill of rights (no fees for applications, pet charges, background/credit checks; no evictions during school year for families with children or during acutely cold/hot days). I will utilize City Hall resources by securing renters' privacy assuring fair, quick, and equitable housing vetting processes and empowering Portland Housing Bureau to enforce housing codes/violations and city policies. I will advocate capping rents to 35% of renters' annual net incomes below \$50K. The difference will be made up by city, county, state, and federal governments including nonprofits.

I will work with TriMet to transition to a fare free public transit system, where all max lines and frequent bus routes run 24/7 with transit security stepping in until ridership/safety is restored.

We must make biking safer by converting existing bike lanes into protected barriers from vehicular traffic and addressing pothole ridden roads.

The decommissioning of the Critical Energy Infrastructure Hub by 2025's end and relocating 193 million gallons of stored liquid fuel are imperative. This will be paid for by bonds and various environmental governmental agencies including Salem.

VOTE OLIVIA CLARK #1
DEAR NEIGHBORS:

I have a lifelong passion for public service and track record of success. I would be honored to earn your vote and be your voice on Portland City Council.

WE DESERVE A CITY THAT WORKS FOR EVERYONE:

- * End street camping and open air drug use.
- * Safe streets and improved 9-1-1 response times!
- * Streamline permits for housing and shelters.
- * Ensure Climate Resiliency.

MY RECORD:

- * Co-founded CASA building farmworker and affordable housing
- * Improved public safety and secured fire trucks for local government
- * Strengthened Oregon's Clean Air Plan
- * Secured \$500+ million for light rail and Tilikum bridge
- * Led state-local partnerships for Governor Kitzhaber
- * Chaired Oregon Providence Health System Board

Lisa Freeman

Occupation: Government Transition & Community Safety Expert

Occupational Background: City of Portland & US Agency International Development

Educational Background: International Peace & Conflict Resolution, MA; Political Science & Intercultural Studies, BA

Prior Governmental Experience:

15 years public service: City of Portland, USAID, Peace Corps

Let's Move Rose City Forward Together

"Lisa's decade of experience as a government transition expert makes her uniquely qualified to guide Portland through one of the biggest transitions in our city's history. We need Lisa's steady leadership and thoughtful decision making on Portland's next city council!" **Willy Chotzen, State House Dist. 46 Nominee**

"Lisa's vision for Portland gives me hope for the future for my son, my community, and my small business." **Noah Bernstein, Bagel Shop Owner**

"Lisa has excellent experience, is insightful, and committed to contribute to the kind of city I want to live in!" **Community Advocate**

Charter Reform / Government Transition

I have worked in over a dozen countries to help local governments build confidence in new political systems. **I will ensure our new form of government is successful. I am the only candidate in the race with government transition experience.**

Community Safety

I oversaw programs that helped reduce gun violence by 30% from its peak in 2022. I'll continue expanding public safety response offerings that **send the right responder to the right call.**

Housing

A strong advocate for affordable housing, **I will prioritize increasing the availability of housing for all income levels in Portland.**

Climate

I support Portland Clean Energy Fund and other strategies that **invest in community-led projects to reduce carbon emissions, create economic opportunity, and make our city resilient for our kids.**

IT'S A NEW ERA. VOTE SARAH!

Dear neighbors, I grew up in the neighborhoods of District 4. I'm raising my kids here because of Portland's incredible natural beauty and creative, caring people. As a city employee of 12 years, I've seen firsthand how dysfunctional management prevents us from getting things done. **I am not a politician; I just want things to work.** As an engineer, I will bring the many parts of our city together into a functioning system. As your voice on council, I will champion:

Climate and Environment - Phase-out fossil fuels, adapt our infrastructure, protect Forest Park and the Willamette River; center our future in today's decisions.

Housing and Homelessness - Reimagine and increase housing options downtown. Fix root causes of permit delays. Provide shelter, night and day.

Community Safety - Make PSR 24/7 so other first-responders can focus on what they do best. Make Portland safe for all, regardless of ability or identity.

Fiscal Responsibility - Listen to everyone in District 4, prioritize the work and focus on direct service. Increase transparency and accountability around the WHOLE budget, not just items up for vote today.

"I am proud to offer my strong endorsement for Sarah Silkie for Portland City Council. With her impressive background in environmental engineering, deep roots in Portland, and extensive city experience, Sarah is uniquely positioned to address our city's pressing issues." - *State Representative Mark Gamba*

Cascadia Megaquake will Devastate an Unprepared Portland

THE POWER GRID COLLAPSES. Communication systems go silent. Sewers overflow. Nearly 100,000 homes are destroyed. Most of Portland's bridges disintegrate. Looters emerge, capitalizing on the chaos. Tens of thousands of displaced coastal refugees pour into the city, seeking food, water, and shelter. Portland, as we know it, would become unrecognizable...

The Oregon Department of Geology reports that if the megaquake happened tomorrow, Portland could see "more than \$80 billion in building damage, tens of thousands of people wounded or killed, and over 250,000 facing long-term displacement." (*The Oregonian*, 03/15/2018).

But it doesn't have to be this way.

IMAGINE INSTEAD...

CASCADIA READY is the plan to provide green jobs and ensure **everyone** in Portland has an affordable, disaster resistant home.

When the megaquake strikes, decentralized energy grids in every neighborhood keep the lights on, powered by local renewable generators. Managed by a public utility district, rates have long been affordable. Community gardens have proliferated throughout the city, beautifying our streets and providing an emergency food supply for all in need.

We've decommissioned the CEI Hub, which will no longer threaten to pollute our water supply with a deluge of petroleum. City Council's finances are no longer beholden to Wall Street, because our resources are reinvested in the community instead.

A Green Public Bank will invest in worker cooperatives and prevailing wage jobs to rebuild our infrastructure for the dangers posed by the megaquake and climate change alike. A \$25/hour minimum wage will be paired with a cost-of-living adjustment, rent control, and financial support for small businesses to empower workers and revitalize Portland's economy.

Chris Henry will prioritize the immediate needs of working Portlanders now and proactively advance our long-term goals for resilience and survival into the future.

Educational Background: Carleton College, BA; Columbia,

Urban Planning; Harvard, Architecture

Prior Governmental Experience: Public Park User, Portland Taxpayer, First Time Candidate

We'll never change what comes out of City Hall if we don't change who we send in. We need to start electing people who want to DO something, not just be something.

I've been a Portland architect for the last 27 years. I know how to make places where people want to be. I've never wanted to run for public office, but I can no longer sit on the sidelines and watch what's happening to the city I love. I'm a lifelong Democrat who values practical solutions, not arguing over ideology.

Our problems are real, but I believe Portland's best days lie ahead of us. I'm asking for more than your vote – I'm asking you to join me in getting involved and holding our government accountable. We need to act together to make our government worthy of the people it is intended to serve.

Please join me.

Ben Hufford

Less Talking. More Doing

We need more housing. We need to clean up our city. We need to revitalize downtown and create a functional system of drug and mental health services.

- Clean up trash and graffiti to restore Portland pride
- Provide clean, safe shelters as we enforce public camping laws
- Create mental health and addiction treatment capacity
- Strengthen non-violent street response and add police officers
- Remove barriers to building more housing in Portland
- Compel local governments to coordinate and use resources better
- Link spending to measurable targets and make results public

City of Portland Councilor, District 4

Eric Zimmerman

Occupation: Chief of Staff, Multnomah County Commissioner Julia Brim-Edwards; Major, Oregon National Guard

Occupational Background: Central City Senior Advisor, Portland Mayor's Office; Deputy City Manager in two cities; 17 years' military service

Educational Background: University of Portland, BS, MBA

Prior Governmental Experience: Deputy Chief, US Embassy Bangladesh; County Veterans Task Force

Our biggest challenges: homelessness and public safety. My experience inside and outside City Hall is unmatched, we need practical solutions for Portland today.

I helped open the largest, most successful shelter in Portland. We must enforce camping regulations, and to do so, we need to open more successful shelters that do not negatively impact neighborhoods.

When Portlanders didn't feel safe downtown, I organized the shutdown of the open-air drug market at 4th/Washington.

I led the 90-day reset in the Central Eastside, helping businesses reclaim their streets, removing camps, graffiti, and expanding safety lighting.

When Multnomah County gave out "foil and straws" for fentanyl, I helped stop it. They tried to raise fees against small businesses, I helped stop that too.

Portland needs experienced leaders.

Portland's ready for its next chapter. Elected leaders must recognize the struggles our neighbors/businesses are experiencing. We need to clean up camps, enforce drug laws, and building housing must be easier and quicker.

Portland's future is personal for me. As a gay man and a veteran, I'm lucky to call Portland home. I want to make Portland the safe, thriving city it can be for years to come.

**City of Rivergrove
Councilor**

William K Tuttle

Occupation: Retired Radiation Safety Officer, Portland V.A Medical Center

Occupational Background: None

Educational Background: U. of Tennessee, Nuclear Physics, PhD; U.of Texas, Physics, BS

Prior Governmental Experience:

None

My wife and I have lived in Rivergrove for almost 42 years. Over that time, we have seen many changes. After a while, I joined the Planning Commission. In that capacity I helped write Ordinance 70-2001 (flood plain ordinance) which was needed to comply with Merto's Title 3 requirements, adapting Rivergrove's unique features into the suggested model code. Later, as acting chair, I brokered the development application that became Renaissance Woods and enabled us to buy the land that became Heritage Park. I later ran for City Council. Becoming Mayor for two years. I served on a subcommittee that worked on revising the City's land use ordinances that would follow the League of Oregon Cities model code. It unfortunately stalled, but I want to start it up again. It will provide more clarity to citizens and make it much easier for development.

City of Sandy Mayor

Kathleen Walker

Occupation: Trails Planner

Occupational Background: Mt. Hood National Forest: Recreation Manager 1992-2015; Timber Planner 1987-1992; Fremont National Forest: Forest Planner 1983-1987

Educational Background: Colorado State, Forestry, BS

Prior Governmental Experience: Sandy City Council: 2021-present;

Parks Board:1996-2020; Budget Committee: 2019-present; Mt. Hood Chamber: 2002-2018

As your Sandy Mayor, I will:

Make Developers Pay for Infrastructure

Developers must pay their share of system development charges (SDCs) when building! These SDC's pay to expand and rebuild old infrastructure. If developers don't pay their share, our utility bills increase. My opponent has voted, and intends to reduce SDC's. I voted to **increase SDCs**, and **will ensure developers pay their fair share.**

Get Grants for Water/Sewer and Reduce Rates

Oregon regulations are requiring Sandy to move our wastewater discharge to another location, and to rebuild our connection to Portland's water filtration plant. These costly projects are funded with loans, paid back with increased SDC's and higher utility bills. **We must get more grants for these unfunded mandates, to lower utility bills.** I've obtained over \$12 million in grants in the past, and **will work tirelessly to find more grant funding.**

Increase Police Funding for Patrols and Homeless Issues

I obtained more school district funding for our School Resource Officers, freeing more police funds. Our new grant funded homeless coordinator will connect homeless to services, and **enforce our regulations, making police available for more patrol work.** Working with our new Police Chief, **I will seek more funding sources to reduce homelessness and increase police in Sandy.**

Slow Growth and Reduce Residential Densities

Sandy's growth rate has been high for years. My opponent voted to **rezone for higher densities.** I voted **no**, will seek to **decrease densities**, and work for **"resident friendly" NOT "developer friendly" policies.**

I loved helping build Sandy parks and trails. With your vote, I want to continue creating a bright future for all in Sandy!

More information: www.walkerforsandy.com

Endorsements: Mayor Pulliam, Councilors Sheldon and Hokanson

(This information furnished by Kathleen Walker)

City of Sandy Mayor

Laurie Smallwood

Occupation: Emergency Medical Services Officer, Clackamas Fire District.

Occupational Background: 17 years in Public Safety and Emergency Medical Services, including Volunteer and Career as a Firefighter with the Sandy Fire District and Clackamas Fire District

Educational Background:

Western Oregon University, Interdisciplinary Studies, Bachelor of Science; Grand Canyon University, Leadership; with emphasis in Disaster Preparedness and Executive Fire Management, Master of Science

Prior Governmental Experience: 6 years serving on the Sandy City Council; including 2 years as Council President; City of Sandy Budget Committee; City of Sandy Economic Development Committee; City of Sandy Homeless Taskforce; Board Chair of Sandy Community Action Center.

I am a 1990 graduate of Sandy High School and have spent over 30 years as a Sandy Resident. Growing up in Sandy has given me a strong sense of community and desire to see Sandy residents and our local businesses flourish. I would bring a balanced approach as your Mayor.

I have spent my career serving the citizens of the Sandy Fire District/Clackamas Fire District as a Firefighter/Paramedic. Serving the people of Sandy has been an honor and privilege.

Aside from spending the last 6 years on City Council, I have served as the Board Chair for the Sandy Community Action Center, member of the Homeless Taskforce, Economic Development Advisory Board and Council Liaison for the Parks and Trails Advisory Board. This experience has given me a well rounded and grounded view of the current state of the city.

My Priorities include;

Transparency and fiscal responsibility: City Government should remain accountable to you the citizens about financial activities.

Public Safety: Our neighborhoods and streets should be safe.

Decreasing Homelessness: Working with the County to find a coordinated approach to much needed services, treatment and housing.

Economic Development: Working with City Staff to fill our empty office spaces to assist our local economy.

City of Sandy Councillor, Position 3

Richard Sheldon

Occupation: Captain at Clackamas County Sheriff's Office

Occupational Background: Law Enforcement, US Army (6 Active, 14 Reserve)

Educational Background: American Military University, Criminal Justice, Bachelors of Arts

Prior Governmental Experience: Current Sandy City Councillor, Military Advisor to Afghanistan

National Army

My family and I chose Sandy for its small-town charm and natural beauty. Over the 14 years we have lived here, Sandy has grown rapidly, presenting both opportunities and challenges. As a City Councillor, I have worked to protect what makes Sandy special; ensuring our community remains safe, affordable, and welcoming for current and future residents.

Responsible Growth: Make Development Pay for Itself

Rapid development from the past has burdened Sandy's infrastructure, utilities, and public services. Growth should pay for itself, not be subsidized by existing taxpayers. I will work to protect System Development Charges (SDCs) to ensure new development pays its fair share of required infrastructure costs. These one-time opportunity fees minimize the growth impacts on Sandy's current residents, while maintaining our high quality of life. By ensuring future development funds critical services, we can grow sustainably and protect our community's resources.

Public Safety: Prioritizing a Safe Community

With Sandy's growth comes the need for stronger public safety services. As a law enforcement professional, I know the importance of properly funding police, fire, and emergency services. I will advocate for increased public safety funding to ensure our first responders have the resources they need to keep our streets safe and our community secure.

Listening and Collaborating with the Community

Transparency and accountability are critical in government. I am committed to continuing to listen to residents and working together to solve our city's challenges. By fostering open communication and collaboration, we can ensure a bright future for Sandy while preserving the values we all cherish.

Together, we can protect Sandy's future. I respectfully ask for your vote for City Council.

(This information furnished by Richard Sheldon)

The above information has not been verified for accuracy by the county.

What if I did not receive a ballot?

If you do not receive a ballot by Oct. 24, 2024 call Clackamas County Elections at 503-655-8510.

What if I need assistance voting?

Voters with disabilities, or those needing assistance voting in a language other than English, may contact Clackamas County Elections for voter assistance or interpretation services.

What if I make a mistake on my ballot?

You may simply cross out your mistake, write "not this," and circle the intended choice.

What if I change my mind after I have returned my ballot?

As soon as you deposit your ballot in a mailbox or at an official ballot drop site, your ballot has been cast. A new ballot cannot be issued.

Does my ballot have to be returned by mail?

No. You may return your ballot by mail or drop it off at any official ballot drop site in the state.

Do I need a stamp on the envelope to return my ballot?

No, stamps are **NOT** required to mail your ballot back to Clackamas County Elections.

When must my ballot be returned?

If you send your ballot through the U.S. Mail, it must be postmarked by Election Day, Tuesday Nov. 5. or, you can drop off your ballot at any official ballot drop box in Oregon by **8 p.m. on Election Day, Tuesday Nov. 5.**

Where is my secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the United States Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

When is Clackamas County Elections open on Election Day, Nov. 5?

On Election Day, Clackamas County Elections will open at 7 a.m. and close at 8 p.m. at two voter service locations.

- Clackamas County Elections office at 1710 Red Soils Ct., Suite 100 in Oregon City
- Happy Valley Vote Center inside the Happy Valley Library at 13793 SE Sieben Park Way in Happy Valley.

City of Sandy Councilor, Position 4

Aryn (Trimble) Ferguson

Occupation: : Property manager, construction oversight, accounting

Occupational Background: Construction project engineer, quality control Food and beverage services

Educational Background: Oregon State University, Civil Engineering, Bachelor of Science; Sandy High School, Diploma

Prior Governmental Experience: City of Sandy Economic Development Advisory Board

Aryn was born and raised in Sandy. She and her husband are now raising their two kids in the wonderful community of Sandy. She enjoys outdoor activities including skiing, mountain biking, rafting, and hiking with her family.

Aryn has served on the board of directors for both community and professional organizations including the National Association of Women in Construction, Sandy Area Chamber of Commerce, Kelso Community Club and the City of Sandy's Economic Development Advisory Board and has volunteered her time for Meals on Wheels and coaching sports.

