**CLACKAMAS COUNTY  
PERSONAL SERVICES CONTRACT  
Contract #9712 H3S #11298**

This Personal Services Contract (this “Contract”) is entered into between **Advantage Nurse Staffing of Oregon, Inc.** (“Contractor”), and Clackamas County, a political subdivision of the State of Oregon (“County”) on behalf of Health Housing and Human Services Department, Public Health Division, for purposes of providing on-call temporary nurse staffing services.

**ARTICLE I.**

- 1. Effective Date and Duration.** This Contract shall become effective upon signature of both parties. Unless earlier terminated or extended, this Contract shall expire on **June 30, 2029**.
  
- 2. Scope of Work.** Contractor shall provide the following personal services: on-call or as-needed temporary nurse staffing services, as further described in in RFP 2024-15, attached and incorporated hereto as **Exhibit A**, and Contractor’s Proposal attached and incorporated hereto as **Exhibit B** (the “Work”).

This Contract is on an “on-call” or “as-needed basis.”

When the County wishes Contractor to perform the Work, the County will submit an official County Task Order form (found at: <https://www.clackamas.us/finance/terms.html>) detailing the scope of Work, the entity on whose behalf the Work will be performed, and the total compensation, pursuant to the fee schedule set forth in this Contract. Contractor may not perform Work until the County Task Order form has been executed by the parties. In the event a project authorized under the County Task Order extends beyond the expiration of this Contract, the County Task Order shall remain in effect under the terms of this Contract until the completion or expiration of the authorized task.

No task order shall modify or amend the terms and conditions of this Contract.

Contractor may not perform Work that will exceed the not to exceed amount set forth in a Task Order. If Contractor believes the Work may require additional consideration beyond what is included in the Task Order, Contractor must notify County of the additional Work and the County will either (1) execute an amended or additional Task Order; or (2) notify Contractor to stop performing the Work. Contractor may not request, and County will not pay, any amounts in excess of those set forth in the Task Order.

- 3. Consideration.** The maximum amount County may pay Contractor, from available and authorized funds, for performing the Work shall not to exceed One Hundred Thousand Dollars (\$100,000) per Fiscal Year (July 1- June 30), with a total contract value not to exceed Five Hundred Thousand dollars (\$500,000). Consideration rates are on a time and materials basis in accordance with the rates and costs specified in Exhibit B. If any interim payments to Contractor are made, such payments shall be made only in accordance with the schedule and requirements in Exhibit B. Because this Contract is on an on-call or as-needed basis, and the exact amount of Work required, if any, is unknown, nothing herein shall be construed as a promise to pay Contractor the entire \$500,000 authorized under this Contract. Contractor may increase the rates listed in Exhibit B once per a fiscal year. Contractor shall notify County prior to any increase in rates. County may either agree to the rate increases, negotiate with Contractor for different rates, or terminate the Contract. Provided, however, that no rate increase shall cause the total Contract value to exceed the amounts set forth in this Section 3. The total not to exceed value of this Contract may only be increased by execution of a written amendment on terms and conditions acceptable to both parties.

**4. Invoices and Payments.** Unless otherwise specified, Contractor shall submit monthly invoices for Work performed. Invoices shall describe all Work performed with particularity, by whom it was performed, and shall itemize and explain all expenses for which reimbursement is claimed. The invoices shall include the total amount billed to date by Contractor prior to the current invoice. If Contractor fails to present invoices in proper form within sixty (60) calendar days after the end of the month in which the services were rendered, Contractor waives any rights to present such invoice thereafter and to receive payment therefor. Payments shall be made in accordance with ORS 293.462 to Contractor following the County’s review and approval of invoices submitted by Contractor. Contractor shall not submit invoices for, and the County will not be obligated to pay, any amount in excess of the maximum compensation amount set forth above. If this maximum compensation amount is increased by amendment of this Contract, the amendment must be fully effective before Contractor performs Work subject to the amendment.

Invoices shall reference the above Contract Number and be submitted to:

- 5. Travel and Other Expense.** Authorized:  Yes  No  
 If travel expense reimbursement is authorized in this Contract, such expense shall only be reimbursed at the rates in the County Contractor Travel Reimbursement Policy, hereby incorporated by reference and found at: <https://www.clackamas.us/finance/terms.html>. Travel expense reimbursement is not in excess of the not to exceed consideration.
- 6. Contract Documents.** This Contract consists of the following documents, which are listed in descending order of precedence and are attached and incorporated by reference, this Contract, Exhibit A, Exhibit B and Exhibit C.

**ARTICLE II.**

**1. ACCESS TO RECORDS.** Contractor shall maintain books, records, documents, and other evidence, in accordance with generally accepted accounting procedures and practices, sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred in the performance of this Contract. County and their duly authorized representatives shall have access to the books, documents, papers, and records of Contractor, which are directly pertinent to this Contract for the purpose of making audit, examination, excerpts, and transcripts. Contractor shall maintain such books and records for a minimum of six (6) years, or such longer period as may be required by applicable law, following final payment and termination of this Contract, or until the conclusion of any audit, controversy or litigation arising out of or related to this Contract, whichever date is later.

