Clackamas County Property Sale Policy

GENERAL POLICY – Effective 08/10/2021

To avoid the appearance of a conflict of interest and to ensure transparency and fairness to the public, Clackamas County will not sell county-owned property to current County employees, elected officials, volunteers and interns, or to any member of their households or relatives. The only exception to this policy is for the purchase of foreclosed property when the property is that of the employee, official, volunteer or intern (i.e. their own property has been foreclosed on and is being redeemed out of foreclosure by the employee, elected official, volunteer, or intern.)

DEFINITIONS

“County-owned property” is real or personal property that is owned by the county.

“Household member” means any person who resides with the public official, employee, volunteer or intern.

“Relative” includes a spouse, domestic partner, parent, stepparent, child, sibling, stepsibling, son-in-law or daughter-in-law, and any individual for whom the county employee, official, volunteer and intern is financially responsible.

POLICY GUIDELINES

- Employees, elected officials, interns and volunteers are responsible for complying with this policy.

All suspected abuse of this policy will be referred to the County Internal Auditor for investigation.

Oregon Revised Statute 275.088 also governs sales of tax foreclosed real property to county officers, employees, and their family members and intermediaries. It is the sole responsibility of the bidder to determine if this statute applies to him or her.