Aryn is dedicated to Sandy and would like to be a part of the City Council to bring a fresh perspective and help Sandy thrive. She feels she can represent a variety of community members as a mother of school aged kids, a spouse, a working parent, and a business owner. Aryn is committed to keeping Sandy a great place to live and believes her diverse experiences will allow her to bring a valuable voice to the council.

Aryn's Priorities:

- Community first: Be a voice of the people by listening and representing the citizens' priorities. Doing what is best for the community.
- Transparency: working to provide easily digestible and readily accessible information to everyone.
- Fiscal Responsibility: ensuring fees are prioritizing the city's most essential services: water, wastewater and streets.
- Affordable housing: ensuring compliance with HB 2001 to provide adequate and affordable housing. Advocating utilization of federal and state funding opportunities for affordable housing.

More information about Aryn can be found at the People for Sandy PAC's website:

<https://www.peopleforsandy.com/candidates>

City of Sandy Councilor, Position 4

Kristina Ramseyer

Occupation: I am a Direct Support Professional employed by a local nonprofit company that focuses on individualized care to clients who experience disabilities.

Occupational Background: Previous experience includes advertising sales, retail management, legal documentation transportation and owner operator of successful delivery company.

Educational Background: Mt. Hood Community College, Journalism, 'Associates

Prior Governmental Experience: City of Sandy Planning Commissioner February 2023- present

Hi Neighbors!

I am asking to represent your voice on Sandy City Council. I hope you will agree that I-am the best candidate to represent you and our future in Sandy.

I have lived in Sandy for 29 years and take great pride in our community. It has grown considerably, and the needed infrastructure investments have not kept pace with costs required for growth. Serving on the Planning Commission, I have learned the importance of developers funding the needed infrastructure for their construction.

My goals will focus on **controlling growth and ensuring developer fees are increased to fund necessary upcoming projects**. This is important to understand, as **my opponent is a land developer whose goal is to reduce developer fees, forcing infrastructure upgrades to be paid by increasing your utility bills**.

I know we cannot stop Sandy from growing, but where growth is legally allowed, **we must ensure it is done responsibly and not being subsidized by us**. I am not afraid to voice concerns and ask hard questions. I present a fresh perspective and will oppose views or decisions that do not benefit existing residents.

I will seek to maintain our strong community with **needed police protection, lovely parks and trails and vibrant local businesses**. I want to represent our interests and help Sandy flourish .

We are neighbors, and your voice matters as we continue to build our future together. **I will listen and communicate your concerns and vision going forward**.

City of Sandy Councilor, Position 6

Shawna Lundry

Occupation: Small business owner (Private Investigator), Transportation Specialist

Occupational Background: Police Officer; Police Detective; Clackamas County Circuit Court Clerk; Bank Teller

Educational Background: The Dalles High School; Columbia Gorge Community College, Business Management; Oregon

Police Academy/DPSST, Law Enforcement

Prior Governmental Experience: N/A

Born and raised in Oregon, I'm a wife, mother, grandmother, and small business owner. My family moved to Sandy in 2015, and we are proud to have 2 (soon to be 3) Sandy High School Graduates.

I'm a Sandy Mountain Festival board member in charge of the backstage entertainment, a Sandy Area Chamber of Commerce member, and a community volunteer. I truly enjoy being a servant to our community.

If elected, I will look at promoting reasonable Standard Development Charges to make it possible for the middle class to afford to live in Sandy, while also advocating for developers who wish to provide affordable housing to our hard-working residents.

I will support more funding for additional police officers which could provide adequate staffing with a greater emphasis on traffic enforcement in the Sandy community.

I will work hard to ensure frivolous spending on special interest projects ceases until we have enough staff to maintain what we currently have without overspending or raising taxes and/or fees.

I want to explore public/private partnership options and grant opportunities to build a community aquatics center without raising taxes.

A vote for me is a vote for transparency, and integrity while also building positive change in our city.

(This information furnished by Shawna Lundry)

City of Sandy Councilor, Position 6

Don M Hokanson

Occupation: Project Management and Business Analysis Consultant

Occupational Background: Enterprise Architect; Restaurant Owner (Sandy); Software Developer

Educational Background: University of Utah, Mathematics, B.S.

Prior Governmental Experience: Sandy City Council since 2021, Oregon Trail School District Budget Committee, SandyNet Advisory Board

BEST QUALIFIED - RESPECTED

I am **uniquely qualified** to continue shepherding our city's most challenging projects including our wastewater and freshwater system upgrades mandated by Federal and State regulators. My professional career with **extensive experience in utilities and large capital projects** allows me to understand, assess, and counsel with project teams to **develop optimal plans for a sustainable future.**

I **refuse all political funding** so I am not beholden to any big-money interests inside or outside of our community. I'm not motivated by political ideologies or ambition. I'm not afraid to take stands on unpopular yet correct positions regardless of consequences.

ACCOMPLISHMENTS AS A COUNCILOR

- Establishment of WinterFest - lights in Meinig Park
- Design and construction of Cedar Park with trails, bike and skate park
- Program oversight for wastewater and drinking water improvements
- Improved budget transparency for non-resident expenses
- SandyNet's focus on financial sustainability
- Restructuring SDCs (fees developers pay) to incorporate infrastructure expansion cost
- Website and information access and transparency improvements

WHAT STILL NEEDS TO BE DONE

- Identify affordable additional state and federal funding for infrastructure projects
- Continuously set SDCs to reflect cost of infrastructure to support growth
- Update the code to retain maximum local control for state-mandated housing initiatives
- Implement total life cycle cost accounting for more accurate budgeting

WHAT YOUR VOTE MEANS

My first term has been a whirlwind of learning with many accomplishments. Voting for me provides **continuity and stability** at a critical time in our city's history. Together we will ensure that **developers pay for growth** - not city residents. We will set in place programs so that future generations won't be saddled with another infrastructure crisis.

**City of Tualatin
Councilor, Positon 2**

Christen Sacco

Occupation: Director of Merchandising and Sales Operations

Occupational Background: Merchandising; Product Management; Operations

Educational Background: Eastern Oregon University, Bachelor of Science in Business Administration and Organizational Leadership

Prior Governmental Experience: Tualatin City Councilor; Tualatin Council Committee on Advisory Appointments; Willamette River Water Coalition Board; Tualatin Parks Advisory Committee Vice-Chair; Tualatin Veterans Plaza Stakeholders Advisory Committee; Tualatin Bee City USA Facilitation Committee; Tualatin Tree City USA Board Member

I am a native Oregonian and have called Tualatin home since 2008. I am seeking re-election to continue the great work the council has done over the last four years. I have been unwavering in my commitment to ensure Tualatin is a place where everyone has access to resources and feels a sense of belonging. I promise to continue to lead with integrity and courage.

Accomplishments:

- Formation of the I.D.E.A. Advisory Committee
- Planning for and advancing the Veterans Plaza
- Adopting the Climate Action Plan
- Successfully advocating for the Parks Bond
- Testifying on behalf of Tualatin regarding tolling plans
- Support for Tualatin Moving Forward Transportation Bond projects
- Formation of the Basalt Creek and Core Area Urban Renewal Districts
- Advocating for community preparedness and resiliency

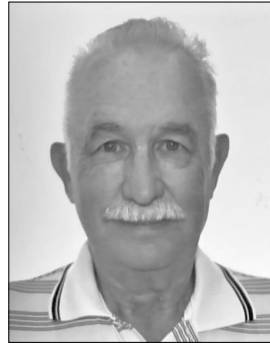

Priorities:

- Equity, Diversity, Inclusion, Access and Belonging
- Health and Safety
- Environmental Stewardship
- Affordable Housing
- Advocating for Local Businesses
- Parks and Recreation
- Transportation Improvements
- Engaging our Youth

I appreciate your support!

(This information furnished by Christen Sacco)

**City of Tualatin
Councilor, Position 4**

Danny O'Neal

Occupation: Retired U.S. Navy Master Chief Petty Officer

Occupational Background: Adec, Newberg, OR, Customer Service Supervisor; DCI, Newberg, OR, Technical Trainer/ Customer Service; Patterson Dental, Nashville, TN, Technical/ Territory Sales; United States Navy Command Master Chief

Educational Background: Mt. Juliet HS, TN - General Education, Diploma; Navy Senior Enlisted

Academy, Newport, RI - Leadership/Management, Diploma; City University of Seattle, WA - Liberal Arts, Human Resources, AA Degree

Prior Governmental Experience: Navy Command Master Chief, Long Beach, CA; Byrom CIO-Land Use Officer; Tualatin City-TSP Bike Focus Group

Danny O'Neal

Tested | Trustworthy | Practical | Fair

As a resident of Tualatin for over 27 years and the parent of a Tualatin High School graduate, I have witnessed our city's growth and its accompanying challenges. My commitment as your City Councilor is to serve in a nonpartisan and supportive manner, always prioritizing financial responsibility to ensure a safe and prosperous community for everyone. My focus will be on the real-time needs of the community and especially your concerns for your family.

My dedication to service extends beyond my time here in Tualatin. I served 24 years in the United States Navy, retiring as a Master Chief Petty Officer. My volunteer work included coaching Navy Little League teams. Currently, I participate in housing development meetings to advocate for our Tualatin community's needs. I also serve on the CIO Byrom Board as the Land Use Officer, attending Planning Commission and City Council meetings, and contributed to the success of the First Byrom Community Fair on June 29th.

To emphasize my commitment to this nonpartisan office, I will not seek endorsements from organizations or individuals. My sole endorsement will be your **VOTE** on November 5th to elect me as your next City Councilor. I am seeking this important position now because I see the need for my experience and devotion to getting it done right.

"LET'S DO THIS TOGETHER"

City of Tualatin Councillor, Position 4

Cyndy Hillier

Occupation: Executive Director - Tualatin Together

Occupational Background: Non-Profit Management

Educational Background: Fife High School, Pacific Lutheran University, 1986-87; National Coalition Academy Graduate 2013, Coalition Business Administration Certification, 2022

Prior Governmental Experience:

Tualatin City Councillor 2021 - Present; Tualatin Budget Committee 2019, Chair 2020; Tualatin 2040 Advisory Committee; Parks and Recreation Master Plan Project Advisory Board

As a 26 year resident of Tualatin, wife, and parent of students who graduated from Tualatin schools, I have a long track record of service to the community.

Cyndy Hillier- Proven Commitment

- Tualatin City Council; Councillor (2021 - present)
- Byrom Elementary PSO; President (2007-2011)
- Hazelbrook Middle School PSO; (2011-2015)
- Tualatin High School TSO; (2014-2017)
- PackBackers, Concessions Coordinator (2015-2021)
- Foundation for Tigard Tualatin Schools - Twilight Run Chair (2009-2014)
- Winona Grange #271 - Executive Committee (2023-present)

Behavioral Health Experience Has Never Been More Important

As Executive Director of the non-profit organization, Tualatin Together, since 2012, I have been dedicated to supporting the youth and families in Tualatin; aiming to help our young people reach their full potential. Our success is measured by community involvement in prevention, awareness of the dangers of youth substance misuse, positive mental health norms and building mentorships that offer a trusted adult in the lives of young people.

Cyndy Hillier - Second Term Goals

- Imagine a gathering place that includes programming and skill building for people of all ages, abilities and cultures.
- Enhance conduits to increase county services for all, especially our marginalized neighbors including transportation, housing and access to quality care.

"I seek reelection to continue serving Tualatin. I am committed to preserving livability, safety, mental health and honoring the balance between business and community. In this spirit of service and outcomes, I humbly ask for your vote."

City of Tualatin Councillor, Position 6

Valerie Pratt

Occupation: Chief Financial Officer

Occupational Background: Certified Public Accountant, Financial Controller, Business Owner

Educational Background: Portland State University: Bachelor of Science Business Administration-Accounting.

Prior Governmental Experience:

Tualatin City Council President; City Council; Climate Action Plan Steering Committee; Transportation System Plan Community Advisory Committee; Community Police Foundation-President; Council Committee for Advisory Appointments; Budget Committee; Stafford Hamlet-Council Liaison; Core Area Parking District Board; Parks Advisory Committee-Chair; Parks and Recreation Master Plan Advisory Committee-Chair

Clackamas County Coordinating Committee; C4 Metro Subcommittee; Climate Action Task Force

ODOT Region 1 Area Commission on Transportation

I have enjoyed living in Tualatin for 30 years and raising my family here and hope to be here for many more years. My purpose for serving on city council is to continue my efforts to ensure all voices are heard, preserve Tualatin's wonderful sense of community, and find sensible long term solutions for our city's challenges.

Continuing priorities:

Climate Action Plan: prioritizing actions from the newly-adopted Plan and developing a course for implementation.

Parks/Greenspaces: ensuring that funds from the Parks Bond are best used to provide outdoor greenspaces and recreation for everyone who lives, works, and plays in Tualatin.

Transportation Funding: supporting revenue sources that do not increase diversion in our city, are fair, and that ensure the majority of revenues will be used for maintenance and transportation projects.

Public Transportation: raising awareness of the need for increased public transportation connections and availability.

Housing: supporting incentives and innovative ideas to provide affordable housing and home ownership.

Mental Health Services: Working in collaboration with other jurisdictions in our region to provide those in need the support to get safely to service providers located long distances away.

City Planning: Encourage the City to adopt a long-range planning approach, update building codes, and streamline the permitting process to encourage a vibrant economy and healthy environment well into the future.

City of West Linn Mayor

Rory Bialostosky

Occupation: Mayor of West Linn

Occupational Background:

Case Assistant at Stoel Rives LLP (2024-present); Intern at Perkins Coie LLP (2022-2023)

Educational Background: Lewis & Clark College, International Affairs, BA(2022); West Linn High School, Diploma (2018)

Prior Governmental Experience:

West Linn: Mayor (2023-2024),

Council President (2022), City Councilor (2021); South Fork Water Board: Member (2021-2022), Vice Chair (2023) and Chair (2024); C4 Representative.

I grew up in West Linn and attended West Linn schools. I ran for City Council to help chart a new course for West Linn that focused on creating a brighter future for all. I became Mayor in 2023 to build on that vision, and the work is not done! I am eager to continue to serve to move West Linn forward.

As Mayor, I have, among other things:

- Led the fight to stop tolling on I-205.
- Successfully secured \$6.25 million in state and federal funding for our major water line replacement, one of the largest infusions of state and federal dollars in our city's history.
- Prioritized work on two important community visioning plans for the West Linn Waterfront and Highway 43 corridor.
- Appointed our Police Oversight Board membership to ensure ongoing transparency and accountability.
- Modernized our city development code through a major overhaul of outdated code.
- Approved the renovation of Historic City Hall.

As your Mayor, I will continue to advocate for, among other things:

- Revitalizing the Highway 43 corridor through our Vision43 project.
- Working with the community to define our vision for the Waterfront area to bring West Linn access to more river recreation space, retail shops, greenspace.
- Solving our water system funding shortfall to ensure safe drinking water continues to be provided.
- Sustained investment in better roads and multimodal transit options.
- Transparency, fiscal responsibility, and proactive communication with constituents.

City of West Linn Councilor

Mary Baumgardner

Occupation: West Linn City Council President

Occupational Background:

Special Education Paraeducator, West Linn-Wilsonville School District; Elder Family Caregiver; Farmer

Educational Background:

West Linn High School, Diploma; Oregon State University, Liberal Arts/English, B.A.; Portland State University, Tribal Relations, Certificate

Prior Governmental Experience: West Linn Sustainability Advisory Board, Transportation Advisory Board, Parks and Recreation Advisory Board; Willamette Falls Locks Authority; South Fork Water Board

Council President Mary Baumgardner: Moving West Linn Forward

As a longtime resident and community volunteer, first elected to council in 2020, I have worked hard these last four years to deliver for West Linn. I am running for re-election to build on the progress we have already made, which includes:

Pushing back against I-205 tolling.

Result: Tolling is paused indefinitely, and we are remaining vigilant should it return.

Advocating for West Linn at state and federal levels.

Result: **\$5 million** in state funds and **\$1.25 million** in federal funds secured for critical infrastructure needs.

Responding to community concerns about public safety with compassion and transparency while supporting our police.

Result: Council created and appointed the Police Review and Recommend Committee to review complaints and use-of-force incidents and to advise on policy reforms.

Strengthening relationships with regional tribal governments.

Result: Implemented tribal relations outreach plans with the goal of becoming better government partners.

It's time to put me back to work:

- Maintaining West Linn's community character and cherished open spaces while addressing affordable, diverse housing needs.
- Visioning for the Willamette Falls and River projects with an emphasis on public access, environmental protection, and economic development, including reopening the **Willamette Falls Locks** and supporting the **Willamette Falls and Landings National Heritage Area** designation.
- Promoting safe and reliable transportation options, especially safe routes to schools.

Together, we can ensure West Linn remains the vibrant and welcoming place we call home.

City of West Linn Councillor

Carol Bryck

Occupation: West Linn City Councillor

Occupational Background: Chief Financial Officer, Clackamas River Water; Interim Finance Director, City of Lake Oswego; Vice President Robinwood Neighborhood Association; Board Member, Friends of Robinwood Station; Cash Manager, TVBS; Cash Manager, The Greenbrier Companies; Manager of Cash

Disbursements, Apple Computer

Educational Background: Portland State University, Public Administration, Exec Masters of Public Admin; University of Alaska, Anchorage, Accounting, Bachelors of Business Admin

Prior Governmental Experience: City Councillor, City of West Linn; Vision43 Working Group Member; Citizen's Budget Committee, City of West Linn; Highway 43/Willamette Falls Drive Citizen Advisory group member

I am honored to be on the West Linn City Council and am excited to continue to serve my community. I have lived in West Linn since 1999, raised my three children here, and seen them graduate from West Linn's schools. I hope to continue to put my 20 years of experience in public budgeting, finance, and administration to work for West Linn.