2. **AVAILABILITY OF FUTURE FUNDS.** Any continuation or extension of this Contract after the end of the fiscal period in which it is written is contingent on a new appropriation for each succeeding fiscal period sufficient to continue to make payments under this Contract, as determined by the County in its sole administrative discretion.
3. **CAPTIONS.** The captions or headings in this Contract are for convenience only and in no way define, limit, or describe the scope or intent of any provisions of this Contract.
4. **COMPLIANCE WITH APPLICABLE LAW.** Contractor shall comply with all applicable federal, state and local laws, regulations, executive orders, and ordinances, as such may be amended from time to time.
5. **COUNTERPARTS.** This Contract may be executed in several counterparts (electronic or otherwise), each of which shall be an original, all of which shall constitute the same instrument.
6. **GOVERNING LAW.** This Contract, and all rights, obligations, and disputes arising out of it, shall be governed and construed in accordance with the laws of the State of Oregon and the ordinances of Clackamas County without regard to principles of conflicts of law. Any claim, action, or suit between County and Contractor that arises out of or relates to the performance of this Contract shall be brought and conducted solely and exclusively within the Circuit Court for Clackamas County, for the State of Oregon. Provided, however, that if any such claim, action, or suit may be brought in a federal forum, it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. In no event shall this section be construed as a waiver by the County of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court. Contractor, by execution of this Contract, hereby consents to the personal jurisdiction of the courts referenced in this section.
7. **INDEMNITY, RESPONSIBILITY FOR DAMAGES.** Contractor shall be responsible for all damage to property, injury to persons, and loss, expense, inconvenience, and delay which may be caused by, or result from, any act, omission, or neglect of Contractor, its subcontractors, agents, or employees. The Contractor agrees to indemnify and defend the County, and its officers, elected officials, agents, and employees, from and against all claims, actions, losses, liabilities, including reasonable attorney and accounting fees, and all expenses incidental to the investigation and defense thereof, arising out of or based upon Contractor's acts or omissions in performing under this Contract.

However, neither Contractor nor any attorney engaged by Contractor shall defend the claim in the name of County, purport to act as legal representative of County, or settle any claim on behalf of County, without the approval of the Clackamas County Counsel's Office. County may assume its own defense and settlement at its election and expense.

8. **INDEPENDENT CONTRACTOR STATUS.** The service(s) to be rendered under this Contract are those of an independent contractor. Although the County reserves the right to determine (and modify) the delivery schedule for the Work to be performed and to evaluate the quality of the completed performance, County cannot and will not control the means or manner of Contractor's performance. Contractor is responsible for determining the appropriate means and manner of performing the Work. Contractor is not to be considered an agent or employee of County for any purpose, including, but not limited to: (A) The Contractor will be solely responsible for payment of any Federal or State taxes required as a result of this Contract; and (B) This Contract is not intended to entitle the Contractor to any benefits generally granted to County employees, including, but not limited to, vacation, holiday and sick leave, other leaves with pay, tenure, medical and dental coverage, life and disability insurance, overtime, Social Security, Workers' Compensation, unemployment compensation, or retirement benefits.

**9. INSURANCE.** Contractor shall secure at its own expense and keep in effect during the term of the performance under this Contract the insurance required and minimum coverage indicated below. The insurance requirement outlined below do not in any way limit the amount of scope of liability of Contractor under this Contract. Contractor shall provide proof of said insurance and name the County as an additional insured on all required liability policies. Proof of insurance and notice of any material change should be submitted to the following address: Clackamas County Procurement Division, 2051 Kaen Road, Oregon City, OR 97045 or emailed to the County Contract Analyst.

**10. LIMITATION OF LIABILITIES.** This Contract is expressly subject to the debt limitation of Oregon counties set forth in Article XI, Section 10, of the Oregon Constitution, and is contingent upon funds being appropriated therefore. Any provisions herein which would conflict with law are deemed inoperative to that extent. Except for liability arising under or related to Article II, Section 13 or Section 20 neither party shall be liable for (i) any indirect, incidental, consequential or special damages under this Contract or (ii) any damages of any sort arising solely from the termination of this Contract in accordance with its terms.

**11. NOTICES.** Except as otherwise provided in this Contract, any required notices between the parties shall be given in writing by personal delivery, email, or mailing the same, to the Contract Administrators identified in Article 1, Section 6. If notice is sent to County, a copy shall also be sent to: Clackamas County Procurement, 2051 Kaen Road, Oregon City, OR 97045. Any communication or notice so addressed and mailed shall be deemed to be given five (5) days after mailing, and immediately upon personal delivery, or within 2 hours after the email is sent during County’s normal business hours (Monday – Thursday, 7:00 a.m. to 6:00 p.m.) (as recorded on the device from which the sender sent the email), unless the sender receives an automated message or other indication that the email has not been delivered.

