Background

The Social Services Division of the Department of Health, Housing and Human Services requests approval of an Intergovernmental Agreement with Oregon Department of Transportation Rail and Public Transit Division to fund COVID related operation expenses for the Mt Hood Express buses. The Mt Hood Express provides public transit bus service between the City of Sandy, Government Camp and Timberline, along with other locations in the Mt. Hood area, increasing access to employment, recreation, shopping and medical services for residents and visitors.

The federal Coronavirus Aid, Relief and Economic Security (CARES) Act provides emergency appropriations to support transit agency operations during the pandemic. Funds provided are available for transit agencies to maintain service and address needs such as personal protective equipment and cleaning supplies. Due to social distancing requirements, we are not currently able to meet the needs of our passengers, including sufficient capacity for requested rides. These funds will allow for additional capacity, as well as cover the costs of service and maintenance. Clackamas

County Social Services has received 5311 rural transit funds since it took over operating the Mountain Express/Mt Hood Express bus service in 2007.

No match is required for these funds. The grant lifecycle application form was approved by Nancy Bush, Director of Disaster Management, on 12/22/20. Agreement was reviewed and approved by Andrew Naylor, County Counsel, and 03/24/21.

Recommendation

We recommend the approval of this agreement, and the Board of County Commissioners sign all documents necessary to accomplish this action.

Respectfully submitted

9. Recipient Subagreements and Procurements

- a. **Subagreements.** Recipient may enter into agreements with sub-recipients, contractors or subcontractors (collectively, "subagreements") for performance of the Project.
 - i. All subagreements must be in writing executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.
 - ii. Recipient agrees to provide State with a copy of any signed subagreement upon request by State. Any substantial breach of a term or condition of a subagreement relating to funds covered by this Agreement must be reported by Recipient to State within ten (10) days of its being discovered.
- b. Recipient shall review the *Best Practices Procurement Manual*, a technical assistance manual prepared by the FTA, available on the FTA website: www.fta.dot.gov/grants/13054_6037.html

It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.

Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.

Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance of the types and in the amounts provided in Exhibit C to this Agreement. Any insurance obtained by the other party to Recipient's subagreements, if any, shall not relieve Recipient of the requirements of Section 11 of this Agreement. The other party to any subagreement with Recipient, if the other party employs subject workers as defined in ORS 657.027, must obtain Workers Compensation Coverage as described in Exhibit C.

- d. **Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable, including all applicable provisions of the Oregon Public Contracting Code and rules, and in conformance to FTA Circular 4220.1F, Third Party Contracting Requirements including:
 - i. all applicable clauses required by federal statute, executive orders and their implementing regulations are included in each competitive procurement;

e. Additional requirements

- i. Recipient shall comply with 49 CFR sections 37.77(c) and 37.105 regarding "Certification of Equivalent Service" when purchasing vehicles under this Agreement. - ii. Recipient shall comply with 49 CFR 663 regarding pre-award and post-delivery reviews. Every Recipient purchasing rolling stock or facilities under this Agreement must certify to State that a pre-award and post-delivery review has been conducted in accordance with ODOT requirements. This review ensures compliance to bid specifications including, but not limited to, FTA requirements, State requirements, and Federal Motor Carrier Safety Standards, as applicable to the type of project. Each Recipient's certification must include assurance that required documents have been received from manufacturers or vendors of products, or from both, and that Recipient possesses such documents. Acceptable certification forms are available from State. Recipient must provide certification forms to State when reimbursement is requested for vehicles. For facilities projects, Recipient must provide pre-award certifications to State at time of first payment, and post-delivery certifications upon completion of the post-delivery review, and in no event later than with Recipient's request for final payment.
- iii. Recipient shall comply with 49 CFR 604 in the provision of any charter service provided with vehicles, facilities, or equipment acquired with FTA assistance under this Agreement.
- iv. Recipient shall submit an annual vehicle inspection report to State for any vehicle purchased under this Agreement. Vehicle inspections shall be conducted by a vehicle maintenance technician certified by a nationally recognized organization in the field of vehicle service and maintenance. Reports covering required areas of inspection shall be submitted on forms provided by State.
- v. All drivers of vehicles purchased with FTA funds under this Agreement must complete a standard defensive driving course before operating an FTA-funded vehicle, and are advised to complete a standard defensive driving course before operating a State-funded vehicle.
- vi. Recipient shall maintain all vehicles, equipment, and facilities purchased under this Agreement in good condition per manufacturer's recommendations. Recipients are required to develop preventive maintenance plans for all rolling stock and facilities and to provide the plans to State upon request.
- vii. Recipient shall be the owner of the property for facility construction projects and of vehicles purchased under this Agreement. Such ownership shall be recorded on real property deeds for facility construction projects and on vehicle titles. If Recipient contracts the operation of vehicles to a third party, then the third party may be shown as the owner or lessee with Recipient listed as the second security interest holder or lessor. In all cases, Oregon Department of Transportation, Public Transportation Division shall be shown as the first security interest holder on vehicle titles. If Recipient fails to show Oregon Department of Transportation, Public Transportation Division as the first security interest holder, Recipient shall pay any expenses to re-submit the necessary documents to Oregon Department of Transportation, Driver and Motor Vehicle Services (DMV). If a vehicle is damaged or destroyed at any time when Recipient fails to show Oregon Department of Transportation, Public Transportation Division, as the first security interest holder,