West Linn faces many challenges due to existing financial constraints. My strong financial background will be an asset to the dedicated group of citizens, volunteers, council members, and staff, working every day to serve our community.

As your City Councillor, I want everyone to be heard, and I want to hear from you. Together, we will continue to make progress toward our mutual goals.

I pledge to work to:

- Make decisions that are fiscally responsible and transparent, finding the highest and best use of available funds
- Define and fund our drinking water capital needs, exploring alternative funding sources where available
- Enact the community-informed Vision43 plan to revitalize and beautify the Willamette Drive corridor
- Make West Linn a safer place to walk, bike, and roll, especially so children can play and explore safely and independently
- Protect vital environmental resources in our city

City of West Linn Councillor

Mark Perlman

Occupation: Orchestra Conductor - Music Director, Willamette Falls Symphony (Oregon City); Tualatin Valley Symphony (Tigard); and Oregon Mahler Festival.

Occupational Background: Professor of Philosophy at Western Oregon University, 1998-2022.

Educational Background: University of Arizona, Philosophy, Ph.D.; The Ohio State University, Philosophy & Anthropology, M.A.

and B.A.

Prior Governmental Experience: Member of the Public Employees Benefit Board of Oregon, 2015-2021, safeguarding health benefits for all Oregon state employees, with a \$2 billion budget.

A NEW VOICE FOR WEST LINN CITY COUNCIL

WE NEED MARK PERLMAN SO WEST LINN CAN DO BETTER.

WE MUST WORK TOGETHER TO PRESERVE WEST LINN'S BEAUTY, FRIENDLINESS, LIVABILITY, SAFETY, AND QUALITY OF LIFE.

ON THE PERSONAL SIDE:

- Five-year resident of the Willamette neighborhood.
- Accomplished conductor of two area community orchestras and summer festival.
- Twenty-three years teaching philosophy at Western Oregon University.
- Two-term President of the WOU faculty union.

MARK WANTS WEST LINN TO MOVE FORWARD BY:

- Encouraging more citizen input in important decisions facing our city, and ensuring that city council decisions reflect the will of the people of West Linn.
- Improving West Linn's congested and under-maintained roads, making them more accessible for pedestrians and bicycles.
- Promoting smarter development to make West Linn a better place.
- Making sure that developers follow the rules, preserve trees and protect our environment, and requiring that developers and builders actually do what they promise.

MARK IS ENDORSED BY:

Oregon State Senate President Rob Wagner

Democratic Party of Clackamas County

Oregon State Representative Paul Evans

Tualatin Valley Water Commissioner Carl Fisher

Community activists Ed and Roberta Schwarz

City of Wilsonville Mayor

Shawn O'Neil

Occupation: Attorney

Occupational Background:
Senior Assistant Attorney General

Educational Background:
Willamette University College of Law, J.D.; Boston University, B.A.

Prior Governmental Experience:
Wilsonville Budget Committee (2020-2024); Wilsonville, Development Review Board (2015-2021); West Linn-Wilsonville

School District Safety Advisory Committee; Wilsonville Leadership Academy

As an Oregonian for 36 years, Wilsonville resident for 16 years, husband, and parent of a Wilsonville public school student, I've unwaveringly served our community. If elected, I will be a **VOICE for Wilsonville**.

SERVICE During my nine years serving Wilsonville and volunteering with the School District, it mattered who showed up to serve, their vision, and how prepared they were to do the work. As Mayor, I will improve our city services, including city planning, parks, community center, transit, utilities, and law enforcement.

RESPECT I respect and listen to everyone in our community, including our seniors, people of color, the LGBTQ+ community, historically marginalized individuals, disabled people, and those struggling financially. They deserve no less.

ADVOCACY For 33 years, I've helped hundreds of Oregon small businesses, seniors, and others. As **YOUR** Mayor, I'll advocate for Wilsonville: **against** Tolls and Aurora Airport expansion; **for** better infrastructure to alleviate traffic congestion, and **for** affordable housing so residents can remain throughout their lives.

I am **not affiliated with a political party** and I understand that effective leaders partner with all who share a desire to improve the lives of **everyone** in our great City.

We Stand with Shawn:

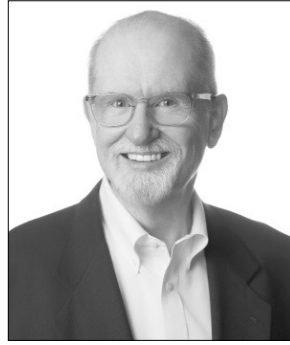

Aaron Woods, State Senator
Julie Fitzgerald, Mayor
Kristin Akervall, City Council President
Joann Linville, City Councilor
Sam Scull, Wilsonville Planning Commission
Imran Haider, Wilsonville Diversity, Equity, and Inclusion Committee
Maegan Vidal, WLWV School Board Member
Anne Shevlin, Charbonneau CC Board President
Craig Roberts, former Clackamas County Sheriff
Tim Knapp, former Mayor
Charlotte Lehan, former Mayor
Susie Stevens, former City Councilor
Elaine Swyt, Rotary "First Citizen of Wilsonville 2020"
Mary Elizabeth Harper, Wilsonville Library Foundation Director
Leigh Crosby, Community Advocate
Autumn Paul, Teacher
Melissa Fireside
Pat Hickman
Mary Pettenger

City of Wilsonville Mayor

Glenn Lancaster

Occupation: Small Business Owner.

Occupational Background:
Engineering Entrepreneur; Utility Industry.

Educational Background:
Centenary University, Business Admin/Marketing

Prior Governmental Experience:
Local Activist; Clackamas County Committee Chair; Charbonneau Country Club-Board; Compassionate Hands International-Board.

I love Wilsonville and know we face real issues that need action. The decisions we make now will shape our future. With my experience, commonsense plan, and commitment to including all voices, I'm ready to lead and get us back on track to becoming Oregon's most livable city. **We can fix this!**

As your full-time mayor, I will:

Reduce Traffic Gridlock:

Bad decisions created our traffic mess, but good decisions can fix it. What can a mayor do? A lot. I've developed a plan to reduce Wilsonville's gridlock, including stopping tolls, improving signal timing, smarter road improvements, better zoning, and updating bridge plans for auto use. **Learn more at www.EndTrafficJams.com.**

Permanently End Tolling

I've been a vocal opponent of tolling, yet Salem is still planning to force it on Wilsonville. While others claim to oppose it, they're not taking action. I have and will actively support efforts to end tolling, including IP-31 and **the plan at www.NoTolling.com.**

"Glenn is a strong opponent of freeway tolling, fighting alongside us to permanently stop it in Wilsonville. As Mayor, he will play a key role in ending tolling across Oregon." – *No Tolls Oregon-PAC*

Include all voices

Our current leadership has relied on like-minded voices, leaving many feeling unheard and disconnected. Despite claims of inclusivity, that's not how our community feels. I will lead with a bottom-up approach, ensuring everyone is part of shaping Wilsonville's future.

Increase Affordability & Livability

My '**Slow Smart Growth**' plan focuses on improving livability in Wilsonville. Residents agree on key issues like traffic, tolling, transparency, public safety, homelessness and better planning, which can all be dramatically improved with commonsense solutions. **Learn more at www.SlowSmartGrowth.com.**

City of Wilsonville Mayor

Rob Candrian

Occupation: AMD - Senior Security Manager

Vice-Chair, Wilsonville Development Review Board Panel A

Occupational Background: CIA - Intelligence Officer

Highway Specialties - President

Vanir Group - Owner

Wells Fargo - Security Manager

Educational Background: Pepperdine, Law, JD

University of Utah, Political Science, BA

Prior Governmental Experience: Wilsonville Citizens' Academy

It's been a long time coming... but if you're looking for a **new generation** of **non-partisan leadership**, allow me to introduce myself - my name is Rob. I'm running for mayor.

As the son of a son of a sailor, I spent 12 years working for the CIA keeping America safe before coming to Oregon in 2018 to help own and operate a small business. My wife and I decided we wanted to raise our three kids in Wilsonville. We've been living and serving in the community ever since.

I still think it's hip to be square, so I'm running a better, more ethical campaign to bring a **new generation** of **non-partisan leadership** to Wilsonville. I'm not a Republican or a Democrat - I'm the only truly **non-partisan** candidate in what is supposed to be a **non-partisan** race. Your typical campaign would focus on soliciting donations, begging for endorsements, and pandering to voters. I'm focused on real **leadership**:

- placing **people** over politics,
- **service** over special interests, and
- **pragmatism** over partisanship.

I'm not pushing a partisan agenda while beholden to special interests and political donors. In fact, I'm spending my campaign participating in local service projects - working with family, friends, and neighbors to improve our city.

As mayor, I will continue to **serve** Wilsonville by emphasizing **intentional growth**. This means:

- Having **proper infrastructure** in place before approving additional housing developments.
- Finding **creative, realistic solutions** for the vacant properties downtown, which would increase revenue for our local schools.
- Using public funds **responsibly** to invest in city improvements that benefit all residents.

Our community is ready for a **new generation** of **non-partisan** leadership. It has to start somewhere. It has to start sometime. What better place than Wilsonville? What better time than now?

City of Wilsonville Councillor

Elizabeth Peters

Occupation: Process Improvement Consultant

Occupational Background: Strategic Economic Development Corporation; Oregon Association of Nurseries; Oregon Restaurant Association

Educational Background: Institute for Organization Management; Lewis & Clark College

Prior Governmental Experience: Executive Committee, Clackamas County Economic Development Commission; President-Elect, Wilsonville Chamber of Commerce

Wilsonville has been my home for 30 years. I've built deep friendships and enjoyed the strong sense of community that makes Wilsonville so special. Throughout my career, my focus has been on organizational leadership, serving with two of Oregon's strongest business trade associations. My work with the Wilsonville Chamber of Commerce, Clackamas County Economic Development Commission, and the Oregon Veterans Foundation has allowed me to contribute to our community in meaningful ways.

I'm running for City Council because I love Wilsonville's people. I believe in a community where every citizen feels respected and is engaged in the decision-making process. Everyone in Wilsonville has a voice and our city government needs to be truly responsive to its people.

Business Friendliness

We need to fill empty buildings, cut red tape, and improve customer service to create a business-friendly environment in Wilsonville. Supporting local entrepreneurs and small businesses will strengthen our community and keep Wilsonville vibrant.

Fiscal Responsibility

I'm committed to fiscal responsibility, ensuring taxpayer dollars are spent efficiently. This includes involving the community in financial decisions and ensuring major projects are voter-approved with clear impact statements.

Community Engagement

Fostering citizen engagement is essential for a thriving community. We need effective two-way communication channels to build trust and ensure everyone feels valued in Wilsonville.

Educational Background: Ashford University, Social and

Criminal Justice, Bachelor's Degree

Prior Governmental Experience: None

Wilsonville is our home. The livability of our city and the quality of life of our citizens MUST be the priority. Here are my approaches to addressing our city's challenges:

TRAFFIC

Wilsonville leadership has refused to take responsibility for the traffic we experience by pointing at I-5 congestion without admitting growth is a significant factor. Wilsonville's breakneck growth is undeniable. A more reasonable development plan must be implemented.

DENSITY

Wilsonville has considerably outpaced the region and state in population growth for the past 45+ years. We have a far greater share of multi-unit housing than the Portland-Metro region. We must prioritize the needs of current residents over attempting to solve regional issues.

TOLLING

Tolling is not dead. Tolling would congest surface streets further as drivers avoid tolls in favor of residential streets. Tolling is a regressive tax on working and middle-class families and could unfairly impact Charbonneau residents. I oppose tolling **unconditionally**.

ECONOMY

Wilsonville has developed a bad reputation for being unfriendly to business. Wilsonville must be a partner rather than a barrier to business. Business investment and opportunities are critical to our future prosperity.

AURORA AIRPORT

The airport expansion is concerning, especially for Charbonneau residents. Wilsonville must prioritize livability and quality of life for all citizens. We must ensure our residents' interests are being considered and protected in regional matters.

PUBLIC SAFETY AND HOMELESSNESS

As a former law enforcement officer and instructor in mental health crisis response and de-escalation, public safety is a key concern of mine. I understand the City needs to address the challenge of homelessness with a firm yet compassionate approach with partners in mental health and recovery.

Educational Background: Boston College Law School; Milligan College

Prior Governmental Experience:

WLWV School Board and Budget Committee;
Wilsonville Parks Bond Task Force;
Clackamas Co ESD Budget Committee;
Intern, Oregon Senator Bob Packwood (DC)

CANDIDATE STATEMENT

He was born and raised in Wilsonville. Attended our public schools. Graduated from Oregon State University. He wanted to stay in Wilsonville, to live and work. "Mom," he told me, "I can't afford to rent anywhere here."

Perhaps similar conversations take place in your home: Are there local doctors to care for Grandpa? Where is the mental health care for teens? Why does WES serve only certain commuters? How can gas in Canby be so much cheaper? When will we have government offices nearby? Where can we earn a living wage in Wilsonville? How best can law enforcement serve our community? What would happen to us if our roads were tolled? Why do small businesses keep closing, leaving?

I want Wilsonville to be a place where my neighbors-and their children-can live out their lives. I want it to sustain jobs and local businesses. I want Wilsonville to thrive for my existing neighbors and my new neighbors.

It would be an honor to ask questions with you, find solutions together, and be your advocate. The last two decades, I have advocated for families in and out of the courtroom as a public defender. Those skills and that commitment to working for others come with me in any role.

Ginger Fitch,
Candidate for Wilsonville
City Councilor

City of Wilsonville Councilor

Anne Shevlin

Occupation: Retired Registered Nurse

Occupational Background: Hospital Administration, Director of Nursing; Cypress Branch Board of Directors, Boys & Girls Aid; President, Charbonneau Country Club Board of Directors

Educational Background: MS Nursing Administration, Walden University

Prior Governmental Experience: None

My experience has taught me that competing priorities must be managed by finding a balance between diverse viewpoints. Wilsonville residents of all walks of life can work together to make our community better.

I have a track record of proven leadership and believe my experience will positively lead our city into the future. I spent 30 years in the health care industry, much of that time in leadership and administrative positions.

I believe in Wilsonville. I will listen to effectively represent all voices within our community, then advocate for solutions. My husband and I have lived in Wilsonville for 12 years, during which time I have come to love the city we call home. I have served in volunteer opportunities within our community and on a variety of non-profit boards.

Let's Plan our Future Together by:

- Putting Wilsonville citizens and taxpayers first by listening
- Supporting and expanding economic growth for both small and large businesses
- Providing accountability in decision-making
- Representing the interests of all citizens
- Continuing to improve livability, recreation, and safety
- Protecting Wilsonville from tolling
- Prioritizing solutions to I-5 congestion and its effects on city traffic
- Assuring that Aurora Airport expansion plans do not adversely affect our city

Please join me in working together for a healthy, vibrant Wilsonville. As a community, we are better together!

**Clackamas Soil & Water
Conservation District Director
Position 1, At-Large**

Jan Lee

Occupation: Consultant, Water & Energy Resource Services

Occupational Background: Former Ex. Director Oregon Association of Conservation Districts; former irrigation district manager; prior construction management

Educational Background: Marshfield HS, Diploma; Linfield College, Management, B.S.,

Management; Lewis & Clark College, Public Administration, Masters Degree

Prior Governmental Experience: Clackamas Soil & Water Conservation District board; Oregon House State Legislator: Clackamas County Budget Committee & Planning Commission; Sandy City Council & Planning Commission; Oregon Water Resources Commissioner

I am a committed advocate for water and conservation management practices to protect our environment while supporting a strong agricultural economy and providing food security for our communities. The technical services our conservation district provides to residents countywide in both rural and urban areas promote effective water quality and land management that enhance the county's economic viability.

Our staff assists the entire county with technical services, educational workshops, and loan and grant dollars for projects. We are not a regulatory agency but provide our services to landowners and managers on a voluntary basis.

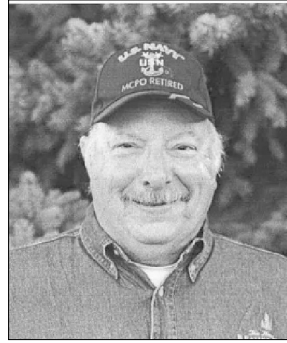

Our weed management program is highly successful, providing educational materials and removal of invasive species and other weeds. We have accomplished many acres of land restoration following wildfires. We provide grants to support the 10 watershed councils in the county as well as many local farmers' markets. Our other services include work on fish passage, irrigation systems, rainwater harvest and pollinator protection. Please visit us at www.conservationdistrict.org to learn about other services.

I have served on the district board for 16 years, in various officer positions, and participating in work for our working lands program, forestry council, and advocacy. I currently serve on the board of the Oregon Association of Conservation Districts, the statewide association for our 45 conservation districts, currently filling the role of board president.

I will assure that your tax dollars leverage additional funds from grants to serve our county's needs. I look forward to continuing service on our conservation district board with your support.

(This information furnished by Jan Lee)

**Clackamas Soil & Water
Conservation District Director

How Do I Track My Ballot?

Sign up to Track Your Ballot! Trust that your vote counts with simple, secure, mail ballot tracking! Know where your ballot is in the voting process from mailed to accepted.

As a Clackamas County voter, you can sign up to receive alerts via text, phone, or email. Know when your ballot is mailed to you. After you vote and return your ballot, be alerted when it has been accepted for counting. Your vote remains anonymous and confidential.