**12. OWNERSHIP OF WORK PRODUCT.** All work product of Contractor that results from this Contract (the “Work Product”) is the exclusive property of County. County and Contractor intend that such Work Product be deemed “work made for hire” of which County shall be deemed the author. If for any reason the Work Product is not deemed “work made for hire,” Contractor hereby irrevocably assigns to County all of its right, title, and interest in and to any and all of the Work Product, whether arising from copyright, patent, trademark or trade secret, or any other state or federal intellectual property law or doctrine. Contractor shall execute such further documents and instruments as County may reasonably request in order to fully vest such rights in County.

Contractor forever waives any and all rights relating to the Work Product, including without limitation, any and all rights arising under 17 USC § 106A or any other rights of identification of authorship or rights of approval, restriction or limitation on use or subsequent modifications. Notwithstanding the above, County shall have no rights in any pre-existing Contractor intellectual property provided to County by Contractor in the performance of this Contract except to copy, use and re-use any such Contractor intellectual property for County use only.

- 13. REPRESENTATIONS AND WARRANTIES.** Contractor represents and warrants to County that (A) Contractor has the power and authority to enter into and perform this Contract; (B) this Contract, when executed and delivered, shall be a valid and binding obligation of Contractor enforceable in accordance with its terms; (C) Contractor shall at all times during the term of this Contract, be qualified, professionally competent, and duly licensed to perform the Work; (D) Contractor is an independent contractor as defined in ORS 670.600; and (E) the Work under this Contract shall be performed in a good and workmanlike manner and in accordance with the highest professional standards. The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided.
- 14. SURVIVAL.** All rights and obligations shall cease upon termination or expiration of this Contract, except for the rights and obligations set forth in Article II, Sections 1, 6, 7, 10, 12, 13, 14, 15, 17, 20, 21, 25, 27, 28, 32, 33, and 34, and all other rights and obligations which by their context are intended to survive. However, such expiration shall not extinguish or prejudice the County's right to enforce this Contract with respect to: (a) any breach of a Contractor warranty; or (b) any default or defect in Contractor performance that has not been cured.
- 15. SEVERABILITY.** If any term or provision of this Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.
- 16. SUBCONTRACTS AND ASSIGNMENTS.** Contractor shall not enter into any subcontracts for any of the Work required by this Contract, or assign or transfer any of its interest in this Contract by operation of law or otherwise, without obtaining prior written approval from the County, which shall be granted or denied in the County's sole discretion. In addition to any provisions the County may require, Contractor shall include in any permitted subcontract under this Contract a requirement that the subcontractor be bound by this Article II, Sections 1, 7, 8, 13, 16 and 27 as if the subcontractor were the Contractor. County's consent to any subcontract shall not relieve Contractor of any of its duties or obligations under this Contract.
- 17. SUCCESSORS IN INTEREST.** The provisions of this Contract shall be binding upon and shall inure to the benefit of the parties hereto, and their respective authorized successors and assigns.
- 18. TAX COMPLIANCE CERTIFICATION.** The Contractor shall comply with all federal, state and local laws, regulation, executive orders and ordinances applicable to this Contract. Contractor represents and warrants that it has complied, and will continue to comply throughout the duration of this Contract and any extensions, with all tax laws of this state or any political subdivision of this state, including but not limited to ORS 305.620 and ORS chapters 316, 317, and 318. Any violation of this section shall constitute a material breach of this Contract and shall entitle County to terminate this Contract, to pursue and recover any and all damages that arise from the breach and the termination of this Contract, and to pursue any or all of the remedies available under this Contract or applicable law.
- 19. TERMINATIONS.** This Contract may be terminated for the following reasons: (A) by mutual agreement of the parties or by the County (i) for convenience upon thirty (30) days written notice to

Contractor, or (ii) at any time the County fails to receive funding, appropriations, or other expenditure authority as solely determined by the County; or (B) if contractor breaches any Contract provision or is declared insolvent, County may terminate after thirty (30) days written notice with an opportunity to cure.

Upon receipt of written notice of termination from the County, Contractor shall immediately stop performance of the Work. Upon termination of this Contract, Contractor shall deliver to County all documents, Work Product, information, works-in-progress and other property that are or would be deliverables had the Contract Work been completed. Upon County's request, Contractor shall surrender to anyone County designates, all documents, research, objects or other tangible things needed to complete the Work.

