BACKGROUND:

The construction of a new Oak Lodge Library is part of a plan for the redevelopment of the Concord School property which is owned by the North Clackamas Parks and Recreation District.

After several meetings with the Board over the past year, the Board decided in May, 2022 to put a hold on library construction for up to a year due to significant increases in the construction industry. However, work on completing all design specifications will continue.

The funding package for the library includes \$750,000 in State of Oregon American Rescue Plan Act Coronavirus State Fiscal Recovery Fund dollars, which was awarded through State Representative Karin Power's office in July 2021. This funding is a critical component of the overall funding package, providing financial support towards this essential community facility. Accepting the grant agreement now allows the funding to be transferred to the County so that it is available for use as soon as the library project moves forward. Staff are confident that these funds can be expended by June, 2024 even with the delay.

RECOMMENDATION: Staff recommends approval of this grant agreement, and authorizes the Chair to sign on behalf of the County.

Respectfully submitted,

Sarah Eckman
Interim Director
Business & Community Services

D. Pending Litigation. Recipient has disclosed in writing to DAS all proceedings pending (or to the knowledge of Recipient, threatened) against or affecting Recipient, in any court or before any governmental authority or arbitration board or tribunal, that, if adversely determined, would materially adversely affect the Grant or the ability of Recipient to perform all obligations required by this Contract.

SECTION 6 - COVENANTS OF RECIPIENT

- (2) Audit costs for audits not required in accordance with 2 CFR part 200, subpart F are unallowable. If Recipient did not expend \$750,000 or more in Federal funds in its fiscal year, but contracted with a certified public accountant to perform an audit, costs for performance of that audit shall not be charged to the funds received under this Contract.
- (3) Recipient shall save, protect and hold harmless DAS from the cost of any audits or special investigations performed by the Federal awarding agency or any federal agency with respect to the funds expended under this Contract. - (4) Recipient is authorized to use the Grant to pay itself for those administrative costs that are eligible costs under the CSFRF to implement the Project. Recipient will maintain these books of account and records in accordance with generally accepted accounting principles and will retain these books of account and records until five years after the Completion Deadline or the date that all disputes, if any, arising under this Contract have been resolved, whichever is later.
- K. Inspection. Recipient shall supply any Contract-related information as DAS may reasonably require.
- L. Notice of Event of Default. Recipient shall give DAS prompt written notice of any Event of Default, or any circumstance that with notice or the lapse of time, or both, may become an Event of Default, as soon as Recipient becomes aware of its existence or reasonably believes an Event of Default is likely.
- M. Contribution and Recipient Subcontracts.

(1) Contribution.

(i) If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third-Party Claim") against a party (the "Notified Party") with respect to which the other party ("Other Party") may have liability, the Notified Party must promptly notify the Other Party in writing of the Third-Party Claim and deliver to the Other Party a copy of the claim, process, and all legal pleadings with respect to the Third-Party Claim. Either party is entitled to participate in the defense of a Third-Party Claim, and to defend a Third-Party Claim with counsel of its own choosing. Receipt by the Other Party of the notice and copies required in this paragraph and meaningful opportunity for the Other Party to participate in the investigation, defense and settlement of the Third-Party Claim with counsel of its own choosing are conditions precedent to the Other Party's liability with respect to the Third-Party Claim.

(ii) With respect to a Third-Party Claim for which DAS is jointly liable with Recipient (or would be if joined in the Third-Party Claim), DAS shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of DAS on the one hand and of Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of DAS on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. DAS's contribution amount in any

instance is capped to the same extent it would have been capped under Oregon law if DAS had sole liability in the proceeding.

(iii) With respect to a Third-Party Claim for which Recipient is jointly liable with DAS (or would be if joined in the Third-Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by DAS in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of DAS on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of DAS on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

(2) Recipient Subcontracts. Recipient may enter into agreements with contractors or subcontractors (collectively, "Subcontracts") for performance of the Project.

(i) Recipient shall take all reasonable steps to cause its contractor(s) that are not units of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless the State of Oregon and its officers, employees and agents ("Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including attorneys' fees) arising from a tort (as now or hereafter defined in ORS 30.260) caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Recipient's contractor or any of the officers, agents, employees or subcontractors of the contractor ("Claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the contractor from and against any and all Claims.