Sign up online for **Track Your Ballot** at clackamas.us/elections/track-your-ballot. This service is free for the voter.

Clackamas County Elections

503-655-8510 | elections@clackamas.us
clackamas.us/elections

What if I did not receive a ballot?

If you do not receive a ballot by Oct. 24, 2024 call Clackamas County Elections at 503-655-8510.

What if I need assistance voting?

Voters with disabilities, or those needing assistance voting in a language other than English, may contact Clackamas County Elections for voter assistance or interpretation services.

What if I make a mistake on my ballot?

You may simply cross out your mistake, write "not this," and circle the intended choice.

What if I change my mind after I have returned my ballot?

As soon as you deposit your ballot in a mailbox or at an official ballot drop site, your ballot has been cast. A new ballot cannot be issued.

Does my ballot have to be returned by mail?

No. You may return your ballot by mail or drop it off at any official ballot drop site in the state.

Do I need a stamp on the envelope to return my ballot?

No, stamps are **NOT** required to mail your ballot back to Clackamas County Elections.

When must my ballot be returned?

If you send your ballot through the U.S. Mail, it must be postmarked by Election Day, Tuesday Nov. 5. or, you can drop off your ballot at any official ballot drop box in Oregon by **8 p.m. on Election Day, Tuesday Nov. 5.**

Where is my secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the United States Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

When is Clackamas County Elections open on Election Day, Nov. 5?

On Election Day, Clackamas County Elections will open at 7 a.m. and close at 8 p.m. at two voter service locations.

- Clackamas County Elections office at 1710 Red Soils Ct., Suite 100 in Oregon City
- Happy Valley Vote Center inside the Happy Valley Library at 13793 SE Sieben Park Way in Happy Valley.

Clackamas County Measure 3-614

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Renew Five-Year Local Option Tax for Vector (Mosquito-Fly) Control

Question: Shall Vector District renew levy \$0.025 per \$1,000.00 assessed value for preventing mosquito-borne diseases, mosquito-fly control, general operations, capital projects?

Summary: This measure authorizes the District to renew its levy of \$0.025 per \$1,000.00 assessed value outside its existing permanent rate each year for five years beginning 2025-2026.

This levy will provide funding for finding and controlling the mosquitoes that cause mosquito-borne diseases, maintenance, general operations, and capital projects including:

- Funding for potential outbreak of mosquito-borne diseases
- Continued mosquito and fly control services throughout the County

Estimated tax would cost the owner of a home with an assessed value of \$400,000.00 about \$10.00 per year. Tax is subject to the local government rate limit of Section 11b, Article X1 of the Oregon Constitution.

The proposed rate will raise approximately \$1,686,358.00 in 2025-2026, \$1,736,949.00 in 2026-2027, \$1,789,057.00 in 2027-2028, \$1,842,729.00 in 2028-2029, and \$1,898,011.00 in 2029-2030 for a total of \$8,953,104.00.

EXPLANATORY STATEMENT

Clackamas County Vector Control District is responsible for the control of mosquitoes and flies in Clackamas County. District's programs help protect the health of people and animals by limiting the spread of mosquito-borne diseases such as Encephalitis, West Nile Virus and other mosquito-borne diseases.

Renew Five year local option Levy for Vector (Mosquito-Fly) Control.

Shall Vector District levy \$0.025 per \$1,000.00 assessed value for preventing mosquito-borne diseases, mosquito control, general operations, and capital projects?

This measure authorizes the District to levy \$0.025 per \$1,000.00 assessed value outside its existing permanent rate each year for five years beginning 2025-2026. This is the same rate requested in 2004, 2009, 2014, and 2019.

This levy will provide funding for finding and controlling the mosquitoes that cause mosquito-borne diseases, maintenance, general operations, and capital projects including:

- Funding for potential outbreak of mosquito-borne diseases
- Continued mosquito control services throughout the County

Estimated tax would cost the owner of a home with an assessed value of \$400,000.00 about \$10.00 per year. Tax is subject to the local government rate limit of Section 11b, Article X1 of the Oregon Constitution.

This is not a permanent rate. This is only for five years and will expire in 2030.

Continued funding will maintain mosquito and fly control programs at their current levels. Details of District operations can be found at the District's website -FighttheBites.com

The full text of this measure is available online at www.clackamas.us/elections

**NO ARGUMENTS IN OPPOSITION TO THIS
MEASURE WERE FILED**

Clackamas County Measure 3-614

ARGUMENT IN FAVOR:

I support Measure 3-614 which will continue the work of the Clackamas County Vector Control District for 5 more years. The District controls mosquitoes and flies in all areas of Clackamas County. These insects are nuisances at best and, at worst, spread dangerous diseases to us and the animals around us. By focusing on stagnant water areas where mosquitoes breed the District keeps mosquito numbers low enough that it is difficult for mosquito-borne disease to become established here. For instance, West Nile Virus is found in central Oregon, central Washington and the Tacoma area but has not been able to establish itself here.

1. The Vector Control District does its work very economically. It costs the average homeowner about \$10.00 per year.

2. This is not a new tax. It was established 20 years ago by a vote of the people and has been reestablished every 5 years since then.

3. Since it was first established the rate has not changed.

4. Measure 3-614 will extend the current rate for 5 more years.

5. If the measure is not passed, services would need to be reduced and eventually discontinued.

Clackamas County Measure 3-621

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Permanently Bans Certain Psilocybin-Related Businesses within Unincorporated Clackamas County.

Question: Shall psilocybin product manufacturers and psilocybin service centers be permanently banned in the unincorporated areas of Clackamas County?

Summary: State law allows the manufacture of psilocybin products and the operation of psilocybin service centers in Oregon. Psilocybin service centers are defined as establishments where a client purchases, consumes, and experiences the effects of a psilocybin product under the supervision of a psilocybin service facilitator. State law allows the governing body of a county to adopt an ordinance banning psilocybin product manufacturers and psilocybin service centers within the unincorporated areas of the county. If the governing body adopts such an ordinance, it must be referred to the voters in the next statewide general election. The Clackamas County Board of Commissioners adopted such an ordinance on June 27, 2024. As a result, this measure is being referred to the voters. Approval of this measure would permanently ban psilocybin product manufacturers and psilocybin service centers within the unincorporated areas of Clackamas County.

EXPLANATORY STATEMENT

Psilocybin is a naturally occurring, hallucinogenic, mind-altering, psychotropic chemical that is produced in certain forms of fungi. State law allows the manufacture of psilocybin products and the operation of psilocybin service centers in Oregon.

Psilocybin product manufacturing is defined as the manufacture, planting, cultivation, growing, harvesting, production, preparation, propagation, compounding, conversion or processing of a psilocybin product, either directly or indirectly by extraction from substances of natural origin, or independently by means of chemical synthesis, or by a combination of extraction and chemical synthesis, and includes any packaging or repackaging of the psilocybin product or labeling or relabeling of its container. Psilocybin service centers are defined as establishments where a client purchases, consumes, and experiences the effects of a psilocybin product under the supervision of a psilocybin service facilitator.

State law allows the governing body of a county to adopt an ordinance banning psilocybin product manufacturers and psilocybin service centers within the unincorporated areas of the county. If the governing body adopts such an ordinance, it must be referred to voters in the next statewide general election. In 2022, the Clackamas County Board of Commissioners adopted an ordinance temporarily banning such businesses. That ordinance was referred to and approved by the voters. On June 27, 2024, the Board adopted an ordinance permanently banning such businesses. As a result, this measure is being referred to the voters.

Approval of this measure would permanently ban psilocybin product manufacturers and psilocybin service centers within the unincorporated areas of Clackamas County. Such businesses would still be allowed within jurisdictions (e.g., cities within Clackamas County, cities within other counties, and the unincorporated areas of other counties) whose governing bodies have not adopted ordinances banning such businesses.

NO ARGUMENTS IN FAVOR/OPPOSITION TO THIS MEASURE WERE FILED

City of Estacada Measure 3-617

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Prohibition of Psilocybin-related businesses within the City of Estacada.

Question: Shall the City of Estacada prohibit psilocybin service centers and the manufacture of psilocybin products in the City of Estacada?

Summary: State law allows for operation, manufacturing, distribution and possession of psilocybin and psilocin. State law provides that a city council may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities. Approval of this measure would prohibit the establishment of psilocybin manufacturers and psilocybin service center operators within the area subject to the jurisdiction of the city.

EXPLANATORY STATEMENT

State law allows for operation, manufacturing, and distribution of Psilocybin related businesses. The State began issuing permits for these businesses in 2023, unless City voters approved a referendum approving permanent or temporary prohibition. Estacada voters approved a two-year prohibition. That prohibition is set to expire on January 1, 2025.

The Oregon Health Authority, who was the agency that was responsible for drafting regulations released proposed rules in July of 2023. There is disagreement about what type of time, place, and manner restrictions cities can place on the Psilocybin businesses.

The Estacada City Council believed that regulations would be clarified during the two-year period. However, the statutes have not been clarified, and there still is not agreement on what reasonable time place and manner restrictions a City can use to regulate the businesses.

This would prohibit the establishment of any of those registered or licensed activities. This measure would prohibit the operation, manufacturing, and distribution of Psilocybin related businesses, unless the prohibition is revoked.

If this measure does not pass then the establishment of Psilocybin manufacturers and other Psilocybin related businesses would be permitted after December 31, 2024.

City of Happy Valley Measure 3-610

REFERRED TO THE PEOPLE BY CITY COUNCIL

Charter Amendment Establishing Term Limits for Mayor and City Council

Question: Shall the City Charter be amended to establish term limits for the Mayor and City Council?

Summary: Currently, the Mayor and City Councilors serve four-year terms on a rotating basis. There is not a limit on the number of terms the Mayor or a City Councilors can serve. This measure is being referred to the voters by the current Mayor and City Council members. If approved, it would limit the total number of terms for any elected position at the City of Happy Valley to five terms. Of those five terms, a person could only serve as Mayor for a total of two terms. An elected or appointed partial term does not count toward those limits. If approved, the term limits in this measure will apply to the existing and future Mayors and City Council members.

EXPLANATORY STATEMENT

Currently, the Mayor and City Councilors serve four-year terms on a rotating basis. There is not a limit on the number of terms the Mayor or a City Councilor can serve. This measure is being referred to the voters by the current Mayor and City Council members. If approved, it would limit the total number of terms to any elected position at the City of Happy Valley to five terms. Of those five terms, a person could only serve as Mayor for a total of two terms. An elected or appointed partial term does not count towards those limits. If approved, the term limits in this measure will apply to all existing and future Mayors and City Council members.

City of Happy Valley Measure 3-610 ARGUMENT IN FAVOR

Happy Valley residents, as your current elected City Councilors, we are dedicated to ensuring that our community remains a place where every voice is heard, and new ideas are welcome. We are asking that you vote “**Yes**” on **measure 3-610** which creates term limits for our elected city positions. This simple change will ensure our community is cultivating fresh perspectives so that we may tackle the challenges and embrace the opportunities ahead with creativity and determination. We believe it is important for our leaders to stay connected to what is happening in our community, and term limits will help make sure that happens.

A “**Yes**” vote on **measure 3-610** will limit a City Councilors to three (3) terms of four (4) years, and limit a Mayor to two (2) terms of four (4) years. These limits would allow individuals to serve our community on the City Council for a total of twenty (20) years combined. Approval of this measure will not limit service to any other elected office.

Term limits have been proven to promote fairness, integrity and transparency in government bodies. A “**Yes**” vote on **measure 3-610** will set a limit on how long our Councilors and Mayor can serve, thereby reducing the chance of political networks becoming too entrenched, or ideas to stale. This measure will ensure that our leaders remain effective, and focused on what truly matters—the well-being of our city and residents. Term limits will help keep our local government engaged, responsive, and truly representative of our community as it grows and flourishes into the future.

We strongly encourage you to vote “**Yes**” on **measure 3-610** and support term limits to keep Happy Valley’s leadership in line with our community’s evolving needs and priorities.

Sincerely,

Councilor David Golobay
Councilor Joshua Callahan
Council President David Emami

City of Happy Valley
Measure 3-610
ARGUMENT IN OPPOSITION

It's a "Solution" looking for a Problem - Vote "No" on Local Term Limits 3-610!

Here's the bottom line: Your voice should be heard! If you want to vote for someone to serve on City Council, who you think has been competent and responsive, why should someone else be able to eliminate your candidate from consideration? That's what term limits do. They make it impossible for some of Happy Valley's residents to run for public office.

Even more important, term limits take away the candidates with the greatest understanding of complex city, county and state issues, experience with processes and procedures, and who have the strongest relationships with other cities and counties. These are the residents you WANT to represent you, not an unexperienced person with no background in public service and no idea how things work.

Importantly, it is extremely rare for someone to choose to stay in office for too long. In fact, over the 60-year history of Happy Valley, you know how many times this measure would have impacted a City Councilor? NONE!!! So, why do it?

We're not saying term limits are necessarily bad at the state or federal level, where there are big dollars behind the candidates. But at the local level, where your Councilors and Mayor are unpaid VOLUNTEERS, this is not the same issue. Heck, it is hard just to get residents to run for City Council, let alone if term limits eliminate experienced candidates.

We urge you to vote "NO" on Local Term Limits, Measure 3-610!

Protect your voice! Protect your choice!

Tom Ellis, Mayor of Happy Valley
Eugene Grant, former Mayor of Happy Valley
Rob Wheeler, former Mayor of Happy Valley

Brett Sherman, HV City Councilor
Markley Drake, former HV City Councilor
Michael Morrow, former HV City Councilor

City of Happy Valley Measure 3-615

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Approval of Happy Valley Police Services Levy for Five Years

Question: Shall Happy Valley maintain a five year \$1.38/\$1,000 assessed value levy for dedicated police services beginning Fiscal Year 2025/26?

This measure renews current local option taxes

Summary: The measure would renew a local option levy that City voters approved in 2002, 2006, 2010, 2015, and 2019 to provide funding for dedicated police services.

The rate for all previous levies was the same: \$1.38/\$1,000 of assessed value.

The current levy (2019) expires June 30, 2025. That levy has funded police services dedicated to the City of Happy Valley, which are provided through an agreement with Clackamas County Sheriff's Office. These services include emergency response, 911, dedicated police patrols, major crime investigations, crime prevention, drug enforcement, school safety, community policing and traffic enforcement in the City.

This proposed levy maintains the \$1.38/\$1,000 rate and provides funding for dedicated police services in the City for five additional years. These dedicated services have been provided since 2002 through this local option levy.

The amount of money to be raised by this proposed levy for each of the five fiscal years is estimated to be as follows: FY 2025/26 \$6,348,340; FY 2026/27 \$6,729,240; FY 2027/28 \$7,132,995; FY 2028/29 \$7,560,975; FY 2029/30 \$8,014,633.

Should this levy fail, the City will not have dedicated police services beyond June 2025.

EXPLANATORY STATEMENT

City voters approved local option levies in 2002, 2006, 2010, 2015, and 2019 for dedicated police services. The rate for all four levies remained \$1.38 per thousand of assessed value. The current levy (2019) expires June 30, 2025.

If approved, this measure provides funding for five (5) more years of dedicated police services in Happy Valley beginning July 1, 2025 and ending June 30, 2030.

This is a renewal of an existing levy that has been in place since 2002 and not a tax increase. The rate being proposed remains at \$1.38 per thousand of assessed value. If the renewal is approved, a home with a market value of \$660,000 and assessed value of \$370,000 would continue to pay approximately \$510 annually for dedicated police services.

This local option levy provides the only source of funding for dedicated police services in Happy Valley. Those services include:

- Emergency Response
- 911 Dispatch Services
- Dedicated Police Patrols
- Major Crimes Investigation
- Crime Prevention
- Drug Enforcement
- School Safety
- Community Policing
- Traffic Enforcement

Should this levy renewal fail, the City will not have dedicated police services beyond June 2025.

The full text of this measure is available online at www.clackamas.us/elections

NO ARGUMENTS IN OPPOSITION TO THIS MEASURE WERE FILED

City of Happy Valley Measure 3-615 ARGUMENT IN FAVOR

The Future Depends on You! No Increase to Your Taxes!

Important: This is not a tax increase, just a continuation of the same Police Services levy you voted for last time. Our state requires we ask voters every five years for permission to continue. We have not raised this tax rate in 22 years!

The Happy Valley City Council urges you to **vote "YES" on Measure 3-615**, allowing the city to continue providing the best public safety to its citizens while maintaining the lowest tax rate in Clackamas County. Revenue generated from the Happy Valley Police Services levy provides the only resource for public safety, and it all depends on you!

Public Safety in Happy Valley

For the past 22 years, Happy Valley has maintained dedicated police services for the residents, delivering extremely fast emergency response times, providing continued protection for our neighborhoods and business, with a strong connection to the community.

The local option levy is the only source of funding for:

- Emergency Response
- 911 Dispatch Services
- Dedicated Police Patrols
- Major Crimes Investigation
- Crime Prevention
- Drug Enforcement
- School Safety
- Community Policing
- Traffic Enforcement
- Park Rangers

This vote is "ALL OR NOTHING"

If you vote "YES", there is funding for the next five years. If you vote "NO", the city will have no police coverage (not even from the county). Without this funding, there will be no patrols, no one watching our parks, no first responders when you call 911. This is how the levy process operates.

The city has worked hard to keep costs reasonable for these services, and after significant public outreach, it was agreed to keep funding at the same level as before.