- 20. REMEDIES.** If terminated by the County due to a breach by the Contractor, then the County shall have any remedy available to it in law or equity. If this Contract is terminated for any other reason, Contractor's sole remedy is payment for the goods and services delivered and accepted by the County, less any setoff to which the County is entitled.
- 21. NO THIRD PARTY BENEFICIARIES.** County and Contractor are the only parties to this Contract and are the only parties entitled to enforce its terms. Nothing in this Contract gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Contract.
- 22. TIME IS OF THE ESSENCE.** Contractor agrees that time is of the essence in the performance of this Contract.
- 23. FOREIGN CONTRACTOR.** If the Contractor is not domiciled in or registered to do business in the State of Oregon, Contractor shall promptly provide to the Oregon Department of Revenue and the Secretary of State, Corporate Division, all information required by those agencies relative to this Contract. The Contractor shall demonstrate its legal capacity to perform these services in the State of Oregon prior to entering into this Contract.
- 24. FORCE MAJEURE.** Neither County nor Contractor shall be held responsible for delay or default caused by events outside the County or Contractor's reasonable control including, but not limited to, fire, terrorism, riot, acts of God, or war. However, Contractor shall make all reasonable efforts to remove or eliminate such a cause of delay or default and shall upon the cessation of the cause, diligently pursue performance of its obligations under this Contract.
- 25. WAIVER.** The failure of County to enforce any provision of this Contract shall not constitute a waiver by County of that or any other provision.
- 26. PUBLIC CONTRACTING REQUIREMENTS.** Pursuant to the public contracting requirements contained in Oregon Revised Statutes ("ORS") Chapter 279B.220 through 279B.235, Contractor shall:
  - a. Make payments promptly, as due, to all persons supplying to Contractor labor or materials for the prosecution of the work provided for in the Contract.
  - b. Pay all contributions or amounts due the Industrial Accident Fund from such Contractor or subcontractor incurred in the performance of the Contract.
  - c. Not permit any lien or claim to be filed or prosecuted against County on account of any labor or material furnished.
  - d. Pay the Department of Revenue all sums withheld from employees pursuant to ORS 316.167.

- e. As applicable, the Contractor shall pay employees for work in accordance with ORS 279B.235, which is incorporated herein by this reference. The Contractor shall comply with the prohibitions set forth in ORS 652.220, compliance of which is a material element of this Contract, and failure to comply is a breach entitling County to terminate this Contract for cause.
- f. If the Work involves lawn and landscape maintenance, Contractor shall salvage, recycle, compost, or mulch yard waste material at an approved site, if feasible and cost effective.

**27. NO ATTORNEY FEES.** In the event any arbitration, action or proceeding, including any bankruptcy proceeding, is instituted to enforce any term of this Contract, each party shall be responsible for its own attorneys' fees and expenses.

**28. CONFIDENTIALITY.** Contractor acknowledges that it and its employees and agents may, in the course of performing their obligations under this Contract, be exposed to or acquire information that the County desires or is required to maintain as confidential, including information that is protected under applicable law, including Personal Information (as "**Personal Information**" is defined in ORS 646A.602(11)).

Contractor agrees to hold any and all information that it is required by law or that the County marks as "Confidential" to be held in confidence ("**Confidential Information**"), using at least the same degree of care that Contractor uses in maintaining the confidentiality of its own confidential information, and will use the Confidential Information for no purpose other than in the performance of this Contract, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential.

Contractor agrees that, except as directed by the County, Contractor will not at any time during or after the term of this Contract, disclose, directly or indirectly, any Confidential Information to any person, and that upon termination or expiration of this Contract or the County's request, Contractor will turn over to the County all documents, papers, records and other materials in Contractor's possession which embody Confidential Information.

Contractor acknowledges that breach of this Contract, including disclosure of any Confidential Information, or disclosure of other information that, at law or in good conscience or equity, ought to remain confidential, will give rise to irreparable injury to the County that cannot adequately be compensated in damages. Accordingly, the County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of the County and are reasonable in scope and content.

Contractor agrees to comply with all reasonable requests by the County to ensure the confidentiality and nondisclosure of the Confidential Information, including if requested and without limitation: (a) obtaining nondisclosure agreements, in a form approved by the County, from each of Contractor's employees and agents who are performing services, and providing copies of such agreements to the County; and (b) performing criminal background checks on each of Contractor's employees and agents who are performing services, and providing a copy of the results to the County.

Contractor shall report, either orally or in writing, to the County any use or disclosure of Confidential Information not authorized by this Contract or in writing by the County, including any reasonable belief that an unauthorized individual has accessed Confidential Information. Contractor shall make the report to the County immediately upon discovery of the unauthorized disclosure, but in no event more than two (2) business days after Contractor reasonably believes there has been such unauthorized use or disclosure. Contractor's report shall identify: (i) the nature of the unauthorized

use or disclosure, (ii) the Confidential Information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or shall take to prevent future similar unauthorized use or disclosure. Contractor shall provide such other information, including a written report, as reasonably requested by the County.

Notwithstanding any other provision in this Contract, Contractor will be responsible for all damages, fines and corrective action (including credit monitoring services) arising from disclosure of such Confidential Information caused by a breach of its data security or the confidentiality provisions hereunder.

