RE: Aurora State Airport

Dear Ms. Meeker:

We know that the Oregon Aviation Board is considering the Aurora State Airport Master Plan at your meeting on October 31, 2019.

Per the attached letter sent by the City of Wilsonville on June 14, 2019, we write to reiterate our standing as an interested party with respect to the potential expansion of the facility and development of adjacent land.

While the period for public comment has passed, we hope you will consider Clackamas County's interests as important in this matter and will share this letter with your Board colleagues.

With kind regards,

Jim Bernard, Chair
On behalf of the Clackamas County Board of Commissioners