**Please help us maintain this important part of your city!
Keep Happy Valley safe!**

Vote "YES" on Measure 3-615!

Information provided by the Happy Valley City Council:

City of Lake Oswego

Measure 3-618

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Allows Road Safety Project, Driveway Realignment on Specific Park Property.

Question: Shall Lake Oswego amend the Charter to allow Clackamas County to improve road safety using 0.4 acres of Stevens Meadows?

Summary: The City owns Stevens Meadows, a park of about 28 acres outside City limits in Clackamas County. The County is responsible for Stafford and Childs Roads adjacent to the park.

The County has determined improvements to the Stafford/Childs intersection are necessary to ease congestion and reduce injuries from accidents. The road improvements, which will be paid for and constructed by the County, will reduce crashes, ease traffic congestion, and create bike lanes and safe pedestrian paths. The County estimates the road improvements will decrease the crashes by 88% at the intersection. The County needs to use about 0.2 acres for these road improvements. The project will also realign an existing gravel driveway used for park maintenance, affecting an area of about 0.2 acres.

The City Charter prohibits the City from allowing roads on Stevens Meadows. If adopted, this measure would amend the Charter, allowing the City to enable County use of up to 0.4 acres of Stevens Meadows for the limited purposes of public safety road improvements and driveway realignment.

EXPLANATORY STATEMENT

The City of Lake Oswego owns Stevens Meadows, a park of about 28 acres outside city limits in Clackamas County. The County is responsible for maintaining and improving Stafford and Childs Roads adjacent to the park.

In 2018 Clackamas County conducted a Federal Highway Administration road safety audit that revealed problems with the Stafford/Childs intersection, including limited intersection visibility, rear-end crashes involving injuries, high speed turning, and heavy traffic without many gaps.

Between 2020 and 2024, Clackamas County designed different alternatives for the intersection and involved the public and other stakeholders. After this public engagement process the County finalized and funded a design requiring the construction of a roundabout at the Stafford/Childs intersection.

The County designed the project to reduce crashes, ease traffic congestion, and create bike lanes and safer pedestrian paths. The County estimates that road improvements could decrease fatal and injury crashes by 88%. The project also includes plans to mitigate potential environmental impacts of the project through work on the land around Pecan Creek, a fish bearing stream directly adjacent to Stevens Meadows.

The County needs to use about 0.2 acres of Stevens Meadows for the road improvements. The project will also realign an existing gravel driveway on the Meadows used to maintain the park, affecting another area of about 0.2 acres.

In 2021, Lake Oswego voters passed an amendment to the City Charter limiting the types of development allowed on 15 City-owned parks, including Stevens Meadows. The Charter directs the City to prohibit anyone, including Clackamas County, from building a road or redeveloping the gravel driveway on Stevens Meadows.

Measure 3-618 would amend the Charter, allowing the City to authorize the County to use up to 0.4 acres of Stevens Meadows for the limited purposes of public safety road improvements and driveway realignment.

If the measure is adopted:

- The Charter would be amended, allowing the City to authorize the County to use up to 0.4 acres of Stevens Meadows for the limited purposes of public safety road improvements and driveway realignment.
- The City Charter will continue prohibiting development on the rest of Stevens Meadows.
- The City will continue to manage the park in accordance with the City Charter.
- The County would be responsible for funding and constructing the Stafford/Childs Road project with County funds.
- Measure 3-618 would not increase City taxes.

If the measure is not adopted:

- The Charter will continue to prohibit road construction and driveway realignment on all of Stevens Meadows.
- The City would not authorize the County to use 0.4 acres at the corner of Stafford Road/ Childs Road for the road improvement project or driveway realignment.
- The City will continue to manage the park in accordance with the City Charter.

The full text of this measure is available online at www.clackamas.us/elections

NO ARGUMENTS IN OPPOSITION TO THIS MEASURE WERE FILED

City of Lake Oswego

Measure 3-618

ARGUMENT IN FAVOR

All Lake Oswego residents should support and vote yes on Measure 3-618.

Passing this measure allows Clackamas County to move forward constructing a roundabout at the Stafford/Childs intersection. Why should we all support it? Safer for motor traffic, pedestrians, and bicycles, better visibility, and faster commutes and traffic flows.

The \$16.0 million project cost is already fully funded by Clackamas County with no additional taxes needed by Lake Oswego taxpayers. The roundabout will significantly improve this dangerous and congested intersection that many in Lake Oswego use on a daily basis.

"As a long time community volunteer and Lake Oswego resident, the Stafford/Childs intersection has been in need of improvements for a long time. Having personally been in a life-threatening car accident at this intersection, solidifies my support for Measure 3-618."

Skip O'Neill, Past LO City Councilor and Past LO Rotary President

"This is a no brainer. Improvements for traffic flow and safety along this corridor have been needed for years. The County estimates that planned road improvements will reduce crashes by 85% at this intersection. The planning is complete. Passing Measure 3-618 is all that is needed to start construction."

John Wendland, LO City Councilor

Why is this measure on the Ballot?

The comprehensive County plans, which have been in the works for the past four years, identified this intersection as dangerous and in need of improvement. To optimize the design for best traffic practices, efficiency, and lowest cost, the County needs approximately .4 acres of the 28 acre Stevens Meadows Park owned and operated by Lake Oswego for construction and easement purposes. Voting for this measure allows Clackamas County to acquire this land to construct this project.

Polling for this project is very favorable and the Traffic Circle improvements are widely supported by the Lake Oswego City Council, Clackamas County Commissioners, Neighborhood Associations, and the many traffic studies conducted over the years.

VOTE YES on Measure 3-618 - Traffic Safety is important.

(This information furnished by John Wendland)

City of Lake Oswego

Measure 3-619

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Prohibits Psilocybin Businesses Within the City of Lake Oswego.

Question: Shall the City of Lake Oswego prohibit psilocybin service centers and the manufacture of psilocybin products within the City?

Summary: State law authorizes the manufacturing, transportation, delivery, sale, and purchase of psilocybin, the psychedelic drug found in certain mushrooms, in Oregon. A city may "opt-out" by adopting an ordinance prohibiting the establishment of licensed psilocybin product manufacturers and/or psilocybin service centers within their boundaries. A city that "opts-in" may also adopt local time, place, and manner restrictions on psilocybin product manufacturers and/or psilocybin service centers that are in addition to those already imposed by state law.

The City adopted an ordinance prohibiting the establishment of psilocybin product manufacturers and psilocybin service center operators (collectively, "psilocybin facilities") within the City. State law requires that this ordinance must be approved by the voters before it may take effect. The City Council also adopted an ordinance imposing local time, place, and manner restrictions on psilocybin facilities in addition to those already imposed by state law.

Approval of this measure would prohibit psilocybin facilities within the City. Rejection of the measure would allow psilocybin facilities within the City subject to state and local restrictions.

EXPLANATORY STATEMENT

This measure asks whether or not to allow businesses related to psilocybin, a substance found in certain mushrooms, to operate in Lake Oswego.

In 2020, Oregon passed a law (Measure 109) allowing psilocybin to be made, delivered, and used in licensed facilities across the state. These businesses are called "psilocybin-related businesses." However, the state also lets local governments, like the one in Lake Oswego, decide if they want to ban these businesses within their city limits. A ban must be approved by the city's voters. The Lake Oswego City Council has adopted an ordinance prohibiting the establishment of psilocybin-related businesses within the city and, as a result, has referred this measure to the voters.

The Lake Oswego City Council has also adopted local rules for psilocybin-related businesses on top of what state law requires. The local rules are aimed at protecting children in childcare facilities close to psilocybin businesses, distancing marijuana and psilocybin businesses, and clarifying zoning between mixed-use and residential. For detailed information about the local restrictions, visit <https://www.ci.oswego.or.us/all-projects> and in the "Search" box enter LU 23-0001.

If you vote "Yes" on this measure, psilocybin-related businesses will continue to be banned in Lake Oswego. **If you vote "No,"** these businesses will be allowed, but they will need to follow state and local Lake Oswego rules.

City of Lake Oswego Measure 3-619

ARGUMENT IN FAVOR

VOTE YES TO CONTINUE TO BAN PSILOCYBIN (MAGIC MUSHROOM) BUSINESSES IN LAKE OSWEGO

It's just too soon to allow psilocybin facilities and manufacturing of psychedelics within our city limits

Caution & Empathy

- LO should not dash headlong into the psilocybin business like voters did legalizing hard drugs with M110
- LO supports services for veterans & mental illness but must first analyze how to safely administer new treatments
- LO should not commercialize psychedelics before putting safeguards in place

More Research Needed on Psilocybin

- Psilocybin treatment is still very much in the exploratory stage as a treatment for mental disorders
- It is still in clinical trials; its risks are still being analyzed and it is not yet approved by the FDA
- More scientific research is needed before its manufacturing is brought into Lake Oswego

Not So Fast Lake Oswego

- Psychedelic mushrooms may well have potential in the future for helping mental illness
- The city and community should make important decisions based on data
- Now is too soon for Lake Oswego to be a pioneer on something way too experimental

Psilocybin should be administered and applied by trained medical providers in licensed medical facilities not in centers with mushroom suppliers providing the treatment.

JOIN LAKE OSWEGANS VOTING YES ON MEASURE 3-619 TO BAN PSILOCYBIN BUSINESSES IN LO

City of Oregon City Measure 3-611

REFERRED TO THE PEOPLE BY CITY COUNCIL

Prohibits Psilocybin-Related Businesses Within Oregon City

Question: Shall Oregon City prohibit psilocybin-related service centers and manufacturing in Oregon City?

Summary: In November 2020, Oregon voters passed Ballot Measure 109, which allows the manufacture, delivery and administration of psilocybin at licensed facilities within the state. However, state law also provides that a city government may adopt an ordinance to be referred to the voters to prohibit the establishment of any of those registered or licensed activities in that city. Approval of this measure would prohibit the establishment of psilocybin product manufacturers and psilocybin service center operators within the area subject to the jurisdiction of the city.

EXPLANATORY STATEMENT

Approval of this measure would prohibit the establishment and operation of psilocybin-related businesses within Oregon City.

Ballot Measure 109, passed in 2020, allows the manufacture, delivery, and administration of psilocybin at licensed facilities within the state. State law allows local governments to adopt an ordinance prohibiting the establishment of psilocybin related businesses within the city, but the council must refer the ordinance to the voters at a statewide general election. The Oregon City Commission has adopted an ordinance prohibiting the establishment of psilocybin-related businesses within the city and, as a result, has referred this measure to the voters. If approved, this measure would prohibit psilocybin-related businesses within the city.

The full text of this measure is available online at www.clackamas.us/elections

City of Portland Measure 26-249

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Amends Charter: Deletes Outdated, Redundant Requirements to Approve Utility Franchises.

Question: Shall Charter be amended to streamline Council approval of utility franchise agreements and remove outdated, burdensome and redundant requirements?

Summary: The Charter Commission proposed a measure to streamline the approval of franchise agreements, which authorize a utility to use City streets to provide residents with utility services.

Currently, City Council must approve franchises using a lengthy and outdated process described in Chapter 10, Article 2 of the Charter.

If the measure is approved, the following requirements would be deleted:

- Redundant filing with Auditor
- Objection process
- Publication of lengthy franchise in newspaper
- Extended time between reading of ordinance to approve franchise
- Extended effective date
- Written acceptance by franchisee

Instead, Council would grant franchises by ordinance, in accordance with standard ordinance publication, public testimony, adoption and effective date provisions in Charter and code. Other provisions.

The City Budget Office determined the measure has no direct financial impact.

EXPLANATORY STATEMENT

The volunteer Charter Commission recommended amending the City Charter to streamline Council approval of utility franchise agreements by removing outdated, burdensome and redundant requirements. A utility franchise agreement authorizes a utility to use City streets to provide residents with utility services.

Currently, Chapter 10, Article 2 of the Charter requires City Council to use a lengthy and outdated process that can take over six months to complete. For example, the entire franchise - which can run 25 pages or longer - must be published in the newspaper.

Under the Commission's recommendation, outdated and redundant requirements specific to franchise agreements would be deleted. Instead, Council would grant franchises using its standard ordinance process. The standard process includes ordinance publication, public testimony, and adoption and effective date provisions located in Charter and code.

The full text of this measure is available online at www.clackamas.us/elections

NO ARGUMENTS IN FAVOR/OPPOSITION TO THIS MEASURE WERE FILED

City of Portland Measure 26-250

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Amends Charter: Adds Independent Portland Elections Commission

Question: Shall Charter be amended to add Independent Portland Elections Commission to oversee public financing of elections, other election-related programs?

Summary: The Charter Commission proposed a measure to add the Independent Portland Elections Commission to Chapter 3 of the Charter.

Currently, an Elections Commission is established by code, which can be amended by City Council. If the measure passes, the Elections Commission would be added to the Charter, which means the Election Commission provisions can only be amended by an affirmative vote of a majority of voters.

The Elections Commission will continue to be responsible for implementing the City's public financing of elections as provided by ordinance and, if the measure passes, any other election or campaign finance-related law or program delegated by the Council or Auditor.

The Elections Commission will continue to consist of nine City residents appointed by the Mayor and confirmed by Council. Under the measure, the Elections Commission will notify the Mayor and Council of funds required for the public financing of elections program and other duties. The Council continues to determine the Elections Commission's budget. Other provisions.

The City Budget Office determined the measure has no direct financial impact.

EXPLANATORY STATEMENT

The volunteer Charter Commission recommended amending the City Charter to add the Independent Portland Elections Commission.

Currently, the Independent Portland Elections Commission is established by code, which can be amended by City Council.

Under the Commission's recommendation, the Independent Portland Elections Commission would be added to the Charter, which can only be amended by an affirmative vote of a majority of voters. Currently, the Elections Commission only implements the City's public financing of elections program. Under the Commission's recommendation, the Elections Commission would also be able to implement any other election or campaign finance-related law or program delegated to the Commission by the Council or Auditor. The Elections Commission will continue to consist of nine City residents appointed by the Mayor and confirmed by Council. City Council will continue to determine and provide the Election Commission's budget.

City of Portland Measure 26-250

ARGUMENT IN FAVOR:

ELECTION REFORM ADVOCATES SUPPORT MEASURE 26-250

Our organizations work for healthier democracy, voter rights, getting big money out of politics, and holding powerful politicians accountable. We are non-partisan. All voters deserve free and fair elections.

Portland must reform how it oversees elections and campaigns.

Currently, enforcement of Portland's rules on political campaign funding and disclosures is split among various city offices, leading to confusion. And those offices are led by elected politicians, which is a conflict of interest: Those politicians make decisions that can affect which candidates win or lose.

Measure 26-250 would stop those conflicts of interest and end bureaucratic confusion. It would transfer implementation of the Small Donor Elections Program to a new Independent Portland Elections Commission (IPEC), with members representing different communities and free from conflicts of interest. It would allow for all the other election-related programs to be centralized into one efficient, easy-to-navigate department, led by the IPEC.

Portlanders overwhelmingly support getting big money out of candidate campaigns and shining a light on dark money. That is why 87% voted to limit campaign contributions and strengthen transparency laws in 2018. That law assigned enforcement to an elected official, the City Auditor. But the previous Auditor seemed reluctant to enforce the law that you supported. Meanwhile, the Small Donor Elections program—which matches small donations to candidates—has been shuffled between offices and is now ultimately overseen by the Mayor, who also campaigns for office. It is a conflict of interest if the people who run for office also implement the rules.

Portland needs one permanent home for all election-related programs that is efficient and free of potential conflicts of interest: the Independent Portland Elections Commission.

Our organizations stand up to big special interests and entrenched power. That is why we urge you to vote for a modern and trusted elections system.

Vote YES for Measure 26-250

City of Portland Measure 26-251

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Amends Charter: Updates Authority to Manage Parks, Sewers and Stormwaters.

Question: Shall Charter be amended to update City authority regarding recreational and natural areas (defined), sewers and stormwaters?

Summary: Charter Commission proposed measure to update City authority, last amended in 1966, to manage recreational and natural areas, sewers and stormwaters.

If measure passes:

- Charter Section 12-101, describing parks management, would add “recreational and natural areas” as defined term to mean parks, playgrounds, forests, wetlands and human-built, natural facilities. Remaining language would be streamlined.
- A section would be added to City’s specific powers in Charter Section 2-105(a) clarifying that City may perform sewer, stormwater management - including protecting, restoring, remediating, altering, improving, expanding, filling, grading, or managing flow—in channels, riparian areas, floodplains, waterfronts, lakes, ponds, wetlands, other waters, natural systems, constructed equivalents.
- Charter Section 11-301 would be amended to clarify that storm drainage may use natural systems, constructed equivalents.
- Charter Section 11-302 would be amended to streamline language, last updated in 1970, related to service charges deposited into Sewage Disposal Fund. Charter will continue to require Council to spend Fund only on uses “reasonably related” to sewage, stormwater conveyance, disposal and purification.

Other provisions.

City Budget Office determined measure has no direct financial impact.

EXPLANATORY STATEMENT

The volunteer Charter Commission recommended amending the City Charter to update the City’s authority to protect and manage parks and to manage sewers and stormwaters. Descriptions of the City’s roles were last updated in 1966.

Currently, the City’s role to protect and manage parks is described in Charter Section 12-101.

Under the Commission’s recommendation, Charter Section 12-101 would be amended to define “recreational and natural areas” as parks, playgrounds, forests, wetlands and human-built or natural facilities. The remaining language would be streamlined to increase readability.