The provisions in this Section shall operate in addition to, and not as limitation of, the confidentiality and similar requirements set forth in the rest of the Contract, as it may otherwise be amended. Contractor's obligations under this Contract shall survive the expiration or termination of the Contract, as amended, and shall be perpetual.

**29. CRIMINAL BACKGROUND CHECK REQUIREMENTS.** Contractor shall be required to have criminal background checks (and in certain instances fingerprint background checks) performed on all employees, agents, or subcontractors that perform services under this Contract. Only those employees, agents, or subcontractors that have met the acceptability standards of the County may perform services under this Contract or be given access to Personal Information, Confidential Information or access to County facilities.

**30. RESERVED**

**31. COOPERATIVE CONTRACTING.** Pursuant to ORS 279A.200 to 279A.225, other public agencies may use this Contract resulting from a competitive procurement process unless the Contractor expressly noted in their proposal/quote that the prices and services are available to the County only. The condition of such use by other agencies is that any such agency must make and pursue contact, purchase order, delivery arrangements, and all contractual remedies directly with Contractor; the County accepts no responsibility for performance by either the Contractor or such other agency using this Contract. With such condition, the County consents to such use by any other public agency.

**32. FEDERAL CONTRACTING REQUIREMENTS.** County intends that all or a portion of the consideration paid to Contractor is eligible for reimbursement by one or more federal agencies. This Contract is subject to the additional terms and conditions, required by federal law for a federal award, set in **Exhibit C**, attached hereto and incorporated by this reference herein. All terms and conditions required under applicable federal law for a federal award including, but not limited to, 2 C.F.R. § 200.326 and 2 C.F.R. § Pt. 200, App. II, are hereby incorporated by this reference herein.

**33. HIPAA COMPLIANCE.** Contractor shall comply with the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"), which include the Standards for the Privacy of Individually Identifiable Health Information (the "Privacy Rule"), the Standards for Electronic Transactions, the Security Rule (45 C.F.R. Parts 160–64), and the Privacy provisions (Subtitle D) of the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (the "HITECH Act") (collectively, and as amended from time to time, the "HIPAA Rules"), as well as the laws and regulations regarding substance use disorder records under 42 CFR Part 2.

**34. MERGER.** THIS CONTRACT CONSTITUTES THE ENTIRE AGREEMENT BETWEEN THE PARTIES WITH RESPECT TO THE SUBJECT MATTER REFERENCED THEREIN. THERE

ARE NO UNDERSTANDINGS, AGREEMENTS, OR REPRESENTATIONS, ORAL OR WRITTEN, NOT SPECIFIED HEREIN REGARDING THIS CONTRACT. NO AMENDMENT, CONSENT, OR WAIVER OF TERMS OF THIS CONTRACT SHALL BIND EITHER PARTY UNLESS IN WRITING AND SIGNED BY ALL PARTIES. ANY SUCH AMENDMENT, CONSENT, OR WAIVER SHALL BE EFFECTIVE ONLY IN THE SPECIFIC INSTANCE AND FOR THE SPECIFIC PURPOSE GIVEN. The Board of County Commissioners reserves the right to reject any and all Proposals not in compliance with all prescribed public bidding procedures and requirements, and may reject for good cause any and all Proposals upon the finding that it is in the public interest to do so and to waive any and all informalities in the public interest. In the award of the contract, the Board of County Commissioners will consider the element of time, will accept the Proposal or Proposals which in their estimation will best serve the interests of Clackamas County and will reserve the right to award the contract/s to the contractor/s whose Proposal shall be best for the public good.

Clackamas County encourages proposals from Minority, Women, Veteran and Emerging Small Businesses.

## SECTION 2 INSTRUCTIONS TO PROPOSERS

Clackamas County (“County”) reserves the right to reject any and all Proposals received as a result of this RFP. County Local Contract Review Board Rules (“LCRB”) govern the procurement process for the County.

**2.1 Modification or Withdrawal of Proposal:** Any Proposal may be modified or withdrawn at any time prior to the Closing deadline, provided that a written request is received by the County Procurement Division Director, prior to the Closing. The withdrawal of a Proposal will not prejudice the right of a Proposer to submit a new Proposal.

**2.2 Requests for Clarification and Requests for Change:** Proposers may submit questions regarding the specifications of the RFP. Questions must be received in writing on or before 5:00 p.m. (Pacific Time), on the date indicated in the Schedule, at the Procurement Division address as listed in Section 1 of this RFP. Requests for changes must include the reason for the change and any proposed changes to the requirements. The purpose of this requirement is to permit County to correct, prior to the opening of Proposals, RFP terms or technical requirements that may be unlawful, improvident or which unjustifiably restrict competition. County will consider all requested changes and, if appropriate, amend the RFP. No oral or written instructions or information concerning this RFP from County managers, employees or agents to prospective Proposers shall bind County unless included in an Addendum to the RFP.

