**BACKGROUND:**

The Social Services Division of the Health, Housing and Human Services request approval of the Subrecipient Agreement with Senior Citizen Council of Clackamas County to provide Older American Act (OAA) funded services for persons living in Clackamas County. The services provided include Guardianship/Conservatorship, Guardianship Diversion and Case Management. These services assist older and disabled county residents in meeting their individual needs. The Guardianship/Conservatorship service helps those unable, in a variety of home settings, to handle their business affairs.

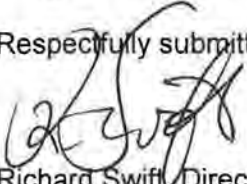

In the December 2015 Social Services advertised for a contractor to provide Older American Act services for older persons in Clackamas County during Fiscal Year 2016-17, with an option for renewal for four additional years. No agency other than Senior Citizen Council of Clackamas County showed an interest in providing these services for the County, so an agency services agreement with Senior Citizen Council of Clackamas County was negotiated. This is the fourth agreement under this RFP.

This agreement is effective on July 1, 2019 and terminates on June 30, 2020. This agreement has been approved signed by County Council on April 30, 2019.

**RECOMMENDATION:**

Staff recommends the Board approval of this agreement and authorizes Richard Swift, H3S Director to sign on behalf of Clackamas County.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. Swift', written over a faint circular stamp.

Budget and Units of Service**

**1. BUDGET**

The County's payment to the Agency will be based on the provision of the units of service and according to the service elements and amounts specified in this Exhibit.

Program Income: Agency acknowledges that all contributions received from participants or other persons for receipt of services from the Older Americans Act Title III-B Programs are program income. If this program income is equal to or less than the budgeted amount, the program income is to be spent before any Title III-B funds. If the program income is greater than the budgeted amount, the funds are to be used either to expand the service or reduce County's Title III-B contribution.

On the Unit cost the funding described "Program Income" (P.I.) and "Match" may be changed without a written amendment only if the change is not more than 9% between services. Service changes greater than 10%, or any increase in the total amount of County's contribution, need to be incorporated into this contract by a written amendment signed by both Agency and County. Such amendment shall not become effective until signed by both the Agency and County.

Agency agrees to provide matching funds for the service provision specified in this Exhibit as follows:

OAA Match shall be figured at 11.12% of the III-B funds contracted per service provision.

**2. UNITS OF SERVICE**

Agency or County may request substantive changes in the program activities as described in "Exhibit 1". Such changes must be mutually agreed upon by and between Agency and County and incorporated in a written amendment to this contract. Such amendment shall not become effective until signed by both the Agency and the County.

<b>Previous Board Action</b>	
<b>Strategic Plan Alignment</b>	1. This funding aligns with the strategic priority to increase self-sufficiency for our clients. 2. This funding aligns with the strategic priority to ensure safe, healthy and secure communities by addressing needs of older adults in the community.
<b>County Council</b>	Agreement approved by County Council on 4/30/19
<b>Contact Person</b>	Brenda Durbin, Director, Social Services Division 503-655-8641
<b>Contract No.</b>	H3S #9264; Subrecipient #20-009

**BACKGROUND:**

The Social Services Division of the Health, Housing and Human Services request approval of the Subrecipient Agreement with the City of Sandy/Sandy Senior & Community Center to provide Older American Act (OAA) funded services for persons living in the Sandy Senior & Community Center service area. The services provided include congregate and home delivered meals, evidence-based health promotion activities, transportation, and information and referral activities. These services link residents with resources to meet their individual needs. This helps them to remain independent and interactive in the community.

In the December 2015 Social Services advertised for a contractor to provide Older American Act services for older persons in Clackamas County during Fiscal Year 2016-17, with an option for renewal for four additional years. No agency other than City of Sandy/Sandy Senior & Community Center showed an interest in providing these services in the Sandy/Boring area, so an

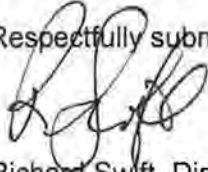

Intergovernmental subrecipient agreement with the City of Sandy/Sandy Senior & Community Center was negotiated. This is the fourth agreement under this RFP.

This agreement is effective July 1, 2019 and terminates on June 30, 2020. This agreement has been approved signed by County Council on April 30, 2019.

