EXECUTIVE SUMMARY: The Clackamas County Public Health Division (CCPHD) of the Health, Housing, and Human Services Department requests the approval of Amendment #03, the Intergovernmental Agreement with Clackamas County Fire District #1 (CFD1) for medical direction. This amendment provides CCPHD with funding so that medical direction services are provided to Clackamas County Fire District #1, including developing a program to ensure they meet clinical state requirements and performance standards and that CFD1 first responders meet the required protocols for providing EMS care.

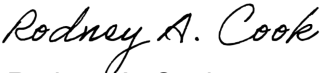

The County works to ensure that CFD1 EMS providers meet Oregon State requirements for licensure and have the knowledge, skills, and abilities to perform at the standards determined jointly by the County and the Agency. They evaluate each EMS provider’s skill performance annually, provide case reviews and other agreed-upon educational activities, and oversee and direct training and quality improvement programs.

This amendment will continue providing emergency medical services and medical direction to CFD1.

Amendment #3 adds \$72,000 and extends the term through December 31, 2025.

RECOMMENDATION: The staff respectfully requests that the Board of County Commissioners approve amendment # 3 to the contract (10449)and authorize Chair Smith to sign on behalf of Clackamas County.
