### AREAS OF SPECIAL EMPHASIS

#### General

1. The Sheriff, from time to time, may direct the development of a program or emphasize a specific area for CCSO employees to focus on during the course of their work.
2. Although the CCSO Strategic Plan will normally identify areas of special emphasis over the long term, the Sheriff may issue additional direction or emphasize a particular law enforcement stratagem in a memorandum to CCSO employees if deemed appropriate.
3. This memorandum shall be filed as an addendum to this policy until rescinded.

#### Sheriff's Memorandum

4. The Sheriff's memorandum may include a statement or direction to be taken by CCSO employees and shall carry the authority of policy.
5. Division Commanders will be responsible to ensure current procedures and practices are consistent with direction issued by the Sheriff and conveyed within the applicable CCSO procedural manual.