Recipient shall be liable to State for any damage in an amount in the same manner as if Oregon Department of Transportation, Public Transportation Division, were shown as the first security interest holder.

- viii. Recipient shall bear the cost of insuring assets purchased under this Agreement based on risk assessment. Recipient shall maintain, in amounts and form satisfactory to State, such insurance or self-insurance as will be adequate to protect Recipient, vehicle drivers and assistants, vehicle occupants, and property throughout the period of use. The minimum that will be approved by State is comprehensive and collision insurance adequate to repair or replace property and equipment if damaged or destroyed; liability insurance of \$50,000 for property damage, \$200,000 for bodily injury per person, \$500,000 for bodily injury per occasion for maintenance and shop vehicles, and \$1,000,000 for bodily injury per occasion for vehicles providing passenger transportation; uninsured motorist protection; and personal injury protection as required by ORS Chapter 806. Recipient shall be responsible for all deductibles or self-insured retention. Recipient's insurance policy covering assets purchased under this Agreement shall include the Oregon Department of Transportation, Public Transportation Division as an "Additional Insured". In the event of any ambiguity or conflict between this section 9.e.viii. and Exhibit C Insurance Requirements ii. Commercial General Liability and iii. AUTOMOBILE LIABILITY INSURANCE, this section 9.e.viii. shall control.
- ix. Recipient shall file a restrictive covenant with the property deed for all construction projects and purchases of real estate, with the exception of passenger shelters, amenities, and right-of-way infrastructure improvements. The restrictive covenant will limit the use of the building and property to the stated purpose specified in the statement of work associated with this Agreement.
- x. Recipient shall complete all purchases, including installation, and all construction of capital assets funded under this Agreement prior to the Expiration Date of this Agreement. If local circumstances prevent purchase, installation, or construction by the specified date, Recipient will notify State in writing of the circumstances regarding the delay. Such notification must be received at least forty-five (45) days prior to the expiration of the Agreement. Agreement amendment for time will be considered in extenuating circumstances.

10. Termination

- a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:

 - ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
 - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be

established by Recipient in such written notice, if:

- i. The requisite local funding to continue the Project becomes unavailable to Recipient; or
 - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Contribution.** If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.

With respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.

With respect to a Third Party Claim for which Recipient is jointly liable with State (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

- b. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- c. **Responsibility for Grant Funds.** Any recipient of Grant Funds, pursuant to this Agreement with State, shall assume sole liability for that recipient's breach of the

conditions of this Agreement, and shall, upon recipient's breach of conditions that requires State to return funds to the FTA, hold harmless and indemnify State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of the recipient of Grant Funds, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.

- d. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- e. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from the this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this Section 11.g. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. EACH PARTY HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.
- i. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, as applicable to Recipient, including without limitation as described in Exhibit D. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and

state civil rights and rehabilitation statutes, rules and regulations.

- j. **Insurance; Workers' Compensation.** All employers, including Recipient, that employ subject workers who provide services in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Employer's liability insurance with coverage limits of not less than \$500,000 must be included. Recipient shall ensure that each of its subrecipient(s), contractor(s), and subcontractor(s) complies with these requirements.
- k. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- l. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- m. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.

There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. 1. BACKGROUND

The federal Coronavirus Aid, Relief, and Economic Security (CARES) Act provides emergency assistance and health care response for individuals, families, and businesses affected by the COVID-19 pandemic and provides emergency appropriations to support agency operations during the pandemic. Funds provided under the CARES Act are available for transit agencies to maintain service and lost revenue, including the purchase of protective equipment and paid administrative leave.

