EXECUTIVE SUMMARY: The purpose of this request is to approve the amendment allowing TS to extend CTERA Cloud Capacity and Services for an additional 1-year term. CTERA File Services integrates on-premises and cloud storage offering secure, cost-effective file access, sharing, and collaboration. County recently contracted with CTERA for cloud hosted file services earlier this year to improve disaster recovery capabilities. This request is to extend the term and expand the previous contract bringing the total contract value to \$174,665.02, over a 3YR term through SHI using cooperative Contract: Omnia Partners - IT Solutions, # 2018011-02. ARPA funds account for \$27,484.52 of the \$54,969.04 compensation change, and \$147,180.50 of the total contract value. Departmental cost allocations will fund the remaining \$27,484.52.

RECOMMENDATION: Staff respectfully recommends the Board of County Commissioners approve the Board Order allowing the amendment to extend the contract term for CTERA File Service.

Respectfully,
