

# Do you drive?

Seniors and people with disabilities throughout Clackamas County need your help!

Transportation Reaching People (TRP) volunteers offer shared ride services for Clackamas County residents age 60+ and/or living with a disability. Rides are given free of charge to medical appointments, grocery shopping and other essential errands. Unassisted, door-to-door service is provided by volunteer drivers using their private auto. The goal of the program is to assist individuals with social support and preserve independent living.

## As a volunteer you will:

- Drive your own vehicle to help others
- Receive mileage reimbursement
- Give time as you can weekdays, Monday-Friday, and determine your own flexible schedule
- Receive free drivers safety training that may offer discounts on your auto insurance
- Make someone's day!