2. PROJECT DESCRIPTION

This Agreement provides financial support for general public transportation services in the state of Oregon to provide relief from expenses incurred in response to the COVID-19 pandemic. The services provided under this Agreement are as follows:

Operations

This project provides funding for operational support to add additional service hours for deviated fixed route services (Villages Shuttle) between Sandy, Oregon and Rhododendron, Oregon. The need for additional operations funds is due to revenue loss and increased costs of operating services due to COVID-19.

Project award value: \$106,000.

Preventive Maintenance

This project provides funding for preventive maintenance on vehicles supporting fixed route and deviated fixed route operated by Recipient. Proper maintenance ensures assets are kept in good condition per manufacturer's recommendations and that safety standards are met. Preventive maintenance reimbursed in this Agreement is for assets used in the provision of public transportation services for fixed route and deviated fixed route services operated by Recipient between Sandy, Oregon and Timberline Lodge on Mount Hood, Oregon.

Project award value: \$5,000.

Vehicle Purchase

This project provides funding to add one additional public transportation vehicle to Recipient's

fleet to accommodate increased public demand for transit. Recipient will purchase 1 vehicle as follows: useful life - 5 years or 150,000 miles; approximate length - greater than 22 feet; estimated number of seats - 16; estimated number of ADA securement stations - 2; fuel type - gasoline.

Project award value: \$94,000

3. PROJECT DELIVERABLES and EXPENSE TYPES

Funding may be used for projects to prevent, prepare for, and respond to COVID-19. Although operational expenses are the priority, all expenses normally eligible under the Federal Transit Administration (FTA) Section 5311 Formula Grants to Rural Areas Program incurred on or after January 20, 2020 are considered to be in response to economic or other conditions caused by COVID-19 and thus are eligible under this Agreement.

FTA may elect to waive specific Section 5311 requirements. Expenses covered by such a waiver may be eligible for reimbursement under this grant agreement if otherwise consistent with grant intent and focus.

Operating Expenses

In general, operating expenses are those costs necessary to operate, maintain, and manage a public transportation system. Operating expenses include such costs as driver salaries, fuel, and items having a useful life of less than one year, including personal protective equipment and cleaning supplies. See Chapter III of the FTA Circular 9040.1G (Formula Grants for Rural Areas) for more information on eligible operating expenses.

Recipient, if operating fixed route or deviated fixed route service, is responsible for maintaining accurate public GTFS data for the funded service.

Preventive Maintenance Expenses

In general, preventive maintenance expenses include activities, supplies, materials, labor, services, and associated costs required to preserve or extend the functionality and serviceability of an asset in a cost effective manner such as oil changes, engine tune-ups, scheduled or routine maintenance; and associated parts, supplies, and labor. In the context of the COVID-19 public health emergency, preventive maintenance could include, but is not limited to, costs for protective measures to protect the health and safety of employees and passengers, such as cleaning of rolling stock. Personal protective equipment and other preventive measures are eligible as either a maintenance or operating expense, whichever is appropriate.

Preventive maintenance under this Agreement does not include repairs resulting from motor vehicle accidents covered by insurance or repairs on vehicles or components under warranty.

Recipient must provide to State a plan for proposed preventive maintenance, unless a plan is already on file with State. Reimbursement requests must match the activities or purchases described in Recipient's plan. If local circumstances change, Recipient's maintenance plan must be updated to reflect that change and submitted to State within one year of the change.

Capital Expenses

Capital expenses include the purchase of tangible property with a useful life of more than one year and an acquisition cost of \$5,000 or more. This includes equipment; signs; shelters; communications devices; radios; wheelchair lifts and restraints; computer software and hardware; and safety and security equipment.

Associated services, permits, and permissions needed to put capital items into service; costs incurred from the procurement process; delivery charges; and post-delivery inspections are eligible expenses.

4. PROJECT ACCOUNTING and MATCHING FUNDING

Generally accepted accounting principles and Recipient's accounting system determine those costs that are to be accounted for as gross operating expenses. Recipient may not count the same costs twice if they have multiple agreements for which these costs may be eligible. The contractor may use capital equipment funded from USDOT- or State-source grants when performing services rendered through a contract funded by this Agreement. Depreciation of capital equipment funded from USDOT- or State-source grants is not an eligible expense.

Recipient will subtract revenue from fares, tickets, and passes, either pre-paid or post-paid, from the gross operating expense of service. Fare revenue includes all revenue generated by passenger or freight travel in or through Oregon, less contract ticket and freight agent commissions.

Projects completed under this Agreement will be reimbursed at 100 percent. There is no local match requirement.