(ii) Recipient shall require its first-tier contractor(s) that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance of the types and in the amounts specified in Exhibit B and meeting the requirements under ADDITIONAL INSURED, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before the contractors perform under its Subcontracts, and ii) maintain the insurance in full force throughout the duration of the Subcontracts. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to DAS. Recipient shall not authorize contractors to begin work under the Subcontracts until the insurance is in full force. Thereafter, Recipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Recipient shall incorporate appropriate provisions in the Subcontracts permitting it to enforce contractor compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. Examples of "reasonable steps" include issuing stop work orders (or the equivalent) until the insurance is in full force or terminating the Subcontracts as permitted by the Subcontracts, or pursuing legal action to enforce the insurance requirements. In no event shall Recipient permit a contractor to work under a Subcontract when Recipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, a "first tier" contractor is a contractor with which Recipient directly enters into a contract. It does not include a subcontractor with which the contractor enters into a contract.

N. Representations and Covenants Regarding Prevailing Wage.

- (1) The prevailing wage rate requirements that may apply to the Project are set forth in ORS 279C.800 through 279C.870, the administrative rules promulgated thereunder (OAR Chapter 839, Division 25) and Oregon Laws 2021, chapter 678, section 17 (collectively, state “PWR”), or, if applicable, 40 U.S.C. 3141 et seq. (federal “Davis-Bacon Act”). If applicable, Recipient shall:
 - a) comply with PWR, require its contractors and subcontractors to pay the applicable PWR or Davis-Bacon Act rates, as applicable, and to comply with all other Oregon Bureau of Labor and Industries (“BOLI”) requirements pursuant to the PWR, including on all contracts and subcontracts and in filing separate public works bonds with the Construction Contractors Board;
 - b) pay to BOLI, within the required timeframe and in the appropriate amount, the project fee required by OAR 839-025-0200 to 839-025-0230, including any additional fee that may be owed upon completion of the Project; and
 - c) unless exempt under Section 17(2) of Oregon Laws 2021, chapter 678, if Recipient is a “public body” and the Project is a “qualified project,” as those terms are defined in Section 17(3) of Oregon Laws 2021, chapter 678, Recipient shall require each contractor in a contract with an estimated cost of \$200,000 or greater to:
 - i. Enter into a project labor agreement that, at a minimum, provides for payment of wages at or above the prevailing rate of wage;
 - ii. Employ apprentices to perform 15 percent of the work hours that workers in apprenticeable occupations perform under the contract, in a manner consistent with the apprentices’ respective apprenticeship training programs;
 - iii. Establish and execute a plan for outreach, recruitment and retention of women, minority individuals and veterans to perform work under the contract, with the aspirational target of having at least 15 percent of total work hours performed by individuals in one or more of those groups; and
 - iv. Require any subcontractor engaged by the contractor to abide by the requirements set forth in subparagraphs (i), (ii) and (iii) above, if the work to be performed under the subcontract has an estimated cost of \$200,000 or greater.
- (2) Recipient represents and warrants that it is not on the BOLI current List of Contractors Ineligible to Receive Public Works Contracts and that it will not contract with any contractor on this list.
- (3) Pursuant to ORS 279C.817, Recipient may request that the Commissioner of BOLI make a determination about whether the Project is a public works on which payment of the prevailing rate of wage is required under ORS 279C.840.

SECTION 7 - DEFAULT

- A. Recipient Default. Any of the following constitutes an “Event of Default” of Recipient:
- (1) Misleading Statement. Any materially false or misleading representation is made by or on behalf of Recipient, in this Contract or in any document provided by Recipient related to this Grant.
 - (2) Failure to Perform. Recipient fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Contract, other than those referred to in subsection A of this section, and that failure continues for a period of 30 calendar days after written notice specifying such failure is given to Recipient by DAS. DAS may agree in writing to an extension of time if it determines Recipient instituted and has diligently pursued corrective action.
- B. DAS Default. DAS will be in default under this Contract if it fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Contract.

SECTION 8 - REMEDIES

- A. DAS Remedies. Upon the occurrence of an Event of Default, DAS may pursue any remedies available under this Contract, at law or in equity. Such remedies include, but are not limited to, termination of DAS’s obligations to make the Grant or further disbursements, return of all or a portion of the Grant Amount, payment of interest earned on the Grant Amount, and declaration of ineligibility for the receipt of future awards from DAS. If, as a result of an Event of Default, DAS demands return of all or a portion of the Grant Amount or payment of interest earned on the Grant Amount, Recipient shall pay the amount upon DAS’s demand. DAS may also recover all or a portion of any amount due from Recipient by deducting that amount from any payment due to Recipient from the State of Oregon under any other contract or agreement, present or future, unless prohibited by state or federal law. DAS reserves the right to turn over any unpaid debt under this Section 8 to the Oregon Department of Revenue or a collection agency and may publicly report any delinquency or default. These remedies are cumulative and not exclusive of any other remedies provided by law.
- B. Recipient Remedies. In the event of default by DAS, Recipient’s sole remedy will be for disbursement of Grant funds for Eligible Costs of the Project, not to exceed the total Grant Amount, less any claims DAS has against Recipient.

