I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring Hepatitis B Virus (HBV) infection. I have been given the opportunity to be vaccinated with Hepatitis B Vaccine at no charge to myself. However, I decline Hepatitis B Vaccination at this time. I understand that by declining this vaccine, I continue to be a risk of acquiring Hepatitis B, a serious disease. If in the future, I want to be vaccinated with Hepatitis B Vaccine, I can receive the vaccination series at no charge by contacting the medical clinic for an appointment.