If Recipient receives federal funding, directly or indirectly, from insurance proceeds, the Federal Emergency Management Agency (FEMA), the Robert T. Stafford Disaster Relief and Emergency Assistance Act, or a different federal agency for any portion of a project activity funded under this Agreement, Recipient will provide written notification to State. State will then deduct that amount from this Agreement to reimburse FTA for that federal share that duplicates funding provided by FEMA, another federal agency, or an insurance company.

5. REPORTING and INVOICING REQUIREMENTS

Reimbursement requests may be submitted no more frequently than monthly. Grant Funds provided under this Agreement must be expended by the Expiration Date.

Recipient agrees to assess and report, as prescribed by State, the condition of all capital assets purchased or constructed under this Agreement as long as they remain in use for public transportation service.

Recipient will request reimbursement for covered expenses incurred during each period as prescribed by State and described in Recipient's submitted preventive maintenance plan for this Agreement. Recipient must maintain and provide supporting documents detailing the total expenses for allowable maintenance activities incurred during the period. Recipient may list costs on a form provided by State, or provide vendor invoices.

Copies of invoices for vendor charges must be submitted with reimbursement requests. In-house charges may be documented in a spreadsheet or with copies of timesheets showing time specifically associated with the project. In addition, Recipient must submit a cover letter or summary of the total expenses for work performed.

Expenses incurred will not be reimbursed if the project's scope is changed or altered without the necessary approval and amendment by State.

Reimbursement under this Agreement may be denied if Recipient does not maintain compliance with the most up-to-date Oregon Health Authority Guidelines for transit operations. See <https://www.oregon.gov/odot/RPTD/Pages/Coronavirus.aspx> "What are the guidelines for transit agencies operating during the COVID-19 pandemic".

GENERAL - SUBRECIPIENT.

Recipient shall require in its first tier subagreements with entities that are not units of local government as defined in ORS 190.003, if any, to: i) obtain insurance specified under TYPES AND AMOUNTS and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before performance under the subagreement commences, and ii) maintain the insurance in full force throughout the duration of the subagreement. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to State. Recipient shall not authorize work to begin under subagreements until the insurance is in full force. Thereafter, Recipient shall monitor continued compliance with the insurance requirements on an annual or more frequent basis. Recipient shall incorporate appropriate provisions in the subagreement permitting it to enforce compliance with the insurance requirements and shall take all reasonable steps to enforce such compliance. In no event shall Recipient permit work under a subagreement when Recipient is aware that the contractor is not in compliance with the insurance requirements. As used in this section, "first tier" means a subagreement in which the Recipient is a Party.

TYPES AND AMOUNTS.

i. **WORKERS COMPENSATION.** Insurance in compliance with ORS 656.017, which requires all employers that employ subject workers, as defined in ORS 656.027, to provide workers' compensation coverage for those workers, unless they meet the requirement for an exemption under ORS 656.126(2). Employers liability insurance with coverage limits of not less than \$500,000 must be included.

ii. **COMMERCIAL GENERAL LIABILITY.** Commercial General Liability Insurance covering bodily injury, death, and property damage in a form and with coverages that are satisfactory to State. This insurance shall include personal injury liability, products and completed operations. Coverage shall be written on an occurrence form basis, with not less than the following amounts as determined by State:

Bodily Injury, Death and Property Damage:

\$1,000,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence).

iii. **AUTOMOBILE Liability Insurance: Automobile Liability.** Automobile Liability Insurance covering all owned, non-owned and hired vehicles. This coverage may be written in combination with the Commercial General Liability Insurance (with separate limits for "Commercial General Liability" and "Automobile Liability"). Automobile Liability Insurance must be in not less than the following amounts as determined by State:

Bodily Injury, Death and Property Damage:

\$1,000,000 per occurrence (for all claimants for claims arising out of a single accident or occurrence).

ADDITIONAL INSURED. The Commercial General Liability Insurance and Automobile Liability insurance must include State, its officers, employees and agents as Additional Insureds but only with respect to the contractor's activities to be performed under the Subcontract. Coverage must be primary and non-contributory with any other insurance and self-insurance.

"TAIL" COVERAGE. If any of the required insurance policies is on a "claims made" basis, such as professional liability insurance, the contractor shall maintain either "tail" coverage or continuous

"claims made" liability coverage, provided the effective date of the continuous "claims made" coverage is on or before the effective date of the Subcontract, for a minimum of 24 months following the later of: (i) the contractor's completion and Recipient's acceptance of all Services required under the Subcontract or, (ii) the expiration of all warranty periods provided under the Subcontract. Notwithstanding the foregoing 24-month requirement, if the contractor elects to maintain "tail" coverage and if the maximum time period "tail" coverage reasonably available in the marketplace is less than the 24-month period described above, then the contractor may request and State may grant approval of the maximum "tail" coverage period reasonably available in the marketplace. If State approval is granted, the contractor shall maintain "tail" coverage for the maximum time period that "tail" coverage is reasonably available in the marketplace.