**RECOMMENDATION:**

Staff recommends the Board approval of this agreement and authorizes Richard Swift, H3S Director to sign on behalf of Clackamas County.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. Swift', is written over the text 'Respectfully submitted,'.

Richard Swift, Director  
Health Housing & Human Service

## I. RESPONSE SECTION

### 1. Describe your grievance procedure for clients and how CCSS will fit in the process:

Clients who have been denied a Center service or have a complaint relating to service delivery will be referred to the formal grievance procedure if all attempts to resolve the conflict informally between the parties involved fail.

The formal grievance procedure encompasses a successive review of the complaint by the Center Director, City Manager, and City Council, in that order. The City Council's decision is binding. All complaints relating to Aging and Disability Services contracted services shall be resolved in accordance with the terms of the contract and CCSS staff review.

### SANDY SENIOR CENTER PROCEDURES FOR HANDLING COMPLAINTS

Complaints are a natural result of being a visible, active organization providing services to the public. In order to maintain a positive climate in the community, and provide quality services to the public, we must be aware of any concerns about the programs and services we provide and have a consistent procedure for responding to complaints. Our preferred way to handle complaints is to solve them informally by the parties involved. This informal process encourages persons to freely express their concerns so that immediate action may be taken to resolve the issue in a positive way. While the Informal process is preferred, it is also necessary to make available a formal process for taking a complaint elsewhere if it cannot be solved informally.

#### INFORMAL PROCEDURE

When staff\* or volunteers receive a complaint they should:

- a. Make sure that complainant talk directly to the staff person responsible for the day-to-day operation of the activity about which there is a complaint. If persons first receiving the complaint are not responsible for the particular activity, they should take the name and phone number of the complainant. Complainants should be advised that the person responsible for the activity will call them. It is the responsibility of persons first receiving the complaint to inform the person responsible for the activity about the complaint. It is preferable that persons not be passed from one person to another in order to have their complaint be heard.

\* If the complainant chooses to go first to the Assistant to the City manager, the City Manager, or the Center Advisory Board with the complaint, the informal process described here will normally be used. The Assistant to the City Manager, the City Manager, or the Center Advisory Board would refer the complaint to the Center Director to handle according to the informal process before initiating the formal process. In addition to verbal and written complaints, the City offers an on-line complaint initiation process which is directly forwarded to the staff person who is responsible for resolution of the concern.

- b. When staff receives a complaint about an activity for which they are responsible, they should try to resolve the problem as follows:
  - treat the complaint seriously;
  - ask the complainants what action they expect to be taken;
  - involve complainants in the process of devising a solution, if feasible;
  - inform complainants of what action will be taken, or why no action is necessary.
- c. If complainants still are not satisfied, they should be referred to the Center Director. The Center Director should be advised of this referral. This will allow the Center Director to begin to take any appropriate steps and/or follow-up with complainants should they fail to contact the Director. If the issue relates to Center programs, policies or procedures, the Center Director may request that the Center Advisory Board make a recommendation on the matter. Any decision must be in accordance with Senior Center policies and procedures, City of Sandy Policies, and in the case of contracted services, in accordance with established policies and procedures of the contracting agency and terms of the contract.
- d. If complainants still are not satisfied, the Formal Procedure will be initiated.

#### FORMAL PROCEDURE

If the problem has not been resolved after speaking to the Center Director, complainants may request a review by the Assistant to the City Manager. Presentations concerning senior issues and center programs are also made before community groups each year. Senior volunteers are encouraged to provide information to their peers on an informal basis. Persons serving on the Sandy Senior Center Advisory Committee from churches and other organizations also represent an important source of community networking and Information sharing. The City maintains a web site and cable television channel 7 which also advertise center information.

**BACKGROUND:**

The Clackamas County Health Centers Division (CCHCD) of the Health, Housing and Human Services Department requests the approval of Amendment #2 to a Revenue Agreement with CareOregon for the Integrated Behavioral Health Program - Per Member Per Month (PMPM) Incentive Program.

