EXECUTIVE SUMMARY: The Clackamas County Juvenile Department is requesting approval to apply for an Oregon Department of Education, Youth Development Division - *Youth Solutions* Grant of up to a total of \$120,000 for the biennium. If awarded, this funding would be utilized to contract with a nonprofit provider to identify, establish, and coordinate opportunities for community service and stipends for restitution based on a restorative justice model for Clackamas County juvenile justice-involved youth who owe restitution and/or community service hours to repair harm to their victims and/or the community. This would also provide an opportunity to give back to communities that they themselves belong to. This **Restorative Community Service Program** would prioritize, but not be limited to youth ages 12-15. Additionally, youth would learn valuable job skills through the work performed, and have opportunities to promote self-esteem, self-actualization and foster positive youth development.

While we can never predict with 100% accuracy what state funding streams will be available in the future, these funding streams from the Youth Development Division have been consistently available for several years.

RECOMMENDATION: Staff recommends the Board of County Commissioners approve the department's request to apply for this funding.

Respectfully submitted,

Christina L. McMahan, Director

Juvenile Department