NOTICE OF CANCELLATION OR CHANGE. The contractor or its insurer must provide 30 days' written notice to Recipient before cancellation of, material change to, potential exhaustion of aggregate limits of, or non-renewal of the required insurance coverage(s).

CERTIFICATE(S) OF INSURANCE. Recipient shall obtain from the contractor a certificate(s) of insurance for all required insurance before the contractor performs under the Subcontract. The certificate(s) or an attached endorsement must specify: i) all entities and individuals who are endorsed on the policy as Additional Insured and ii) for insurance on a "claims made" basis, the extended reporting period applicable to "tail" or continuous "claims made" coverage.

GENERAL - RECIPIENT.

Recipient shall: i) obtain insurance specified under TYPES AND AMOUNTS (except TYPES AND AMOUNTS paragraph I applies only to Recipient's subcontractors who employ subject workers) and meeting the requirements under ADDITIONAL INSURED, "TAIL" COVERAGE, NOTICE OF CANCELLATION OR CHANGE, and CERTIFICATES OF INSURANCE before performance under this Agreement commences, and ii) maintain the insurance in full force throughout the duration of this Agreement. The insurance must be provided by insurance companies or entities that are authorized to transact the business of insurance and issue coverage in the State of Oregon and that are acceptable to State.

Recipient's DBE program, if applicable, as required by 49 CFR part 26 and as approved by USDOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to State of its failure to carry out its approved program, the Department may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

Section III: Funding Opportunity Information - To be completed at Pre-Application Meeting by Dept Program and Fiscal St

Mission/Purpose:

1. How does the grant support the Department and/or Division's Mission/Purpose/Goals?

These funds will address operating deficits in the Mt Hood Express transportation service by covering costs associated with the COVID crises such as service changes, lost revenue, and additional vehicle needs.

2. What, if any, are the community partners who might be better suited to perform this work?

There are no other public transit providers in this area.

3. What are the objectives of this grant? How will we meet these objectives?

The grant is to support the continuing operations of the Mt Hood Express service and to mitigate the financial impacts of the COVID crises. The funds will allow service to continue over the next year despite loss of revenue. As demand has started to return to normal COVID required social distancing measures means reduced capacity on each bus and the need to deploy more buses on normal routes to accommodate demand.

4. Does the grant proposal fund an existing program? If yes, which program? If no, what is the purpose of the program?

The Mt Hood Express provides public transportation to the communities of the Mt Hood Area, specifically between Sandy, the Hoodland area along Highway 26, Government Camp and Timberline Lodge.

Organizational Capacity:

1. Does the organization have adequate and qualified staff? If no, can staff be hired within the grant timeframe?

We have adequate staffing for this program.

2. Are there partnership efforts required? If yes, who are we partnering with and what are their roles and responsibilities?

We continue to partner with the City of Sandy around operational aspects of the service. These funds will focus on the financial impact of COVID operations.

3. If this is a pilot project, what is the plan for sunseting the project and/or staff if it does not continue (e.g. making staff positions temporary or limited duration, etc.)?

N/A

4. If funded, this grant would create a new program, does the department intend for the program to continue after initial funding is exhausted? If yes, how will the department ensure funding (e.g. request new funding during the budget process, supplanted by a different program, etc.)?

N/A

Collaboration

1. List County departments that will collaborate on this award, if any.

N/A

Reporting Requirements

1. What are the program reporting requirements for this grant?

Quarterly reporting as we do with our current 5311 operations grant, as well as NTD reporting to the FTA

2. How will grant performance be evaluated? Are we using existing data sources? If yes, what are they and where are they housed? If not, is it feasible to develop a data source within the grant timeframe?

We will continue to collect performance data to inform the operations and future of the public transit service.

3. What are the fiscal reporting requirements for this grant?

No changes from current reporting for the 5311 operations formula grant.

Fiscal

1. Will we realize more benefit than this grant will cost to administer?

This grant will ensure continued service during this time and will also provide sufficient funds to implement COVID related safety and service measures.

2. Are other revenue sources required? Have they already been secured?

N/A

3. For applications with a match requirement, how much is required (in dollars) and what type of funding will be used to meet it (CGF, In-kind, Local Grant, etc.)?

N/A

4. Does this grant cover indirect costs? If yes, is there a rate cap? If no, can additional funds be obtained to support indirect expenses and what are they?