**2.3 Protests of the RFP/Specifications:** Protests must be in accordance with LCRB C-047-0730. Protests of Specifications must be received in writing on or before 5:00 p.m. (Pacific Time), on the date indicated in the Schedule, or within three (3) business days of issuance of any addendum, at the Procurement Division address listed in Section 1 of this RFP. Protests may not be faxed. Protests of the RFP specifications must include the reason for the protest and any proposed changes to the requirements.

**2.4 Addenda:** If any part of this RFP is changed, an addendum will be provided to Proposers that have provided an address to the Procurement Division for this procurement. It shall be Proposers responsibility to regularly check OregonBuys for any notices, published addenda, or response to clarifying questions.

**2.5 Submission of Proposals:** Proposals must be submitted in accordance with Section 5. All Proposals shall be legibly written in ink or typed and comply in all regards with the requirements of this RFP. Proposals that include orders or qualifications may be rejected as irregular. All Proposals must include a signature that affirms the Proposer’s intent to be bound by the Proposal (may be on cover letter, on the Proposal, or the Proposal Certification Form) shall be signed. If a Proposal is submitted by a firm or partnership, the name and address of the firm or partnership shall be shown, together with the names and addresses of the members. If the Proposal is submitted by a corporation, it shall be signed in the name of such corporation by an official who is authorized to bind the contractor. The Proposals will be considered by the County to be submitted in confidence and are not subject to public disclosure until the notice of intent to award has been issued.

No late Proposals will be accepted. Proposals submitted after the Closing will be considered late and will be returned unopened. Proposals may not be submitted by telephone or fax.

**2.6 Post-Selection Review and Protest of Award:** County will name the apparent successful Proposer in a Notice of Intent to Award published on OregonBuys. Identification of the apparent successful Proposer is procedural only and creates no right of the named Proposer to award of the contract. Competing Proposers shall be given seven (7) calendar days from the date on the Notice of Intent to Award to review the file at the Procurement Division office and file a written protest of award, pursuant to LCRB C-047-0740. Any award protest must be in writing and must be delivered by email, hand-delivery or mail to the address for the Procurement Division as listed in Section 1 of this RFP.

County reserves the right to issue multiple awards for this solicitation.

Only actual Proposers may protest if they believe they have been adversely affected because the Proposer would be eligible to be awarded the contract in the event the protest is successful. The basis of the written protest must be in accordance with ORS 279B.410 and shall specify the grounds upon which the protest is based. In order to

be an adversely affected Proposer with a right to submit a written protest, a Proposer must be next in line for award, i.e. the protester must claim that all higher rated Proposers are ineligible for award because they are non-responsive or non-responsible.

County will consider any protests received and:

- a. reject all protests and proceed with final evaluation of, and any allowed contract language negotiation with, the apparent successful Proposer and, pending the satisfactory outcome of this final evaluation and negotiation, enter into a contract with the named Proposer; OR
- b. sustain a meritorious protest(s) and reject the apparent successful Proposer as nonresponsive, if such Proposer is unable to demonstrate that its Proposal complied with all material requirements of the solicitation and Oregon public procurement law; thereafter, County may name a new apparent successful Proposer; OR
- c. reject all Proposals and cancel the procurement.

**2.7 Acceptance of Contractual Requirements:** Failure of the selected Proposer to execute a contract and deliver required insurance certificates within ten (10) calendar days after notification of an award may result in cancellation of the award. This time period may be extended at the option of County.

**2.8 Public Records:** Proposals are deemed confidential until the “Notice of Intent to Award” letter is issued. This RFP and one copy of each original Proposal received in response to it, together with copies of all documents pertaining to the award of a contract, will be kept and made a part of a file or record which will be open to public inspection. If a Proposal contains any information that is considered a **TRADE SECRET** under ORS 192.345(2), **SUCH INFORMATION MUST BE LISTED ON A SEPARATE SHEET CAPABLE OF SEPARATION FROM THE REMAINING PROPOSAL AND MUST BE CLEARLY MARKED WITH THE FOLLOWING LEGEND:**

**“This information constitutes a trade secret under ORS 192.345(2), and shall not be disclosed except in accordance with the Oregon Public Records Law, ORS Chapter 192.”**

The Oregon Public Records Law exempts from disclosure only bona fide trade secrets, and the exemption from disclosure applies only “unless the public interest requires disclosure in the particular instance” (ORS 192.345). Therefore, non-disclosure of documents, or any portion of a document submitted as part of a Proposal, may depend upon official or judicial determinations made pursuant to the Public Records Law.

**2.9 Investigation of References:** County reserves the right to investigate all references in addition to those supplied references and investigate past performance of any Proposer with respect to its successful performance of similar services, its compliance with specifications and contractual obligations, its completion or delivery of a project on schedule, its lawful payment of subcontractors and workers, and any other factor relevant to this RFP. County may postpone the award or the execution of the contract after the announcement of the apparent successful Proposer in order to complete its investigation.