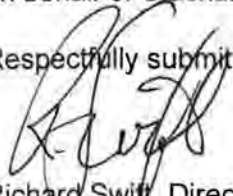

CareOregon offers payment incentives to organizations that have been qualified as a Patient Centered Primary Care Home and who have a Behavioral Health Integrated Letter of Agreement with CareOregon. This Amendment is needed to extend the agreement with the effective dates of July 1, 2019 to June 30, 2020, with the new payment model measurements. There is no way to determine the amount of revenue to be received as this is determined based on the number of members assigned to CCHCD and the amount of measured improvement reported per quarter. CCHCD is eligible for revenue generated per member per month (PMPM) depending on level of achievement at the Beavercreek, Sunnyside, Sandy, and Gladstone clinics. Due to these factors, we are processing this as a No Maximum Agreement.

This Amendment #1 is effective July 1, 2019 and continues through June 30, 2020.

**RECOMMENDATION:**

Staff recommends the Board approval of this contract and authorizes Richard Swift, H3S Director to sign on behalf of Clackamas County.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "R. Swift", is written over the text "Respectfully submitted,".

Richard Swift, Director  
Health, Housing, and Human Services

County shall be entitled to recover any and all damages suffered as the result of Contractor's breach of this Contract, including but not limited to direct, indirect, incidental and consequential damages, costs of cure, and costs incurred in securing replacement performance. These remedies are cumulative to the extent the remedies are not inconsistent, and County may pursue any remedy or remedies singly, collectively, successively, or in any order whatsoever.

The Contractor represents and warrants that, for a period of no fewer than six calendar years preceding the effective date of this Contract, has faithfully complied with: (A) All tax laws of this state, including but not limited to ORS 305.620 and ORS chapters 316, 317, and 318; (B) Any tax provisions imposed by a political subdivision of this state that applied to Contractor, to Contractor's property, operations, receipts, or income, or to Contractor's performance of or compensation for any work performed by Contractor; (C) Any tax provisions imposed by a political subdivision of this state that applied to Contractor, or to goods, services, or property, whether tangible or intangible, provided by Contractor; and (D) Any rules, regulations, charter provisions, or ordinances that implemented or enforced any of the foregoing tax laws or provisions.

**20. TERMINATION.** This Contract may be terminated for the following reasons: (A) This Contract may be terminated at any time by mutual consent of the parties, or by the County for convenience upon thirty (30) days' written notice to the Contractor; (B) County may terminate this Contract effective upon delivery of notice to Contractor, or at such later date as may be established by the County, if (i) federal or state laws, rules, regulations, or guidelines are modified, changed, or interpreted in such a way that either the work under this Contract is prohibited or the County are prohibited from paying for such work from the planned funding source; or (ii) any license or certificate required by law or regulation to be held by the Contractor to provide the services required by this Contract is for any reason denied, revoked, or not renewed; (C) This Contract may also be immediately terminated by the County for default (including breach of Contract) if (i) Contractor fails to provide services or materials called for by this Contract within the time specified herein or any extension thereof; or (ii) Contractor fails to perform any of the other provisions of this Contract or so fails to pursue the work as to endanger performance of this Contract in accordance with its terms, and after receipt of notice from the County, fails to correct such failure within ten (10) business days; or (D) If sufficient funds are not provided in future approved budgets of the County (or from applicable federal, state, or other sources) to permit the County in the

exercise of its reasonable administrative discretion to continue this Contract, or if the program for which this Contract was executed is abolished, County may terminate this Contract without further liability by giving Contractor not less than thirty (30) days' notice.

**21. REMEDIES.** (A) In the event of termination pursuant to Section 20(A), (B)(i), or (D), Contractor's sole remedy shall be a claim for the sum designated for accomplishing the work multiplied by the percentage of work completed and accepted by the County, less previous amounts paid and any claim(s) which the County has against Contractor. If previous amounts paid to Contractor exceed the amount due to Contractor under Section 21(A), Contractor shall pay any excess to County on demand. (B) In the event of termination pursuant to Sections 20(B)(ii) or 20(C), the County shall have any remedy available to it in law or equity. If it is determined for any reason that Contractor was not in default under Sections 20(B)(ii) or 20(C), the rights and obligations of the parties shall be the same as if the Contract was terminated pursuant to Section 20(A). (C) Upon receiving a notice of termination of this Contract, Contractor shall immediately cease all activities under this Contract, unless County expressly directs otherwise in such notice of termination. Upon termination of this Contract, Contractor shall deliver to County all documents, information, works-in-progress and other property that are or would be deliverables had the Contract work been completed. Upon County's request, Contractor shall surrender to anyone County designates, all documents, research or objects or other tangible things needed to complete the work.