Currently, the City’s sewer and stormwater management role is described in Charter Section 11-301 and Section 11-302 describes the City’s process, last amended in 1970, to fix, collect and deposit service charges into the Sewage Disposal Fund.

Under the Commission’s recommendation, a new section would be added to the City’s specific powers in Charter Section 2-105(a) to clarify that the City may perform sewer and stormwater management - including protecting, restoring, remediating, altering, improving, expanding, filling, grading, or managing flow - in channels, riparian areas, floodplains, waterfronts, lakes, ponds, wetlands and other waters, natural systems or constructed equivalents. Existing Charter Section 11-301 would be amended to clarify that storm drainage may include the use of natural systems or constructed equivalents. Existing Charter Section 11-302 would be amended to

streamline language related to service charges. The Charter will continue to require City Council to spend all charges deposited into the Sewage Disposal Fund on uses “reasonably related” to sewage and stormwater conveyance, disposal and purification.

MEASURE WERE FILED**

City of Portland Measure 26-252

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Amends Charter: Deletes vague, archaic and inconsistent language.

Question: Shall Charter be amended to delete vague, archaic language and use a consistent definition of “protected classes”?

Summary: The Charter Commission proposed a measure to delete vague, archaic and inconsistent language in the Charter.

If the measure passes, the following language in the Charter would be amended:

- Delete Charter Section 2-105(a)(50) to remove vague, archaic language to “prohibit persons from roaming the streets at unseasonable hours”. Deleting this section of the City’s specific powers would not impair the City’s general powers and authority to protect and support public health and safety.
- Delete vague, archaic language to regulate “offensive” businesses in Charter Section 2-105(a)(36). City would retain authority to regulate businesses that create or constitute a nuisance.
- Use consistent language to define “protected classes” as those classes protected “under local ordinance, or state or federal law” in Charter Chapters 2, 4 and 12.
- Replace “disability” with “incapacity” in Charter Chapter 2 to reflect the fact that disabled residents may serve as City officials.

The City Budget Office determined the measure has no direct financial impact.

EXPLANATORY STATEMENT

The volunteer Charter Commission recommended amending the City Charter to delete vague, archaic and inconsistent language.

Currently, Charter Section 2-105(a)(50) lists as one of the City’s specific powers the right to “prohibit persons from roaming the streets at unseasonable hours”. Under the Commission’s recommendation, this vague and archaic language would be deleted. Deleting this section of the City’s specific powers would not impair the City’s general powers and authority to protect and support public health and safety.

Currently, Charter Section 2-105(a)(36) authorizes the City to regulate “businesses which are offensive or may create or constitute a nuisance...” Under the Commission’s recommendation, the vague term “offensive” would be deleted and the City would retain authority to regulate businesses that create or constitute a nuisance.

Currently, Charter Chapters 2, 4 and 12 define “protected classes” , but the definitions have small inconsistencies. Under the Commission’s recommendation, a consistent definition of “protected classes” - those classes protected “under local ordinance, or state or federal law” - would be used throughout the Charter.

Currently, the term “disability” is used in Charter Chapter 2 to describe when a City official may be unable to perform official duties. Under the Commission’s recommendation, the term “disability” would be replaced with “incapacity” to reflect the fact that disabled residents may serve as City officials.

City of Portland Measure 26-253

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Amends Charter: Removes Citywide Vote Requirement for Mandatory Building Weatherization.

Question: Shall Charter be amended to allow City to mandate weatherization of structures built before 1979 without a citywide vote?

Summary: The Charter Commission proposed a measure to delete Charter Section 1-108 and allow the City to mandate weatherization of pre-1979 structures without a citywide vote.

Currently, the City cannot mandate weatherization for any structure built before September 1, 1979, unless Council refers the weatherization mandate to voters. This limit was added to the Charter in 1980 through a vote on an initiative petition.

If the measure is approved, the City would be able to mandate building weatherization without referring the mandate to voters.

The City Budget Office determined the measure has no direct financial impact.

EXPLANATORY STATEMENT

The volunteer Charter Commission recommended amending the City Charter to remove the citywide vote requirement for mandatory building weatherization.

Currently, the City cannot mandate weatherization for any structure built before September 1, 1979, unless the City Council refers the weatherization mandate to the voters. This limit was added to the Charter in 1980 through an initiative petition.

Under the Commission’s recommendation, Charter Section 1-108 would be deleted in its entirety. Deletion of the citywide vote requirement would allow the City to more efficiently require energy-efficient weatherization of buildings within the City.

NO ARGUMENTS IN FAVOR/OPPOSITION TO THIS MEASURE WERE FILED

City of Rivergrove Measure 3-612

REFERRED TO THE PEOPLE BY CITY COUNCIL

Charter Amendment: Enhances Park and Natural Area Protection

Question: Shall City Charter be amended to add additional protections for parks and other green spaces and natural areas?

Summary: This measure would amend the charter by the adoption of a number of protections for parks, natural areas, and green spaces owned or controlled by the City without a vote of citizens of Rivergrove.

Those protections include:

- Prohibiting the sale, lease or transfer of such properties;
- Prohibiting development of change in use of such properties;
- Prohibiting the installation of communication or cell towers;
- Designating the boat ramp as a park and natural area and setting hours of use for the facility;
- Requiring the maintenance of parks, natural areas, and green spaces;
- Allowing for the change in use of such areas in emergencies;
- Allowing the installation of public sewer facilities in such areas;
- Setting forth enforcement requirements and penalties; and
- defining certain terms as used by the measure.

This measure would add these protections to the Rivergrove City Charter and any change to the measures would also have to be made through a charter change.

EXPLANATORY STATEMENT

The proposed Charter Amendment would change the Rivergrove City Charter by adding protections for parks, natural areas, and green spaces. These protections would apply to properties owned or controlled by the City by requiring a vote from Rivergrove citizens before the City could take certain actions regarding City owned parks, natural areas, and green spaces.

The proposed protections cover properties owned or controlled by the City of Rivergrove and include:

- **Property Transactions:** The amendment would prohibit the sale, lease, or transfer of these areas without a vote from the citizens of Rivergrove.
- **Development Restrictions:** It would prevent any development or change in use of these areas without a vote of the citizens of Rivergrove.
- **Communication Towers:** Installation of communication or cell towers would be prohibited.
- **Boat Ramp Designation:** The boat ramp would be designated as a park and natural area, with specific usage hours would be set in the Charter.
- **Maintenance Requirement:** The City would be required to maintain these parks, natural areas, and green spaces.
- **Emergency Use:** In emergencies, there could be temporary changes in use for up to 48 hours and possibly up to 45 days if a super majority of the City Council approved.
- **Public Sewer Facilities:** allows the installation of public sewer facilities.
- **Enforcement and Penalties:** The amendment outlines enforcement rules and penalties for violations of the Charter amendment.
- **Definition of Terms:** Certain terms used in the measure would be defined. These amendments would remain in force, unless a modification was approved through the same charter change procedure, ensuring transparency and citizen involvement.

In summary, the purpose of this charter amendment is to protect Rivergrove's parks, natural spaces, and green spaces and ensure responsible management by the city.

What if I did not receive a ballot?

If you do not receive a ballot by Oct. 24, 2024 call Clackamas County Elections at 503-655-8510.

What if I need assistance voting?

Voters with disabilities, or those needing assistance voting in a language other than English, may contact Clackamas County Elections for voter assistance or interpretation services.

What if I make a mistake on my ballot?

You may simply cross out your mistake, write "not this," and circle the intended choice.

What if I change my mind after I have returned my ballot?

As soon as you deposit your ballot in a mailbox or at an official ballot drop site, your ballot has been cast. A new ballot cannot be issued.

Does my ballot have to be returned by mail?

No. You may return your ballot by mail or drop it off at any official ballot drop site in the state.

Do I need a stamp on the envelope to return my ballot?

No, stamps are NOT required to mail your ballot back to Clackamas County Elections.

When must my ballot be returned?

If you send your ballot through the U.S. Mail, it must be postmarked by Election Day, Tuesday Nov. 5. or, you can drop off your ballot at any official ballot drop box in Oregon by **8 p.m. on Election Day, Tuesday Nov. 5.**

Where is my secrecy sleeve?

The ballot packet no longer contains an optional secrecy sleeve. That is because you do not need one. Ballot packets have been redesigned to protect privacy, save costs, and improve efficiency. New larger 6-by-9-inch official ballot return envelopes include your signature line along with information on ways to return your ballot. A privacy secrecy weave has been embedded directly into your ballot return envelope. When your ballot is placed into the envelope, the privacy weave prevents anyone from seeing how you voted. This change has been approved by the Secretary of State and the United States Postal Service. It reflects best practices of Vote-by-Mail and financial institutions to protect your information.

When is Clackamas County Elections open on Election Day, Nov. 5?

On Election Day, Clackamas County Elections will open at 7 a.m. and close at 8 p.m. at two voter service locations.

- Clackamas County Elections office at 1710 Red Soils Ct., Suite 100 in Oregon City
- Happy Valley Vote Center inside the Happy Valley Library at 13793 SE Sieben Park Way in Happy Valley.

City of West Linn

Measure 3-620

REFERRED TO THE PEOPLE BY THE CITY COUNCIL

Amends City Charter Regarding Limit on Mayor and Councilor Compensation

Question: Shall the City Charter be amended to increase the upper limit on compensation for the Mayor and City Councilors?

Summary: The West Linn Budget Committee met on May 20, 2024, reviewed the compensation for Councilors and the Mayor for eight nearby cities prepared by City staff, examined job duties and responsibilities, and recommended that this measure be placed on the ballot by the City Council for voter decision.

The measure adopts an amendment to the City Charter related to Mayor and City Councilor compensation which, if adopted, would provide:

- The upper limit of compensation for the Mayor shall increase from an annual amount not to exceed \$6,400 to an annual amount not to exceed \$30,000.
- The upper limit on compensation for a Councilor shall increase from an annual amount not to exceed \$4,000 to an annual amount not to exceed \$15,000.
- The maximum amount shall be adjusted for inflation annually based upon the Bureau of Labor Statistics CPI-W for Urban Wage Earners and Clerical Workers for Western Cities.

EXPLANATORY STATEMENT

ABOUT THIS MEASURE

Amendments to the West Linn City Charter require voter approval. Current Mayor and Council compensation levels are set in and limited by Section 11 of the City Charter. Section 11 currently provides that the annual compensation for the Mayor shall not exceed \$6,400 and that the annual compensation for each Councilor shall not exceed \$4,000, subject to an annual inflation adjustment.

On May 20, 2024, the West Linn Budget Committee met without City Council Members present, reviewed the compensation for Councilors and the Mayor for eight nearby cities prepared by staff and recommended that the City amend the Charter to increase upper limit on the Mayors compensation to an amount not to exceed \$30,000 per year and the Councilor's compensation to an amount not to exceed \$15,000. On July 15, 2024, the West Linn City Council adopted a resolution to place this proposed Charter amendment to the West Linn City Charter on the ballot for voter decision. The proposed amendment would increase the upper limit in the amount of compensation received by the Mayor and City Councilors.

The proposed changes to the Charter are underlined below:

Section 11. Salaries, will have the following language amended to this section:

The compensation for the services of each City officer, employee, Council member and Mayor shall be the amount fixed by the Council. As of January 1, ~~2009~~ 2025, this amount shall not exceed ~~\$4,000~~ \$15,000 annually for each Councilor and ~~\$6,400~~ \$30,000 annually for the Mayor. This maximum amount shall be adjusted for inflation annually, commencing July 1, 2025, based upon the Bureau of Labor Statistics CPI-W for Urban Wage Earners and Clerical Workers for Western Cities Consumer Price Index for the Portland Metropolitan Area.

Why this Measure is Proposed

The West Linn Budget Committee recommended that this measure be placed on the ballot following an analysis of West Linn elected officials' job duties and other cities' elected official compensation levels. Council's interest in this ballot measure is

connected with the desire to make it easier for any member of our community to serve, not only those with the economic ability to do so.

If this Measure is Approved

If voters approved the charter amendment, Mayor and Council salaries shall be capped at the maximum amounts allowed.

If voters reject the charter amendment, the amount of Mayor and Councilor salaries will remain at the upper limits currently established by Charter.

The full text of this measure is available online at www.clackamas.us/elections

NO ARGUMENTS IN OPPOSITION TO THIS MEASURE WERE FILED

City of West Linn Measure 3-620

ARGUMENT IN FAVOR:

Measure 3-620 seeks to amend the West Linn City Charter and increase the upper limit on compensation for the Mayor and City Councilors. In my opinion, this revision is long overdue.

I served on the West Linn City Council from 2015- 2018 and received just over \$1000 per quarter for what was often 30 - 40 hours of work per week. At that time, arguments against raising the stipend ranged from affordability to attracting the wrong sort of applicant. Now it's time for West Linn to appropriately address the question of what we expect of our Mayor and Council and how much we value their service.

So, what are the duties involved? As a member of the City Council, I attended Council meetings, work sessions and executive meetings several times a month. In addition, I was assigned to represent the council at various Metro, Clackamas County and West Linn City committee meetings. These often required travel, plus preparation prior to the session and follow-up afterwards. In between times and frequently seven days a week there were emails, phone calls, queries and communications with the citizens. This was just as City Councilor, so imagine the responsibilities required of the Mayor.

With this sort of commitment, who has the time to serve? We want enthusiastic candidates who are willing to put in the time and effort and they should be compensated appropriately. My vote is an unequivocal yes on Measure 3-620.

Brenda Perry, Former West Linn City Council President

City of West Linn Measure 3-620

ARGUMENT IN FAVOR:

I will be voting YES on this important measure and I hope you do too. It's critical that we in West Linn have elected officials - the Mayor and City Council -from all backgrounds. Unfortunately, given the current low pay in our Charter, (\$6,400 annually for the Mayor and \$4,000 annually for each City Council Member) it's difficult for people who are of lower income and may have family and other responsibilities to serve in these positions. For example, an individual with younger children and limited funds would have difficulty paying for child care while they attended the many meetings involved. The job duties of these positions have expanded in recent years -many more Council meetings, serving as liaisons to other groups such as the Neighborhood Associations; attending regional meetings and community events.

By increasing the Mayor's compensation to \$30,000 per year and a Council Member's to \$15,000, we are enabling more people with diverse lives -younger, working, families with children, retirees living on fixed incomes and others for whom the time involved is a big ask and who may have limited incomes -to be involved in governance -and more importantly reflect the diversity of the city in which we live. Without question, we want our elected officials to reflect ALL of us. This measure was recommended by the West Linn Budget Committee and voted on WITHOUT any Council Members or the Mayor being present -there was no undue influence. This measure does not change our governance structure and DOES NOT raise taxes as the pay increases would be covered with existing funds. Approving Measure 3-620 shows that we understand that it's a hefty time commitment to serve. I'm a member of that Committee and I'm one of the many who supported it. This is a FAIR and the RIGHT thing to do for West Linn.

Abby Farber
Member, West Linn Budget Committee

Clackamas Community College Measure 3-613

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Bonds Updating Facilities, Improving Workforce Training; Safety, Security and Technology

Question: Shall college construct, update facilities, workforce training, improve safety; issue \$120 million in bonds; estimated to maintain current tax rate?

If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: Clackamas Community College seeks approval of bonds to improve college facilities; estimated to maintain current tax rate, regular audits required.

Bonds would finance capital costs, including:

- Constructing center of excellence providing workforce training for horticulture, farming, welding, wildland fire prevention.
- Enhancing student and staff safety with increased cameras, door access controls, seismic upgrades.
- Improving STEM opportunities with hands-on learning experiences for middle and high school students.
- Modernizing learning spaces for distance, hybrid learning needs
- Upgrading athletic fields, facilities, completing community walking trail
- Building community partnerships with expansion of Wilsonville workforce partnership building.
- Updating aging facilities including for safety, energy efficiency, emerging technology and accessibility improvements.

Additional capital costs including loan repayment that financed property acquisition.

The State may provide up to \$16 million in matching funds.

Bonds may be issued in multiple series; each maturing within 21 years from issuance; \$120 million maximum principal. Because of expiration of outstanding debt, total bond levy rate estimated to continue at \$0.25 per \$1000 of assessed value; subject to change based on interest rates and assessed value fluctuations.

EXPLANATORY STATEMENT

Established in 1966, Clackamas County Community College serves approximately 26,000 students at 3 campuses (Oregon City, Milwaukie - Harmony, and Wilsonville) across Clackamas County.

THE COLLEGE SEEKS COMMUNITY SUPPORT TO CONTINUE BOND PROGRAM WHILE MAINTAINING CURRENT TAX RATE

The Clackamas Community College Board of Directors seeks voter approval of a \$120 million general obligation bond. **This measure will maintain the current tax rate and would not increase taxes.**

COMMUNITY IDENTIFIED PRIORITIES

In 2023, the college formed a bond committee comprised of community volunteers that analyzed the needs of all of the college's facilities. After 6 months of work, the committee recommended a plan to improve, update and construct workforce, educational and recreational facilities.

Bonds would finance capital costs including:

Modernizing learning spaces

- Renovating and modernizing learning spaces in older buildings to meet today's hybrid and distant learning needs to serve users across Clackamas County both urban and rural.

Constructing a Natural Resources Center of Excellence

- Constructing a center of excellence for horticulture, farming, and wildland fire prevention as well as an expansion of the welding center.

Securing the safety of students and staff

- Safety and security improvements to our three campuses through increased cameras and interior door access controls.

Improving access to STEM opportunities

- Create a hands-on learning experience that would allow kids in middle school through high school to learn about science, technology, engineering, and math through an immersive space simulator that would be the first of its kind in Oregon.

