**HOW TO SUBMIT TESTIMONY ON THIS APPLICATION**

- All interested parties are invited to "attend" the hearing remotely online or by telephone and will be provided with an opportunity to testify orally, if they so choose. One week prior to the hearing, specific instructions will be available online at [www.clackamas.us/meetings/planning/hearingsofficer](http://www.clackamas.us/meetings/planning/hearingsofficer)
- Written testimony received by **December 7, 2023**, will be considered by staff prior to the issuance of the staff report and recommendation on this application. However, written testimony will continue to be accepted until the record closes, which may occur as soon as the conclusion of the public hearing.
- Written testimony may be submitted by email, fax, or regular mail. Please include the permit number on all correspondence and address written testimony to the staff contact who is handling this matter.
- Testimony, argument, and evidence must be directed toward the criteria identified above, or other criteria in the Zoning and Development Ordinance or Comprehensive Plan that you believe apply to the decision. Failure to raise an issue in person at the hearing or by letter prior to the close of the record, or failure to provide statements or evidence sufficient to afford the Hearings Officer an opportunity to respond to the issue, precludes an appeal to the Oregon Land Use Board of Appeals based on that issue.
- Written notice of the Hearing Officer's decision will be mailed to you if you submit oral or written testimony or make written request for notice of decision **and provide a valid mailing address**.

**PROCEDURE FOR THE CONDUCT OF THE HEARING**

The hearing will be conducted by one of the Land Use Hearings Officers, who are appointed by the Board of County Commissioners to conduct public hearings and issue decisions on certain land use permit applications. The following procedural rules have been established to allow an orderly hearing:

1. The length of time given to individuals speaking for or against an item will be determined by the Hearings Officer prior to the item being considered.
2. A spokesperson representing each side of an issue is encouraged.
3. Prior to the conclusion of the evidentiary hearing, any participant may request an opportunity to present additional evidence, argument, or testimony regarding the application. The Hearings Officer will either continue the hearing or leave the record open for additional written evidence, argument, or testimony.