**2.10 RFP Proposal Preparation Costs and Other Costs:** Proposer costs of developing the Proposal, cost of attendance at an interview (if requested by County), or any other costs are entirely the responsibility of the Proposer, and will not be reimbursed in any manner by County.

**2.11 Clarification and Clarity:** County reserves the right to seek clarification of each Proposal, or to make an award without further discussion of Proposals received. Therefore, it is important that each Proposal be submitted initially in the most complete, clear, and favorable manner possible.

**2.12 Right to Reject Proposals:** County reserves the right to reject any or all Proposals or to withdraw any item from the award, if such rejection or withdrawal would be in the public interest, as determined by County.

**2.13 Cancellation:** County reserves the right to cancel or postpone this RFP at any time or to award no contract.

**2.14 Proposal Terms:** All Proposals, including any price quotations, will be valid and firm through a period of one hundred and eighty (180) calendar days following the Closing date. County may require an

extension of this firm offer period. Proposers will be required to agree to the longer time frame in order to be further considered in the procurement process.

**2.15 Oral Presentations:** At County's sole option, Proposers may be required to give an oral presentation of their Proposals to County, a process which would provide an opportunity for the Proposer to clarify or elaborate on the Proposal but will in no material way change Proposer's original Proposal. If the evaluating committee requests presentations, the Procurement Division will schedule the time and location for said presentation. Any costs of participating in such presentations will be borne solely by Proposer and will not be reimbursed by County. **Note:** Oral presentations are at the discretion of the evaluating committee and may not be conducted; therefore, **written Proposals should be complete.**

**2.16 Usage:** It is the intention of County to utilize the services of the successful Proposer(s) to provide services as outlined in the below Scope of Work.

**2.17 Review for Responsiveness:** Upon receipt of all Proposals, the Procurement Division or designee will determine the responsiveness of all Proposals before submitting them to the evaluation committee. If a Proposal is incomplete or non-responsive in significant part or in whole, it will be rejected and will not be submitted to the evaluation committee. County reserves the right to determine if an inadvertent error is solely clerical or is a minor informality which may be waived, and then to determine if an error is grounds for disqualifying a Proposal. The Proposer's contact person identified on the Proposal will be notified, identifying the reason(s) the Proposal is non-responsive. One copy of the Proposal will be archived and all others discarded.

**2.18 RFP Incorporated into Contract:** This RFP will become part of the Contract between County and the selected contractor(s). The contractor(s) will be bound to perform according to the terms of this RFP, their Proposal(s), and the terms of the Sample Contract.

**2.19 Communication Blackout Period:** Except as called for in this RFP, Proposers may not communicate with members of the Evaluation Committee or other County employees or representatives about the RFP during the procurement process until the apparent successful Proposer is selected, and all protests, if any, have been resolved. Communication in violation of this restriction may result in rejection of a Proposer.

**2.20 Prohibition on Commissions and Subcontractors:** County will contract directly with persons/entities capable of performing the requirements of this RFP. Contractors must be represented directly. Participation by brokers or commissioned agents will not be allowed during the Proposal process. Contractor shall not use subcontractors to perform the Work unless specifically pre-authorized in writing to do so by the County. Contractor represents that any employees assigned to perform the Work, and any authorized subcontractors performing the Work, are fully qualified to perform the tasks assigned to them, and shall perform the Work in a competent and professional manner. Contractor shall not be permitted to add on any fee or charge for subcontractor Work. Contractor shall provide, if requested, any documents relating to subcontractor's qualifications to perform required Work.

**2.21 Ownership of Proposals:** All Proposals in response to this RFP are the sole property of County, and subject to the provisions of ORS 192.410-192.505 (Public Records Act).

**2.22 Clerical Errors in Awards:** County reserves the right to correct inaccurate awards resulting from its clerical errors.

**2.23 Rejection of Qualified Proposals:** Proposals may be rejected in whole or in part if they attempt to limit or modify any of the terms, conditions, or specifications of the RFP or the Sample Contract.

**2.24 Collusion:** By responding, the Proposer states that the Proposal is not made in connection with any competing Proposer submitting a separate response to the RFP, and is in all aspects fair and without collusion or fraud. Proposer also certifies that no officer, agent, elected official, or employee of County has a pecuniary interest in this Proposal.

**2.25 Evaluation Committee:** Proposals will be evaluated by a committee consisting of representatives from County and potentially external representatives. County reserves the right to modify the Evaluation Committee make-up in its sole discretion.

**2.26 Commencement of Work:** The contractor shall commence no work until all insurance requirements have been met, the Protest of Awards deadline has been passed, any protest have been decided, a contract has been fully executed, and a Notice to Proceed has been issued by County.