Improving athletic fields and walking trail

- Improving CCC's athletic fields including track and field renovations with covered grandstands for sporting events and outdoor graduation, a synthetic soccer field with lighting and completing the Douglas Loop walking trail on the Oregon City campus.

Building community partnerships

- Expansion of workforce partnership space on the Wilsonville campus that will enhance current career and technical education programs and strengthen connections between education and industry.

Updating and fixing aging infrastructure

- Updating, repairing and maintaining aging facilities, including energy efficiency upgrades, replacing outdated and inefficient central heating and cooling plan, technology upgrades and increase accessibility for people with disabilities.

Additional capital costs including loan repayment, site improvements, furnishings, equipment and bond issuance costs.

MATCHING FUNDS

The Oregon legislature has made eligible up to \$16,000,000 in grants, if District can provide matching funds. Matching funds to be provided by bond proceeds.

CITIZEN OVERSIGHT FOR BOND EXPENDITURES

The Clackamas Community College Board of Directors would appoint a long-term citizen oversight committee to ensure that all bond funds are used for the purposes approved by voters. Their role would include communicating project implementation to the public and overseeing spending.

BOND FUNDS CAN ONLY BE USED FOR VOTER-APPROVED PROJECTS

Law requires bond funds be used for expenses described in the ballot.

FINANCIALS

Bonds expected to mature within 20 years from issuance. Principal amount of bonds limited to \$120 million. Estimated to maintain current tax rate of .25 per \$1,000 of assessed property value. Actual tax rate may differ due to changes in interest rates and assessed value.

**NO ARGUMENTS IN OPPOSITION TO THIS
MEASURE WERE FILED**

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

Business leaders support Clackamas Community College's bond renewal

Yes to CCC. Yes to Local Business. Yes to Holding the Line on Taxes

Community colleges add undeniable value in terms of income and jobs. CCC graduates become our employees, managers and directors.

In Oregon, community colleges generate over \$9B in economic impact and over 117K jobs. 1 in every 22 jobs in Oregon are supported by community college students and graduates. CCC creates the skilled workers that our local businesses need to succeed, grow, and create more living-wage jobs.

Measure 3-613 ensures that CCC will continue to contribute to a vibrant economic community. It empowers Clackamas Community College to continue providing high-quality education so students gain skills and job training necessary for successful careers in today's economy. Oregon has jobs but lacks skilled workers. For every six unemployed people, there are 10 jobs available.

CCC graduates people with the skills and training to fill the positions we need, offering certificates and degrees in:

- Industrial Tech and Automotive Sciences
- Building Construction
- Computer Science
- Education
- Engineering
- Health care
- Manufacturing
- Welding

This investment enables CCC to educate folks in high demand fields. **With over 19,000 students, CCC will serve hundreds of thousands of Oregonians over the next 10 years.**

Voting YES on measure 3-613 will have a stimulating effect on our region's prosperity. It will drive job creation and economic abundance.

This renewal bond will not raise taxes
For a net positive impact on our community, Vote YES for measure 3-613

(This information furnished by David Chitsazan)

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

VOTE YES on 3-613 TO HELP OREGON'S HORTICULTURE/AGRICULTURE/WILDLAND FIRE AND WELDING INDUSTRIES

Oregon's agriculture industry is in dire need of more skilled workers. According to the Oregon Employment Department over 33% of agricultural workers are over the age of 55. Clackamas Community College's excellent horticultural/agricultural degrees and certificates ensure that these workforce needs will be met, providing living wage jobs to graduates.

This renewal bond will build a Center of Excellence for horticulture, agriculture, wildland firefighting and welding. All of these professions are growing and need the kind of workers that CCC is training.

Wildland firefighting is particularly in need of a well trained workforce. With the number of wildland fires on the rise every year and the US Forest Service losing 45% of its permanent firefighters in the last 4 years, skilled fire professionals will continue to be in demand.

Oregon is also experiencing an overwhelming shortage of trained welders due to an aging workforce. There are expected to be at least 250 welding jobs opening per year in the Portland area through 2027 because of this. Clackamas Community College provides training in fields that our community needs to stay strong and vibrant. Their graduates are our employees and we highly recommend a YES vote for measure 3-613. **This bond does NOT raise taxes.** It ensures that folks will be trained in needed professions that allow them the financial stability to live in our community.

We are voting YES for 3-613. Please join us!

The printing of this argument does not constitute an endorsement by Clackamas County, nor does the county warrant the accuracy or truth of any statements made in the argument.

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

LET'S RENEW THE CLACKAMAS COMMUNITY COLLEGE BOND: SAFE AND MODERN SCHOOLS; NO NEW TAXES

Not every tax measure deserves a yes vote. We believe it is important to hold the line on tax increases in this economy.

Measure 3-613 has our enthusiastic support because it is sensible, affordable and renews the existing low tax rate that Clackamas County voters approved in 2014

The bond prioritizes:

- Safety and security
- Updates and repairs to aging buildings
- Meeting Local Employers Needs: constructing training spaces for horticulture/agriculture, wildland firefighting and welding.

WILL THIS RAISE THE TAX RATE I CURRENTLY PAY?

No! Measure 3-613 will raise revenue for these improvements at the same rate as CCC's 2014 bond. 25 cents per \$1,000 of assessed property value. Passage of Measure 3-316 will extend this tax rate an additional nine years. The effective tax rate will stay exactly the same. It will also unlock up to \$26 million in matching grants.

WHY NOW?

Clackamas Community College needs to expand and update its campuses to meet the demand for a skilled workforce. The college needs funding now to plan for and construct the facilities to meet the needs of current and future students.

WHAT WILL THE BOND BUILD?

Measure 3-613 would fund the following improvements for CCC students:

- Update and Fix Aging Infrastructure
- Secure the Safety of Students and Staff
- Construct a Natural Resources Center of Excellence
- Improve Athletic Fields and Walking Trail
- Modernize Learning Spaces
- Build Community Partnerships
- Improve Access to STEM Opportunities

WHO SUPPORTS THIS BOND?

Community and business leaders, teachers, seniors, students and families who support a YES vote on Measure 3-613 and **NO NEW TAXES.**

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

Please vote YES on Measure 3-613!

The CCC bond measure will maintain current tax rates for local homeowners. What you pay today, you will continue to pay with a yes vote.

Since 2014, taxpayers have invested in the future of our community by supporting Clackamas Community College via a bond. As CCC's elected board members, we have worked hard to grow those investments.

We aim to educate a skilled workforce, prepare students to transfer to four-year schools, enrich the community through lifelong learning and be a sound financial steward of public dollars.

This bond renewal will continue our path to excellence by:

1. **Preparing students for success in modern learning spaces**
2. **Enhancing partner and community connections**
3. **Preserving and maintaining assets**

Some Bond Projects:

1. **Modernize Learning Spaces** - Renovate and modernize learning spaces in older buildings to meet hybrid and distant learning needs for students and future employers.
2. **Construct a Center of Excellence** - Construct a center of excellence for horticulture, farming, welding and wildland fire prevention.
3. **Improve Athletic Fields and Walking Trail** - Build covered grandstands for sporting events, install a synthetic soccer field with lighting. Finish Oregon City walking trail.
4. **Secure the Safety of Students and Staff** - Increase cameras and interior door access controls to keep students and staff safe.
5. **Improve Access to STEM Opportunities** - Partner with K-12 districts to create a science, technology, engineering, and math center for hands-on learning experiences to grow future careers in STEM fields.
6. **Build Community Partnerships** - Expand workforce partnerships at Wilsonville campus to enhance career and technical education programs and align with high demand fields.
7. **Update and Fix Aging Infrastructure** - Update and repair aging facilities, creating savings for the college. Increase accessibility for people with disabilities.

The CCC bond measure is estimated to maintain current tax rates for local homeowners.

Clackamas Community College Measure 3-613

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

ELECTED AND COMMUNITY LEADERS VOTE YES ON 3-613

You can support our Community College without raising taxes.

Access to affordable education and living wage jobs is critical to the success of our community and people who want to make a home here.

Measure 3-613 funds projects that make higher education more accessible and provide lifelong learning opportunities, strengthening Clackamas County for everyone.

Your YES vote will:

- Give all students educational opportunities regardless of their zip code, background, or family circumstances.
- Ensure CCC's ability to provide high-quality education for students to grow the skills and job training they need for successful careers in today's economy.
- Allow CCC to offer less expensive, more accessible paths to college degrees.
- Empower CCC to teach the skills necessary to secure living wage jobs – strengthening our families and communities.
- Support metro area youth by offering advanced courses for high schoolers, GED programs, and an affordable pathway to a four-year degree.
- Re-engage people who are unemployed and underemployed through courses for individuals re-entering the workforce or changing careers.
- Provide learners with children at home or other commitments the option to go to college online, in person, or both.
- Build partnerships with community organizations across the region.

ARGUMENT IN FAVOR:

What CCC Means - Students and Alumni in their own words

"Clackamas Community College connected me with remarkable professors and peers, enabling my academic and professional growth. With mentorship from a professor, my research paper was accepted at a national conference. My involvement in student government taught me the value of community engagement, including the ability to gift 78 families with holiday funding. **CCC gave me the foundation to transfer to a nationally regarded liberal arts college, and I wholeheartedly believe CCC empowers its students to achieve their goals.**"

Isabella Villagomez
CCC Class of 2024

"Our family includes CCC employees, an alum and a future alum. We are also regular participants in CCC community and sports events. **CCC has been fiscally responsible, stretching available dollars to continue providing excellent services in spite of rising costs.** This bond means a safer campus, more activities that our family can be a part of, and more opportunities for our next college student. Please vote yes for the CCC bond measure!"

Dr. Tory Blackwell
Dr. Heidi Blackwell
Colin Blackwell, CCC Class of 2024

"Clackamas Community College is nationally recognized as one of the best places for veterans. No one falls through the cracks. After serving 20 years in the U.S. Army as a military linguist and communications officer, I was honored to serve as the Veteran Services Coordinator at CCC for nearly 10 years. I witnessed countless veterans whose lives were transformed by an institution devoted to ensuring ALL veterans have the support they need to make the difficult transition from military service to civilian success. College leaders prioritize serving those who have served, caring faculty and staff take a personal interest in each veteran's success, and selfless community members and service providers volunteer all types of assistance - everyone contributes to this life-saving mission. The result is a place where veterans belong in a community that cares."

Captain RB Green, US Army (ret.)
Former CCC Veteran Affairs Coordinator

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

Make Campus Safe and Secure-Vote YES to Renew the CCC Bond

As law enforcement professionals we are all too aware of the security challenges our educational institutions face.

We believe it is our collective responsibility to do everything we can to help keep students, faculty and staff safe.

We need to protect against emergencies like an active shooter situation or chronic issues like sexual assault. Unfortunate as it may be, the reality is that our campuses need to be more secure to ensure the physical and mental safety of our students and community members.

Portland Metro area schools and colleges have experienced several security related issues at schools in the recent past and Clackamas Community College wants to do everything it can to make sure students can learn in a safe and secure environment.

This means improving the interior door access controls as well as increasing the number of security cameras. These measures act as both an immediate barrier against violence and as a deterrent because of greater visibility and transparency around campus.

Measure 3-613 will provide funding to fit all three campuses with these life-saving and health enhancing tools. It will also hold the line on taxes so you don't have to pay more to do the right thing for our students.

Vote YES for measure 3-613 to keep our students safe and secure.

Angie Brandenburg, CC Sheriff
John Wentworth, CC District Attorney
Craig Roberts, Former CC Sheriff
Chris Hawes, Clackamas Fire District #1
Thomas Joseph, Clackamas Fire District #1

Clackamas Community College Measure 3-613

ARGUMENT IN FAVOR:

PAY IT FORWARD, COMMUNITY ELDERS VOTE YES ON 3-613

Clackamas Community College bond renewal Measure 3-613 **keeps taxes at their current low rate and allows us to pay forward the gift of affordable, high quality education to the next generation.**

Coming out of university with thousands of dollars in student loans to pay back and no guaranteed job is a daunting thing to face. It doesn't have to be that way, especially if we pass this renewal bond which will improve access to CCC and NOT raise taxes.

Whether you are a new student fresh out of high school, returning to school for job retraining, or looking for a fresh start after returning from military service, affordable education is a gift that community college can offer.

Clackamas Community College has trained many of today's employees and leaders and is an excellent place of learning for future generations that needs to be invested in and maintained.

This bond will raise around \$120M to build new learning centers on campus and show our community and CCC students that we care about their future - just like the folks who came before us invested in us.

Join us in voting YES on measure 3-613 for an affordable, sensible investment in the future of our community.

Oregon City School District Measure 3-616

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Bonds Increasing Safety, Security; Expanding Career Education; Repairing, Updating Facilities

Question: Shall District increase safety; repair, update elementary schools; address overcrowding; expand career education facilities; issue \$163,000,000 in bonds; audits required? If the Bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: This measure is third phase of facility improvement plan for Oregon City School District. Phase 1 replaced Oregon City High; Phase 2 improved middle schools. This phase updates decades-old elementary schools.

Requires community bond oversight committee, regular audits.

District will receive \$6 million State matching grant only if bonds are approved.

Bonds would finance capital costs, including:

Improving Elementary Schools:

- Safe, Secure & Accessible Schools:
 - o Access controls
 - o Lighting upgrades
 - o Asbestos abatement
 - o Security fencing
 - o Accessibility and restroom upgrades
- Updating Aging Buildings, Preserving Facilities
 - o Replace roofs, plumbing, flooring, windows
 - o Update electrical, HVAC systems
 - o Energy efficient lighting
- Relieving Crowded Spaces, Expanding Opportunity
 - o Update classrooms, common areas, special education spaces
 - o Family resource centers
 - o Expand outdoor learning areas
- Updated Career Technical Education classrooms at OCHS
- Fields and grounds improvements, parking lots, demolition, furnishings, equipment, bond issuance costs

Bonds may be issued in multiple series, maturing within 25 years from issuance. Estimated annual increase in property tax levy rate is \$1.20 per \$1,000 assessed property value. Actual levy rates may differ due to final interest rates and changes in assessed values.

EXPLANATORY STATEMENT

The Oregon City School District serves over 700 students at schools across Oregon City, Beavercreek, Redland, and Jennings Lodge.

STEP THREE OF A THREE-PHASE PLAN

In 2003 Oregon City School District began a three phase bond approach to update and modernize its schools; making buildings safe and accessible.

- o The 2003 school bond created a new high school for our community.
- o The 2018 bond renovated and modernized two middle schools and funded critical security updates in every school in the district.

- All 2018 bond projects were completed on time and on budget.
- o The third phase of this capital improvement plan is this proposed bond measure which makes improvements to the district's elementary schools for the district's youngest learners.

WHAT IS THE CURRENT CONDITION OF THE OREGON CITY ELEMENTARY SCHOOLS?

- **The average age of the six elementary schools is 62 years and the two oldest schools are 76 years old. These schools have not been updated since they were originally built.**
- A facilities condition report was conducted on these schools and three areas of concern were identified:
 - **Failing Building Systems:** While well maintained, all buildings deteriorate over time and Oregon City Elementary Schools are no different. These 60 plus year old schools have basic building systems like plumbing and heating that are original to the school. All classrooms lack air conditioning which has significant impacts student learning.
 - **Safety, Security And Accessibility Concerns:** All of the elementary campuses need important safety and security improvements in order to keep students and staff safe.
 - **Crowded Schools, Outdated Learning Spaces:** All elementary schools have the same layout and spaces from the day they were built. These outdated buildings are crowded and lack the necessary space for today's education. Career and Technical Education programs at Oregon City High School need improvements as well.

HOW WOULD THIS PROPOSED MEASURE ADDRESS THESE CONDITIONS?

Make Our Elementary Schools Safe, Secure, and Accessible

- o Access controls
- o Lighting upgrades
- o Asbestos abatement
- o Security fencing
- o Accessibility and restroom upgrades

Repair and Update Aging School Buildings

- o Replace roofs, plumbing, flooring, windows
- o Update electrical, HVAC systems
- o Energy efficient lighting

Relieve Crowded Spaces, Expand Student Opportunities

- o Update classrooms, common areas, special education spaces
- o Family resource centers
- o Expand outdoor learning areas

Updated Career Technical Education classrooms at OCHS

CITIZEN OVERSIGHT FOR BOND EXPENDITURES

After voters passed the 2018 bond supporting our middle schools, the district established an independent citizen oversight committee to monitor spending and increase transparency. That committee will be brought back to oversee this bond should it pass.

BOND FUNDS CAN ONLY BE USED FOR VOTER-APPROVED PROJECTS

Law requires bond funds be used for projects described in the ballot.

Bonds may be issued in multiple series, maturing within 25 years from issuance. Estimated annual increase in property tax levy rate is \$1.20 per \$1,000 assessed property value. Actual levy rates may differ due to final interest rates and changes in assessed values.

MEASURE WERE FILED**

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

Strengthening Our Schools, Securing Our Future: YES for Oregon City Schools

As representatives of over 900 dedicated Oregon City School District classified and certified staff members, we are united and committed to supporting our students. Despite our diverse roles, we share a common purpose: ensuring our students have high-quality schools and the best environments to learn and grow.

Investing in the renovations of our schools not only enhances students' learning experiences but also makes our community more attractive to new families choosing to live in OC. This stability is essential for our future, and we strongly support the passage of Oregon City School District's bond request, recognizing its significant impact on our community's growth and prosperity.