**22. NO THIRD PARTY BENEFICIARIES.** County and Contractor are the only parties to this Contract and are the only parties entitled to enforce its terms. Nothing in this Contract gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly, indirectly or otherwise, to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of the terms of this Contract.

**23. TIME IS OF THE ESSENCE.** Contractor agrees that time is of the essence under this Contract.

**24. FOREIGN CONTRACTOR.** If the Contractor is not domiciled in or registered to do business in the State of Oregon, Contractor shall promptly provide to the Oregon Department of Revenue and the Secretary of State, Corporate Division, all information required by those agencies relative to this Contract. The Contractor shall demonstrate its legal capacity to perform these services in the State of Oregon prior to entering into this Contract.

**25. FORCE MAJEURE.** Neither County nor Contractor shall be held responsible for delay or default caused by fire, terrorism, riot, acts of God, or war where such cause was beyond, respectively, County's or Contractor's reasonable control. Contractor shall, however, make all reasonable efforts to remove or eliminate such a cause of delay or default and shall upon the cessation of the cause, diligently pursue performance of its obligations under this Contract.

**26. WAIVER.** The failure of County to enforce any provision of this Contract shall not constitute a waiver by County of that or any other provision.

**27. COMPLIANCE.** Pursuant to the requirements of ORS 279B.020 and 279B.220 through 279B.235 and Article XI, Section 10, of the Oregon Constitution, the following terms and conditions are made a part of this Contract: (A) Contractor shall: (i) Make payments promptly, as due, to all persons supplying to the Contractor labor or materials for the prosecution of the work provided for in this Contract; (ii) Pay all contributions or amounts due the Industrial Accident Fund from such Contractor or subcontractor incurred in the performance of this Contract; (iii) Not permit any lien or claim to be filed or prosecuted against the County on account of any labor or material furnished. (B) If the Contractor fails, neglects or refuses to make prompt payment of any claim for labor or services furnished to the Contractor or a

subcontractor by any person in connection with this Contract as such claim becomes due, the proper officer representing the County may pay such claim to the person furnishing the labor or services and charge the amount of the payment against funds due or to become due the Contractor by reason of this Contract. (C) The Contractor shall pay employees for work in accordance with ORS 279B.020 and ORS 279B.235, which is incorporated herein by this reference. All subject employers working under the contract are either employers that will comply with ORS 656.017 or employers that are exempt under ORS 656.126. The Contractor shall comply with the prohibitions set forth in ORS 652.220, compliance of which is a material element of this Contract and failure to comply is a material breach that entitles County to exercise any rights and remedies available under this Contract including, but not limited to, termination for default. (D) The Contractor shall promptly, as due, make payment to any person or copartnership, association or corporation furnishing medical, surgical and hospital care or other needed care and attention incident to sickness and injury to the employees of the Contractor, of all sums which the Contractor agrees to pay for such services and all moneys and sums which the Contractor collected or deducted from the wages of the Contractor's employees pursuant to any law, contract or agreement for the purpose of providing or paying for such services.

**28. DELIVERY.** All deliveries shall be F.O.B. destination with all transportation and handing charges paid by the Contractor, unless specified otherwise in this Contract. Responsibility and liability for loss or damage shall remain with the Contractor until final inspection and acceptance, when responsibility shall pass to the County except as to latent defects, fraud and Contractor's warranty obligations.

**29. INSPECTIONS.** Goods and services furnished under this Contract will be subject to inspection and test by the County at times and places determined by the County. If the County finds goods and services furnished to be incomplete or not in compliance with the Contract, the County, at its sole discretion, may either reject the goods and services, require Contractor to correct any defects without charge, or negotiate with Contractor to sell the goods and services to the County at a reduced price, whichever the County deems equitable under the circumstances. If Contractor is unable or refuses to cure any defects within a time deemed reasonable by the County, the County may reject the goods and services and cancel the Contract in whole or in part. Nothing in this paragraph shall in any way affect or limit the County's rights as a Buyer, including the rights and remedies relating to rejection under ORS 72.6020 and revocation of acceptance under ORS 72.6080.