**2.27 Nondiscrimination:** The successful Proposer agrees that, in performing the work called for by this RFP and in securing and supplying materials, contractor will not discriminate against any person on the basis of race, color, religious creed, political ideas, sex, age, marital status, sexual orientation, gender identity, veteran status, physical or mental handicap, national origin or ancestry, or any other class protected by applicable law.

    - Phone/Text: 503-869-3643
    - Fax: 866-422-5515
  2. Additional support will be provided by Teisha Taylor, and Beth Dorais in our staffing center.
    - Email: [staffing@advantagenursestaffing.com](mailto:staffing@advantagenursestaffing.com)
    - Phone/Text: 503-356-8183
    - Fax: 866-422-5515
  3. Requests for staff can be emailed, texted, or phoned. There is also an option to enter needs requests directly into our automated system.
  4. When a request for staff is received, Advantage will email initial profiles of pre-screened, qualified candidates for review and interview by Clackamas County.
  5. When candidates have been selected, the terms of the assignment are confirmed in writing, and the individual can start working.
  
- Describe how long it typically takes for a placement to occur from the day a request is made to the day the placement starts services:

When we receive a staff request, we will provide pre-qualified initial profiles, usually within 24 hours, for County review and selection. Our current process with the County is 2-5 business days from when we receive candidate selection notification to the start of service.
  
- Describe the firm’s resolution policies/process if an assignment experiences a problem:

If any problem occurs, the County will contact us by phone, and we will deal with it immediately. To support and supplement the County’s service delivery, we currently work closely with County Staff to resolve any issues that arise and counsel or replace any temporary staff as necessary. Our goal is to ensure that the temporary medical staff we provide can assimilate quickly into the team and perform at the high level expected.

**NOTE:** We are committed to continuing a close partnership with the County to help control costs, maintain adequate staffing ratios, deliver high quality healthcare services, and resolve any issues that may arise.
  
- Describe how the firm conducts criminal background and drug screening checks:
  1. Criminal background checks. We use third-party background check companies to conduct a 7-year review, which includes all states and counties lived in/worked in, multi-court (County, State & Federal) criminal check, and SSN/Address Trace. We search FACIS Level 3, OIG, SAM/GSA/EPLS, OFAC, & NSOPW Sex Offender websites. Any hits are investigated, documented, and may result in no-hire or termination depending on circumstances.
  2. Drug screening. Before placement, every candidate is drug screened. We test upon hire, at client request, and random. Our HCP drug panel screens for 13 substances including marijuana. Our drug-free workplace policy requires post-incident testing and testing for reasonable suspicion. We are 100% committed to maintaining a drug-free workplace and placing drug-free HCPs with our clients.

- Does the firm provide references for referred medical staff candidates?

Yes. We obtain a minimum of two (2) professional references (from a manager or supervisor) that are verified and contacted for feedback on the candidates.

- Does the firm check medical staff candidates for Medicaid fraud?

Yes. Our credentialing department conducts a FACIS (Fraud Abuse Control Information System) Level 3 check on all medical staff personnel.

This search includes the entire FACIS database with over 5,000 data sources, including historical and state data, millions of individual records, and continuous updates.

- Describe how the firm will keep in communication with the County during placements:

We have enjoyed a collaborative relationship that has been vital to ensuring that the County's objectives and requirements for healthcare delivery are met. We will jointly determine the frequency and method of contact that is appropriate for the team. Regular, frequent communication via text, email, or phone, from initial request to end of placement, for each medical staff candidate placed with the County is preferable.

For assignments in the Health Centers Division that may occur in off-hours, we will maintain the same high communication level through our centralized staffing center.

- Describe how the firm will bill the County (method, frequency, etc.)

We will invoice weekly, sent via email. An On-Call Task Order is prepared for each individual who is on assignment. The Task Order specifies the individual's work schedule, bill rate, and sets a maximum payment sum for the Task Order, which can be increased if an assignment is extended. Each individual on assignment will submit a County approved Agency Temporary Staff timesheet, which will be submitted to the approving manager and a copy emailed to Advantage. Payment of invoices will be by direct deposit (ACH).

We will follow the Clackamas County billing protocol:

"Invoices and Payments. Unless otherwise specified, Contractor shall submit weekly invoices for Work performed. Invoices shall describe all Work performed with particularity, by whom it was performed, and shall itemize and explain all expenses for which reimbursement is claimed. The invoices shall include the total amount billed to date by Contractor prior to the current invoice. If Contractor fails to present invoices in proper form within sixty (60) calendar days after the end of the month in which the services were rendered, Contractor waives any rights to present such invoice thereafter and to receive payment therefor.

Payments shall be made in accordance with ORS 293.462 to Contractor following the County's review and approval of invoices submitted by Contractor.

Contractor shall not submit invoices for, and the County will not be obligated to pay, any amount in excess of the maximum compensation amount set forth above.