SECTION 9 - TERMINATION

In addition to terminating this Contract upon an Event of Default as provided in Section 8, DAS may terminate this Contract with notice to Recipient under any of the following circumstances:

- A. If DAS anticipates a shortfall in applicable revenues or DAS fails to receive sufficient funding, appropriations or other expenditure authorizations to allow DAS, in its reasonable discretion, to continue making payments under this Contract.
- B. There is a change in federal or state laws, rules, regulations or guidelines so that the uses of the Grant are no longer eligible for funding.

This Contract may be terminated at any time by mutual written consent of the parties.

SECTION 10 - MISCELLANEOUS

- A. No Implied Waiver. No failure or delay on the part of DAS to exercise any right, power, or privilege under this Contract will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or privilege under this Contract preclude any other or further exercise thereof or the exercise of any other such right, power, or privilege.
- B. Choice of Law; Designation of Forum; Federal Forum. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Contract, including, without limitation, its validity, interpretation, construction, performance, and enforcement.

Any party bringing a legal action or proceeding against any other party arising out of or relating to this Contract shall bring the legal action or proceeding in the Circuit Court of the State of Oregon for Marion County (unless Oregon law requires that it be brought and conducted in another county). Each party hereby consents to the exclusive jurisdiction of such court, waives any objection to venue, and waives any claim that such forum is an inconvenient forum.

Notwithstanding the prior paragraph, if a claim must be brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for the District of Oregon. This paragraph applies to a claim brought against the State of Oregon only to the extent Congress has appropriately abrogated the State of Oregon's sovereign immunity and is not consent by the State of Oregon to be sued in federal court. This paragraph is also not a waiver by the State of Oregon of any form of defense or immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

- C. Notices and Communication. Except as otherwise expressly provided in this Contract, any communication between the parties or notices required or permitted must be given in writing by personal delivery, email, or by mailing the same, postage prepaid, to Recipient or DAS at the addresses listed in Exhibit A, or to such other persons or addresses that either party may subsequently indicate pursuant to this Section.

Any communication or notice by personal delivery will be deemed effective when actually delivered to the addressee. Any communication or notice so addressed and mailed will be deemed to be received and effective five (5) days after mailing. Any communication or notice given by email becomes effective 1) upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system or 2) the recipient's confirmation of receipt, whichever is earlier. Notwithstanding this provision, the following notices may not be given by email: notice of default or notice of termination.

- D. Amendments. This Contract may not be altered, modified, supplemented, or amended in any manner except by written instrument signed by both parties.
- E. Severability. If any provision of this Contract will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision.
- F. Successors and Assigns. This Contract will be binding upon and inure to the benefit of DAS, Recipient, and their respective successors and assigns, except that Recipient may not assign or transfer its rights, obligations or any interest without the prior written consent of DAS.
- G. Counterparts. This Contract may be signed in several counterparts, each of which is an original and all of which constitute one and the same instrument.

- H. Integration. This Contract (including all exhibits, schedules or attachments) constitutes the entire agreement between the parties on the subject matter. There are no unspecified understandings, agreements or representations, oral or written, regarding this Contract.
- I. No Third-Party Beneficiaries. DAS and Recipient are the only parties to this Contract and are the only parties entitled to enforce the terms of this Contract. Nothing in this Contract gives or provides, or is intended to give or provide, to third persons any benefit or right not held by or made generally available to the public, whether directly, indirectly or otherwise, unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Contract.
- J. Survival. The following provisions, including this one, survive expiration or termination of this Contract: Sections 6 (excepting 6.H, Insurance), 7, 8, 10.B, 10.C, 10.L and 10.M.
- K. Time is of the Essence. Recipient agrees that time is of the essence under this Contract.
- L. Attorney Fees. To the extent permitted by the Oregon Constitution and the Oregon Tort Claims Act, the prevailing party in any dispute arising from this Contract will be entitled to recover from the other its reasonable attorney fees and costs and expenses at trial, in a bankruptcy, receivership or similar proceeding, and on appeal. Reasonable attorney fees shall not exceed the rate charged to DAS by its attorneys.
- M. Public Records. DAS's obligations under this Contract are subject to the Oregon Public Records Laws.

Recipient, by its signature below, acknowledges that it has read this Contract, understands it, and agrees to be bound by its terms and conditions.