If passed, this bond will modernize our decades-old facilities, which are currently suffering from outdated HVAC systems that do not effectively or efficiently cool and heat the buildings. We need temperature-regulated buildings so staff and students can focus on learning rather than the sweltering heat or frigid temperatures.

Our cafeterias are overcrowded, forcing us to run six lunch periods at some schools to accommodate all students. Modernizing these facilities ensures students have comfortable eating spaces free of excessive noise and overcrowding.

Health and Safety upgrades will further protect students and staff by converting large multiuse spaces into secure classrooms with lockable doors, upgrading building access controls, and reinforcing school perimeters to prevent unauthorized visitor access. In addition, passing the bond will allow for necessary plumbing upgrades, asbestos abatement, and repairs to site drainage, alleviating flooded classrooms and playgrounds during rainstorms.

This bond is about creating safer, more secure, modernized learning environments. These crucial investments are essential for our students and staff to thrive, keeping our schools competitive today and into the future.

By voting YES for our schools, you are investing in our students and the quality of education and demonstrating your commitment to our community's future.

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

United in Support: Vote Yes for Our Schools' Future

Despite our diverse backgrounds and perspectives, we are united by our commitment to the Oregon City School District. As school board members, we urge you to vote YES on the upcoming bond measure.

Safety and Security: This bond will further enhance school security by improving door monitoring systems, adding access controls, and reinforcing fencing to prevent unauthorized entry. It will also convert large multi-purpose learning spaces into secure, lockable classrooms.

Preservation of Elementary Schools: The bond will fund crucial upgrades to extend the life of our aging elementary schools. This includes redesigning overcrowded cafeterias, making ADA accessibility improvements for equitable access, and addressing safety issues by removing asbestos, replacing outdated piping, and repairing aging roofs and siding.

Community and Economic Impact: This bond measure will sustain local jobs and modernize outdoor community spaces. Strong schools are the backbone of our community, making Oregon City a desirable place to live and raise a family.

Fiscal Responsibility: Investing now, coupled with the opportunity for a \$6 million federal matching grant, will maximize our resources.

Community Support: This bond reflects our community's priorities, shaped by input from hundreds of residents and the dedicated work of many who collaborated with district staff to assess and address urgent needs.

This bond measure is an investment for today and a commitment to our community's future. Strong schools are essential for a strong community, and by voting YES, you help build a brighter, safer, and more prosperous future for our students and community.

Together, we can continue to make a positive impact on the vitality of Oregon City.

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

Join Us in Creating Better Learning Environments for Oregon City Students

As parents of Oregon City School District students, we urge you to vote YES on the upcoming construction bond. After thorough evaluations by the volunteer Community Bond Planning Committee, it is clear that our schools are in dire need of significant improvements to ensure our children's well-being.

One of the most urgent issues is the outdated HVAC systems in our schools. On warm days, classrooms without proper ventilation become stifling environments where students and staff struggle to focus. Some schools have no windows to provide relief, and our children sit in classrooms with sweat dripping down their brows, even when they're not moving. This is not a conducive environment for learning.

Beyond the HVAC issues, our schools also face failing plumbing systems, ADA access limitations, playgrounds and fields with poor drainage that turn into lakes when it rains, and precarious parking lots that need redesigned for improved pedestrian safety. The bond will address these problems and more, providing much-needed investments in projects to create safer, healthier spaces for our kids to learn and grow.

Best of all, thanks to the district's thoughtful and fiscally responsible planning, homeowners can support these transformative projects for an investment comparable to the cost of a weekly coffee shop visit.

Please join us in voting YES for Oregon City schools and help our students succeed today and for decades.

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

Oregon City High School Alumni Urge You to Vote YES for Schools

As proud Oregon City graduates living and working here, we've witnessed our town's incredible growth and resilience firsthand. We're business owners, neighbors, and dedicated community volunteers, and our commitment to giving back runs deep.

The elementary schools we attended, many built not long after World War II, have been a cornerstone of our community. Though they've been maintained with care, these schools have aged significantly and urgently need investment to continue serving future generations.

Our elementary schools are, on average, over 60 years old. Their building systems---like plumbing and heating---are as old as the schools. Some parts are so outdated that they are unavailable through conventional channels, forcing our district maintenance teams to improvise or search for replacements online.

The schools built decades ago are now overcrowded and too small. Classrooms lack windows, and the bathrooms, cafeterias, gyms, and hallways are cramped. The narrow hallways resemble rush hour traffic on Interstate 205, making it difficult for students to move around. This congestion not only disrupts the learning environment but also impacts the overall well-being of our students.

Teachers report that libraries are undersized, gyms and cafeterias are excessively noisy, and traffic issues during pick-up and drop-off times, caused by outdated parking lot designs, create a 'nightmare' for parents and area residents.

Your support is essential. By voting yes for our schools, you're not just casting a ballot---you're making a powerful investment in the future of our community. You're ensuring that our children have safe, modern learning environments, and you're helping to preserve the quality of our school facilities for generations to come.

Let's come together to make a lasting impact. **VOTE YES FOR SCHOOLS** and show your support for our future.

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

Retirees and Seniors Voting YES for Oregon City Schools

*Protect property values, a more vibrant community, and
access to resources*

We are seniors living on fixed incomes in Oregon City and are voting yes for the Oregon City School District bond to improve safety and modernize local schools.

The following are several reasons that we urge you to join us and vote yes:

Stable Property Values: Quality schools often lead to higher property values, protecting the value of your home investment even on a fixed income.

Community Investment: Strong schools attract businesses and families, which can enhance local services and amenities, benefiting everyone in the community.

Future Generations: Supporting schools helps ensure that future generations receive a quality education, contributing to a stronger, more educated society.

Economic Stability: Well-funded schools can contribute to local economic stability, potentially leading to lower crime rates and a more vibrant community.

Access to Resources: Improved schools often mean better access to community resources like sports facilities and adult education programs that you can use. Schools host hundreds of hours of community events each year, many attended by seniors.

Energy Efficiency Savings: Investments in school energy efficiency can lead to long-term savings, potentially lowering overall district expenses.

Supporting Local Jobs: School projects sustain local jobs, helping to keep the economy strong and stable, which benefits everyone, including those on fixed incomes.

Aging in Place: Enhanced community resources and a thriving local economy can make it easier to age in place without needing to relocate for better services.

Shared Responsibility: Funding schools is a shared community responsibility. It ensures that all children, regardless of background, have access to quality education, which can have a lasting positive impact on Oregon City as a whole.

Please join us in voting yes and protecting our greatest assets, our schools.

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

Investing in Oregon City Schools is Good Business \$6 million matching grant available

As proud local business advocates, we are deeply invested in our community's success- including our exceptional school system. Oregon City schools have consistently proven to be more than just educational institutions; they are vital economic engines driving our local prosperity.

By endorsing this construction bond measure, we are taking a decisive step towards supporting our schools and reinforcing their positive impact on our economy.

Great schools strengthen our community's reputation. High-performing schools attract new businesses and residents who will help pay to fund these essential improvements.

This bond is a crucial investment for our future:

- **Boosts Local Employment:** Construction work funded by this bond can sustain hundreds of jobs, benefiting our local economy. The district will hire local contractors to complete work to the best of its ability.
- **Secures Additional Funding:** The district is approved for a \$6 million matching grant, which will only be available if the bond passes.
- **Future Cost Savings:** Making schools more energy efficient can save thousands of dollars in future utility costs.
- **New Shared Community Spaces:** Modernization of aged classrooms and fields will create new opportunities for community usage.
- **Enhances Safety and Security:** Critical upgrades and maintenance projects will ensure our schools remain safe and conducive to learning.
- **CTE Program Expansion:** These initiatives will enhance our students' career technical education experiences and equip them with the skills needed to thrive in our local job market. We support these programs that foster a new generation of skilled professionals ready to contribute to our community.

It's time for us to show our support by voting **YES for measure 3-616**. Investing in Oregon City Schools is an investment in our community's future.

Vote YES for Oregon City schools and support our future and local economy.

Oregon City School District Measure 3-616

ARGUMENT IN FAVOR:

Protect Our Kids: A Parent's Call to Action

As concerned parents, we are deeply invested in the safety and well-being of our children. For decades, the Oregon City community has worked together with schools and local law enforcement to ensure that our campuses remain safe havens for learning. The proposed bond measure is vital to continuing this mission, providing students, staff, and all community members with a secure environment for education and gathering.

Here are just a few of the many reasons why we support this bond request:

Securing Perimeters and Monitoring Access

This bond will enhance school security by installing door monitoring systems that alert when doors are left open, upgrading building access controls, and adding audio alarms to reduce the risk of unauthorized entry. Closing gaps in fencing will further secure school boundaries.

Modernizing and Securing Classrooms

The bond will modernize classrooms, converting large multi-use spaces crowded with students into secure classrooms with lockable doors. These upgrades are essential for protecting students and staff during emergencies.

Investing in Preventative Technologies

Advanced camera software and other technologies will be implemented to prevent, deter, and detect harmful activities before they occur, enabling swift responses to potential threats.

Upgrading Key Systems for Better Control

Rekeying schools and introducing a new keying system will limit access, while master keys for law enforcement will allow quick entry during emergencies, potentially saving lives.

Adapting to Evolving Safety Technologies

This bond will allow the district to begin to add features like integrated security networks that combine cameras, card access, and classroom alarms. These systems can quickly trigger emergency protocols, providing crucial enhancements to ensure a safer learning environment.

This bond is an investment in our community's future. By voting yes, you are helping to create a safer environment for our students, staff, and the thousands of community members who use our schools each year.

Tigard-Tualatin School District Measure 34-341

REFERRED TO THE PEOPLE BY THE DISTRICT BOARD

Levy Renewal to Retain TTSD Teachers and Preserve Classroom Programs

Question: Shall District retain teachers/programs by renewing current levy taxes (\$1 per \$1,000 of assessed value) for five years, beginning 2025?

Summary: This measure is not a new or added tax.

It simply continues the current local option levy, which voters passed in 2000 and then renewed in 2004, 2008, 2014, and 2018. Renewing the levy again would keep the existing levy rate for another five years, beginning in 2025-26 when the current levy expires.

Renewal of the local option levy would continue funding for a level of program offerings, staffing, and class sizes that wouldn't be possible without it. The levy renewal would:

- continue funding for approximately 100 teachers and the classroom programs they provide
- support class sizes funded by the current levy
- help local schools by supplementing insufficient state funding

The local option levy rate would not exceed \$1 per \$1,000 of assessed value. The levy is estimated to raise \$12,600,000 in 2025-26, \$13,000,000 in 2026-27, \$13,400,000 in 2027-28, \$13,800,000 in 2028-29, and \$14,200,000 in 2029-30, for a total of \$67,000,000 over five years.

EXPLANATORY STATEMENT

These questions and answers summarize this measure.

1. What is the local option levy renewal?

Tigard-Tualatin School District (TTSD) administers a local option levy to supplement dollars allocated through the state school fund. The current levy pays for 100 teaching positions and supports educational programs and class sizes.

Voters approved the local option levy in 2000 and renewed it in 2004, 2008, 2014, and 2018. Renewing again would keep the existing levy rate for another five years, beginning in 2025-26. It is not a new or additional tax.

2. How would the funds be used?

Every local option levy dollar stays in the District. None goes to Salem.

Renewing the local option levy would:

- fund approximately 100 current teachers who work in every school in the District;
- preserve classroom programs that support a well-rounded education for every TTSD student;
- support class sizes;
- supplement state funding to maintain school services and operations.

3. What would happen if this levy is not renewed?

The levy funds a level of programs, staffing, and class sizes that wouldn't be possible without it.

If the renewal were to fail to pass, TTSD would no longer receive levy funds. That would reduce the budget by approximately \$12,600,000 in 2025-26, which could increase class sizes and reduce funding for staff and classroom programs.

4. Is this measure within the limits established by Ballot Measure 5?

Yes. The local option levy rate is calculated individually for each piece of property, so the rate stays within Measure 5 limits.

5. How much would this cost?

If the renewal measure passes, it will continue the existing levy rate for another five years. It is not a new or additional tax. The exact amount varies from property to property. For a home assessed at \$300,000 and taxed at the maximum levy rate (\$1 per \$1,000 of assessed value), the cost would continue to be

\$300 per year, or about \$25 per month.

6. What accountability measures are in place?

Each year, an outside accounting firm audits TTSD finances and expenditures. All audit reports are public.

The school district's budget is reviewed and approved by an 11-member committee that includes the five elected school board members and six appointed community members.

Another three community members serve with two school board members on the District's Financial Oversight Committee, which meets with auditors to review TTSD's audit plan and results, and with the District's investment advisors to review the policy and strategy for investments.

7. What about budget savings and efficiencies?

Evidence of the District's commitment to fiscally responsible stewardship includes:

successful financial audits every year
monthly financial reports to the Board
transparency in reporting
ongoing commitment to sustaining budget reserves and a "rainy-day fund"

In the 2023-24 school year, TTSD redirected savings to preserve teaching positions wherever possible. Long-term dedication to savings enabled TTSD to avoid cutting school days and mitigate reductions to programs. The District kept all its programs - none were eliminated.

NO ARGUMENTS IN OPPOSITION TO THIS MEASURE WERE FILED

Tigard-Tualatin School District Measure 34-341

ARGUMENT IN FAVOR:

Tigard-Tualatin voters **STRONGLY** support our children and our schools.

We are community members without children in Tigard-Tualatin schools, but we know the importance of strong schools in a community.

We're VOTING YES ON MEASURE 34-341 because we know strong schools:

- Educate kids who become successful adults and members of the community;
- Attract productive families who care about living in areas with high-quality schools;
- Draw successful businesses that require a talented, educated workforce.

We are VOTING YES to RENEW the Local Option Levy.

- It is not a new tax; it simply renews the current levy.
- All funds support Tigard-Tualatin schools.
- This is our way of continuing the excellence for which Tigard -Tualatin schools are known.

Tigard-Tualatin School District Measure 34-341

ARGUMENT IN FAVOR:

Better Schools Mean Better Communities

As your **elected representatives serving the communities in the Tigard-Tualatin School District**, we care deeply about preserving the excellence of our local schools. Our schools are the cornerstone of vibrant neighborhoods, driving the livability of our communities and fueling the local economy.

We believe quality education is the bedrock of thriving families and prosperous neighborhoods.

That's why we are united in supporting Measure 34-341, a crucial levy renewal for our teachers.

TTSD's teachers are the heart of our schools. This levy provides essential funding to attract and retain high-quality teachers, so students are prepared for future learning and career success.

Measure 34-341 will continue to invest in our schools **without raising the tax rate**. Every dollar from this levy goes directly to our classrooms, protecting teaching positions and keeping class sizes manageable.

Please vote YES for Tigard-Tualatin Schools and vote YES for the future of our communities.

Tigard-Tualatin School District Measure 34-341

ARGUMENT IN FAVOR:

**Tigard-Tualatin School District
Volunteer Board and Committee Members
VOTE YES
For Local Option Renewal**

We are community members who work directly with the Tigard-Tualatin School District. We are elected members of the Tigard-Tualatin School Board; members of committees that review and provide oversight for the District's financial decisions, and board members of The Foundation for Tigard Tualatin Schools who work to support learning in our schools.

Our work with school officials makes us confident in our district's commitment to fiscal responsibility. We have been part of – or observed – tough financial decisions. However, thanks to our Local Option and prudent budgeting, Tigard-Tualatin has been able to minimize its financial cuts, while other school districts have been forced to make drastic cuts.

We urge voters to VOTE YES FOR MEASURE 34-341 to RENEW the Local Option and retain approximately 100 teachers in our schools. **It is not a new or additional tax.** It simply continues the current levy that was originally approved by voters in 2000 and renewed in 2004, 2008, 2014, and 2018.

We support Measure 34-341 because we know our school district will wisely spend the money where it's needed most: In the classroom.

Tigard-Tualatin School District Measure 34-341

ARGUMENT IN FAVOR:

**VOTE YES
for our schools, our children, our community.
Measure 34-341**

- Preserves 100 teachers
- Keeps class sizes from growing
- Protects educational programs--

without raising our tax rate.

Join us and hundreds of other Tigard-Tualatin families in voting to **renew** the Local Option Levy. The levy maintains the district's solid educational programs and prevents class sizes from growing.

Strong schools that prepare students for the future are important to us. They are also important to the quality of our communities.

Tigard-Tualatin is known for its outstanding schools and supportive communities. That is what has drawn families here for decades. A YES vote helps maintain this quality and tradition.

A YES vote is NOT a new or additional tax. It simply continues the existing Local Option rate.

Our children need your support. Join us in voting YES on Measure 34-341.

Tigard-Tualatin School District Measure 34-341

ARGUMENT IN FAVOR:

Join Educators in VOTING YES to Renew the Local Option!

We are current and retired teachers, administrators and staff in Tigard-Tualatin. Help us STOP CLASS SIZES FROM GETTING BIGGER.

- **A YES VOTE will help fight against growing class sizes so students get the attention they deserve.** Smaller class sizes are critical to delivering individual instruction. Students who are striving can get the support they need. Those who are thriving will get the extra challenge.

We are proud of the district and the education it provides OUR children. Help us MAINTAIN the best education for Tigard-Tualatin students.

- **A YES VOTE will protect classroom programs and instruction.** We need to ensure that students are getting the best instruction in core subjects and electives to succeed in today's world.

Tigard-Tualatin has a tradition of supporting education and educators. THANK YOU!!

- **A YES VOTE will RENEW the existing levy** and fund 100 teachers in all our schools. 100 teachers make a big difference!
