

# Child Care and Breastfeeding Training

**Tuesday April 27 at 6:30 p.m. on Zoom**

Join us for this comprehensive training where we will learn about:

- Evidence-based breastfeeding information
- Service offerings to support families
- Optimizing feeding practices
- Developing a breastfeeding-friendly policy for a business
- Community resources that can assist families

This training will be 1.5 Set One hours in Health, Safety and Nutrition (HSN).
