BACKGROUND:

Each fiscal year it is necessary to reduce or allocate additional sources of revenue and appropriate additional expenditures to more accurately meet the changing requirements of the operating departments. The attached resolution reflects such changes requested by departments in keeping with a legally accurate budget. These changes are in compliance with Oregon Local Budget Law ORS 294.433 - ORS 294.481, which allows for governing body approval of budget changes under qualified circumstances. The required notice has been published.

The FY21-22 adopted budget includes \$40.6 million for American Rescue Plan Act (ARPA) spending in the Special Payment category. As the Board awards funding to the departments, there is a need to quickly move appropriation authority to the correct spending category. The resolution delegates authority to the County Administrator and/or the Finance Director to make budget appropriation changes related to ARPA, based on the Board's funding award. These budget moves will not change the overall amount of ARPA funding available.

The effect of this resolution is an increase in revenues and appropriations of \$7,995,368.

Contract No.	#2109189, #P-98-913-00-000—24, #18889613, #18891081

BACKGROUND:

In 1998, the County purchased licenses and technical support services from PeopleSoft USA, Inc. for its Enterprise Resource Planning and Human Resources Information Management software. Subsequently, Oracle America, Inc. purchased PeopleSoft USA along with the County's contract. To continue receiving software maintenance services for the software, the County pays an annual software support service fee. The current software support service term expires on September 29, 2021 and the County would like to continue the services for an additional annual term. These services are technical in nature and ensure that our system staff have the resources they need to keep the PeopleSoft systems operational. The annual renewal for the service contracts is \$506,304.10.

Term 9/30/21 - 9/29/22: Contract #2109189 \$8,697.05; Contract #P-98-913-00-000--24 \$368,084.84. Term 1/2/21- 9/30/21: Contract #18889613 \$19,928.73; Contract #18891081 \$109,593.52.

County Counsel has reviewed and approved the documents associated with the transaction.

PROCUREMENT PROCESS:

The original procurement process contemplated the license fees and the ongoing technical support services, therefore additional procurement processes are not required. Procurement is requesting the Board's approval to issue a purchase order for a new one-year continuation of support services. There is no agreement or contract to sign for the Board to sign, as support services through Oracle are renewed through an online system and they request a purchase order in order to process the renewal.

RECOMMENDATION:

Staff recommends the Board of County Commissioners authorize Procurement to execute any necessary instruments required to continue technical support services with Oracle America, Inc. for an additional annual term.

Respectfully submitted,

Sincerely,

Elizabeth Comfort
