

817 AUTO WRECKING YARDS AND JUNKYARDS

817.01 STANDARDS

The following standards apply to auto wrecking yards and junkyards in zoning districts where these uses are permitted and are identified as being subject to Section 817:

- A. Fences: A sight-obscuring fence shall completely enclose the auto wrecking or junkyard.
 - 1. The fence shall be one color, constructed of uniform materials, and kept in good repair.
 - 2. The minimum structure height of the fence shall be 6 feet.
 - 3. The minimum front setback for the fence shall be 25 feet.
- B. Storage: All storage shall be within the fenced area, and items, including vehicles, shall not be piled higher than the fence.
